

# ORANGE COUNTY FLORIDA ANNUAL BUDGET

FISCAL YEAR | 2023-2024

TAKING IT TO THE NEXT LEVEL

I am pleased to present the budget for the fiscal year 2024, outlining our commitment to **Taking Orange County to the Next Level**. The budget for the upcoming year reflects our unwavering commitment to meet the needs of our diverse community while ensuring fiscal responsibility. Our primary goal is to provide essential services efficiently and support initiatives that promote the well-being and prosperity of our residents and visitors. With a proposed budget of \$6.7 billion, we have strategically allocated resources to fuel economic development, invest in affordable housing, preserve the environment, strengthen public safety, and expand children and family services and programs.

During the pandemic era, our economy has come back strong, and we are thriving. Orange County's most important and largest single revenue source in this budget, property tax, is up 12.5%. The revenue collected from property tax is based on the taxable value as of January 1, 2023. According to the Property Appraiser's preliminary tax roll, we anticipate a countywide taxable value of \$204 billion, providing Orange County property tax proceeds of about \$904 million while having the 10th lowest countywide tax rate of 4.4347 in the State of Florida. In addition, we have the lowest tax rate of county populations, over one million people. The County boasts a healthy general fund reserve of \$104.8 million or 7.5% of the overall fund. Thanks to prudent planning, fiscal constraints, and continuous monitoring, this reserve is at an appropriate level for any unforeseen circumstances. Economists predict a mild recession is anticipated sometime in the next twelve months, but our healthy financial reserves will help us navigate turbulent times and weather the storms ahead. We continue to receive Fitch's highest triple-A bond rating across the board, which has not changed for many years.

Orange County is a thriving hub for businesses, innovation, and entrepreneurs. This budget includes allocation of significant funds toward strengthening economic growth. The proposed Tourist Development Tax revenue estimate for fiscal year 2024 is \$330 million. However, the potential is much higher and may be adjusted upward in the coming months as visitors come to Orange County in record numbers. Over the last three years, the TDT reserves have steadily grown to a healthy \$300 million. In March, I empaneled a TDT Citizen Advisory Task Force to prioritize investments and ensure our residents are a part of the conversation. The 32-member task force provided input to the Orange County Board of County Commissioners and the Tourist Development Council on potential uses of future, unallocated TDT revenues that meet current Florida Statutes guidelines.

Our goal is to foster an environment where entrepreneurs can flourish and contribute to the economic prosperity of our community. We launched the second phase of the Small Business, Home-Based, and Gig Worker grant programs available through our American Rescue Plan Act federal funding. The \$20 million in grant funding is assisting eligible small businesses still recovering from the pandemic. In addition, Orange County looks forward to launching its first Center for Innovation, Design, and Inclusion, focused on incorporating the latest technology and innovation into the community.

In recognizing the critical need for affordable housing, we are dedicated to strengthening our partnerships and continue to invest in the Housing for All Trust Fund with \$14.6 million allocated for FY 2024. This brings our investment in affordable and workforce housing to \$68 million over five years and a commitment of at least \$160 million over ten years. By leveraging public and

private partnerships, we aim to increase the availability of affordable housing options for our residents. Through strategic investments, we will support the development of housing projects catering to a range of income levels, ensuring everyone has access to safe and affordable homes. Our community partners have also stepped up to increase affordable and workforce housing for our residents.

Since 2019, over 2,000 affordable housing units have been built or under construction in Orange County. A few of our new multifamily complexes include Barnett Villas, The Mira, Emerald Villas Phase Three, and Sandpiper Glen, housing for seniors. This year, we opened the Office of Tenant Services, and within a few months have assisted 1,200 tenants and landlords. Through the Federal American Rescue Plan Act funding, we have aggressively addressed individuals and families at risk of being evicted. A total of \$40 million has kept more than 15,000 individuals in their homes through Orange County's Emergency Rental Assistance program.

Ensuring the safety and well-being of our community is paramount. We have dedicated substantial funding to protect our community and enhance programs and services that support public safety. The FY 2024 operating budget for the Sheriff's operations is \$345 million with 54 new positions, Fire Rescue's budget is \$300 million with 56 new positions, and Corrections is \$184 million. In total, \$800 million is committed to public safety. Orange County takes first responder training seriously, and our new state-of-the-art training facility is the next level for fire rescue professionals. With an estimated total project cost of \$47 million, the 30,000-square-foot facility will consist of classrooms, apparatus bays, a simulation lab, a three-story burn building, and two 5-story drill towers. We expect to break ground this year and open in late 2024. In addition, we opened Fire Station 44 in West Orange County to ensure critical emergency services are available to the growing Horizon West community.

Orange County continues to commit \$2 million to the Citizens Safety Task Force recommendations in the FY 2024 budget. In February, I reconvened the Citizens Safety Task Force after a tragic and senseless shooting in the community resulted in three fatalities: an adult woman, a nine-year old child, and a reporter. The task force met for four months and conducted a thorough review of the existing recommendations putting forth revisions and new recommendations to reduce and prevent gun violence and violent crime. We will continue safeguarding our community and maintaining Orange County as a safe place to live, work, and visit.

Orange County is committed to providing accessible and comprehensive programs that support the well-being of our children and families. This budget allocates resources to expand and improve services for early childhood development, youth empowerment, and family support. Overall, Orange County dedicates nearly \$89 million annually to provide more than 500 programs and services for individuals and families across the County. One of the programs is the Neighborhood Centers for Families (NCF), with funding increasing by 3% to \$10.9 million. NCF partners with community organizations by providing holistic, family-focused services to children within the context of the family. In addition, a 3% increase for Citizens Review Panel (CRP) funding will increase to \$4 million. The CRP is a 20-member volunteer board that recommends grant funding to small and large nonprofit organizations to provide vital services to children, youth, and their families in Orange County. By ensuring access to high-quality programs, we strive to create an inclusive environment where every child has the opportunity to thrive and reach their full potential.

Another initiative we are working to develop is The Financial Empowerment Center, which aims to provide professional, one-on-one financial counseling as a no-cost public service for all residents. The program will emphasize the building blocks of financial stability. Orange County was selected by the Cities for Financial Empowerment Fund (CFE) to join a cohort of local governments to launch this important public service in 2024.

We understand the importance of preserving and sustaining our commitment to the environment. In this budget, we have allocated significant resources to advance environmental initiatives that will enhance the quality of life for our community. We will focus on promoting renewable energy, reducing carbon emissions, conserving natural resources, and preserving open spaces. Nearly three decades ago, the County created the Green PLACE program to preserve, enhance and restore environmentally sensitive lands. We remain committed to this program and plan to preserve an additional 23,000 acres by 2030 by committing \$100 million toward this effort. By prioritizing environmental sustainability, we are working towards a greener and more sustainable future for Orange County.

Even though the Transportation Sales Tax Initiative did not receive the support needed to pass, we continue to explore funding options to improve our transportation system. An interim plan of \$100 million to move us forward over five years toward improving our transportation system has been developed. The plan includes \$55 million for roadway lighting, sidewalks, transportation, and public safety and \$45 million for transit improvements. The \$55 million includes \$15 million to install 131 miles of new lighting to functionally classified roads, \$25 million for 26 miles of new county sidewalks, and \$15 million for various roadway safety projects to make our roads as safe as possible. The \$45 million for transit improvements includes \$6 million a year over the next five years to enhance service frequency for riders and \$15 million for new bus shelters and passenger amenities. This interim plan does not come close to fully addressing our \$21 billion in transportation needs, but it does take a step forward by focusing on some of the immediate needs for transportation.

In conclusion, this budget message highlights our commitment to **Taking Orange County to the Next Level**, manage growth and strive to improve the community's well-being. We will continue to invest in economic development, affordable housing, environmental preservation, public safety, children and family programs, and transportation. By leveraging these investments and working collaboratively with our residents, businesses, and community partners, we are confident in our ability to shape a prosperous and vibrant future for Orange County. The attached \$6.7 billion budget plan demonstrates fiscal prudence and provides a blueprint for service delivery. A detailed overview of the fiscal year 2023-24 budget is included in the following sections of this document.

Sincerely,

Jerry L. Demings  
Orange County Mayor

## Budget Highlights Fiscal Year 2023-24

### Budget Summary

Orange County's adopted fiscal year 2023-24 budget of \$6.7 billion was developed utilizing the following guidelines set forth by Mayor Jerry L. Demings:

- No property tax increases.
- Status-quo operating budgets except for areas of significant need.
- 5% salary adjustment except as agreed to in union negotiations.
- New position requests were based on needs analysis, such as life, health, and safety considerations, or the necessity to fulfill service obligations for new or current programs.
- Capital projects were reviewed for necessity and approved based on funding availability.

Orange County is a diverse and dynamic community that delivers a wide range of lifestyles, demographics, and socioeconomic backgrounds. The current economy has presented not only new financial challenges but also an opportunity to adopt a strategic approach towards the provision of services and delivery models. The current budget proposal adjusts for those constraints, and adheres to the following strategic objectives:

- **Public Safety and Health** – By engaging Federal and State resources, this budget provides essential services that protect the public's health, safety, and welfare.
- **Sense of Community** – By working with community partners, this budget implements programs and initiatives that reflect community priorities.
- **Economic Development** – This budget uses common vision and direction to create and attract jobs, and to become a more economically vibrant and sustainable business community.
- **Infrastructure** – This budget continues to invest in transportation and other critical infrastructure where possible.
- **Efficiency and Effectiveness** - This budget seeks to improve the operations of county government in a fiscally responsible and sustainable manner.

This budget plan was crafted to ensure that all major county services including public safety, physical environment, transportation, human services, culture and recreation, and other general government categories retain current levels of service, while securing savings where possible.

As presented, the adopted budget is about \$560 million less than the current year budget, before factoring in grant rollovers and other adjustments. Part of the large decrease is due to the American Rescue Plan, which was adopted in March of 2021 and included \$65 billion in direct aid to counties across the country. Under the rules of the American Rescue Plan, recipients must obligate the funds by Dec. 31, 2024, and spend them by Dec. 31, 2026. The budget is balanced and leverages natural growth in revenue sources to avoid raising the countywide tax rate.

The fiscal year 2023-24 personal services budget includes a 5% salary increase for non-bargaining employees and a 4% union salary increase for Fire Rescue and Corrections. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases. The budget includes a net increase of 144 positions, which includes 110 public safety positions and 34 for enterprise operations and the general fund. The attached document details the new positions requests.

### Major Revenue Sources

The county's overall fiscal and economic health is improving from last year. Total Sales Tax revenue for the current fiscal year is expected to increase by roughly \$20 million from the current year's budget. Long term economic models predict that the recovery of sales tax revenue will continue.

One of the key components of Orange County's economic development is the travel and tourism industry. In 2022, Central Florida welcomed 74 million visitors. Total visitor spending is estimated at over \$55.5 billion. The travel tourism industry was hard hit by the pandemic and associated business closings. The unemployment rate in the Orlando area briefly exceeded the national and state averages. In 2023, the local unemployment rate of 2.8% is once again below national averages.

This year, unemployment is projected to remain just above 3% across the country, with Florida at 3.4% and the local area at 3%. Orange County has made investments in accommodations, technology and amenities to allow the Orlando/Orange County area to remain one of the top convention destinations for many years. Although sales tax and Tourist Development Tax were both hard hit in the early months of the pandemic, the Tourist Development Tax set a record in 2022, bringing in more than \$336 million.

Most of Orange County's general use revenue is derived from property taxes. It is anticipated that the total taxable value of property in Orange County will increase over 5% for the fiscal year 2024-25 budget year. This budget anticipates countywide property tax revenue of about \$904 million – an approximate increase of 12.5% from the FY 2022-23 budget. Although interest rates rose in 2022, both residential and commercial property values in the area continued to climb, primarily due to low vacancy rates.

Orange County has a slightly higher rental vacancy rate than the national average, partly due to the large number of employees in the tourism and related industries who are renters. The recent closing of The Walt Disney Company "Galactic Starcruiser" coupled with ongoing political pressure on the company from the state government has had a minor impact on the local tourism economy, but Universal Studios is still moving forward with "Epic Universe", a new theme park that is expected to bring 14,000 new jobs to the region by 2025.

Economic indicators for fiscal year 2023-24 and beyond point to continued higher interest rates than average. Orange County's long-term revenue model shows property tax revenues increasing by roughly 5% to 6% per year for the next five years. Revenue generated by the countywide property tax is used for a wide variety of government services including public safety, health and social program, children's services, public transportation, parks and recreation, and numerous infrastructure improvements.

There are four (4) gasoline tax revenues in Orange County, and they are used to fund the transportation program, including not only road maintenance and repair, but most new roadways and stormwater management as well. The One Cent Gas Tax is imposed by the state and distributed to county governments. The Local Option Gas Tax is a six-cents tax per gallon tax on motor and diesel fuel imposed by Orange County ordinance. The Local Option Gas Tax is shared with the municipalities based on a population formula. The Ninth Cent tax is a one-cent per gallon tax on diesel fuel only and was imposed by the state in 1994 to equalize intrastate commerce. The Constitutional Gas Tax is a two-cents per gallon tax on motor fuel imposed by the state and distributed to county governments based on the county's proportion of statewide area, population and gas tax receipts. These gas tax revenues are expected to bring in approximately \$43 million in fiscal year 2024.

### Operating Budget Highlights

The operating budget is where most of the allocations for Orange County's day-to-day services and programs appear. During the budget process each year, existing services are reviewed, unfunded needs are analyzed, and decisions are made on how to best utilize available funds throughout the county. The "General Government" category of expenditures includes the Constitutional Officers and administrative management of the county, as well as the offices and facilities that are needed to keep the government running, such as the budget office, human resources, and legal department.

The adopted budget for general government is decreased from the current budget, but will be slightly higher once the budget is adjusted for "carryforward" of allocated unspent funds, for budgets that are still pending, and for capital projects. Capital projects, for example, are reviewed in detail before being "re-included" in upcoming fiscal years. If capital projects were excluded from the total, the general government category of expenditures would show an increase of about 9%, from \$368.9 million to \$402.9 million.

