

HOW YOUR DOLLARS HELP:

EDUCATION	INCOME	HEALTH	BASIC NEEDS
-----------	--------	--------	-------------

\$5
a week

Empowers a parent with new skills to better bond with his child and enhance development

Provides financial literacy classes for someone who wants to become more self-sufficient

Offers prenatal and postpartum care for a mother and her new baby

Provides a week's worth of lunches for 50 hungry individuals, including children and seniors

\$10
a week

Helps an adult pass the GED and move on to post-secondary educational opportunities

Assists a veteran in translating his military skills to a family-sustaining civilian job

Helps prepare new dads to help care for their children through group classes

Prevents a household from living without utilities for a month

Leadership Society

\$20
a week

Gives year-round mentoring and coaching to help a youth prepare for college or a career

Covers subsidized child care to allow a single parent the chance to secure a job

Gives a student access to medical or dental care they would not otherwise receive

Keeps a family from being evicted and becoming homeless

\$50
a week

Provides an at-risk teen a year of quality after-school programs, building leadership and character skills

Puts a homeless individual back on track with specific skills training to become more employable

Provides intensive case management, home visitation and other services proven to prevent child abuse or neglect

Re-houses two homeless families and provides them a safe and sustainable place to call "home"

Our Mission: To improve lives by mobilizing the caring power of our communities
