Services/Buildings Remaining Open

Corrections

- March 16 - Suspended all chaplains and volunteers from entering Admin Bldg.
- March 23 - Admin bldg. closed to offenders/public reporting for community supervision
- March 25 - Closed Video Visitation and suspended Work Release Program

Fire Rescue – Closed stations to visitors in March, but all Fire Rescue operations remain open

Public Works – All operations still working with limited traffic in Main building

Orange County Sheriff's Office – Limited access at sub stations, but all operations remain open

Utilities – All operations still working

Metrics for Employee Teleworking

- **Teleworking for County employees began March 23**
- **Through May 11:**
 - **In a 24 hour period, there is an average of 2,976 VPN connections to the Orange County BCC network**
 - **A total of 7,910 online meetings with over 30,337 participants used the WebEx platform**
 - **This is an average of 220 meetings/day hosting 843 participants**

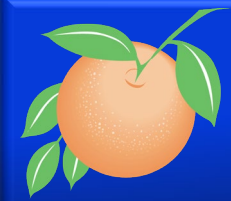

Building Preparations

- **Touchless hand sanitizer stations**
- **Signage for building entrances, common areas, lobbies, elevators, restrooms, etc.**
 - Helps with social distancing
 - Courthouse/Branch Locations, JAC, County Admin, Community Centers, History Center
- **Installing custom sneezeguards for customer service locations**
 - Pre-fabricated custom ordered
 - Custom built by our Facilities Management employees