### Public Safety

Public safety is often one of the most important funding categories for citizens. The fiscal year 2023-24 budget for public safety and includes \$371 million in operating funds for the Orange County Sheriff's Office – a 4.6% increase over the current year. This level of funding includes the hiring of an additional 54 new positions, of which 34 are sworn office positions and 20 civilian positions.

These positions are described in more detail in Section 3 of the Budget Book.

Also included in the operating budget for public safety is \$343 million for Fire Rescue services. Funding is included for 56 new positions for Fire Rescue primarily Firefighter Paramedics and Fire Inspectors. The department receives nearly all of its funding from a fire specific property tax levied against all non-exempt properties in the unincorporated area of Orange County.

The public safety portion of the budget also includes the cost to operate Orange County Corrections. The total operating cost of Corrections for the upcoming year is budgeted at \$213 million.

### Transportation

Over \$163 million is included in the operating budget for the Public Works Department whose mission is to

construct and maintain Orange County's road, drainage, and stormwater networks. This funding ensures that roadways are in safe and working order, traffic signals function properly, and drainage systems are clear. Roads and Drainage is budgeted at \$84.2 million and includes funding for maintenance of new roadways, street sweeping, landscape maintenance, right of way mowing maintenance, curb repairs, and other roadway costs to maintain a total of 5,946 road lane miles in Orange County.

Also related to transportation is Orange County's annual contribution to the LYNX transit service. The amount budgeted for this purpose in fiscal year 2023-24 is approximately \$77.9 million – which is about a 25.4% increase from the current year. The increase from FY 2022-23 budget is due to the expiration of one-time federal funding under the CARES Act and American Rescue Plan Act. LYNX allocates costs to its funding partners according to its regional transportation model that distributes system costs by service hours to each of the participating counties.

Public transportation is necessary to serve the growing community and LYNX is a key partner in making sure adequate public transportation is provided.

### Economic Environment

Important to the area's economy is the Orange County Convention Center and the visitors and business it attracts. About \$102 million in operating funding is budgeted to support the center's more than 2.1 million square feet of exhibition space and its estimated annual economic impact of more than \$3 billion. The funding for the Convention Center operations comes primarily from fees that the center collects for its services.

Tourist development tax (TDT) collections – levied at 6% on hotel rooms and other short-term rentals – are budgeted at \$330 million, which is an increase of 10% from the 2023 budget of \$300 million. The 74 million visitors to the area in 2022 exceeded the total for 2021 by 25%, and is now roughly equal to the number of tourists who visited in 2019 before the pandemic..

Tourist Development Taxes are used to cover the costs of Convention Center construction debt, Visit Orlando destination advertising, Orlando venues, arts and cultural programs, Orange County Regional History Center, sport promotions, and any Convention Center operating shortfalls.

### Community and Family Services

Just like public safety, community and family services are part of our core mission. The adopted budget includes \$136 million in community and family services operating costs, as well as another \$235 million for health services. These programs designed to address social challenges, the welfare of our children, and services to preserve the high quality of life to support and enrich a diverse and productive population. This includes after school programs and summer youth programs that offer a safe haven for youth, as well as community programs to provide outreach services.

Our Community and Family Services Department will be working with both public and private partners across the county to provide quality services, expertise, and emergency response. The County Health Services department not only administers the county medical clinic and Medical Examiner's Office, but also mosquito control, animal services, and other programs relating to public health. The Health Services Budget includes \$171 for the Local Medicaid Provider Participation Fund.

## Capital Projects

The adopted capital projects budget for fiscal year 2023-24 is \$603 million and includes funding for a variety of infrastructure improvements related to transportation, public safety, parks, utilities, general facilities, the convention center, and others.

A few of the capital projects listed in the five-year plan are listed below:

- Administrative and Facilities – The Administrative Services budget includes \$80 million for capital improvements. The budget includes new funding for the Courthouse Window Improvements project, as well as continued funding for the Cultural Community Center, Courthouse Build-out, Fleet Building Renovations, and certain HVAC repairs.
- Corrections total capital improvement budget is \$27 million for FY 2023-24. This budget includes primarily continuing funding for fencing and security improvements, as well as Horizon Renovations, Female Detention Center Renovations, Campus-wide Wi-Fi, Jail Management System, Corrections Video Visitation Enclosure, and the Corrections Training Center.
- Water Utilities Projects – \$249.4 million is included in the FY 2023-24 budget for various water and wastewater utility projects. The projects include improvements to the water, wastewater, and solid waste facilities as well as construction of pipelines for the water, wastewater, and reclaimed water systems, and to address the renewal and replacement of aging infrastructure.
- Public Works – The Public Works budget includes \$217.7 million for capital improvements. The Vision Zero-Roadway/INTXNS/Pedestrian and Bike Safety and Intersections/Corridor Roadway Sustainability Improvements for SORAP will enhance infrastructure resilience, technology readiness. The Transport-Roadway Safety Traffic for the \$100 million Accelerated Transportation Safety Program includes funding over a five-year period for transit, street lighting, sidewalks, and transportation safety expansions

See the Capital Improvements Program section of this budget document for a detailed listing of all projects in the adopted budget.

## HOW TO USE THIS BOOK

---

<i>General</i>	This document details the FY 2023-24 annual budget for the period beginning October 1, 2023 and ending September 30, 2024. It provides useful up-to-date comparisons and analysis, and illustrates adopted budget amounts for FY 2023-24.
<i>Budget in Brief</i>	This section is designed to be a removable executive summary of the budget that is presented in the ensuing pages. It provides various types of comparative statistical information and an organizational chart depicting Orange County government.
<i>Revenues</i>	This section provides a three-year comparison of revenues by fund or fund type, grouped by major revenue category.
<i>Organization Budgets</i>	By organizational component, this section provides a three-year comparison of expenditures (actuals for FY 2021-22, revised budget as of March 31, 2023 for the FY 2022-23, and adopted budget for FY 2023-24) and a summary of funding sources. Organizational charts and various budget reports are included in each section. Each budget is presented separately and includes information on service responsibilities, funding source(s), personnel staffing, expenditure appropriation, and comments related to expenditures that can be categorized and explained as follows:
<i>Personal Services</i>	Cost related to compensating employees, including salaries, wages, and fringe benefit costs.
<i>Operating Expenses</i>	Also known as operating and maintenance costs, these are expenses of day-to-day operations such as office supplies, maintenance of equipment, and travel, excluding capital costs.
<i>Capital Outlay</i>	An appropriation for the acquisition or construction of physical assets.
<i>Capital Improvements</i>	Physical assets in the capital improvements program constructed or purchased that have a minimum useful life of 10 years and a minimum cost of \$25,000. These may include buildings, recreational facilities, road and drainage structures, water and wastewater structures, and equipment.
<i>Debt Service</i>	The expense of retiring such debts as leases, loans, commercial paper, and bond issues. It includes principal and interest payments and payments for paying agents, registrars, and escrow agents.
<i>Grants</i>	A contribution of assets, usually cash, by one governmental unit or other organization to another made for a specified purpose.
<i>Other</i>	These include other expenditure items of a non-expense or expenditure nature, other than reserves, such as depreciation expense and transfers to other funds.
<i>Reserves</i>	An account used to indicate that a portion of a fund's balance is legally restricted or designated for a specific purpose and is, therefore, not available for general appropriation.

## HOW TO USE THIS BOOK

---

Where budgets do not fit into major organizational categories, they are included in the *Other Offices* and *Other Appropriations* sections.

Budgeted expenditures for government grants are within the department's budget. In addition, revenue sources specific to a department are shown on the department page where applicable.

*Capital Improvements Program* This section presents the complete Five-Year Capital Improvements Program, grouped by department/division and by fund/organization. For a summary of capital projects by organizational component, refer to the appropriate section of this document.

*Index* The index provides an alphabetical listing of the major budgetary categories and titles used throughout the budget to facilitate location of information.

*Glossary of Terms* A glossary of terms used throughout the *General Information* section can be found at the end of the Budget In Brief. Please see the Table of Contents or the Index to locate other items in this document.

## GENERAL INFORMATION

---

Orange County was founded in 1824, and at that time it was named Mosquito County. It was renamed Orange County in 1845 for the fruit that constituted the county's main product. At its peak in the early 1970's, there were some 80,000 acres of citrus.

Orange County is approximately 1,003.3 square miles of which 903.4 square miles are land and 99.9 square miles are water. The county is at the approximate geographic center of the state. Four (4) counties border it: Lake County to the west, Brevard County to the east, Seminole County to the north, and Osceola County to the south. Orange County has a population of 1,481,321 based on 2023 estimates from the University of Florida Bureau of Economic and Business Research.

Orange County is a leading center for tourism and a premier business center. The Orange County Convention Center is now the second largest convention facility in the country. Orange County is also the first destination in the country that can say it has welcomed 75 million visitors in a single year in 2019. However, due to the COVID-19 pandemic, the number of visitors lowered to 35 million in 2020 and now tourism has increased to 74 million in 2022. It is home to seven (7) of the ten (10) most visited theme parks in the United States, including Walt Disney World's Magic Kingdom, which is the most visited theme park in the world. Some of the leading tourist attractions located in Orange County includes Walt Disney World, Sea World, and the Universal Orlando Resort. In addition to tourism, some other major businesses include: Orlando Health, AdventHealth, Publix, Orlando Regional Healthcare, Darden Restaurants, and Lockheed Martin.

---

## GOVERNMENT STRUCTURE

---

In 1986, Orange County became a charter government. A charter form of government has its own constitution and is self-governing. Having a charter gives the county the ability to respond to a changing environment and meet local needs. It enables the county to adopt laws without the need for prior authorization of the Florida state legislature. Orange County established a Charter Review Commission that is appointed every four (4) years to study the charter, propose amendments and revisions, which are then placed on ballots and voted on. The charter was revised first in November 1988, when voters approved major revisions to the county's home rule charter. Subsequent revisions occurred in November 1992, when the charter was amended to create the offices of the Property Appraiser, the Tax Collector, and the Sheriff as charter offices. In 1996, voters amended the charter again to abolish the offices of the Property Appraiser, the Tax Collector, and the Sheriff thereby creating Constitutional Officers governed by the Constitution and the laws of the state of Florida rather than the charter.

In November 2004, the charter was revised as follows:

1. To allow terms of office for the Board of County Commissioners to begin as late as the first Tuesday after the first Monday in January. Require temporary substitutes for board members absent for military service or temporary incapacity. Provide for board-member succession during war, terrorism, and other emergencies. Change the title of "County Chairman" to "County Mayor" (with no change in powers).
2. Created an Orange County/City of Orlando Consolidation of Services Study Commission consisting of citizen volunteer members, who have been charged with conducting a comprehensive study of the consolidation of services between the City of Orlando and Orange County. The commission provided a report to both governments on June 27, 2006.
3. To allow enactment of an ordinance requiring that rezonings or comprehensive-plan amendments (or both) that increase residential density in an overcrowded school zone and for which the school district cannot accommodate the expected additional students, but will only take effect upon approval by each local government located within the boundaries of that school zone.

In November 2008, the following amendments were approved:

1. All future Charter Review Commissions must include, in their reports to the Board of County Commissioners, an analysis and financial impact statement of the estimated increase or decrease in any revenues or costs to county or local governments and the citizens, resulting from the proposed amendments or revisions to the Orange County Charter and that a summary of such analysis be included on the ballot.
2. The Orange County Charter was amended to require that a Local Code of Ethics be adopted that among other things, shall contain provisions requiring the disclosure of financial and business relationships by elected officials and certain county employees, restricting gifts to the Mayor and Board of County Commissioners, restricting post-county employment for certain employees, providing for enforcement provisions and providing that the board and certain employees receive annual educational sessions on ethics.
3. The Orange County Charter was also amended to provide citizens the right to appear before the Board of County Commissioners for presentations on issues within the county's authority, to require the Board to set aside at least 15 minutes before each meeting for citizens to speak on any matter regardless of whether the item is on the board's agenda and to allow the board to adopt rules for the orderly conduct of meetings.

In November 2012, the following amendments were approved:

1. The Orange County Charter must place proposed amendments and revisions of the charter on the ballot at general elections only, providing a report of the proposed changes has been delivered to the clerk of the Board of County Commissioners no later than the last day for qualifying for election to county office under general law.
2. The Orange County Charter was amended to prescribe, when authorized under Florida law, a method for locally filling offices of Commissioner and Mayor during vacancy or suspension, providing generally for appointment by the Board of County Commissioners to fill vacant and suspended offices until the next general election, and for special election to fill the vacant office of Mayor where the Mayor's remaining term exceeds one (1) year.
3. The Orange County Charter was also amended to provide that Orange County ordinances shall be effective within municipalities and prevail over municipal ordinances when Orange County sets stricter minimum standards for prohibiting or regulating simulated gambling or gambling.

In November 2014, the following amendments were approved:

1. The Orange County Charter was amended to require petition initiatives to have signatures verified at least 150 days prior to the primary, general, or special election.
2. The Orange County Charter was also amended to limit initiative, and the enactment, amendment or repeal of ordinances where the initiative concerns the regulation of employer wages, benefits, or hours of work; or the encumbrance or allocation of tax revenues not authorized by law or conditioned upon a prospective change in law; and, to impose prohibitions on the Board of County Commissioners.
3. The Orange County Charter was also amended for the purpose of establishing term limits and nonpartisan elections for the Orange County Clerk of the Circuit Court, Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector. This amendment provides for County Constitutional Officers to be elected on a nonpartisan basis and subject to term limits of four (4) consecutive full 4-year terms.

In November 2016, the following amendments were approved:

1. The Orange County Charter was amended to reform the charter's initiative process to provide clarity, accountability and transparency; and, ensure equal treatment of voters.
2. The Orange County Charter was also amended to change County Constitutional Officers to Charter Officers and provide for nonpartisan elections and term limits.
3. The Orange County Charter was also amended to preserve the term limits and nonpartisan elections for County Constitutional Officers and Charter Officers.

In November 2020, the following amendments were approved:

1. The Orange County Charter was amended to establish definitions, create natural rights for the waters of Orange County, the right to clean water, and private right of action and standing for citizens of Orange County to enforce these rights and injunctive remedies.

