Conway Area Bicycle/Pedestrian and Traffic Calming Study

COMMUNITY MEETING

Notice of Community Meeting

WEDNESDAY, JANUARY 25, 2023 • 7:00PM

Please join District 3 Commissioner Mayra Uribe, Orange County Staff, and your neighbors for a community meeting to discuss traffic calming within the Conway Area. The meeting will be in person with streaming capabilities and will be held on Wednesday, January 25th at 7:00 PM.

Purpose:

Orange County Traffic Engineering has initiated a study to determine ways to improve the bicycle and pedestrian conditions and better manage vehicular speeds, including spot safety improvements and traffic calming. The general study area boundaries are Grant Street / Triangle Avenue on the north, Gatlin Avenue on the south, Ferncreek Avenue on the west and Conway Road on the east. The specific streets proposed for inclusion in the study are highlighted on the graphic in red.

As part of this study Traffic Engineering will be hosting two community meetings of which the first will be to engage the community and gather information and feedback on the types of improvements the community would like to see. The second meeting will be to present the existing findings and make recommendations based on the community request and the data gathered.

Step 1: Use the web link or scan the QR code.
