ARTICLE I - RECITALS

Section 1. Recitals. The foregoing recitals are true and correct and are incorporated herein as a material part of this Agreement.

ARTICLE II - NATIONAL OBJECTIVES AND APPLICABLE FEDERAL REQUIREMENTS

Section 1. Compliance with National Objectives

- 1.1 National Objectives.** The Agency, as a subrecipient of CDBG-DR Funds, hereby affirms that the activities carried out with the Funds provided under this Agreement meet one or more of the CDBG Program national objectives, as defined in the CDBG Code of Federal Regulations 24 CFR § 570.200(a) and 24 CFR § 570.208 (collectively hereinafter referred to as “**National Objectives**”).
- 1.2 Required Certification.** Pursuant to 24 CFR § 570.200(a), the Agency hereby certifies that the Services provided under this Agreement will benefit low- and moderate-income persons and that at least 51% of all individuals served under this Agreement are low- and moderate-income persons, either by meeting HUD’s income eligibility criteria under 24 CFR §570.3 or by qualifying as limited clientele under HUD guidelines.

Section 2. Limited Clientele. The Agency may provide services funded by this Subaward to Limited Clientele so long as such services meet the requirements found in 24 CFR § 570.208(a)(2) (“**Limited Clientele**”) and fall within the *Scope of Services* attached hereto as “**Exhibit C**”.

Section 3. Applicable Federal Requirements

- 3.1** This Agreement is funded pursuant to **Federal Award Identification Number: B-23-UN-12-0003**, and shall be used to supplement, not supplant, other related funding or in-kind resources made available for related services.
- 3.2** The Agency shall comply with the regulations found in 24 CFR Part 570 (“**Community Development Block Grants**”), with details of HUD requirements concerning CDBG, with the Code of Federal Regulations Title 24, Part 200, as amended by 24 CFR § 570.502 (“**Uniform Administrative Requirements**”), the Action Plan, all federal regulations and policies issued pursuant to these regulations, and any other relevant or related federal directive or applicable laws (collectively, “**Applicable Federal Law(s)**”).
- 3.3** In addition to the regulations listed above, the Agency will comply with core CDBG-DR tenets and requirements listed below:
 - 3.3.1 Most Impacted and Distressed (MID) Requirement:** The Agency must conduct all activities and expend all CDBG-DR award funds granted by the County in the “most impacted and distressed” (MID) areas resulting from the qualifying major disaster in 2022, which is in response to Hurricane Ian (Federal Emergency Management Agency (FEMA) Disaster No. 4673 – DR). As noted in the Federal Register Guidance (88 FR 32046), the HUD-identified MID for the area for this disaster allocation is all of Orange County.
 - 3.3.2 Eligible Activities:** CDBG-DR funds are provided for necessary expenses for activities authorized under Title I of the Housing and Community Development Act of 1974 (HCDA), as amended (42 United States Code (U.S.C.) 5301 et seq.), related to disaster relief, long-term recovery, restoration of infrastructure and housing, economic revitalization, and mitigation of related risk. The Agency must

utilize CDBG-DR funds as prescribed under 24 CFR 570 Subpart C – Eligible Activities, and for alternative requirements and waivers as prescribed within the Federal Register Guidance. Furthermore, the Agency shall conduct its project to align with the approved eligible activities found under the most recent approved Action Plan for County’s CDBG-DR Unmet Needs Assessment.

3.3.3 **CDBG-DR Mitigation Set-Aside and Storm “Tie-Back”**. The County is responsible for informing the Agency of whether CDBG-DR funding is awarded for an activity(ies) to address an unmet recovery need, a mitigation and resilience measure, or both. Depending on the recovery or mitigation designation by the County, the Agency is responsible for documenting proof of the designation. For recovery activities, the Agency must demonstrate that their activities “tie-back” to the specific disaster and address a specific unmet recovery need for which the CDBG-DR funds were appropriated. For mitigation set-aside activities, the Agency must document how its activity(ies) (1) meet the definition of mitigation activities; (2) address the current and future risks as identified in the Agency’s mitigation needs assessment in the MID areas under its Action Plan; (3) is a CDBG-eligible activity under title I of the HCDA (or otherwise eligible pursuant to a waiver or alternative requirement); and (4) still meets a national objective. In some cases, the County may require the Agency to provide evidence of the activity meeting both the CDBG-DR “tie-back” and mitigation measures justification. The County will spell out specific requirements for the Agency, its project, and the project’s eligible activities under the *Scope of Services* attached as **Exhibit “C”**.