2. The Orange County Charter was also amended to include additional protections for the wildlife, vegetation, and environment of Split Oak Forest by restricting the Board of County Commissioners' ability to amend, modify, or revoke the current restrictions and covenants limiting the use of Split Oak Forest.
3. The Orange County Charter was also amended to provide petitioners a full 180 days to gather necessary signatures during mandatory reviews and procedures and set a 10-day deadline for the Supervisor of Elections to provide a 1% notification to the Board of County Commissioners, Comptroller, and Legal Review Panel.

The charter establishes the separation between the legislative and executive branches of county government. The legislative branch (the Board of County Commissioners) is responsible for the establishment and adoption of policy and the executive branch (County Mayor) is responsible for the execution of established policy. Additional information on the Orange County Charter is available at the following website: <http://www.orangecountyfl.net/> by clicking on the "Residents" tab, selecting "Open Government", then "Boards and Special Districts" and finally "Charter Review Commission."

---

## **COUNTY MAYOR & BOARD OF COUNTY COMMISSIONERS**

---

The office of the County Mayor (formerly County Chairman) was first created in 1988. The County Mayor is elected on a countywide basis and serves for a term of four (4) years. The County Mayor serves as the chair of the Board of County Commissioners and manages the operations of all elements of county government under the jurisdiction of the board, consistent with the policies, ordinances, and resolutions enacted by the board. The duties of the County Mayor include appointment of the County Administrator, supervision of the daily activities of employees, convene all regular and special meetings of the board, and prepare and submit the county budget as prescribed by state statute.

The Board of County Commissioners (BCC) consists of the Mayor and six (6) members. Each member is elected by district. The term of office for Board members is four (4) years. The powers, duties, and responsibilities of the BCC are defined by the Orange County Charter and by state statute. The board has the power to originate, terminate and regulate legislative and policy matters including but not limited to adoption or enactment of ordinances and resolutions it deems necessary and proper for the good governance of the county. The board also adopts and amends as necessary the county administrative code to govern the operation of the county and adopts such ordinances of county wide force and effect as are necessary for the health, safety, and welfare of the residents. For more information regarding the Orange County Charter, powers and responsibilities of the County Mayor and the Board of County Commissioners, go to the Orange County website at [www.orangecountyfl.net/](http://www.orangecountyfl.net/).

---

## **STRATEGIC GOALS AND STRATEGIES**

---

When Mayor Jerry Demings took office, he selected 37 diverse and accomplished citizens who examined some of the issues facing Orange County to assess the existing organization's structure and capacity to deal with them. The task force focused on four (4) strategic areas the county should focus on to enhance the community for generations to come. Below is a summary of the strategic goals.

The Orange County website <http://www.ocfl.net/BoardofCommissioners/Mayor/InitiativesResources.aspx> includes the detailed plan titled Transition Team Report along with other reports, such as the Sustainable Operations and Resilience Action Plan that provide specific action plans and strategies in how these goals will be established.

### **INNOVATION & TECHNOLOGY TASK FORCE**

- Create a Culture of Innovation within Orange County.
- Grow, Attract and Retain Tech Talent.
- Encourage and Support a Culture of Entrepreneurialism
- Update the Orange County "Brand."
- Establish the new position of Chief Technology Officer.

- Ensure Adequate Technology Infrastructure.

## **CUSTOMER SERVICE & BUSINESS DEVELOPMENT TASK FORCE**

- Implement Strategic Structural Changes to the Organization.
- Invest in Training, Research and Technology.
- Encourage Consistent Outreach and Engagement.
- Foster a Business Development Culture.

## **SUSTAINABILITY & SMART GROWTH TASK FORCE**

- Create an Office of Sustainability and Smart Growth.
- Dramatically expand the county's clean energy production.
- Lead by example through Green Buildings and Green Infrastructure.
- Cultivate a Local Food Economy through promotion and reducing regulatory barriers.
- Adopt a Sustainable & Smart Growth Vision.
- Implement recommendations from the Regional Affordable Housing Initiative Report, through the Smart Growth Vision.
- Address regional multimodal transportation by refocusing Orange County's transportation planning toward enhancing transit use, through the Smart Growth Vision.
- Reduce Solid Waste to extend current life of the landfill through education and improved methods.
- Conserve water and improve water quality through Low Impact Development and Florida Friendly Landscaping.

## **BUILDING A COMMUNITY THAT WORKS FOR EVERYONE TASK FORCE**

- Implement the Regional Affordable Housing Initiative Report.
- Review Funding Sources for Orange County's Primary Care Access Network (PCAN).
- Increase Awareness and Communication of Orange County's PCAN Network.
- Pursue Strategies for Telehealth with PCAN partners.
- Advocate and Support Mental Health and Homeless Funding.
- Create a Re-Entry Pilot Program for Inmates at the Work Release Center.
- Enhance Community Collaboration to Further Orange County Heroin Task Force Recommendations.
- Review Corrections Department Facilities Master Plan and Inmate Management System.
- Work with Community Partners to Expand Re-Entry Programs and Transitional Services at Orange County Corrections Department.
- Explore Dedicated Source of Funding for Transportation System.
- Continue to Fund Pedestrian Safety Improvements and Education.
- Monitor and Measure Children's Services and Programs.
- Adopt Organizational Structure Changes.
- Review County and Community Task Forces, Studies and Needs Assessments.
- Engage in Resource Mapping of Health and Social Services.
- Re-establish a County Community Dashboard.

## FISCAL POLICY STATEMENT

---

Orange County has an important responsibility to its citizens to correctly account for public funds, to manage municipal finances wisely, and to plan for adequate funding of services desired by the public. Orange County shall collect public funds through taxes, fees, borrowing, and other legal means to provide for the needs and desires of its citizens. Orange County shall establish and maintain sound financial and budgeting systems to accurately account for all public funds collected and expended for the public good. Orange County shall establish sound fiscal policies and procedures that comply with all applicable state and federal laws.

**Annual Budget:** The annual operating budget prepared by the County Mayor and approved by the Board of County Commissioners is the basis for all expenditures necessary for conducting daily county business. The budget is a fund budget structured to provide departmental appropriations in conformance with Florida Statutes Chapter 129 and the Uniform Accounting System prescribed by the Florida Department of Financial Services and Generally Accepted Accounting Principles (GAAP) for governments. Orange County shall operate under a unified and uniform budget system. The County Administrator shall be responsible for developing appropriate budgetary procedures consistent with Florida Statutes, which shall be followed by all departments or divisions submitting budgets to the Board of County Commissioners for approval.

**Capital Improvement Program and Budget:** The Orange County capital improvements program shall include any expenditure for the acquisition, construction, installation and/or renovation of facilities that are expected to be in service for at least 10 years, and have a value in excess of \$25,000. Capital projects are relatively large in scale, nonrecurring projects that may require multi-year financing. The capital improvement budget may have large fluctuations from year-to-year due to project schedules. Revenues for capital projects come from diverse sources, including long-term bonds, impact fees, taxes, and grants.

The Capital Improvements Program and Budget provide the means through which Orange County Government takes a planned and programmed approach to utilize its financial resources in the most responsible and efficient manner in order to meet the service and facility needs of Orange County. All Orange County capital improvements will be made substantially in accordance with the adopted Capital Improvements Program, and as outlined in the Growth Management Policy. A five-year plan for capital improvements will be developed and updated annually. Orange County will enact an annual capital budget based on the five-year capital improvements plan. Future capital expenditures necessitated by changes in population, changes in real estate development, or changes in economic base will be calculated and included in capital budget projections. The Office of Management and Budget will coordinate development of the capital improvement budget and development of the operating budget. Future operating costs associated with new capital improvement will be projected and included in operating budget forecasts. Orange County will finance only those capital improvements that are consistent with the Capital Improvements Program and county priorities, and that have operating and maintenance costs included in operating budget forecasts. Orange County will attempt to maintain all assets at a level adequate to protect Orange County's capital investment, and to minimize future maintenance and replacement costs. The maintenance of existing assets is Orange County's primary capital expenditure consideration. Orange County will project its equipment replacement and maintenance needs for the next several years and will update this projection each year. From this projection a maintenance and replacement schedule will be developed and followed. Orange County will identify the estimated costs and potential funding sources for each capital project proposal before it is submitted for approval. Orange County will determine the least costly financing method for all new projects.

**General Operating Budget:** The County Mayor shall plan and prepare a balanced budget that conforms to the uniform classification of accounts as prescribed by the Florida Department of Financial Services. The budget shall include operating revenues that equal 95% of all receipts anticipated from all sources including taxes. The budget shall include provisions for balances brought forward, which shall equal total appropriations (expenditures) and reserves. The Office of Management and Budget, under the direction of the County Mayor, shall be responsible for the preparation and monitoring of the Annual County Budget and also for ensuring department compliance with this policy. It is unlawful for the county to expend or contract for the expenditures of more than the amount budgeted in any fund's annual appropriation for any fiscal year. An exception may be made for multi-year construction contracts where funding has been approved in the five-year Capital Improvements Program plan and sufficient monies are available in the current year's budget to meet the progress payments within the current fiscal year. The fiscal year of Orange County shall commence October 1 and end September 30 in accordance with Florida Statutes.

**Reserves:** Sound fiscal policy dictates some level of reserves for a governmental entity. Reserves serve the following purposes: ensures that funds are available to provide citizens with services and assistance following a natural disaster, such as a hurricane; debt service reserves are a mechanism that ensures there will be no interruption in bond payments should the county experience an unexpected dip in revenues. (These reserves are also required by bond covenants.); and, reserves are used for fiscal management, some because of legal requirements, and some simply to provide a safety net for unexpected expenses.

**Budget Amendments and Transfers:** Orange County's budgeting process must be dynamic and flexible enough to meet the changing needs of the departments and divisions throughout the fiscal year. A means must be provided through which these changing needs can be accommodated within the framework of applicable Florida Statutes and local ordinances and resolutions. Changes may be made to the budget at any time throughout the fiscal year and up to 60 days after fiscal year end or as permitted by Florida Statute in accordance with the procedures outlined in this regulation.

For Orange County policies in Issuance of Revenue Bonds, Continuing Disclosure for Debt Issues, and Bond Waiver Procedures, please refer to the Debt Management section.

Orange County's Budget complies with all relevant financial policies. For a more in-depth explanation of all Orange County Government's Financial Policies, please see Orange County's Administrative Regulations or contact the Office of Management and Budget at 407-836-7390.

---

## FINANCIAL STRUCTURE

---

To provide proper accountability for different kinds of resources, "funds" are established. Each fund is a separate entity with its own resources, liabilities, and residual balance. Some homogeneous funds have been consolidated for budget presentation.

Funds with similar objectives, activities and legal restrictions are, for reporting purposes, placed in one (1) of three (3) groups:

- I. **Governmental Funds:** Governmental Funds account for general governmental activities, such as law enforcement, which are largely supported by taxes and fees. They are accounted for on a "spending" or current financial resources basis. Governmental Funds include the following five (5) fund types:
  1. The General Fund reflects all county revenues and expenditures that are not required to be accounted for in another fund. Most countywide activities are accounted for in this fund.
  2. Special Revenue Funds account for resources received from special sources, dedicated or restricted to specific uses.
  3. Debt Service Funds account for the accumulation of resources for, and the payment of, interest, principal, and other costs of debt.
  4. Capital Projects Funds account for the accumulation and use of resources for the acquisition of major buildings and other capital facilities where a specific project is designated or required.

5. Permanent Funds account for legally restricted resources where only the earnings and not principal, may be used for the benefit of the county or its citizenry.
- II. Proprietary Funds:** Proprietary Funds account for those external and internal business-type activities that are provided on a basis consistent with private enterprise. They are accounted for on a cost of service or "capital maintenance" basis. Proprietary Funds include the following two (2) fund types:
1. Enterprise Funds account for activities such as water and water reclamation services that are similar to those provided by private enterprise, and whose costs are paid from user charges or from revenue sources other than general governmental revenue. Orange County's Enterprise Funds consist of the Convention Center, Solid Waste System, and the Water Utilities System.
  2. Internal Service Funds account for operations in which the county provides itself with essential services, which would otherwise be purchased from commercial suppliers. The governmental departments using the services on a cost reimbursement basis pay costs of operating these funds. Orange County's Internal Service Funds consist of Risk Management, Fleet Management, and the Employee Benefits Fund for Medical Benefits.
- III. Fiduciary Funds:** Fiduciary Funds account for assets that do not belong to the county, but are under county control for administration. These funds are not available to support county programs. Fiduciary Funds include the following four (4) fund types:
1. Pension Trust Funds account for resources required to be held in trust for the members and beneficiaries of defined benefit pension plans, defined contribution plans, other post employment benefit plans, or other employee benefit plans.
  2. Investment Trust Funds account for external investment pools where legally separate governments commingle or pool their resources in an investment portfolio for the benefit of all participants.
  3. Private-purpose Trust Funds account for assets held by the county in trust for administration, and for disbursement for specific purposes that are not properly reported in a Pension Trust or Investment Trust Fund
  4. Agency Funds account for assets belonging to others that are held in a custodial capacity pending disposition.

---

## **BUDGETARY BASIS**

---

Orange County uses the same basis for budgeting and accounting. Orange County adopts budgets for all Government Funds on a modified accrual basis. Under this method, revenues are recognized in the period they become measurable and available to finance expenditures of the period and expenditures are recorded when incurred, with the exception of principal and interest on long term debt, which are recorded when due. The budgets for Proprietary Funds are adopted on a full accrual basis. Under the full accrual basis, revenues and expenditures are recognized in the period in which the transaction takes place. This method is similar to the accounting used for private businesses. Depreciation expense is not budgeted; however, expenditures for capital outlays are budgeted. These outlays are capitalized into fixed assets and eliminated from the results of operations on a Generally Accepted Accounting Principles (GAAP) basis.

Fund balance allocations (residual unappropriated liquid assets resulting from prior years' operations) are budgeted and included as revenue on a budgetary basis, but are eliminated on a GAAP basis for financial reporting.

