SUNSHINE

I am a beautiful longhaired orange tabby and white-almost buff colored girl, approximately 2 years old. I just finished weaning my litter of kittens and am looking for a forever home. I am very, very affectionate and seek human interaction. I will talk to you to get attention and love to be stroked-my head scratched, or my chin or belly rubbed. I especially love to be picked up and held like a baby. I have been a very good mama, but am still very young and ready to be a playful kitty myself. Of course I am litter box trained and use both the sisal and the cardboard scratchers.

Animal ID : A373293, My current status is AVAILABLE.