3.3.4 **Duplication of Benefits**. The agency certifies that it shall not carry out any of the activities under this Agreement in a manner that results in a prohibited duplication of benefits as defined in Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5155 et seq.) and described within Appropriations Acts and Federal Register Guidance. The Agency must comply with HUD’s requirements for Duplication of Benefits (DOB) as described in the Federal Register Guidance (Section IV.A.1. – Grant Administration; Duplication of Benefits) and HUD guidance (including HUD training materials), including specific Order of Assistance requirements. The Agency shall carry out the activities under this Agreement in compliance with the County’s procedures to prevent DOB. In consideration of the Agency’s receipt of funds under the CDBG-DR Program administered by the County, the Agency hereby assigns to the County all of the Agency’s future rights to reimbursement and all payments received from any grant, subsidized loan, lawsuit or insurance policies or any type of coverage, or under any reimbursement or relief program related to or administered by FEMA or the Small Business Administration (“SBA”) that was the basis of the calculation of the award made pursuant to this Agreement and that are determined at the sole discretion of the County to be a DOB.

In accordance with the Federal Register Guidance at 88 FR 32053 – Section IV.A.1.(d)(v) Applicable Rules, Statutes, Waivers and Alternative Requirements: Reassess Unmet Need When Necessary, the Agency certifies that they will notify the County immediately of any funding source changes and/or additions from other sources that are different from that shown in the Agency’s application. This notification must include a statement explaining how this change in funding affects the provisions of the project and activity requirements as well as the use of and continued need for CDBG-DR funds through the County.

3.4 A partial list of the Applicable Federal Laws is attached as “**Exhibit A**”, for convenience and reference purposes only and shall not be relied upon by the Agency to be the full and exhaustive list of Applicable Federal Laws.

3.5 The Agency hereby acknowledges that the specific provisions of Applicable Federal Laws referenced in this Agreement or in “**Exhibit A**” are referenced only for emphasis. The exclusion of a specific provision of Applicable Federal Law from this Agreement does not alleviate the Agency from its obligation to comply with such applicable provisions.

3.6 **By executing this Agreement, the Agency hereby certifies that it has reviewed the Applicable Federal Laws and that it understands its obligations pursuant to such federal laws, regulations, policies, and directives.**

Section 4. Agreement between County and HUD. The Agency shall be bound by the standard terms and conditions used in the CDBG-DR Agreement between the County and HUD (a copy of which has been provided to the Agency and is hereby incorporated into this Agreement by reference), to the extent such standard terms and conditions are applicable to the Agency and such other rules, regulations or requirements as HUD may reasonably impose in addition to the conditions of this Agreement, or subsequent to the execution of this Agreement by the parties hereto.

ARTICLE III – USE OF SUBAWARD

Section 1. Use of Subaward Funds

- 1.1 The Agency shall use the Subaward received under this Agreement only for the purpose of conducting the Project by providing the agreed upon Services described in the *Scope of Services* attached to this Agreement as “**Exhibit C**”. CDBG-DR Funds shall not be used for any purpose other than those provided for in this Agreement.
- 1.2 The Agency shall have and document an established process for determining eligibility of applicants that is consistent with recordkeeping requirements established by HUD.
- 1.3 The Agency shall utilize CDBG-DR Funds to provide the Services only to those individuals that meet the CDBG Program’s eligibility requirements (“**Clients**”).
- 1.4 The Agency shall provide all required staff, volunteer workers, and services required for the operation of the Project. All services or work provided pursuant to this Agreement shall be performed in a professional and skillful manner. The County may require, in writing, that the Agency removes any employee, volunteer, associate, or agent of the Agency that the County deems incompetent, careless, or otherwise objectionable from performing work or services related to this Agreement. The County shall not be responsible for any costs related to such removal.
- 1.5 CDBG-DR Funds shall be expended only for costs associated with the implementation of those Service activities in the *Budget* attached as “**Exhibit B**”.
- 1.6 CDBG-DR Appropriations Acts generally include a statutory order of assistance for Federal agencies which require Grantees to verify whether funds made available by FEMA or the U.S. Army Corps of Engineers (USACE) are available for an activity, or the costs are reimbursable by FEMA or the USACE, before awarding CDBG-DR assistance for the cost of carrying out the same activity. The Agency shall not use CDBG-DR funds for activities reimbursable by or for which funds are made available by FEMA or USACE. The Agency must verify and inform the County if FEMA and USACE funds are available prior to award or expenditure of CDBG-DR funds to an eligible activity within the *Scope of Services* attached as “**Exhibit C**”. Failure to do so can result in a return of funds as outlined in Section 2.3 of Article VI of this Agreement.
- 1.7 **Authority to Practice.** The Agency hereby represents and warrants that it has and will continue to maintain all licenses and approvals required to meet its obligations under the *Scope of Services*, and that it will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to the County upon request, however, failure by the County to request such proof shall in no manner be construed as alleviating the Agency’s obligations pursuant to this paragraph, nor shall it be construed as shifting any liability for failure to request such proof onto the County.