---

## **CAPITAL BUDGETING**

---

Orange County maintains a Capital Improvement Program (CIP), which covers a five-year period. The Office of Management and Budget (OMB) determines the amount of funding available for capital projects. Proposed projects are prioritized and the available funds are allocated accordingly. The CIP projects detail is included in Section 16 of this document; the funding for these projects is also included in the budget within each appropriate department. Projects in the CIP for FY 2023-24 are funded through FY 2027-28 based on estimated revenues and projected annual project costs. Both estimated revenues and expenditures are subject to change, which may require adjustments to the five-year CIP plan.

## BUDGET CALENDAR

Budget formulation, adoption, and execution in Orange County involves the year-round interaction of many people at various levels within the county. The purpose of the process is to identify service needs, develop strategies for meeting these needs, and develop detailed revenue and expenditure plans to carry out the strategic plans. As such, the budget process incorporates the following activities:

<b>January-February</b>	Staff meetings with the County Administrator and Board of County Commissioners (BCC) to determine priorities for the FY 2023-24 budget year. Preliminary revenue projections are finalized. Distribution of budget packages to operating units and constitutional officers. Meetings between County Administrator and Department Directors to communicate budget policies and priorities for the budget year.
<b>March</b>	Departments prepare their budget and input the information into the county's budgeting software. The Office of Management and Budget (OMB) conduct budget preparation computer training classes and reviews early departmental budget submission.
<b>April-May</b>	OMB reviews and tabulates operating budgets and capital improvement projects, as well as updates revenue projections. Meetings are held with County Administration and the Departments to review initial budget submissions. Budgets for all Departments, Clerk of Courts, Court Administration, Public Defender, and State Attorney are submitted to OMB by March 31.
<b>May 1</b>	Deadline for submission of budgets from the Sheriff, Comptroller, and Supervisor of Elections.
<b>May</b>	Department budget meetings with the County Mayor and County Administrator.
<b>May-June</b>	Compilation of the budgets – operating and capital improvement. Property Appraiser submits budget request by June 1.
<b>July 1</b>	Deadline for delivery of certified tax roll from Property Appraiser.
<b>July</b>	Distribution of proposed budget to the BCC. Budget review work sessions with the BCC.
<b>August 1</b>	BCC certifies proposed millage rates and public hearing dates to the Property Appraiser. Statutory deadline for the Tax Collector to submit budget request.
<b>August</b>	Notice of proposed property taxes ("TRIM"* Notice) mailed to taxpayers.
<b>September</b>	Two (2) public hearings on proposed budget and millage rates. Two (2) to five (5) days prior to the second public hearing, an advertisement is placed in a newspaper of general circulation noting the proposed budget and millage rates.
<b>October 1</b>	Implementation of the adopted budget.
<b>October</b>	Value Adjustment Board (VAB) meets to hear taxpayers' protests of taxable value assessments. Property Appraiser issues final certification of taxable value. Certification of "TRIM"* compliance with the Florida Department of Revenue (FDR).
<b>November-December</b>	OMB issues adopted budget document. Submits budget to Government Finance Officers Association (GFOA) for judging in Distinguished Budget Presentation Award program. Finance issues final results of prior fiscal year. OMB reconciles final fund balances with budget.

\*"TRIM" refers to "Truth in Millage"; the requirements set forth in the Florida Statutes for adopting budgets by local governments.

This calendar complies with the requirements set forth in Florida Statutes Chapter 200, "Determination of Millage." This calendar is subject to revision throughout the budget process due to the changing needs of the BCC or County Administration.

## BUDGET PROCESS

---

This annual budget process for Orange County covers the period from October 1, 2023 to September 30, 2024.

In January, the Office of Management and Budget (OMB) projected revenues and expenditures for the next fiscal year using a financial projection model. Modeling provides the county with a clear vision of the level of financial control needed to develop the upcoming fiscal year budgets.

In late January, meetings were held with the County Mayor and County Administrator to obtain direction for the budget process. Departments and divisions were challenged to prepare a program budget with a focus on maximizing services while maintaining a budget within Orange County's fiscal capacity.

In March 2023, the departments and divisions submitted their proposed budgets to OMB for review based on budget guidelines provided by the County Mayor to all county departments and constitutional officers.

Departments were asked to include 5.0% increases to salary budgets and to leave most operating budgets unchanged from fiscal year 2023.

In April and May, meetings were held with departments to discuss budget issues and to obtain additional information. These meetings provided department directors with the opportunity to discuss their budgets and programs/services that were being recommended. Finally, budgets were presented to the County Mayor for her review to finalize the proposed budget for the Board of County Commissioners (BCC) budget work sessions in July.

Board work sessions in July are a forum for discussing spending plans, establishing proposed millage rates, and formalizing policy issues. Copies of the proposed budget were distributed to the BCC and county senior staff, and made available for inspection by the general public prior to the final budget public hearings in September. Following Board approval at the final public hearing of the final spending plan, OMB staff prepared the adopted budget for distribution to departments and other interested parties. The budget for this year became effective October 1, 2023.

---

## CAPITAL IMPROVEMENT BUDGET PROCESS

---

In accordance with the definition of a capital improvement, any county department that requires capital improvements submits a Capital Improvements Program Project Submittal and Budget to the Office of Management and Budget (OMB). Departments submit capital project requests for each five-year period of the Capital Improvements Program and Budget.

Departments prepare capital project requests according to the following steps in order to facilitate the completion of the Capital Improvements Program (CIP) for each five-year period:

1. Departmental staff finalizes and discusses capital project need assessments, concurrency requirements, studies, commissioners' priorities, and unfunded items to determine potential capital improvement projects for the upcoming budget process and the next five-years.
2. Departmental staff reviews the current CIP as of the current fiscal year and updates original project submissions. Departmental staff also discusses and prepares new CIP submittals, which should include detailed project explanations. If existing projects are to be deleted, departments should provide the substantial completion date. **Note:** If capital improvement project(s) involve assistance from the Capital Projects Division, a meeting is necessary with Capital Projects to verify project requirements and capacity.
3. Departmental staff reviews the ongoing programs of the department and forecasts the capital needs for the coming five-years, the first year of which coincides with the adopted operating budget year.
4. All capital projects should be reviewed and prioritized with the Department Director prior to submitting to OMB.
5. Departments submit CIP submittals to OMB.
6. OMB receives all CIP submittals and compiles and submits them to the County Administrator for evaluation and discussion with senior staff.
7. Senior staff reviews the projects to determine those that will be included in the budget presentation to the County Mayor.
8. The County Mayor approves projects to be included in the budget package for the Board work sessions in July.

---

## PERFORMANCE MEASUREMENT BUDGET PROCESS

---

Orange County's Performance Measurement System (PMS) is a part of this budget document with the inclusion of currently updated key performance data for county departments. Included are selected programs, program descriptions, associated services, and performance measures for these services. The selected measures are designed to monitor the outcome of program services to determine if the purpose of a program is being achieved. Service outcomes are evaluated with regards to workload, effectiveness, and efficiency.

Under the current organizational structure, county departments consist of many operating divisions; therefore, the selected performance measurement information included in the budget document represents selected key measures for each department. The selected information is by no means the full extent of the performance measurement system. Departments and supporting divisions are continuously gathering and evaluating other performance related data to help manage and allocate resources to improve productivity.

The PMS process is continually improved through refined programs, services, and performance measures. This refinement occurs as departments provide quarterly reports on selected performance measurements. Departments report information that is available and establish methods to capture data as needed for quarterly reporting.

## **GRANTS PROGRAM BUDGET PROCESS**

---

Orange County receives significant funding from federal and state agencies annually. It is the policy of Orange County to encourage the pursuit of federal, state and local grants to supplement county resources. As a matter of equity, it is the goal of Orange County to ensure that local taxpayers get a fair share of federal and state grants, which are funded through their tax dollars.

The Grants Program Budget Process is carried out with a wide range of grants coordination activities to maximize the beneficial impact of federal and state grants funds on Orange County government and its citizens. Specific activities include: a review function for all grant applications under the jurisdiction of the Board of County Commissioners (BCC); provision of information and technical assistance to all county departments in the development and management of federal, state, and local grant programs; preparation of periodic reports describing the status of the federal/state/local grant programs under the BCC; and, oversight of Orange County grant programs to ensure adherence to federal and state regulations, guidelines, and procedures.

During the budget process, it is customary for county departments to submit estimated budgets for grants that Orange County historically receives. A Grants Information Form is used for this purpose, which includes information on the grant program, estimated grant award, required in-kind and/or cash match, a description of the program, and a line-item budget. The Office of Management and Budget (OMB) and the Grants Accounting Section of the Finance and Accounting Department analyze the information for completeness and accuracy. The estimated grant budget is reviewed by the BCC during the budget work sessions and approved at the Budget Public Hearings in September.

The grant periods typically begin on a date other than Orange County's fiscal year, which begins October 1. The majority of grants are federally funded, but awarded through the State of Florida that has a fiscal year beginning on July 1.

New grants are budgeted as they are received and awarded throughout the year. A request for a budget amendment is submitted by the county department receiving the award to Grants Accounting and subsequently submitted by OMB to the BCC, which approves and accepts the grant award.

## BUDGET ADOPTION AND MODIFICATION

---

The Board of County Commissioners (BCC) annually adopts the budget by resolution for all funds of Orange County, exclusive of some Agency Funds. Budgetary authority is legally maintained at the fund level; however, Orange County's computerized financial system imposes budget controls at the appropriation level, by division. By state law, the revenue and expenditure budgets for each fund must remain in balance at all times.

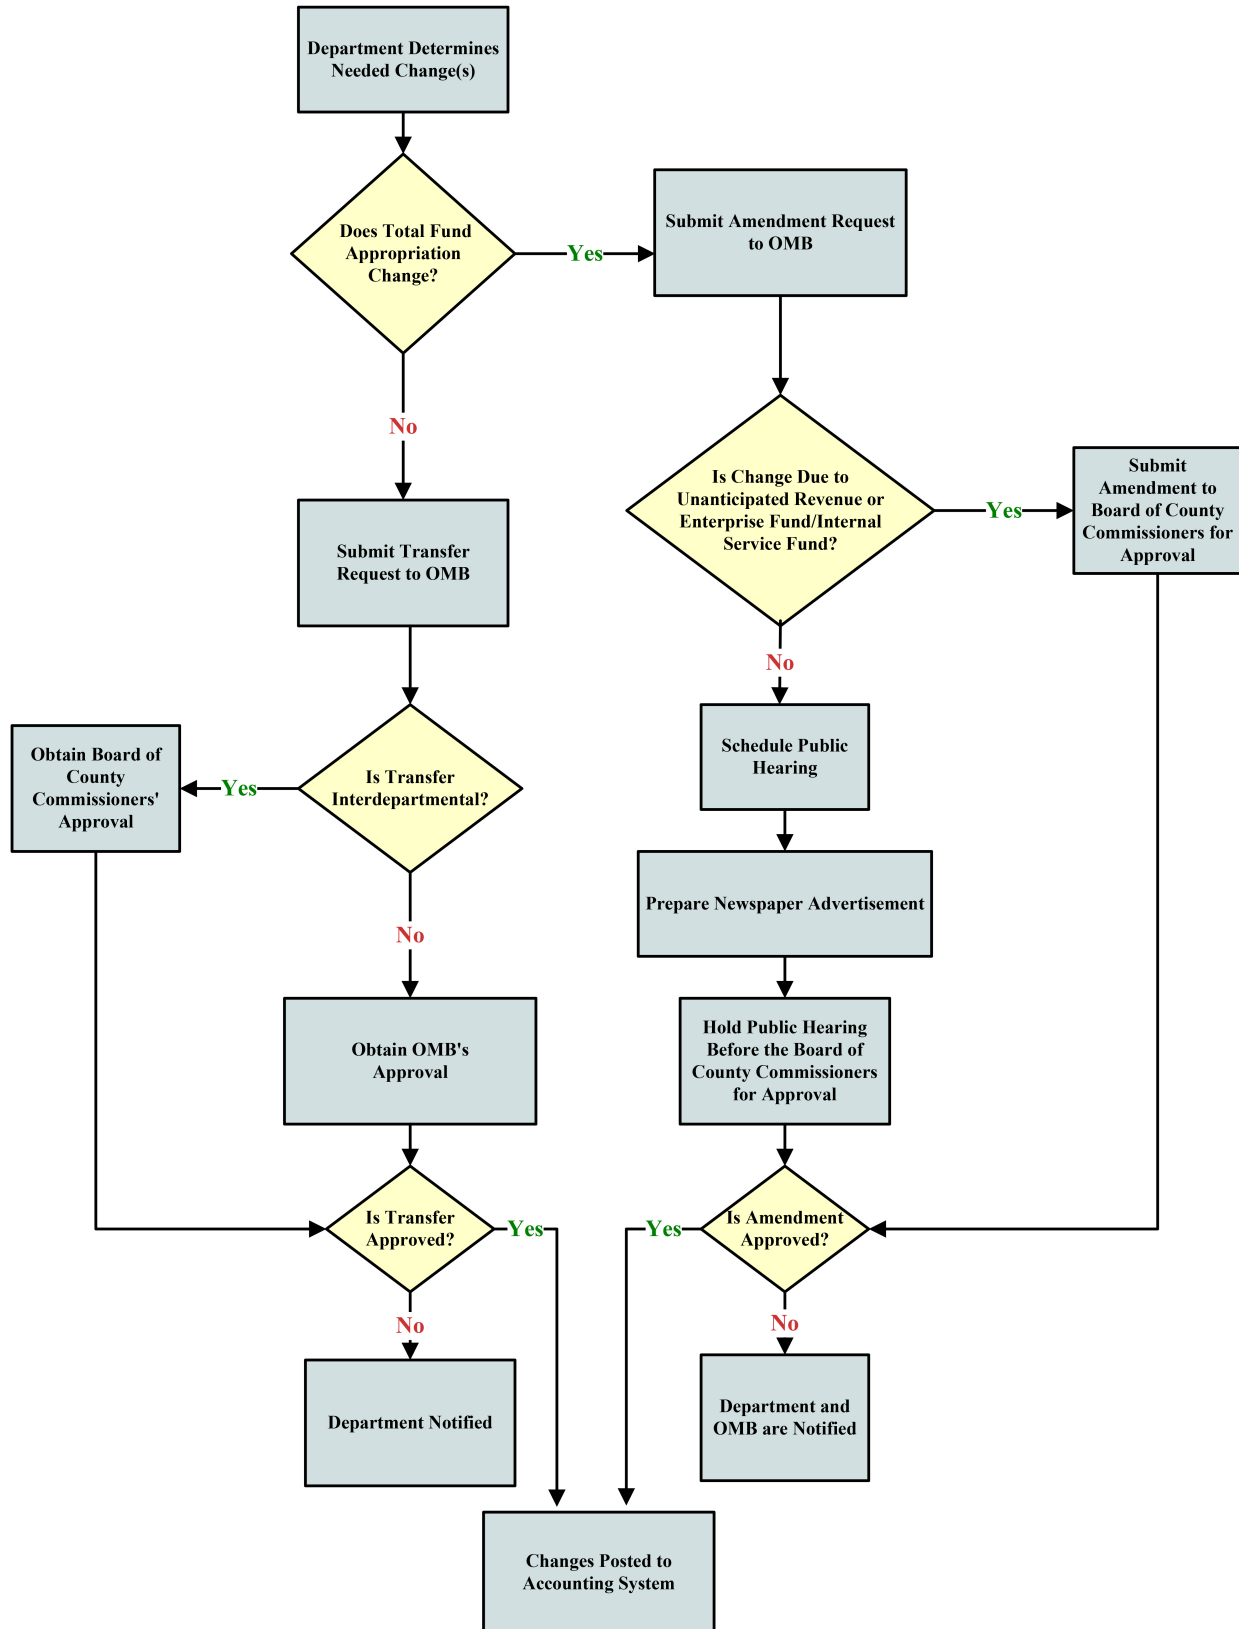

Amendments to the adopted budget can occur at any time during the fiscal year through action of the BCC or the County Administrator in the following manner:

