Our Priorities

 4. Be creative, innovative and outgoing with participants.
 5. **Have fun!**
-

Youth Programs

Orange County Parks and Recreation offers two types of youth programs, After School Programs and Out-of-School Programs. After School Programs take place during the Orange County Public Schools calendar year and provide care for youth after the end of the school day. Out-of-School Programs take place when school is not in session and provide care for youth during holidays, spring and summer breaks (summer camp).

Parent Manual

The *Orange County Parks and Recreation Youth Program Parent Manual* (Manual) is your guide to understanding the requirements and expectations for both you and your child/children enrolled in Orange County Parks and Recreation youth programs. Here you will find information on how to register for programs, the cost and payment of programs, attendance and participation policies, after-school transportation, standards for behavior, and more. Please take time to read the Manual thoroughly. We will gladly answer any questions, and look forward to a continuing partnership of care and development.

Program Staff/Camp Counselors

During youth programs participants are assigned to program staff/camp counselors throughout the duration of the program. Our goal is to maintain a maximum ratio of ten participants to one staff member at all times. Some program sites assign one staff member to each specific group for the duration of the program, while others have staff members switch groups weekly. Please make it a point to meet your child's staff members/camp counselors.

Youth Program Permission to Release

The **Youth Program Permission to Release** form (see page 18) must be completed as part of registration for any/all Orange County Parks and Recreation Youth Program(s). The authorized parent/guardian who signs up the program participant shall be the one to choose which persons are to be listed on the *Youth Program Permission to Release* form. Any/all adult persons (family, friends, etc.) **including parent/guardian** who is authorized on the form shall be responsible for and permitted to:

1. Remove program participant from the program.
2. Receive personal health information regarding the program participant.
3. Receive and acknowledge disciplinary actions and discussions regarding the program participant.

Those listed on the *Youth Program Permission to Release* form **MUST** present a government issued photo identification at time of release.

Staff is NOT permitted to release any program participant to:

- any person(s) NOT on the *Youth Program Permission to Release* form - regardless of relationship.
- anyone under the age of sixteen.
- any person(s) who show any signs of being unstable or under the influence of drugs or alcohol (i.e. staggering, slurred speech, smelling of alcohol, etc.). Should said person(s) insists on taking the child, staff will call 911, immediately, and then contact their chain of command to inform them of the situation. If the person agrees to leave the child, staff will call those persons listed on the *Youth Program Permission to Release* form to arrange for the child to be picked up.

Your child/children WILL NOT be released to any person(s) NOT listed on the *Youth Program Permission to Release* form. Should any individual to whom release is refused become demanding or abusive, staff will contact law enforcement for assistance.

Communication

Parent/guardian must explain to those persons listed on the *Youth Program Permission to Release* form that it will be their responsibility to pass along any information received by staff to the parent/guardian. Any information communicated to authorized-pick-up persons will be considered the same as communication with the parent/guardian. Any follow up communication will be the responsibility of the parent/guardian. Should there be any situations concerning participant that need to be discussed, this communication shall be conducted with the authorized-pick-up person that day. In addition, a report shall be sent home with participant and the authorized-pick-up person that day.

Shared Custody

Should there be a shared-custody agreement concerning a program participant, then both parents **must** be listed on the *Youth Program Permission to Release* form.

Early Release of Program Participant(s)

Should your child need to leave early on any day of the program, a **signed note and phone call** from the parent/guardian are required prior to dismissal. At time of release personally inform the supervisor in charge of the program (or their designee for that day), that the participant is being signed out.

Mental Health Professionals

Should a mental health professional need to have a session with a program participant during scheduled program hours, the mental health professional must be listed on the *Youth Program Permission to Release* form. They must sign out the participant at the time of the session and back in after the session, and they should stay on property and be observable by staff and not be interrupted during the session

Sign-In/Sign-Out

Orange County Parks and Recreation Youth Programs utilize a sign-in/sign-out attendance sheet. Staff are responsible for participants from the moment they are signed in for their programs by parent/guardian at the program site or at a pick-up/drop-off location, and remain so until participants have been signed out for departure. Once staff has assumed responsibility for any child, staff will remain with them.

Each child must be signed in and out of the program on the sign-in/sign-out attendance sheet each day.

Before any participant is signed in and any time after sign out, they will be considered under the supervision of the parent/guardian. The safety and well-being of the child shall remain the sole responsibility of the parent/guardian before and after these designated times. In the case of after-school transport the school is responsible for all program participants prior to pick-up.

Participant Self Sign In and Out

Should the parent/guardian on the *Youth Program Permission to Release* form authorize the program participant(s) to sign themselves out of the program on their own, they will be permitted to sign themselves in and out of the program at the appropriate times each day of the program. Self sign out privileges are only available to participants eight years of age and older. Self sign in will not be permitted later than 9:00 a.m. and self check out will not be permitted earlier than 4:00 p.m..

Any program participant(s) who signs themselves out of our programs and remains in the building, must exhibit good behavior. Program participant(s) who act out or cause problems will be asked to leave. Their parent/guardian will be notified and they will forfeit the privilege to sign themselves out.

After School Programs Transportation

A signed *After School Program Transportation Release* form (see page 20) must be received for any program participant to be picked up from school and transported by Orange County Government to After-School Programs. When picked up from school, the participant's presence will be marked on the sign-in/sign-out attendance sheet as they enter the vehicle. Should participant be picked up from inside the school, staff will mark their presence on the sign-in/sign-out attendance sheet at that location.

