

Arya!

Hi there! My name is Arya and I'm a 2-year-old female kitty. I just came back from foster care where I was raising 5 kittens of my own plus 1 that had been abandoned. I definitely had my paws full! I did a great job though. I'm a very friendly cat and love to be petted! I enjoy lounging around on sofas and get along well with dogs. I use my litterbox and am well behaved. I'm an all around fantastic cat! I've been spayed, vaccinated and microchipped so I'm ready to go home with you today. Please adopt me!