<b><i>Budget Amendments</i></b>	Fund revenue and expenditure amounts may be increased or decreased by formal action of the BCC following proper public notice, as specified in Chapter 129.03(a) of the Florida Statutes. Amendments to adopted budgets normally result from either: (a) the desire to recognize an unanticipated excess amount of an anticipated revenue, or (b) the unanticipated decrease of an anticipated revenue. The BCC may increase fund revenue and expenditure amounts without public notification in the event of unanticipated revenue from an unanticipated source, or in the proprietary funds. The purpose of the amendment process is to adjust fund amounts to reflect the level of revenues reasonably anticipated to be received, and to balance expenditures to these revenues in accordance with state law and sound fiscal practices.
<b><i>Budget Transfers</i></b>	Operating unit budgets may be amended by formal transfer action. Budget transfers which are intradepartmental in nature may be approved by the County Administrator or his designee. The Office of Management and Budget maintains a list of such intradepartmental transfers. Budget transfers between departments, or which involve fund reserve distributions, must be reviewed and formally approved by the Board.

Additions to approved positions during the budget year will require BCC review and approval. As previously delegated by the BCC, the County Administrator may approve personnel reclassifications.

# Budget Amendment / Budget Transfer Process

## BUDGET PRIORITIZATION PROCESS

Because the amount of funding available is typically not enough to meet all of the desired requests during a given fiscal year, the budget process is designed to effectively allocate funding for those projects and programs, which are determined to be the highest priorities. The final prioritization is the result of several factors:

<b><i>Public Wants and Needs</i></b>	Departments periodically conduct surveys of citizens to review and discuss upcoming priorities. Results of the surveys are published so that Orange County can use the results in providing response to public wants and needs in the budget.
<b><i>Evaluate Needs, Resources, and Service Priorities</i></b>	Meetings are conducted with the County Mayor, the Board of County Commissioners, and the County Administrator to determine priorities. Revenue projections are performed in order to assess available resources.
<b><i>Establish Annual Goals</i></b>	Based on the information above, the County Mayor issues budget instructions, overall policy goals, and targeted budget levels.
<b><i>Meet and Prioritize</i></b>	The departments meet with their divisions and often times with external groups, such as advisory boards, to determine priorities and allocate funds accordingly.
<b><i>Prepare and Refine Proposed Budget Recommendations</i></b>	Office of Management and Budget (OMB) reviews and prepares budget recommendations. The County Mayor, the County Administrator, OMB, and the departments review and discuss the budget proposal in an effort to resolve issues and priorities.
<b><i>Budget Discussion</i></b>	The County Mayor submits the budget recommendation to the Board of County Commissioners. The Board of County Commissioners reviews the recommendations during a series of budget work sessions.
<b><i>Deliberate, Revise, and Adopt Budget</i></b>	The budget is finalized and adopted by the Board of County Commissioners during two (2) advertised public hearings where citizens may provide input.

## FY 2023-24 BUDGET ASSUMPTIONS

The FY 2023-24 revenue and expenditure budget assumptions are as follows:

### Revenues:

- The countywide millage rate (4.4347), Fire MSTU (2.2437), and Special Tax MSTU (1.8043) remains the same for FY 2023-24.
- All revenues except for non-operating revenues, internal service funds, and grant funds include the 5.0% statutory deduction required by Florida Statutes.
- The budget for state-shared revenues, including sales tax revenue, is prepared based on year-to-date actual figures and various economic and legislative assumptions.

### Expenditures:

- *Personal Services:* The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases.

The existing Florida Retirement System (FRS) contribution rates are shown below. Depending on the retirement category under FRS, employee retirement contributions are budgeted at the following rates to coincide with the Orange County fiscal year:

Contribution Category	FRS Rates FY 2023-24
Regular	13.57%
Elected Officials	58.68%
Special Risk	32.67%
Special Risk Administration	39.82%
Senior Management	34.52%
Deferred Retirement Option Program (DROP)	21.13%

The rate for FICA (Social Security) contributions is budgeted at 7.65% of total salaries and overtime. The current Old-Age, Survivors, and Disability Insurance (OASDI) program limits the amount of earnings subject to taxation for a given year. For earnings in 2023, this amount is \$160,200.

- *Operating Expenses:* Departments submitted a minimum operating budget increase for FY 2023-24 focusing on specified priorities and mandated costs that are critical in providing direct services to Orange County residents and visitors; with detailed justification for all increases including non-discretionary expenditures such as legislative impacts with appropriate justification and other uncontrollable costs that are deemed critical to meet an acceptable level of service was considered for funding.

- *Capital Outlay:* Departments submitted a minimum capital outlay budget increase for FY 2023-24 focusing on specified priorities that are critical in providing direct services to Orange County residents and visitors. Capital outlay expenses should be evaluated and reduced for one-time acquisitions from the prior fiscal year. All rolling stock purchases (excluding law enforcement) are reviewed by the Vehicle Requirement Utilization Committee (VRUC).
- *Capital Improvements:* Only new or increased capital improvement projects (CIP) of significant importance were considered, as well as projects necessary to maintain Orange County's current facilities or other assets. Please refer to the Capital Improvement Plan section for the detailed five-year CIP.
- *Internal Services:* Charges for departmental internal services such as fleet maintenance and self-insurance were based on anticipated needs by the internal service departments and projected usage by county departments.
- *Reserves:* Budgeted reserves for most funds are at 5.0% or higher of total revenue budget. Efforts have been made to maintain reserves at a healthy level while providing services to citizens.

---

## LONG-RANGE FINANCIAL PLANNING

---

The Office of Management and Budget (OMB) utilizes modeling tools to project revenues and expenditures at least five (5) years into the future. In creating these projections, OMB staff utilizes all available information, including current and projected micro and macro-economic data, historical trends for specific revenues and expenditures, legislative changes, and input from staff regarding long-term operating plans. The results equip Orange County's leaders with the information necessary to make good decisions today that are also prudent for the long-term financial health of the county. Projections are updated several times throughout the budget process and any time a significant change occurs to the inputs influencing the projections. Scenario based projections are also produced to illustrate the financial impacts of competing choices.

Long-range planning is an integral part of Orange County's Capital Improvements Program. A significant amount of effort by OMB staff is put into ensuring that all projects in the five-year capital plan are fully funded from beginning to end in order to prevent mid-construction delays or stoppages. Projects are not submitted for inclusion in the capital plan if they cannot be fully funded or if the resulting operating costs cannot be paid for. Planning in this area relies on financial modeling as described above, as well as close coordination with project managers to verify project budgets and timelines. Projections for capital projects are updated any time significant changes occur that affect project cost or schedules.

## CHARTS AND TABLES

The following section of the Budget in Brief contains charts, tables and graphs, which contain budgetary comparisons and information. The charts are provided to give the reader historical data for up to three (3) fiscal years which can be used to determine historical trends. The following represents a brief explanation of the charts, tables, and graphs:

<b><i>Major Revenue Sources</i></b>	These charts provide a three (3) year comparison of revenue between the FY 2021-22 Actuals, the FY 2022-23 Budget as of March 31, 2023, and the FY 2023-24 Adopted Budget for several major revenue sources.
<b><i>Budgeted Fund Structure</i></b>	This table provides a three (3) year comparison of budgeted fund structure to include the following funds: General Fund, Special Revenue Funds, Capital Construction Funds, Enterprise Funds, Internal Service Funds, Debt Funds, and Other Funds.
<b><i>Budget Summary</i></b>	This table provides a summary of the entire budget for Orange County.
<b><i>How the County Allocates Money</i></b>	This table is a listing of the data used to prepare the Total Expenditure Chart. It explains departments/functions included in the major expenditure categories as required by Florida Statutes.
<b><i>Sources of Funds and Uses of Funds Countywide</i></b>	These charts represent a comparison between FY 2022-23 Budget as of March 31, 2023 and FY 2023-24 Adopted Budget of major revenue sources and expenditure categories. The Revenues and Expenditures Summary Sections (see Section 2) of the adopted budget document provides additional details on revenues by funding source and expenditures by appropriations of expenses.
<b><i>General Fund Comparisons</i></b>	This table has been included to provide a detailed listing of all General Fund departments with budgetary comparisons along with a chart displaying major expenditure categories.
<b><i>Sources of Funds and Uses of Funds General Fund</i></b>	These charts represent a comparison between FY 2022-23 Budget as of March 31, 2023 and FY 2023-24 Adopted Budget of major revenue sources and expenditure categories for the general fund. More general fund detailed revenue information by funding source and expenditures by appropriation of expenses are included in the Revenues and Expenditures Summary Sections (see Section 2) of the proposed budget document.
<b><i>Interfund Transfers In and Out</i></b>	These tables represent the budgeted interfund transfers for FY 2023-24 by funding source.
<b><i>Estimated Fund Balances</i></b>	This table shows the budgeted cash brought forward for all funds FY 2023-24.
<b><i>Millage and Property Value Detail</i></b>	This table provides the millage and property value information in detail for the following categories: Countywide, Special Tax – MSTU, and Independent Special District. Also, it shows the county aggregate comparison information.

<b><i>Millage Summary</i></b>	This table shows the summary millage information for the following categories: Countywide, Special Tax – MSTU, and Independent Special District. It also shows the county aggregate comparison information.
<b><i>Millage Computation Process Flowcharts</i></b>	These flowcharts provide examples of how the millage rolled-back rate is calculated and the maximum millage.
<b><i>Changes in Authorized Positions</i></b>	This table provides a summary of changes in authorized positions for FY 2022-23 Budget as of March 31, 2023 and position requests for FY 2023-24 Proposed Budget by departments/divisions. It also includes one (1) year of position history for comparison purposes.

---

## REVENUE FORECASTING PROCEDURES

---

The Office of Management and Budget develops revenue forecasts by reviewing current and projected economic data, historical trends of specific revenue sources, and input from operating departments responsible for collecting the revenue. State revenue estimates are analyzed and modified to reflect local experience.

The Ad Valorem (property tax) revenue is calculated from actual tax roll information certified by the Orange County Property Appraiser and millage rates approved by the Board of County Commissioners. This revenue will increase for FY 2023-24.

The Half-Cent Sales Tax revenue is expected to increase in FY 2023-24. The performance of this significant revenue source is directly related to sales tax receipts generated within Orange County and the county's unincorporated population as a percentage of the whole.

The revenue from State Revenue Sharing, consisting primarily of state sales tax revenue, is also expected to increase in FY 2023-24.

Revenues from the four (4) main gas taxes received by Orange County take into account gallons per capita, growth, and the idiosyncrasies of the state's distribution formulas. Gas tax revenues for FY 2023-24 are projected to increase.

Local Option Tourist Development Tax revenue is expected to increase for FY 2023-24.

The forecast for Public Service Tax and Communications Services Tax revenue assumes actual revenue for recent years is typical and anticipates continued population growth. Public Service Tax revenue is projected to increase, while Communications Services Tax revenue is projected to maintain its FY 2022-23 level. The combined projection for these revenues reflects an increase for FY 2023-24.

The overall performance of capital impact fees is expected to decrease for FY 2023-24.

Projections for interest revenue were conservatively based on historical performance.

Interfund transfers track the flow of various revenue sources between funds. The interfund transfer schedule is based on revenue availability and funding required in individual funds.

## MAJOR REVENUE SOURCES

### Ad Valorem Taxes

This revenue is derived from the levy of taxes on tangible personal property and real property. Countywide ad valorem receipts are budgeted at \$904,347,958 for FY 2023-24, a 12.52% increase over FY 2022-23 proceeds. The increase is due to new construction and property value appreciation.

The countywide ad valorem millage supports Orange County's General Fund, the Capital Projects Fund, and the Parks Fund.

In addition to the countywide millage levy, Orange County has dependent taxing districts, numerous municipal service taxing units (MSTU's), and an independent taxing district. These additional ad valorem collections and millage levies are shown on the Millage and Property Value Detail Report in this section.

### Half-Cent Local Government Sales Tax

In October 1982, Orange County began receiving a distribution of funds equal to 9.653% of net sales tax collections (approximately one-half cent of the net sales tax collected in Orange County). These funds are collected and distributed on a monthly basis by the Florida Department of Revenue. Due to state implementation of related legislation, the distribution percentage changes periodically and currently stands at 8.9744% as of July 1, 2015.