Section 2. Service Area. The Agency shall provide the Clients with Services at the designated facility located at the address designated in the *Scope of Services* attached as “**Exhibit C**”, or such other address located within Orange County as may be provided to and approved by the County in writing.

3.1 Program Income

- (a)** CDBG “**Program Income**” is defined in 24 CFR § 570.500(a) and, for the purposes of this Agreement, means gross income received by the Agency and directly generated by a CDBG supported activity or earned only as a result of this Agreement during the Project period.
- (b)** Program Income includes, but is not limited to, income from fees for services performed; Client donations to the Program; funds received from the use or rental of real or personal property acquired with Subaward funds; proceeds from the disposition of property purchased or improved with CDBG-DR Funds; any interest earned on CDBG-DR funds held in a revolving fund account; or proceeds from the disposition of equipment bought with CDBG funds.
- (c)** Program income shall be treated in the same manner as any other funds granted under this Agreement. For those Program Income generating activities that are only partially assisted with CDBG-DR Program funds, such income shall be prorated to reflect the actual percentage of CDBG-DR Program funds that are used in accordance with 24 CFR § 570.500.

3.2 The Uniform Administrative Requirements require that Program Income earned during the Project period shall be reported to the County within the month that it is earned and shall be accounted for in one of the following ways:

- (a)** Added to funds committed to the Project by the County and used to further eligible Project goals, specifically, provision of Services to additional Clients, over and above the number of Clients specified in the Agreement;
- (b)** Used to finance the non-federal share of the Project when approved by the County; and
- (c)** Deducted from the total Project costs in determining the net costs on which the County's share of costs will be based.

- 3.3 Program Income on hand at the time of expiration of the Agreement must be returned to the County along with accounts receivable that are attributable to the use of CDBG-DR Program Funds.

Section 4. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 2 CFR Part 200, including, but not limited to 2 CFR § 200.311-313 and 24 CFR §§ 570.502, 570.503, 570.504 and 570.505, as applicable, which include, but are not limited to, the following:

- 4.1. The Agency shall transfer to the County any CDBG-DR funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
- 4.2. Real property under the Agency’s control that was acquired or improved, in whole or in part, with Subaward funds in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR § 570.208 until five (5) years after the expiration of this Agreement. Failure to comply with this subsection will result in the Agency paying the County an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property. The Agency may retain real property acquired or improved under this Agreement after the expiration of the five-year period.
- 4.3. If equipment acquired, in whole or in part, with funds under this Agreement is sold, then the proceeds will be considered Program Income. If the Agency does not need said equipment for activities under this Agreement, then the Agency will either (a) transfer the equipment to the County for the CDBG program, or (b) retain the equipment after compensating the County an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment.

ARTICLE VIII - RISK ASSESSMENT, MONITORING, AND AUDITING

Section 1. Risk Assessment. The County shall conduct a risk assessment of the Agency per 2 CFR §200.332(c) and regularly complete a suspension and debarment check for the Agency performing Services under this Agreement to ensure compliance with 200 CFR § 200.214.

Section 2. Monitoring and Remedies for Non-Compliance.

