

# Visitor Dress Code

[www.BestJail.com](http://www.BestJail.com)

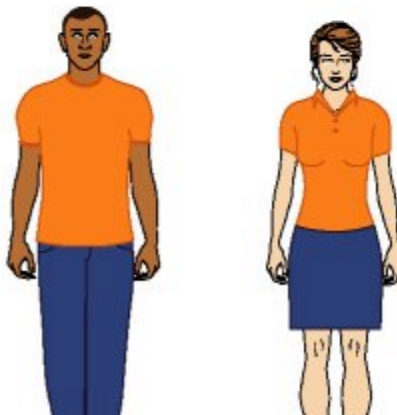

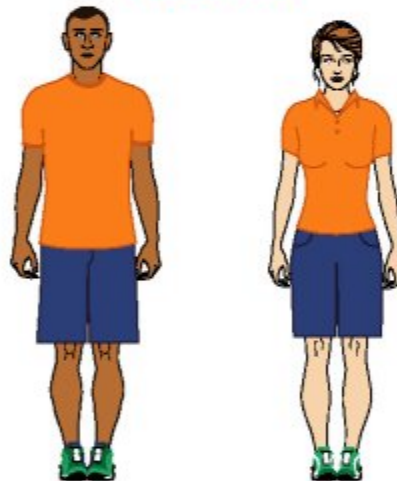

It is not our purpose to pass judgement in limiting the kinds of clothing that may be allowed in the visitation area. We designed these limits to prevent harassment, discomfort or embarrassing incidents that may spoil your visit.

Listed below are examples of proper and improper attire. Suggestive clothing and see-through fabrics will not be allowed. Appropriate underclothing is required. If you do not understand a rule or guideline, please ask a member of the staff for assistance.

## IMPROPER

## PROPER

NO open toe shoes, sandals or closed toe sandals/heels without a heel strap/back