Funds distributed to each county are proportioned as follows:

Distribution Factor	Unincorporated County Population	+	2/3	Incorporated Population
	Total County Population			Incorporated Population
		+	2/3	

$$\text{County Share} = \text{Distribution Factor} \times \text{Half-Cent Sales Tax Collected in County.}$$

The FY 2023-24 sales tax revenue is expected to increase compared to the prior year level, meeting or exceeding its budget of \$219,887,000. Orange County's Half-Cent Sales Tax revenue is budgeted at \$240,000,000 for FY 2023-24

---

## State Revenue Sharing

The Florida Revenue Sharing Act of 1972 originally earmarked two (2) revenue sources for sharing with counties: 2.9% of net cigarette tax collections and 41.3% of net intangible tax collections. Effective FY 1999-00, the State of Florida eliminated intangible taxes as a source of county revenue and replaced that revenue stream with a 2.25% distribution of state sales tax. Due to state implementation of related legislation, the distribution percentage changes periodically and currently stand at 2.0810% as of July 1, 2015.

The FY 2022-23 revenue from State Revenue Sharing is projected to meet or exceed its budget of \$50,203,595. For FY 2023-24, this revenue is budgeted at \$52,700,000.

---

## Constitutional Gas Tax

The Constitutional Gas Tax is collected by the Florida Department of Revenue and is transferred by the State Board of Administration (SBA) to the counties. This is a tax of two cents per gallon on gasoline. The distribution factor is calculated based on a formula contained in Article XII of the Constitution. The formula calculates the sum of three (3) weighted ratios. One fourth is the ratio of county area to state area. One fourth is the ratio of the county population to state population. And one half is the ratio of the total Constitutional Gas Tax collected in each county to the total collected in all counties of the state during the previous fiscal year.

Distribution is divided into two (2) parts, an 80% portion and a 20% portion. The SBA is entitled to keep the 80% portion to meet debt service requirements. However, the SBA does not administer bond issues for Orange County. Orange County, therefore, receives both portions of this tax. Constitutional Gas Tax Fund (Fund 1003) receives the 80% portion and Transportation Trust Fund (Fund 1002) receives the 20% portion.

Total Constitutional Gas Tax is budgeted at \$12,027,000 for FY 2022-23. For FY 2023-24 this revenue is budgeted at \$12,300,000.

---

### County Gas Tax

The County Gas Tax is a one-cent per gallon tax on gasoline. It is distributed to counties by the Florida Department of Revenue based on the same formula used to distribute Constitutional Gas Tax. Up through FY 2001-02, this revenue was budgeted in the Gas Tax Revenue 1977 Debt Service Fund (Fund 2312). Beginning in FY 2002-03, the County Gas Tax revenue was budgeted in the Transportation Trust Fund due to the completion of related debt service payments.

For FY 2022-23, County Gas Tax revenue was budgeted at \$5,200,000. This revenue remains budgeted at \$5,200,000 for FY 2023-24.

---

### Local Option Gas Tax

A six-cent per gallon gas tax is levied in Orange County as provided by the Florida legislature. This tax is distributed according to annual population estimates presented by the Bureau of Economic and Business Research. Receipts are collected by the Florida Department of Revenue and distributed monthly to the local governments.

The Local Option Gas Tax revenue was budgeted at \$26,500,000 for FY 2022-23. For FY 2023-24, this revenue is budgeted at \$27,300,000.

---

### Local Option Tourist Development Tax

On authority granted by the state legislature, Orange County has elected to levy a 6% tax on most rents, leases or lets, and living accommodations in hotels, motels, apartments, houses, and mobile home parks which have been contracted for periods of six (6) months or less. In FY 1991-92, Orange County assumed responsibility for enforcement of this tax and collection of the revenue. This service was previously performed by the Florida Department of Revenue, which assessed a 1% administrative charge on the proceeds. The switch to local enforcement and collection by the Orange County Comptroller has eliminated the one-month delay in receiving funds, reduced administration cost, and increased compliance and collection levels.

Tourist Development Tax revenue is expected to increase for FY 2022-23 and FY 2023-24. Revenue for the 6% Tourist Development Tax is budgeted at \$330,000,000 for FY 2023-24.

---

### Public Service Tax

Florida Statutes 166.231 authorizes municipalities and charter counties, such as Orange County, to levy a public service tax.

The Board of County Commissioners approved this tax in 1991. As of October 1991, the tax was levied on purchases of electricity, fuel oil, metered or bottled gas (natural liquefied petroleum gas or manufactured), water service, and telecommunication services. The 1993 State Legislature approved an exemption of the tax on fuel oil and gas for agricultural purposes, resulting in recurring savings for agricultural businesses. The 2000 State Legislature enacted law changing the way communications services were taxed. The Communications Services Tax revenue is discussed separately below.

Public Service Tax revenue (excluding the Communications Services Tax) was budgeted at \$87,003,399 in FY 2022-23. For FY 2023-24, this revenue is budgeted at \$89,613,500.

---

## Communications Services Tax

Florida Statutes 202 established the Communications Services Tax Simplification Law. Effective October 1, 2001, the law provided that communications services be subject to a uniform statewide tax rate and a local tax administered by the Florida Department of Revenue. This replaced the prior practice of local governments imposing public service tax on communications services and franchise fees on cable television providers, and was intended to have no adverse effect on net revenue.

The Communications Services Tax (CST) has two (2) components, state and local. The standard state CST is 7.44%, consisting of a 4.92% state tax plus a 2.52% gross receipts tax. (For direct-to-home satellite service, the state CST is 11.44%, consisting of a 9.07% state tax plus a 2.37% gross receipts tax.) The local CST is 4.98% for unincorporated Orange County. Up through FY 2009-10, CST revenue was budgeted in the Public Service Tax 1995 Fund (Fund 2319). In order to align with GASB Statement #54, however, between FY 2010-11 and FY 2012-13, CST revenue was budgeted in the Transportation Trust Fund (Fund 1002) and beginning in FY 2013-14 is budgeted in the Special Tax MSTU Fund (Fund 1005).

Communications Services Tax revenue is budgeted at \$17,000,000 for FY 2023-24, holding steady at the FY 2022-23 level.

---

## Capital Impact Fees

The Board of County Commissioners has instituted six (6) impact fees on new development: 1) Water and Sewer Connection Fee; 2) Fire Impact Fee; 3) Law Enforcement Impact Fee; 4) Transportation Impact Fee; 5) Parks and Recreation Impact Fee; and, 6) School Impact Fee. School impact fees are remitted quarterly to the Orange County School Board. Other impact fees are used for the purchase and construction of capital assets to serve new growth.

Water and Sewer Connection Fee revenue is budgeted at \$30.7 million for FY 2023-24, down from \$36.5 million budgeted in FY 2022-23. Fire Impact Fee revenue is budgeted at \$2.4 million for FY 2023-24, maintaining the prior year level. Law Enforcement Impact Fee revenue is budgeted at \$2.9 million for FY 2023-24, up from \$2.8 million in the prior year. Transportation Impact Fee revenue (not including capacity reservation fees) is budgeted at \$24.3 million for FY 2023-24, down slightly from \$24.5 million in the prior year. Parks Impact Fee revenue is budgeted at \$7.6 million for FY 2023-24, up from \$7.1 million in the prior year. School Impact Fees are a pass-through revenue and the budget for FY 2023-24 is established at \$130 million to allow flexibility for revenue growth.

---

## Water and Sewer Service

The Orange County Water and Wastewater Utilities System is an enterprise fund, and operates in a manner similar to a private business. Their normal operations are financed primarily by water and water reclamation charges to commercial, residential, and industrial customers. These charges taken as a whole would represent one of the largest revenue sources of Orange County, but all Utilities revenues are restricted in use, and are not available for general county expenditures. See the Utilities section of the budget book for an additional description of these revenues.

## Schedule of Changes Summary by Division - All Funds

The Board of County Commissioners budget has been adjusted slightly to reflect the budget as presented during the Countywide Budget Overview presentation at the July Budget Work Session.

The Court Administration budget has been adjusted to reflect the transfer of salary funding from the Health Services Department for a Program Specialist position that will be reporting to Court Administration as part of the County/City Opioid Pharmaceutical Settlement Fund.

The Property Appraiser budget has been adjusted in accordance with their final budget, as approved by the Florida Department of Revenue.

The Sheriff budget under the Law Enforcement Impact Fee fund has been adjusted for updated fund balance projections and unspent funds due to the timing of capital project expenditures that will be rebudgeted in FY 2024.

The Constitutional Officers total includes \$21,383,315 of revenue adjustments that are budgeted internally by the Constitutional Officers. This amount is adjusted back out above for reconciliation purposes.

The Cooperative Extension Services Division budget reflects an increase due to missing a quarter payment for the 11 Cooperative Extension Agents positions that will now be paid by contract with the University of Florida.

The Parks and Recreation Division has been adjusted for updated ad valorem projections. Additional adjustments include a decrease of \$4.0 million in the Horizon West Trail project due to trail length adjustments; an increase of \$1.3 million for the Parks Riverbanks Washouts project for engineering and repairs at Little Econ Greenway Trail Cheney Dam and Riverside Acres due to Hurricane Ian; and, an increase of \$160,020 for the West Orange Trail Extension project for a 25% grant match for state grant funding. These increases have been balanced by adjusting reserves in both the Parks Fund and Parks Impact Fees Fund.

<b>Convention Center</b>

## FUND BALANCES

A significant portion of the county budget consists of "fund balances." Fund balance, also called Cash Brought Forward (CBF), consists of all unused funds rolled over from the previous year to the current year. The accounting principles that provide for fund balance are unique to governmental and nonprofit accounting. Fund balance is essentially the difference between current fund assets and current fund liabilities.

### GASB STATEMENT NO. 54

#### FUND BALANCE REPORTING AND GOVERNMENTAL FUND

In March of 2009, the Governmental Accounting Standards Board (GASB) released Statement 54 to enhance the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied and by clarifying the existing governmental fund type definitions. This statement establishes fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds. Orange County has fully complied with the new requirements for financial statements for periods beginning after June 15, 2010.

#### FUND BALANCES FOR FY 2023-24

Fund Balance (or Cash Brought Forward) for the upcoming fiscal year represents approximately 36.6% of the county's available revenues. The table below shows some of Orange County's largest funds, their budgeted FY 2023-24 fund balances, and how fund balance varies as a percentage of total budget.

Fund Name	FY 2023-24 Budgeted Cash Brought Forward	FY 2023-24 Total Revenue Budgeted	CBF As Percent of Revenue Budget
General Fund and Subfunds	260,655,968	1,470,842,917	17.7%
Convention Center	368,222,130	758,839,965	48.5%
Sales Tax Trust Fund	300,826,391	628,923,291	47.8%
Water Utilities System	124,031,512	571,503,118	21.7%
Misc Construction Projects	390,000,000	493,939,053	79.0%
Public Svcs Tax Bonds	99,438,553	184,586,578	53.9%
Solid Waste	101,810,174	154,706,798	65.8%
International Drive CRA	116,856,047	145,013,857	80.6%

#### FUND BALANCES TARGETS

##### Unrestricted Fund Balance Target

It shall be the goal of the Board of County Commissioners (BCC) that the general governmental unrestricted fund balance is budgeted at no less than 7% of projected operating revenues for that fund for the fiscal year. This amount includes reserves for cash balance, reserve for contingency, and designated reserves.

##### Restricted Fund Balance

The BCC shall budget restricted fund balance, and the associated restricted reserves for all statutory and contractual obligations.

The BCC shall budget restricted fund balance, and the associated restricted reserves for all currently due debt repayment obligations, as required by the debt instrument, and as needed to maintain the appropriate credit ratings.

Fund balance in the self-insurance funds shall be designated for payment for future claims in an amount adequate to meet estimated liabilities, plus an amount necessary for rate stabilization. The fund balance shall be restricted to such purposes as appropriate for the fund.

### Committed and Assigned Fund Balance

It is the goal of the BCC to also commit and assign fund balance for any known future land acquisition, one-time nonrecurring expenditures, finance operations, capital projects, or in any other case where the estimated costs of such designation are lower than the estimated costs of borrowing to meet such obligations. Designations should include all known or contemplated events within the five-year budget planning period.

### Utilization of Fund Balance

Designated fund balance is counted as part of the unrestricted fund balance and may be appropriated by the BCC, as needed, in case of emergencies, rate stabilization needs, unpredicted revenue shortfalls, or in cases where maintaining the fund balance target would be a clear financial detriment to Orange County. Designated fund balance may also be counted in computations of “working capital” and considered to be unrestricted for purposes of computing cash flow needs during the budget year.

## **FUND TYPES**

### Special Revenue Funds

Special revenue funds account for the proceeds of revenue sources that are legally restricted to expenditure for a specified purpose. The BCC shall exercise their responsibility to ensure that all special revenue funds are budgeted in a prudent manner, consistent with the legal authority underlying the creation of the individual funds. Fund balance shall be budgeted in such a way as to provide for operating cash flow, contingency, and any appropriate designations of reserves.

### Debt Service Funds

Debt service funds normally are subject to ordinance, resolution, or other legal requirements that dictate the amount of reserves required, and therefore dictate fund balance budgeting. The BCC has discretion over the budgeting of fund balance; the fund balance shall be budgeted in such a way as to provide for budgeted cash flow, contingency, and any appropriate designations of reserves.

### Capital Project Funds

Capital project funds are created to account for resources designated for the construction or acquisition of infrastructure or other major improvements. The BCC has the responsibility to ensure that fund balance plus future revenues are sufficient for the intended expenditures. The fund balance shall be budgeted in such a way as to provide for operating cash flow, contingency, and all appropriate designations of reserves.

### Enterprise Funds

Enterprise funds have the responsibility to provide for cash flow, contingency, and designations, but they must do so in an environment that may include numerous restrictions on reserves, such as debt service, provision for facility closure costs, and non-cash accumulation of fund balance.

### Internal Service Funds

Internal service funds have the responsibility to provide for cash flow, contingency, and designations, but they may also be asked to provide reserves for routine asset replacement, reserves for actuarial valuation of liabilities, and non-cash accumulation of fund balance.

## TAX AND MILLAGE INFORMATION

---

The five (5) pages that follow provide information on the millages levied by Orange County. Orange County has, in addition to its countywide tax millage, several additional millages, which may be levied in special taxing districts encompassing territory smaller than the overall county. These special taxing districts provide services ranging from cleaning of lakes to provision of law enforcement services by the Sheriff in the unincorporated area.