- 2.1 The Agency shall systematically and expeditiously furnish the County any and all data needed for the purpose of CDBG-DR Program monitoring and evaluation. - 2.2 CDBG-DR Program programmatic and financial monitoring shall be performed periodically by the County with a Letter of Findings provided, if applicable, and shall comply with the 2 CFR § 200.329 (“**Monitoring and Reporting Program Performance**”). The Agency shall respond to any such Letter of Findings with a Corrective Action Plan and Implementation Schedule, as instructed by the County, within 30 days of the date of the Letter of Findings.
- 2.3 The Agency agrees to reimburse the County all monies identified as overpayment or ineligible as a result of monitoring findings.
- 2.4 The County shall have all legal and equitable remedies available to it including, but not limited to, injunctive relief, right of termination of monthly contribution payments, and/or restitution of any use by the Agency of CDBG-DR Funds determined to not be in conformance with the terms and conditions of this Agreement. This provision shall survive the termination of this Agreement.
- 2.5 Failure to submit a Corrective Action Plan and Implementation Schedule shall constitute a breach of contract and may result in the termination of this Agreement.

- 2.6 Financial reporting shall be performed in accordance with the 2 CFR § 200.328 (“**Financial Reporting**”). In the event of any conflict between the provisions set forth in this Section and the requirements of the Federal Code, the Federal Code shall take precedence.
- 2.7 The Agency shall allow the County and HUD representatives to review the Agency’s files and allow on-site monitoring of the Project during the term of this Agreement, or as may be required by the County or HUD, to determine compliance with CDBG regulations applicable to CDBG-DR funding.
- 2.8 The County will conduct monitoring visits, as it deems necessary, to evaluate the Agency’s compliance with the terms of this Agreement, requirements of the CDBG-DR Program, and federal regulations. A general scope of the Agency site monitoring is summarized in the *Subrecipient Monitoring Guidelines* attached to this Agreement as “**Exhibit G**”.

The Agency shall provide full access to all records, documents, and information, whether paper or electronic data, necessary for the Comptroller to perform such audit.

- 3.1 **Audit requirements.** If the Agency expends \$1,000,000 or more during the Agency’s fiscal year in federal awards, the Agency must have a single audit or program-specific audit conducted for that year in accordance with 2 CFR § 200.501 (“**Audit Requirements**”).

- 3.3 **Exemption.** An exemption shall apply when the federal awards expended are less than \$1,000,000. If the Agency expends less than \$1,000,000 during the Agency’s fiscal year in federal awards, the Agency is exempt from federal audit requirements for that year, except as noted in 2 CFR § 200.503 (“**Relation to Other Audit Requirements**”), but records must be available for review or audit by the County, Comptroller, appropriate HUD officials, and Government Accountability Office (“**GAO**”).

Section 2. Subaward Period of Performance

- 2.1** The “Subaward Period of Performance” is the time during which the Agency may incur obligations to carry out the work or services authorized under this Agreement. The Agency may not invoice for any work completed, or services rendered, outside of the Subaward Period of Performance. This provision is required pursuant to 2 CFR § 200.332(b)(1)(v).
- 2.2** The Subaward Period of Performance of this Agreement is: **January 1, 2026 to December 31, 2026**. The Manager of the County's Housing and Community Development Division may grant an extension of the Subaward Period of Performance provided that such extension does not exceed (12) twelve months and does not extend the Subaward Period of Performance beyond the Period of Performance provided in the Federal Award.

Section 3. Termination

- 3.1** The County may terminate this Agreement without cause and for convenience upon its provision of 30 days prior written notice to the Agency. The Agency may terminate this Agreement without cause and for convenience upon its provision of 45 days prior written notice to the County. Any such notice shall comply with the requirements set forth in **Article XIV (“Notices”)** and shall be effective upon the other party's receipt of such notice.
- 3.2** In the event this Agreement is terminated before the end of the one-year term, whether for cause or convenience, the Agency shall reimburse the County for any portion of the Subaward funds received by

the Agency but not expended on allowable costs incurred pursuant to the Scope of Services and the terms of this Agreement through the date of termination.