Should a participant's name be on the sign-in/sign-out attendance sheet but not present for transport, staff will, before leaving the school

1. ask school personnel where the child is located. If school personnel confirms that the child is not being transported by staff that day due to absence, the driver will mark them absent from transport.
2. check to see if an parent/guardian has arranged the absence in advance. If so, the participant will be marked absent from transport.

3. call the program site to get more information, and if necessary have on-site staff call the parent/guardian to inquire about the child's whereabouts.

In the case of bus transportation, if the school personnel are not aware of any reason for the absence, staff shall call the parent/guardian immediately to inquire about the participant's attendance.

In any case, if a parent/guardian cannot be contacted, the authorized persons listed on the *Youth Program Permission to Release* form will be contacted in attempt to verify the participant's location.

Absences

Temporary Absence

Participants are not required to attend the program daily to remain in the program. Should any participant not be attending the program for any reason, advanced notification is required either in person or by phone to inform staff of the absence. Should participant be absent with no notification provided, program enrollment may be forfeited and filled from the waiting list.

After School Program Absences

After School Program participants are expected to attend five days a week. As the parent/guardian, it is your responsibility to provide notice should participant require an individual or ongoing absence from their After School Program. If for any reason participant cannot attend all five days, notify staff of the expected absence(s) in advance. Advance notice of absence assists in managing the various aspects of After School Programs that require attendance numbers to be reported and advance.

Should notification of absence not be provided

- pick up of other participants may be delayed
 - **staff may**
 - be sent to the participant's school to make inquiries
 - contact all persons on the *Youth Program Permission to Release* form

Health & Wellness

Illness

Do not send/bring participant(s) to the program if they are or may be ill. No alternative activities will be provided.

Should participant(s) become ill during program hours

- **no over the counter or prescription medication**, (including aspirin, Tylenol, etc.,) will be dispensed by staff
- parent/guardian will be contacted and required to make immediate pick-up arrangements.

Should participant(s) become ill and be prescribed medication by a physician, they will not be allowed to return to the program until the prescription has been completed and participant is symptom-free.

Medical Information

It is imperative staff be informed of any allergies or medical conditions participants may have. All conditions **MUST** be listed on the *Medical Condition Acknowledgment and Medication Authorization* form (see page 19). Failure to provide a complete list may place participants in serious danger!

Should participant(s) require administration of daily prescription medication due to a medical condition, (i.e. insulin, asthma inhalants, etc.) a signed *Medical Condition Acknowledgment and Medication Authorization* form must be provided indicating the administration times. Only the daily dosage shall be permitted at the program site and the medication must be in its original container and be **self-administered** by participant.

Heat advisories are typically issued when the heat index reaches temperatures of 105 to 115 degrees, Fahrenheit, for a duration of three or more hours per day.

During a Heat Advisory Warning, all participants will remain in an air-conditioned environment.

Prolonged exposure to high temperatures will be avoided and participants will be monitored for symptoms of heat-related illnesses.

Furthermore, the staff member shall only apply sunscreen to participant(s) when another adult staff member is present. Participants will be requested to apply sunscreen along their suit lines. **Spray bottles are preferred.**

Documentation from a medical professional showing that treatment has occurred, a receipt for the purchase of a delousing product or a note from a doctor will be required.**

Should a case of head lice be detected in our program, staff will send home a *Head Lice Notification* (see page 25) for parent/guardian regarding the situation. Furthermore, we ask for your assistance by following these steps to help prevent the spread of head lice:

1. Check the head your child/children daily, and notify program staff if head lice are detected.

Head Lice Notification

Orange County Parks and Recreation Division

4801 W. Colonial Drive • Orlando, FL 32808

407-836-6200 • OrangeCountyParks.net

Date: _____

Dear Program Participant parent or guardian,

A case of head lice has been detected in our program. Please check your child's/children's hair and scalp carefully by doing the following:

1. Sit in a comfortable spot under a bright light.
2. Untangle long hair using a regular comb. Divide the hair into four sections and check one section at a time. Using hair clips to hold longer hair in place may be helpful.
3. Look for live lice and nits which are lice eggs that cement to the hair near the scalp. Nits are white, gray or yellowish and can be confused with fluff, dandruff or dirt. However, a nit will not move until you dislodge it.
4. If using a lice comb, comb through the hair close to the scalp and then wipe the comb on a paper towel. Look at the paper towel for lice or nits.
5. **You must look through the entire head.**
6. **If you find lice or nits**, remove them using the lice comb, your fingernails or by cutting the strand of hair. Flush them down the toilet when finished.
7. **Use a lice removing shampoo prescribed by a doctor or pharmacist.**
8. Bring a copy of the receipt for the purchase of the lice-removing product and give it to the Site Supervisor or the Recreation Center Supervisor.
9. Wash all articles of clothing that the child has used or worn. (Jackets, hats, sports uniforms, hair ribbons, barrettes, towels, bedding, stuffed animals, backpacks) If an item cannot be washed place it in a plastic bag for two weeks.
10. Disinfect brushes and combs by soaking them in hot water that is at least 130 degrees for 5 to 10 minutes.
11. Vacuum the floor where the infested child may have laid.
12. For further information or treatment options for head lice please contact your physician.
13. The child must be free of head lice and nits before they will be permitted return to our program(s).

Sincerely,

Site Supervisor or Designee
