Computer Basics & More is pleased to offer its students a casual learning environment to practice on related course topics with one-on-one help from coaches. The Computer Lab is free of charge to students and they may enjoy the benefits of extended learning and practice for three (3) months from the start date of their last paid course.

\*Lab hours are Monday from 12pm-3pm (except holidays). Students are strongly encouraged to come in to ask questions, solicit help or practice on topics discussed in any of the courses that they have taken.