Under Florida law, counties are required to sum all ad valorem revenues derived from the countywide levy and all special taxing districts (excluding voted levies and taxing districts independent of the county), and divide this revenue by the countywide tax roll. This is called the "aggregate millage" and is the rate that determines whether or not the county is required to advertise its intent to increase taxes.

The millage schedule presents the rolled back millage compared with the prior year's millage and the current year's millage levy.

### QUESTIONS AND ANSWERS

#### 1. What is included in the countywide millage?

The countywide millage of 4.4347 consists of three (3) components: 1) General Fund (4.0441), 2) Capital Projects Fund (0.2250), and 3) Parks Fund (0.1656). The General Fund is the backbone of the county's financial structure. The bulk of Orange County's services are paid for out of this fund.

Given the major infrastructure needs in our ever-growing community, the Board of County Commissioners decided in 1985 to levy a separate millage to pay for major capital projects. FY 1997-98 was the first year a portion of the countywide millage was dedicated for Parks & Recreation's operation and capital improvements.

#### 2. Are millage rates changing for FY 2023-24?

With six (6) exceptions, the adopted millage for each entity is the prior year adopted millage. The millages for Lake Jean, Lake Price, Lake Rose and South Lake Fairview are decreasing. The millages for Lake Sue and Lake Conway Water and Navigation are increasing.

For FY 2023-24, the Library Operating millage is remaining unchanged.

#### 3. How are property taxes calculated?

All taxes are computed based upon taxable value.

$(\text{Taxable value} / 1000) * \text{millage rate} = \text{property tax}$

Example:

Assessed value:	\$	250,000
Less homestead exemption:		(50,000)
Taxable value:	\$	200,000

First,  $(\$200,000 / 1000) = \$200.00$

Then,  $\$200.00 * 5.0000 \text{ mills} = \$1,000.00 \text{ property tax}$

(sample millage)

### **Common Terms used in budgeting:**

**Millage:** The rate charged per \$1,000 of taxable value. (For example: On a house with a taxable value of \$100,000 each mill would equal \$100 in taxes.)

**Tax Base:** The total value of land and personal property on which a taxing entity, such as the county, can levy property taxes. Because some land is partially or completely exempt from taxes, the tax base is usually smaller than the actual value of the property in the county.

**Rolled-Back Rate:** The millage which, exclusive of new construction, additions to structures, deletions, increases in the value of improvements that have undergone a substantial rehabilitation which increased the assessed value of such improvements by at least 100%, property added due to geographic boundary changes, total taxable value of tangible personal property within the jurisdiction in excess of 115% of the previous year's total taxable value, and any dedicated increment value, will provide the same ad valorem tax revenue for each taxing authority as was levied during the prior year less the amount, if any, paid or applied as a consequence of an obligation measured by the dedicated increment value.

**Aggregate Millage Rate:** That millage rate obtained from the quotient of the sum of all ad valorem taxes levied by the county for countywide purposes plus the ad valorem taxes levied for all districts dependent to the county, divided by the total taxable value of the county.

**Exemptions:** Exemptions are granted by the state and either lower the taxable value of property or can result in removing it from the tax rolls completely. Available exemptions include the following: Homestead Exemption, Widow/Widower, Disability, Limited Income Senior, Military/Veterans, Fallen Hero, and Total and Permanent Disability.

**Notes:**

- [1] The Adjusted Prior Year Proceeds amount equals the Prior Year Proceeds amount less the tax increment revenue amount paid in the prior year to community redevelopment area (CRA) trust funds. In the prior year, the General Fund paid \$65,151,177 to CRAs.
- [2] The Adjusted Current Year Adjusted Value amount equals the Current Year Adjusted Value amount less the CRAs' current year dedicated increment value of \$16,380,352,432 This adjustment applies only to Countywide computations.
- [3] The current year maximum millage allowed with a majority vote is computed in accordance with Florida Department of Revenue guidance. If the prior year operating millage was less than the prior year maximum millage allowed with a majority vote, then an adjusted current year rolled-back rate is computed as if the maximum millage allowed with a majority vote had been adopted in the prior year. The current year rolled-back rate (or adjusted current year rolled-back rate) is then increased by a factor of 2.84% to adjust for the percent change in per capita Florida personal income. The result is the current year maximum millage allowed with a majority vote.
- [4] With six (6) exceptions, the adopted millage for each entity is the prior year adopted millage. The millages for Lake Jean, Lake Price, Lake Rose, and South Lake Fairview are decreasing. The millages for Lake Sue and Lake Conway Water & Navigation are increasing.

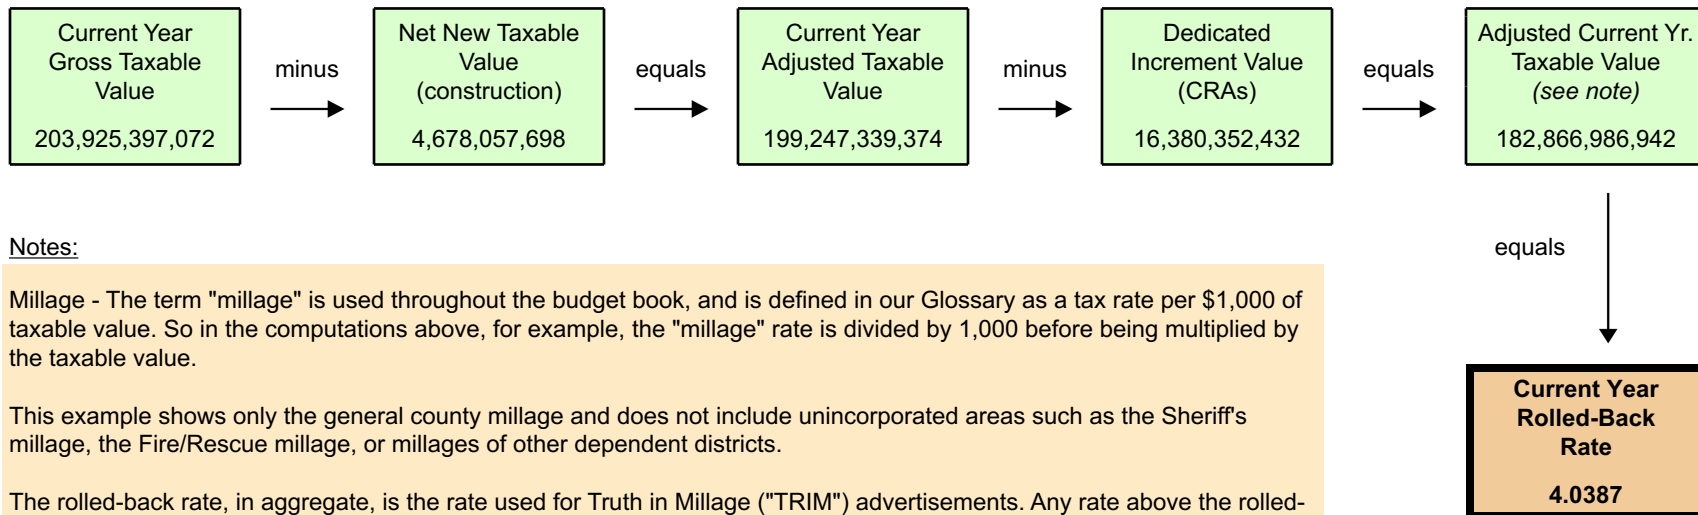

## Millage Computation Process

General County (County-Wide) Rolled-Back Millage Rate

### Prior Year Data

### Current Year Data

### Notes:

Millage - The term "millage" is used throughout the budget book, and is defined in our Glossary as a tax rate per \$1,000 of taxable value. So in the computations above, for example, the "millage" rate is divided by 1,000 before being multiplied by the taxable value.

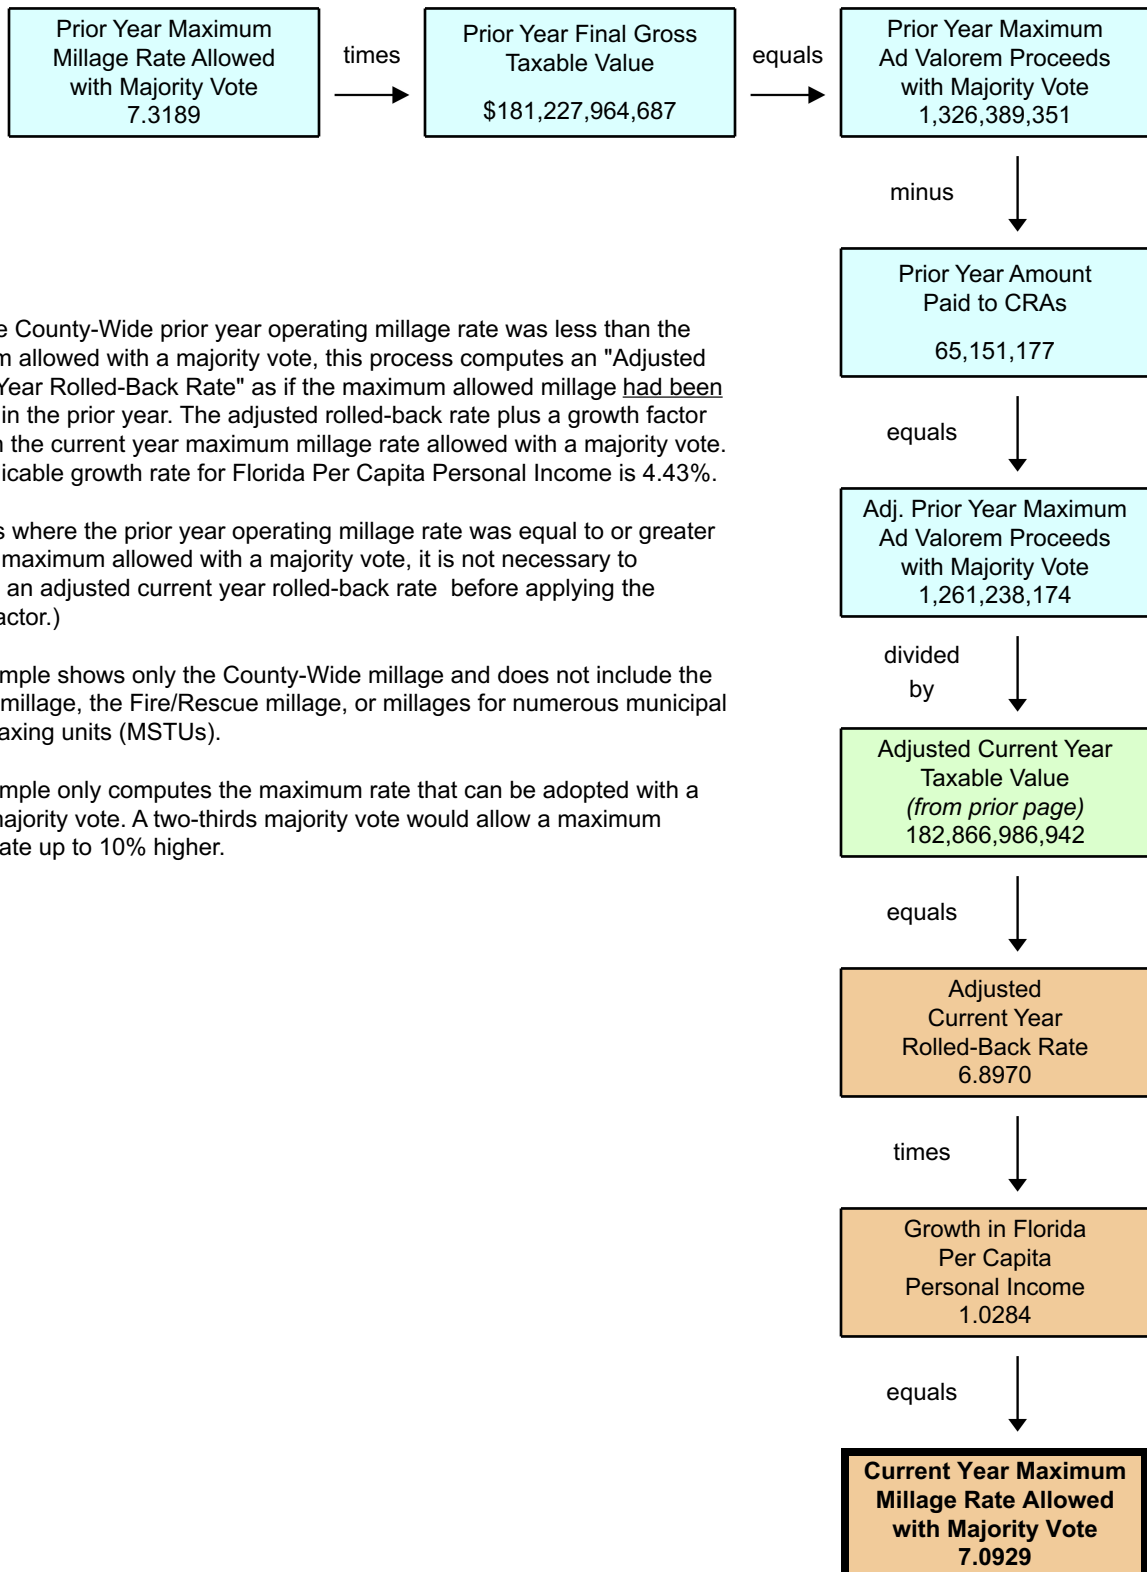

This example shows only the general county millage and does not include unincorporated areas such as the Sheriff's millage, the Fire/Rescue millage, or millages of other dependent districts.

The rolled-back rate, in aggregate, is the rate used for Truth in Millage ("TRIM") advertisements. Any rate above the rolled-back rate must be advertised as a "tax increase", under Florida Statutes. The "Millage and Property Value Detail" schedule shows how each rate relates to the aggregate.

The Adjusted Current Year Taxable Value corresponds to the Florida Department of Revenue Form DR-420, line 15. This number is sometimes called "Adjusted Value".

