## COMMUNITY MEETING NOTICE

### Septic to Sewer Project

Orange County Utilities is considering a new gravity sewer collection system in the Wekiwa Manor neighborhood. The project would include connecting individual residences to the sewer main, abandoning existing septic tanks, landscaping and site restoration, resurfacing roadways (materials to match existing), and installing new irrigation service connections with a meter at each residence.

On or about February 28, 2024, a ballot will be sent via U.S. Mail to your address. Return the ballot to vote on the septic to sewer initiative for your community. Previous ballots or voting were used to gauge interest in the project. This ballot is required in order to proceed with the project and authorize the establishment of a Municipal Service Benefit Unit (MSBU).

**The first community meeting was held on January 30, 2024. A second community meeting concerning this project is scheduled as follows:**

**Date:** Wednesday, March 6, 2024  
**Time:** 6:30 p.m.  
**Location:** Clay Springs Elementary School Cafeteria  
555 North Wekiwa Springs Road  
Apopka, FL 32712  
(Map attached)

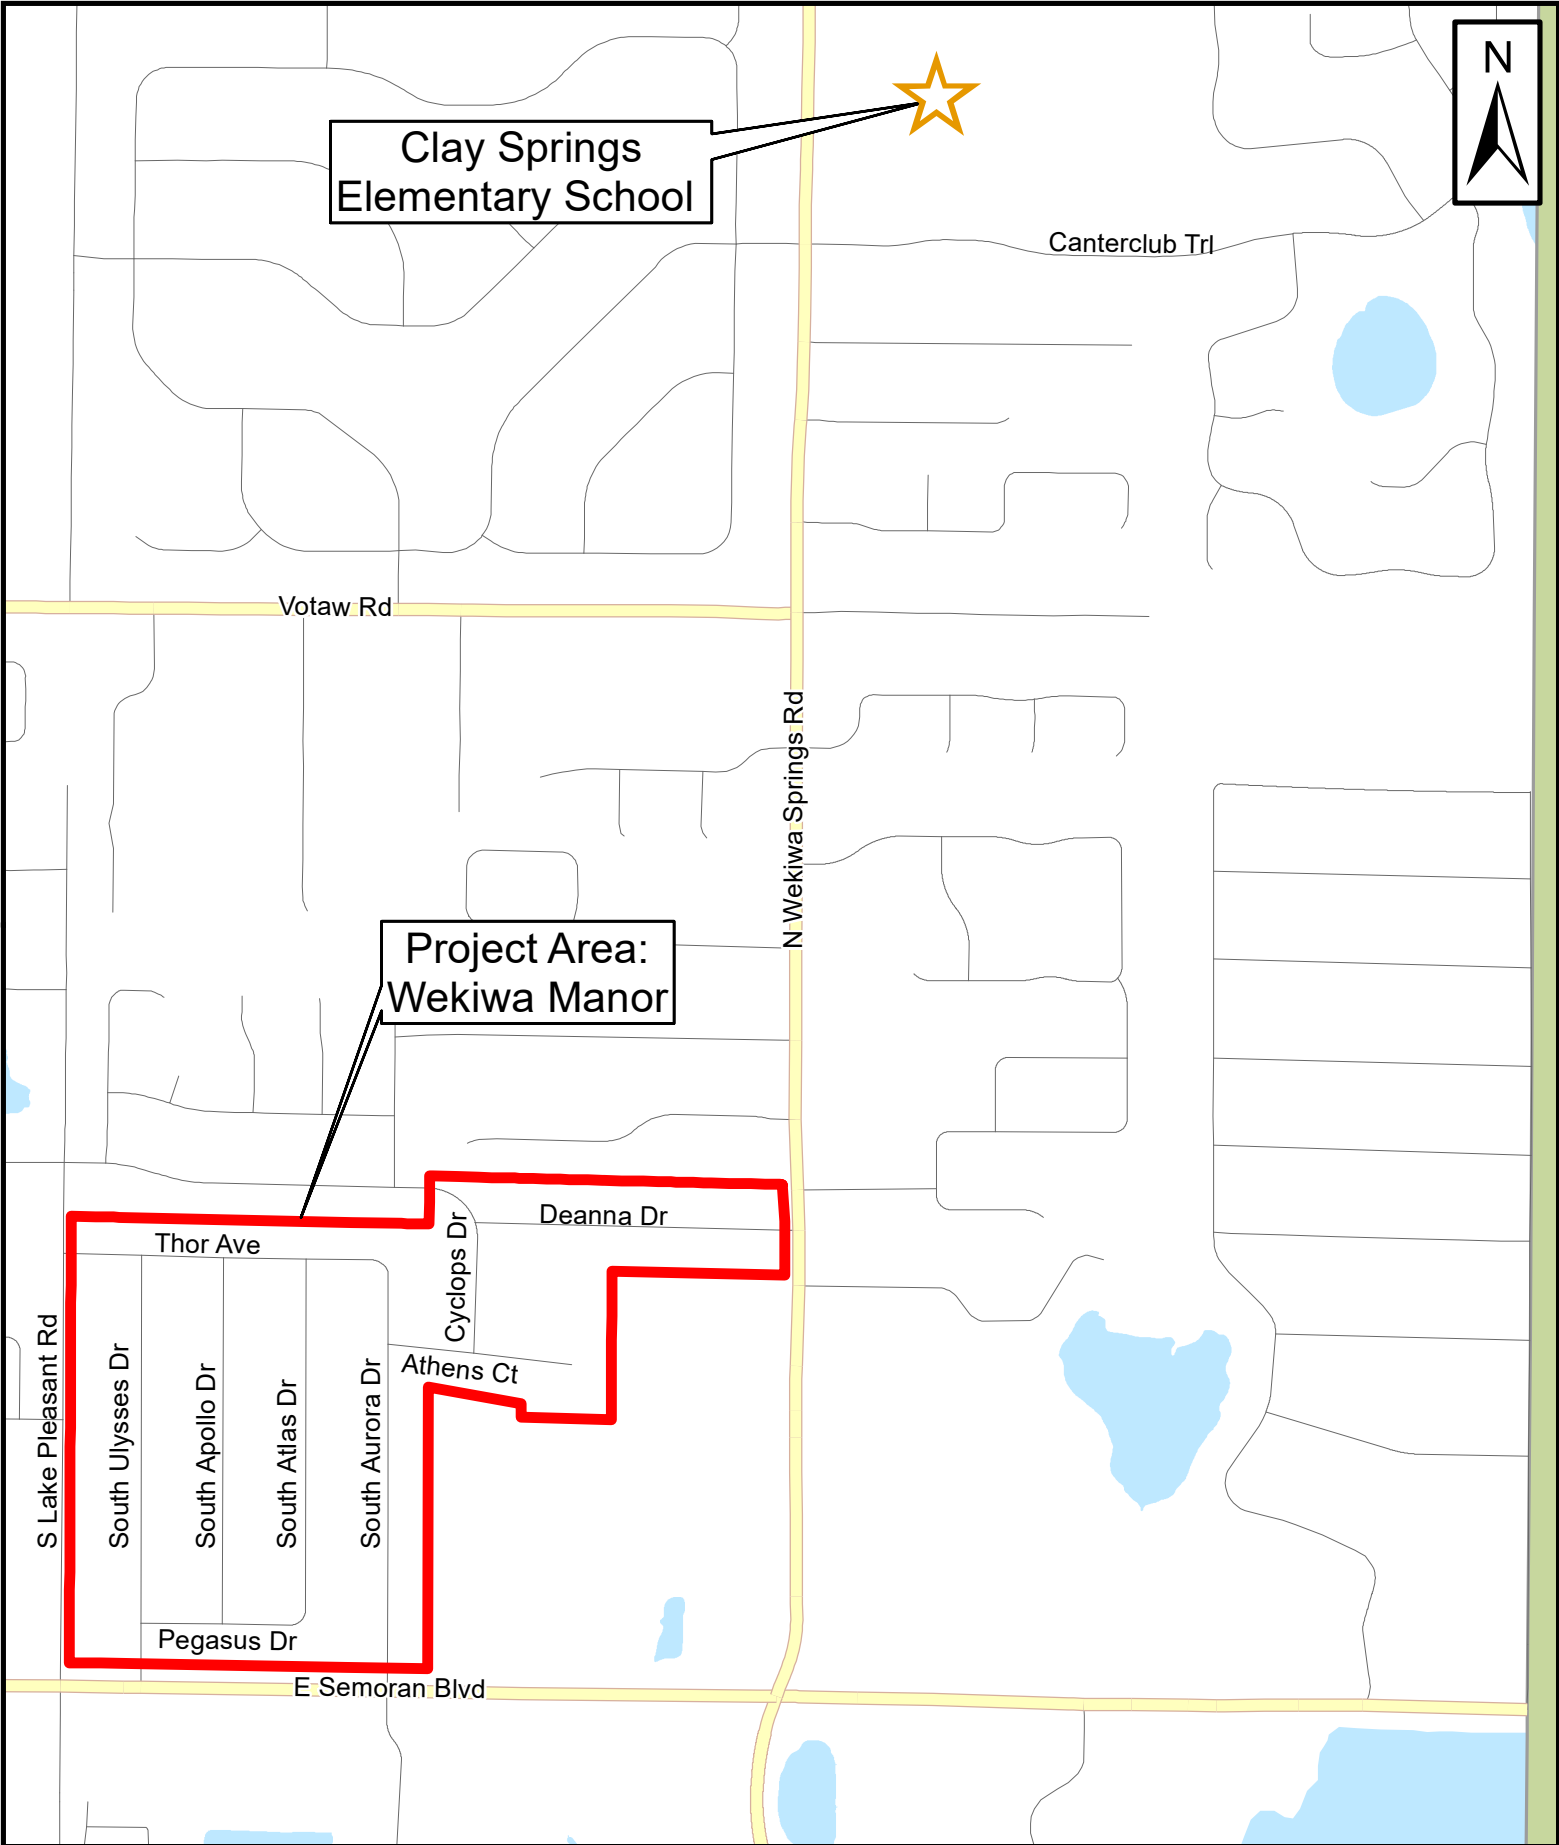

You are encouraged to attend this meeting where Orange County Utilities staff will present updated project information, review the ballot language, and answer any questions. Staff is not allowed to accept ballots. You must return the ballot via U.S. Mail by the postmark deadline.

If you have any questions or need additional information, please contact the Orange County Utilities representative listed below.
