

Welcome

Improvements through District 2 Office

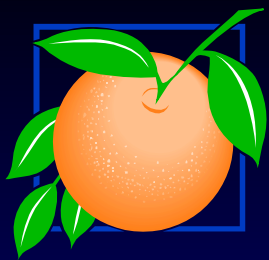

1. Traffic signal boxes painted with anti-graffiti paint all along Clarcona-Ocoee Road
2. Trimmed many sections for trees/ grass along the corridors
 - Still a problem as county and state only mow 5-7 times per year; it is much better if HOAs cut Rights-of-Way or ROWs

Improvements through District 2 Office

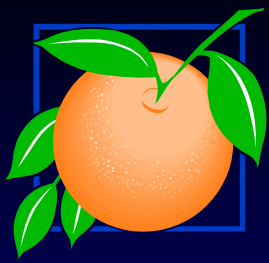

3. Pressure-washed sidewalks & painted retaining wall at these locations
 - Clarcona-Ocoee and 441 in front of the CVS
 - Clarcona-Ocoee and Apopka-Vineland in front of the 7/11
 - **GOAL:** inspire better maintenance in these highly-visible commercial areas

4. Working with volunteers to pick up snipe signs all along this corridor; further south have the work of the NID, Safe Group, and Pine Hills Community Council

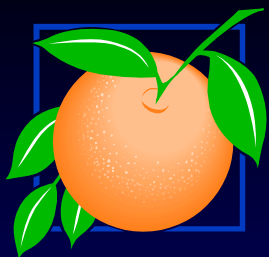

Improvements through District 2 Office

5. Median beautification project from Hiawassee Rd. to SR 429 along Clarcona-Ocoee Rd.
6. Major cleanup of Clarcona-Ocoee/Apopka Vineland intersection

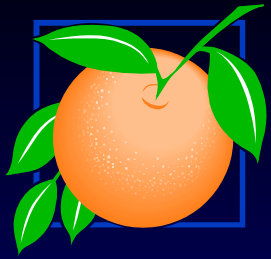

PLANNED or IN-PROCESS improvements

1. Traffic signalization coming to Powers and Indian Hills Road in fall of 2021
2. Traffic signalization coming to Clarcona-Ocoee and Ingram Road fall of 2021 season

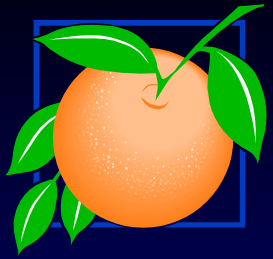

PLANNED or IN-PROCESS improvements

3. Bus transfer station and trail improvements (Pine Hills Trail system & Coast to Coast)
4. **Big ASK**: All HOAs to consider pressure washing sidewalks and walls annually during the Fall season

- **BIG PROJECT:** Tree planting with cooperating HOAs along Clarcona-Ocoee Road (we need to find out who will help-need volunteers and a commitment to water for six months)