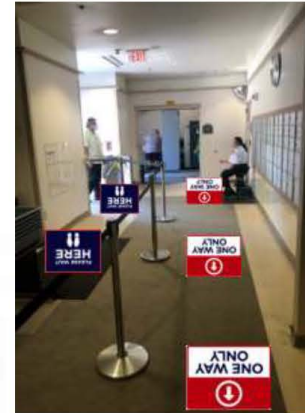

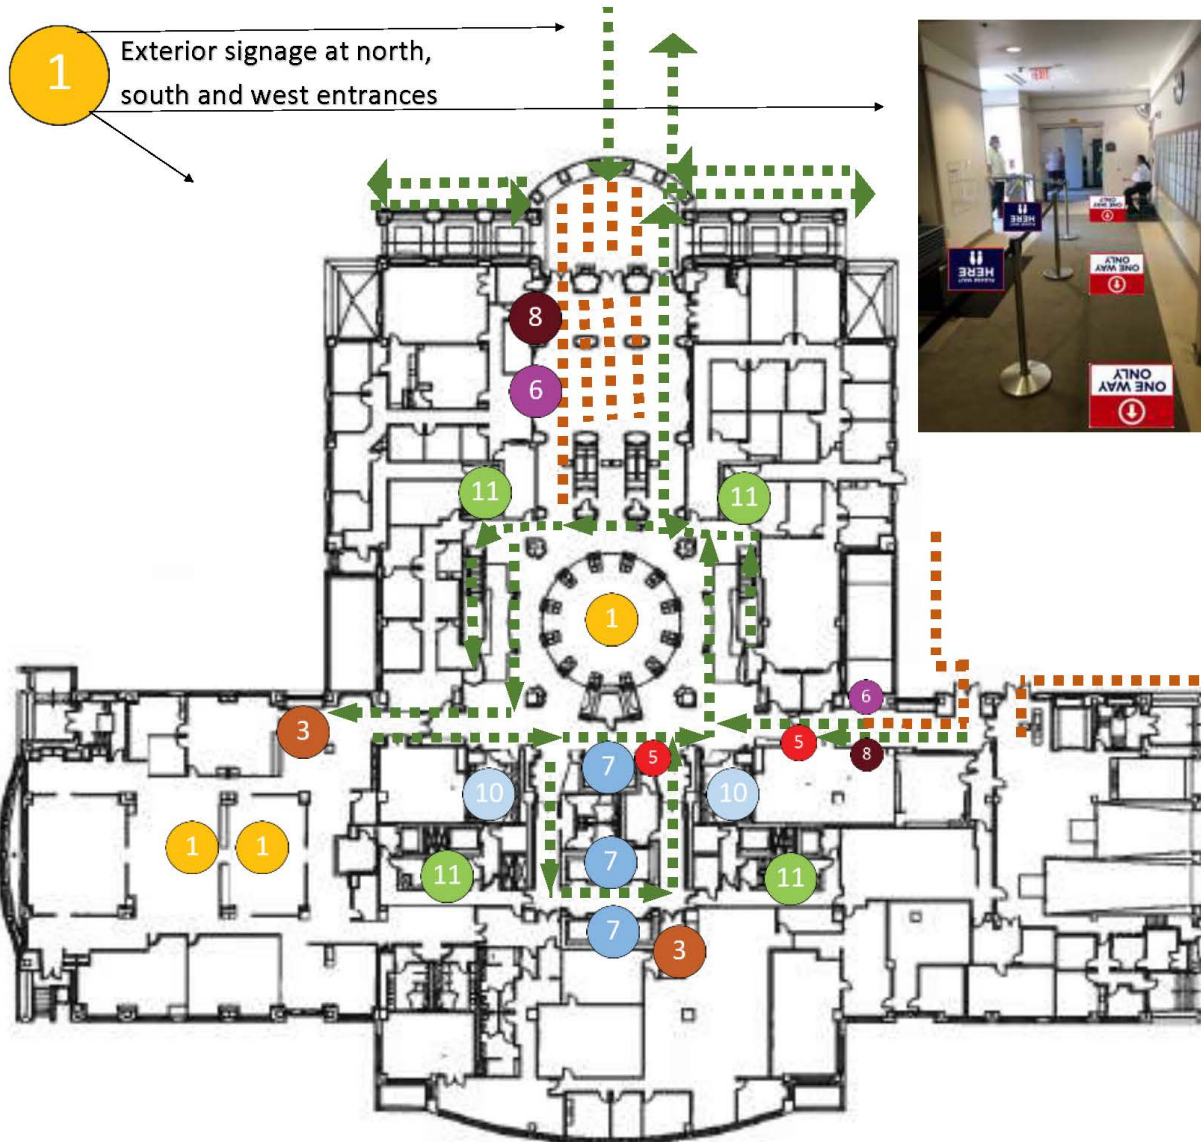

Building Preparations – Signage Examples

Building Preparations – Courthouse Signage

First Floor

Building Preparations – Custom Sneezeguard

Building Preparations – Custom Sneezeguard

Building Preparations – Custom Sneezeguard

Building Preparations

- 200 face shields were ordered and received
- Multiple vendors to provide nightly and emergency disinfecting services
- Touchless sign in software being developed with ISS
 - Pilot project for County Admin, IOC I and II
- Temperature checks being assessed by building/agency
 - Handheld infrared temperature thermometers
 - Thermal scanners and temperature readers to attach to current walk-through security screeners are being evaluated

