Construction Complaint Form

Dear Consumer,

Thank you for contacting us. We are enclosing a complaint form for you to complete and return to us. To prevent delay in the processing of your complaint, please make sure to return the original notarized form and copies of all documents or papers that apply to your dispute.

The Orange County Consumer Fraud Unit is tasked with the investigation of consumer complaints. In this capacity we provide two basic services for consumers. First, we attempt to mediate consumer complaints through informal contact with the parties involved. Secondly, we investigate complaints to gather evidence of violations of Florida Statutes for criminal prosecution by the State Attorney's Office.

Our role in the informal mediation of complaints is to present the consumer's complaint to the business for review in an effort to facilitate a resolution. To that end, we will make the business aware of your dispute and attempt to mediate a solution whenever possible.

We cannot act as your private attorney. Our Investigators are not attorneys and cannot give legal advice or opinions. If you feel you need legal advice, you will need to consult with a private attorney, legal aid society or other organizations.

Sincerely,

Orange County
Consumer Fraud Unit
