QUARTERLY FREE WORKSHOP

BONDING & INSURANCE

ANDERSON & CATANIA

Based on feedback from our small business community, Orange County's Business Development Division is excited to introduce our Quarterly Bonding & Insurance Workshop Series—designed to provide the knowledge, tools, and resources businesses need to become more competitive when pursuing government contracting opportunities.

Join industry experts from TSIB (Turner Surety & Insurance Brokerage, Inc.), AC Surety, Florida Surety Bonds, Inc., and Orange County Risk Management Division as they provide practical guidance on bonding, insurance requirements, and risk management for doing business with Orange County and other public agencies.

Workshop Topics

- Overview of bonding and insurance requirements and industry best practices
- Real-world scenarios and examples relevant to small business owners
- Practical tips and resources you can immediately apply to your business
- Information on available bonding and insurance resources
- A dedicated 15-minute Question & Answer session with industry experts

Workshop Format (2 Hours)

Hour 1: Bonding Presentation

Hour 2: Insurance Requirements & Risk Management Presentation by the Orange County Risk Management Division.