- 3.5** Upon notice from the County to terminate the Project, the Agency shall immediately discontinue expending any Funds for the Project. The Agency shall not resume providing Services under the Project without written approval from the County. Any charges or expenses incurred by the Agency without first receiving the required written approval from the County will be the sole responsibility of the Agency.
- 3.6** After receipt of notice of termination of this Agreement and except as otherwise directed, the Agency shall:
- (a) Stop working under this Agreement on the date and to extent specified in the notice of termination;

However, in the case of partial termination, if the County determines that the reduced or modified portion of the Subaward will not accomplish the purposes for which the Subaward was made, the County may terminate the Subaward in its entirety.

Section 4. Force Majeure

- 4.1** Neither party shall be held responsible for any delay or failure in performance of any part of this Agreement to the extent such delay or failure is caused by explosion, war, embargo, government requirement, civil or military authority, pandemic, act of God, or other similar causes beyond the party's control so long as the delay is not caused by the party's own fault or negligence. Notwithstanding the foregoing, the Agency cannot claim *Force Majeure* under this provision for any emergency, exigency, or "Act of God" that is

specifically contemplated within the *Scope of Services* of this Agreement, or which in any way existed at the time this Agreement was executed.

- 4.2 No other damages, fees, or costs may be assessed against the County for its termination of this Agreement pursuant to this provision. Nothing in this provision shall prevent the County from terminating this Agreement for any purpose otherwise expressly stated in this Agreement.

In the event the Agency is a State department or division, or a political subdivision of the State of Florida, indemnification shall follow the provisions of Section 768.28, Florida Statutes. Nothing contained herein shall constitute a waiver by the County of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.

PLANNED ACTIVITIES: The Agency will expand its Housing Program by adding one full-time prevention case manager and providing targeted rental and utility assistance to families impacted by Hurricane Ian who are at imminent risk of eviction. This project will prevent an estimated 338 households from entering homelessness by filling critical gaps in existing assistance programs and stabilizing families who do not qualify for other funding sources.

TIE-BACK: Public Services provided under this contract tie-back to Hurricane Ian recovery activities through the delivery of public services for clients who resided in Orange County for the period in which Hurricane Ian made landfall. This public service activity corresponds to essential services such as self-sufficiency services, health and mental health, and job training and placement services as outlined in the Hurricane Ian Action Plan, Version 1.0.

ANTICIPATED OUTPUTS/OUTCOMES: The Agency will provide rental or utility assistance to three hundred and thirty-eight (338) unduplicated households during the period starting January 1, 2026, through December 31, 2026. It is anticipated that the planned activity will result in the following outcomes:

1. **Prevention of Homelessness:** At least 338 households affected by Hurricane Ian will remain stably housed, including an estimated 193 households stabilized through rental assistance and 145 households stabilized through utility assistance.
2. **Increased Housing Stability:** All participating households will receive case management and housing counseling to increase self-sufficiency and reduce the risk of future housing instability.
3. **Improved Access to Supportive Services:** Households will benefit from referrals to wraparound services, including behavioral health, medical care, and basic needs support, delivered through onsite partners such as Aspire Health and Orange Blossom Family Health.

CDBG-DR Program Funds may not be used to pay for the same costs or clients funded during the same period by any other County funding and/or other federal sources.

AGENCY RESPONSIBILITIES: The Agency shall confirm eligibility (Orange County residency, verification of income, or, if applicable, limited clientele eligibility) of each client seeking services that are provided under this Agreement. Evidence of eligibility for the client shall be provided to Orange County upon request. Files for each client shall be kept separately and shall be properly labeled to indicate the funding source.

TIMELINE: Projected activities are expected to be carried out during the period starting January 1, 2026, and ending December 31, 2026.

LOCATION(S): West Orange campus address: 300 West Franklin Street Ocoee, FL 34761; Parramore campus address: 808 W. Central Blvd. Orlando, FL 32805

The County shall be notified in a timely manner of key personnel changes. Such notifications shall be submitted in writing.

RECORDKEEPING: The Agency shall adequately track, manage, and account for grant funds. The Agency shall be responsible for maintaining a recordkeeping system which organizes and summarizes transactions in a form that provides the basis to maintain adequate documentation to support all costs charged to this funding source. Additionally, the Agency shall incorporate a timekeeping system that identifies employees' time and effort by funding source and maintains documentation of cost allocation.