Building Preparations – Infrared Thermometer

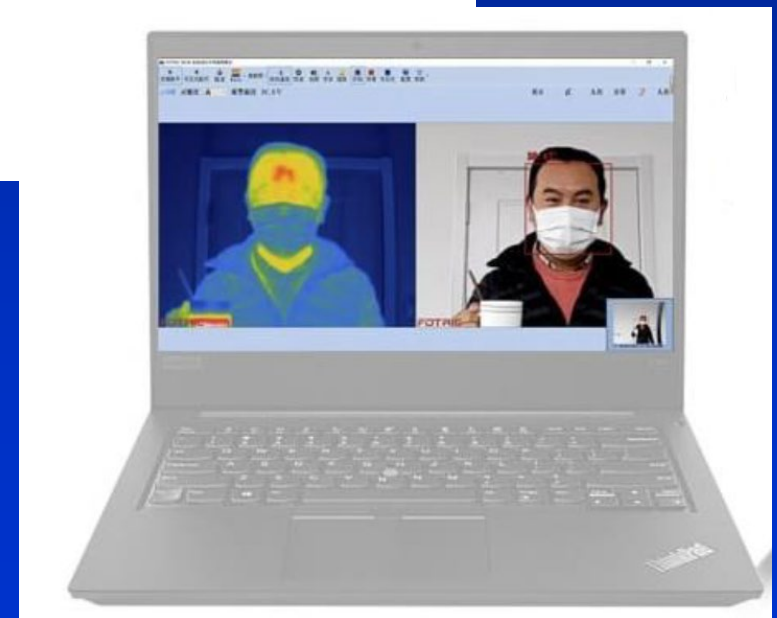

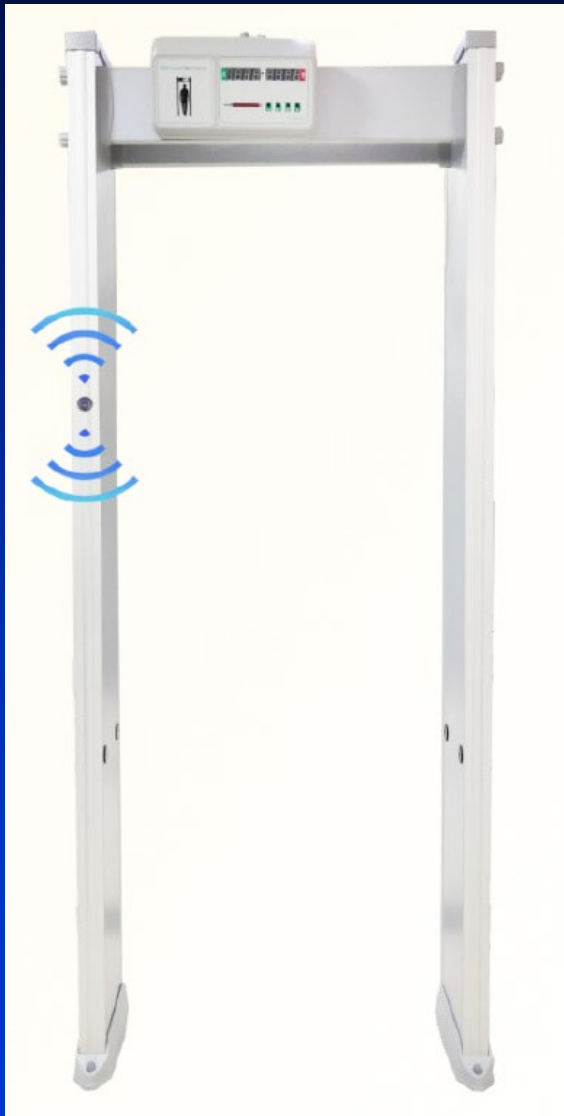

Building Preparations – Thermal Scanner

Building Preparations – Walk Through Reader

Building Preparations

- **Assessing Building Systems and Equipment**
 - HVAC filters
 - Increase cleaning of HVAC condenser unit coils
 - Humidity control in buildings
 - UV lighting in HVAC equipment

Employee Re-entry to Facilities

- **Teleworking to continue for time being where applicable**
 - Slow re-entry for employees back to facilities
- **Face masks should be made available to those returning to work**
- **Evaluating option of antibody testing for returning employees**
 - May be of some value
 - Varying degrees of success with tests
- **Janitorial and sanitizing increased where needed**
 - Adding full-time day porters in high traffic facilities whose sole purpose will be to wipe down surfaces during the day

Potential Services/Building Reopenings

Clerk of Court

- May 4 - Branch offices open “by appointment only” for marriage licenses
- May 26 – Target to open for marriage ceremonies and passports “by appointment only”

Tax Collector – On May 4, all offices open “by appointment-only” for customers

OC Library - 5 locations will reopen on May 18 at 25% capacity for essential services

Animal Services – Opening May 22 for adoptions “by appointment only”

Supervisor of Elections

- May 18 - All full time employees working on-site daily
- June 1 - Will reopen to public with limited access/call ahead appointments

OC Courthouse

- June 1 - Courthouse will reopen for non-jury trials
- July 1 - Courthouse will reopen for jury trials

Orange County Convention Center

- **OCCC Recovery and Resiliency Guidelines are posted on our website at occc.net/guidelines**
- **Recovery and Resiliency Guidelines were released to employees, clients and partners last week**
- **Phased return to work begins this month**
- **Facility staff working at approximately 50% capacity to ensure physical distancing**
- **Staff will continue to telework**

Parks and Recreation

- **Parks and Rec. Division phased opening plan**
 - **Phase 1 – Current phase**
 - Parks remain open
 - Pool, rec. centers, gymnasiums, playgrounds, camps, exercise classes, etc. closed
 - Boat ramps target reopen May 22, Summer camps target reopen June 1
 - **Phase 2 – Social distancing requirements extend to less than 50 people**
 - Open playgrounds & contracted concessions
 - **Phase 3 – Social Distancing greater than 50 people**
 - Open pavilion rentals, camping, pools, splash pads, athletic fields, and all other amenities
 - Continue to practice social distancing when possible, increased facility sanitization continues, PPE continues to be used by staff

Summary of Reopenings

- Plan reopenings with input from all agencies and departments
- Building preparations include a consistent approach for purchasing equipment and products as well as implementing procedures to make our buildings safe and clean to enter
- Continue with telecommuting on some levels, virtual meetings, increased sanitation and protective equipment in place
- Work on staging re-entry into our buildings
- Continue to follow Governor's phasing plan
