Boat Parking: \_\_\_\_\_

Boat Parking Setbacks: \_\_\_\_\_ Length of boat: \_\_\_\_\_
Owner/Occupant or Lessee: \_\_\_\_\_

Submittal Requirements: Two copies of a dimensioned site plan/survey that contains the following: a) all existing structures; b) setbacks; c) proposed location of recreational vehicle and photograph of recreational vehicle or proposed location of location of boat and photograph of the boat, and d) non-refundable application fee in the amount of \$47.00 per vehicle.

By signing this application the homeowner/contractor understands that in addition to Orange County's regulations, there may be private restrictions or approval requirements that will affect your ability to erect this structure or locate the recreational vehicle and/or boat on your lot. Please review your deed restrictions and/or consult with your Homeowners Association or Architectural Review Board. Construction/erection of a fence or installation of pavers or other improved surface must not obstruct any existing easements, including but not limited to drainage, utility, ingress and egress easements and are required to be approved through separate permitting processes.