BILLING AND PAYMENTS: The Agency shall submit all invoices and/or requests for reimbursement with the required supporting documentation on or before the last business day of each month. Invoices/requests for reimbursement shall contain the following, as applicable: cover letter, invoice (see **Exhibit D**), monthly expenditure report form, programmatic report (see **Exhibit F**), salary support documents and time allocation records, utilities, operational and other expenses, payments to vendors, and other support documents and information.

The Agency is responsible for providing a copy of its updated insurance certificate(s) to Orange County and keeping its UEI number and registration on www.sam.gov current. The Agency shall also provide a copy of its new annual audit to Orange County once available.

POLICIES AND PROCEDURES: The Agency is responsible for reviewing its policies and procedures to ensure that they meet HUD and Office of Management and Budget (OMB) requirements for federal awards. In particular, the Agency's policies and procedures must specify the system of internal controls the Agency has in place to meet the requirements of the grant.

OTHER SUBAWARD/SUBRECIPIENT FEDERAL AWARD REQUIREMENTS

a)	Evaluate each subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring described in paragraphs (d) and (e) of this section, which may include consideration of such factors as:
(1)	The subrecipient's prior experience with the same or similar subawards (2 CFR 200.332(c)(1));
(2)	The results of previous audits including whether or not the subrecipient receives a Single Audit in accordance with Subpart F—Audit Requirements of this part, and the extent to which the same or similar subaward has been audited as a major program (2 CFR 200.332(c)(2));
(3)	Whether the subrecipient has new personnel or new or substantially changed systems(2 CFR 200.332(c)(3)); and
(4)	The extent and results of Federal awarding agency monitoring (e.g., if the subrecipient also receives Federal awards directly from a Federal awarding agency) (2CFR 200.332(c)(4)).
(b)	Consider imposing specific subaward conditions upon a subrecipient if appropriate as described in 2 CFR § 200.208.
(c)	Monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved. Pass-through entity monitoring of the subrecipient must include:
(1)	Reviewing financial and performance reports required by the pass-through entity (2CFR 200.332(e)(1)).

[Type here]

(2)	Following up and ensuring that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the subrecipient from the pass-through entity detected through audits, on-site reviews, and written confirmation from the subrecipient, highlighting the status of actions planned or taken to address Single Audit findings related to the particular subaward (2CFR 200.332(e)(2)).
(3)	Issue a management decision for audit findings pertaining to the Federal award provided to the subrecipient from the pass-through entity as required by 2 CFR § 200.521 (2 CFR 200.332(e)(3)).
(4)	The pass-through entity is responsible for resolving audit findings specifically related to the subaward and not responsible for resolving crosscutting findings. If a subrecipient has a current Single Audit report posted in the Federal Audit Clearinghouse and has not otherwise been excluded from receipt of Federal funding (e.g., has been debarred or suspended), the pass-through entity may rely on the subrecipient's cognizant audit agency or cognizant oversight agency to perform audit follow-up and make management decisions related to cross-cutting findings in accordance with 2 CFR § 200.513(a)(3)(vii). Such reliance does not eliminate the responsibility of the pass-through entity to issue subawards that conform to agency and award-specific requirements, to manage risk through ongoing subaward monitoring, and to monitor the status of the findings that are specifically related to the subaward (2CFR 200.332(e)(4)).
(d)	Depending upon the pass-through entity's assessment of the risk posed by the subrecipient (as described in paragraph (a) of this section), the following monitoring tools may be useful for the pass-through entity to ensure proper accountability and compliance with program requirements and achievement of performance goals:
(1)	Providing Subrecipients with training and technical assistance on program-related matters (2 CFR 200.332(f)(1)); and
(2)	Performing site visits to review the subrecipient's program operations (2 CFR 200.332(f)(2)); and
(3)	Arranging for agreed-upon-procedures engagements as described in 2 CFR § 200.425 (2 CFR 200.332(f)(3)).
(d)	Verify that every subrecipient is audited as required by Subpart F—Audit Requirements of this part when it is expected that the subrecipient's Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in 2 CFR § 200.501.
(f)	Consider whether the results of the subrecipient's audits, on-site reviews, or other monitoring indicate conditions that necessitate adjustments to the pass-through entity's own records (2CFR 200.332(h)).
(g)	Consider taking enforcement action against noncompliant subrecipients as described in 2 CFR § 200.339 of this part and in program regulations (2 CFR 200.332(i)).
