

INSTRUCTIONS: LIFE INSURANCE BENEFICIARY FORM

As a new employee, you have Basic Life insurance effective immediately. As such, it's important that you establish your beneficiaries on or before your start date with the county. Please note that your beneficiary designations can be updated or changed at any time. Once you have been set up in myOCPortal, you'll be able to make these updates online through self-service. As a new hire, please be sure to complete your paper form and submit it to HR Benefits on or before your start date.

IMPORTANT INFORMATION:

- **Be sure to add at least one primary beneficiary.** Contingent beneficiaries are optional.
- You can have multiple primary beneficiaries and multiple contingent beneficiaries, but a beneficiary cannot be a primary and a contingent simultaneously.
 - **Primary Beneficiary:** The person or persons, you designate and is first in line to receive the death benefit from your group life insurance policy.
 - **Contingent Beneficiary:** An alternate beneficiary designated to receive insurance proceeds if there is no primary living at the date of the insured/s death. Benefits are payable to a contingent Beneficiary only if you are not survived by one or more primary Beneficiaries. If you do not list a contingent beneficiary, the death benefit will be paid out in equal shares to the first surviving class in the following order: your spouse, your children, your parents, your brother and sisters, then your estate.
- **Designation amounts must add up to 100% for each class (primary or contingent).**
 - For example: Primary – Joe Q. Doe, 60%; Jane Q. Doe, 40%
Contingent – John D. Smith, 60%, Joan D. Smith, 40%.
- **If a minor (a person not of legal age) or your estate is the Beneficiary, it may be necessary to have a guardian, or a legal representative appointed by the court before any death benefit can be paid.** If the Beneficiary is a trust or trustee, the written trust must be identified in the Beneficiary designation. For example, "Dorothy Q. Smith, Trustee under the trust agreement dated _____." The benefit may be put in an interest-bearing account maintained by The Standard until the child turns the age of majority.
 - **Legal Age:** The age of 18 at which a person takes on the rights and responsibilities of an adult.
 - **Guardian:** One who has, or is entitled to, the custody of the person or property of an infant, a minor without living parents, or a person incapable of managing his own affairs.
- **It is recommended to review your beneficiaries regularly (every year or two) to be sure that the designation is consistent with your wishes.** Employees should also review their designations following life changes events like divorce, or the death of a spouse, to ensure that the designation is still appropriate.
- **You may identify your Estate as the primary beneficiary.** Please include the name and contact information for the personal representative of your Estate.
- **Pets cannot be named as beneficiaries.**