## Millage Computation Process

General County (County-Wide) Maximum Millage Rate Allowed with a Majority Vote

### Notes:

Since the County-Wide prior year operating millage rate was less than the maximum allowed with a majority vote, this process computes an "Adjusted Current Year Rolled-Back Rate" as if the maximum allowed millage had been adopted in the prior year. The adjusted rolled-back rate plus a growth factor results in the current year maximum millage rate allowed with a majority vote. The applicable growth rate for Florida Per Capita Personal Income is 4.43%.

(In cases where the prior year operating millage rate was equal to or greater than the maximum allowed with a majority vote, it is not necessary to compute an adjusted current year rolled-back rate before applying the growth factor.)

This example shows only the County-Wide millage and does not include the Sheriff's millage, the Fire/Rescue millage, or millages for numerous municipal service taxing units (MSTUs).

This example only computes the maximum rate that can be adopted with a simple majority vote. A two-thirds majority vote would allow a maximum millage rate up to 10% higher.

**MILLAGE SUMMARY**

# Debt Management

---

**This section includes:**

- General Overview ..... 1-84
- Pledged Revenue for Debt ..... 1-86
- Credit Ratings ..... 1-87
- Long-Term Debt Summary ..... 1-90
- Legal Debt Limits ..... 1-91
- Detailed Long-Term Debt ..... 1-91

## GENERAL OVERVIEW

---

The basic purpose of debt management is to contribute to the continued financial health and stability of the organization by assuring future access to debt markets to meet both scheduled and unscheduled needs. In practice, the limits within which debt management can be developed and implemented are usually very confined by the constraints of financial markets and regulatory processes.

The legal, economic, financial, and market conditions associated with the issuance of debt are dynamic, unpredictable and in a constant mode of change. Consequently, the decision to issue a debt is best made on a case-by-case basis, and only after careful and timely analysis and evaluation of all relevant factors. Some of the factors that should be considered include, but are not limited to, the following:

- Legal constraints on debt capacity and various financing alternatives.
- The urgency of the capital requirements to be met and the economic costs of delays.
- Willingness and financial ability of the taxpayers to pay for the capital improvements.
- Determination as to whether to employ a "pay as you acquire" versus a "pay as you use" approach.
- Proper balance between internal and external financing.
- Current interest rates and other market considerations.
- The financial condition of Orange County.
- The types, availability, and stability of revenues to be pledged for repayment of the debt.
- Type of debt to be issued.
- The nature of the projects to be financed (i.e., approved schedule of improvements, non-recurring improvements, etc.).
- Specifics for debt management are to be found in Orange County Code, Part II, Chapter 17, Article II Financing of Capital Projects, Etc., Divisions 1-10, and Administrative Regulation 06.02.04, as seen below.

### **Administrative Regulation 06.02.04**

#### **6.02.04 ISSUANCE OF REVENUE BONDS**

##### **I. POLICY**

- A. Orange County has the authority to issue revenue bonds or general obligation bonds pursuant to a competitive bid process or a negotiated sale.
- B. It is the policy of Orange County to sell its bonds in the manner which will result in the lowest overall cost to the county while meeting the county's operational and program needs and deadlines.
- C. The competitive bid process should be utilized in the sale of bonds unless otherwise recommended by the County Administrator or the Orange County Comptroller, or both, and approved by the Board of County Commissioners (BCC).

##### **II. PROCEDURES**

- A. The county's revenue bonds and general obligation bonds shall be sold by a competitive bid process except as otherwise authorized by this Administrative Regulation.
- B. The county's bonds may be sold by a negotiated transaction only if:
  1. Such negotiated sale is recommended by the County Administrator or the County Comptroller, or both;
  2. Such recommendation is set forth in writing and contains the specific reasons why a competitive bid process would not be in the best interests of the county;
  3. Such reasons include one or more of the reasons set forth in paragraph C, below; and,
  4. The BCC approves the recommendation by majority vote of the members present.

- C. The County Administrator or the County Comptroller, or both, may recommend that a particular issue of the county's bonds be sold pursuant to a negotiated sale only if at least one (1) of the following criteria exists:
1. The primary security or source of payment for the bonds is new or untested in the market;
  2. The particular structure of the bond issue is highly complex or is new and untested;
  3. The bond transaction involves innovative financing techniques or "derivative products";
  4. Market conditions are unstable or chaotic;
  5. A sudden or dramatic credit rating deterioration has occurred for the county, the State of Florida, or the surrounding region;
  6. The particular source of revenue pledged to the proposed bond issue has experienced a sudden or dramatic deterioration in its credit rating or marketability, or is otherwise a weak credit;
  7. The size of the bond issue is considerably larger than the county has previously brought to market for that particular revenue source or is otherwise of such size that it would be difficult to sell the bonds through competitive bids;
  8. There is evidence or reason to conclude that a competitive bid process will result in higher borrowing costs for the county;
  9. There is reason to conclude that a competitive bid process will not meet the county's operational or program needs or deadlines, and a negotiated sale will; and,
  10. The county wants to ensure participation by minority- and women-owned investment banking firms and/or by local and regional firms.
- D. When a negotiated sale is approved by the BCC, underwriters will be selected pursuant to the applicable county code and Administrative Regulations.
- E. Nothing in this regulation shall prohibit the use of set asides, auctions, and other devices which will encourage or ensure the participation of minority- and/or women-owned businesses and/or local or regional underwriting firms in competitively bid bond sales, all as may be approved from time to time by the BCC.
- F. This regulation applies only to bonds issued by Orange County, Florida, and does not apply to any special districts within the county, either dependent or independent.
- G. Failure to comply, in whole or in part, with this regulation pertaining to the method of sale of Orange County bonds shall have no affect whatsoever on the validity of any such bonds. Furthermore, nothing in this regulation shall create either a cause of action or standing to sue for, or on the part of, any person or firm.

### **Conclusion**

The conduct of County Debt Management is ongoing and is constantly reviewed to produce the best results in an ever-changing marketplace. The Administrative Regulations are periodically reviewed.

Currently, Orange County has no outstanding General Obligation bonds approved by voter referendum. Administrative Regulation 06.02.04 and Orange County Code, Part II, Chapter 17, Article II Financing of Capital Projects, Etc., Divisions 1-10 has provided guidelines for the issuance of the various outstanding revenue bonds. In addition, for each pledged revenue source, there are resolutions and indentures, which set forth covenants with bond holders. Those board approved resolutions and indentures form a record of the evolution of rules and guidelines for the management of county debt, which has been approved by the BCC, the investors, and market participants.

---

## PLEDGED REVENUE FOR DEBT

---

Orange County takes a planned and programmed approach to the management of its outstanding debt with a view toward funding from internally generated capital, where appropriate, and external financing, when appropriate. Outstanding debt is constantly monitored for opportunities to find savings on future scheduled debt service costs.

Orange County has 13 long-term bond issues outstanding with an original par amount of \$1,345,820,000. Currently, Orange County has \$915,325,000 in principal and \$284,553,759 in interest payments remaining. The schedule of bonded debt for FY 2023-24 totals \$119,446,761; \$81,320,000 for principal; and \$38,126,761 for interest. The schedule of bonded debt for FY 2024-25 totals \$90,678,231; \$56,275,000 for principal; and \$34,403,231 for interest. There are also several State Revolving Fund loans for Utilities water system projects paid solely from system revenues. The county contracts with Digital Assurance Certification, LLC to maintain an online repository of detailed debt information for the county at the website: [www.dacbond.com](http://www.dacbond.com), where more information is available. Additional information regarding the county's outstanding bonds can also be found in our Bond Disclosure Supplement published on FEMA under Continuing Disclosure (direct link: <https://emma.msrb.org/P21688722-P21299640-P21730493.pdf>)

County bonding has been concentrated in the following areas: resource recovery projects, new jail construction, construction and rehabilitation of county facilities, expansion of the Convention Center, funding for the Dr. Phillips Performing Arts Center and Camping World Stadium, construction of the Courthouse Complex, purchase of environmentally-sensitive lands, and to acquire and improve park and recreational facilities.

Jail construction and the construction and rehabilitation of county facilities are funded primarily from debt supported by Sales Tax revenue and Guaranteed and Second Guaranteed Entitlement of State Revenue Sharing. Debt for construction of the Orange County's Courthouse Complex is secured by sales tax revenues.

Debt for the expansion of the Convention Center, the Dr. Phillips Performing Arts Center, and Camping World Stadium is supported by revenue from the Tourist Development Tax. This tax enacted by ordinance on March 16, 1978, and by a referendum approved by the voters of the county was first levied in May 1978. On December 13, 1994, the county increased the rate of the tax from 4% to 5%; on July 18, 2006, the rate was increased to 6%. The first 5% of the tax is pledged to debt service.

Debt to purchase environmentally-sensitive lands and acquire and improve park and recreational facilities is supported by revenue from the Public Service Tax (PST). This PST levy was put into effect on November 1, 1991.

Operating cost implications of each of these capital improvements have been reflected in each of the respective operating budgets. A history of rating actions, a schedule of long-term debt and a brief outline of the outstanding debt issues are presented on the following pages for further information.

## SELECTED CREDIT RATINGS ACTIONS

<u>DATE</u>	<u>CREDIT</u>	<u>RATING ACTION</u>
1992	Commercial Paper Program	Upgrade from "A1" to "A1+" from S&P.
1992	Water Utilities System Bonds	Upgrade from "Baa" to "Aa", "A+" & "A+" from Moody's, S & P, and Fitch.
1993	Library District Bonds	Upgrade from "AA-" to "AA" from S&P, Moody's confirmed "Aa" rating.

---

## LEGAL DEBT LIMITS

---

Neither the Orange County Board of County Commissioners nor the Florida Statutes provide for a limit on the amount of general obligation bonds that Orange County can issue following authorization by a successful referendum of Orange County voters approving the use of ad valorem property taxes to repay the general obligation bonds issued. Currently, there are only Library District General Obligation Bonds outstanding.

County revenue bonds do not pledge the full faith and credit of the county, but rather give bondholders a pledge against the actual collection of a given revenue. Since revenue bond holders cannot force the county to increase general taxes, financial markets require that revenue bonds only be issued for a portion of the available capacity. This issuance limitation is included in the resolutions and indentures and acts as another form of debt limit.

---

## DETAILED LONG-TERM DEBT

---

---

# **Guide to Other Useful References**

---

## A GUIDE TO OTHER USEFUL REFERENCES

---

**Annual Budget Document** – A document containing detailed summaries of the budget, finances, personnel, and capital projects. Each year, this document is printed in proposed and final form as follows: The proposed budget represents the County Mayor’s recommended budget as presented to the Board of County Commissioners, and the final budget represents the budget as adopted by the Board of County Commissioners.

**Budget Reference Manual** – This manual is updated and distributed annually to department fiscal staff at the budget kickoff held prior to budget preparation. This guide provides detailed timetables and general instructions for preparing budget requests for personal services (including new positions), operating, and capital outlay (including rolling stock). Additional information is presented for Performance Measures and Capital Improvement Program (CIP) submissions. This manual is available in the Office of Management and Budget (OMB).

**Citizens Annual Financial Report** – This document, prepared by the Comptroller’s Office, is a summarized operational and financial report prepared especially for the citizens of Orange County. It is a high-level overview that explains how the county is organized, how the budget process works, as well as primary sources and uses of funds. Additionally, it provides information regarding the impact of County taxes and fees on a typical residential home and other useful information. This document and prior year’s reports are available on the Comptroller’s Office website at: <http://www.occompt.com/> by scrolling down to the “Financial Reports” link on the home page.

**Comprehensive Annual Financial Report** – This document is an all encompassing audited financial report for Orange County as a whole. It includes financial statements for all operations, narrative information, and reports and opinions from the County’s independent auditor. It also includes financial and non-financial data and trends. Current and prior year’s reports are available at <http://www.occompt.com/> by scrolling down to the “Financial Reports” link on the home page. This link also contains investment reports, revenue monitoring reports, and bond disclosure reports.

**Fee Directory** – A directory of fees and user charges for county services. This document can be found on the county’s website <http://www.orangecountyfl.net/> by using the keyword “Fee Directory” in the “Search our site” box or under the heading “Open Government” then “Budget and Reports” option followed by scrolling to the “Schedule of Fees” section.

**Orange County Administrative Regulations** – A detailed listing of policies and procedures utilized by Orange County Government in conducting various aspects of county business. This document is available in the Comptroller’s Office Clerk of the BCC and Orange County Attorney’s Office.

**Orange County Charter** – A Charter sets up the county government structure and sets forth how it must function. The Orange County Charter and information regarding the Charter Review Commission can be found on the county’s website <http://www.orangecountyfl.net/> by using the keyword “Charter” in the “Search our site” box or clicking on “Open Government” and selecting “Boards and Special Districts” then “Charter Review Commission.”

**Orange County Code of Ordinances** – A detailed listing of all ordinances adopted by the Orange County Board of County Commissioners can be found on the county’s website <http://www.orangecountyfl.net/> by using the keyword “Ordinances” in the “Search our site” box or clicking on “Permits and Licenses” and selecting “Code of Ordinances”. Alternately, the information is available on Municode’s website at <http://www.municode.com>.

**Quarterly Fiscal Performance Report** – This report is an informational source that reviews the performance of revenues and expenditures, and reserve levels for each quarter. Additionally, in the second and fourth quarter, it includes capital project spending, the Grants Program Report, and the Performance Measurement Report. This report is available in the Office of Management and Budget (OMB).

**Revenue Manual** – Provides the following information about more than 200 County Revenue sources: authorization, account codes, description, collection history and information regarding the fee schedule, collection frequency, restrictions and administration.

---

# **Glossary of Budget Terms**

---

## GLOSSARY

**Accrual** – A revenue or expense which gets recognized in the accounting period it is earned or incurred, even if it is received or paid in a subsequent period.

**Accrual Accounting** – A system that recognizes revenues and expenses as they occur, regardless of when the final revenue or payment is received or paid. This system is used by businesses and by certain government funds that operate like businesses.

**Ad Valorem Tax** – A tax levied on the assessed value (net of any exemptions) of real or personal property. This is commonly referred to as "property tax."

**Adjusted Final Millage** – Under Florida law, the actual tax rate levied by a local government when tax bills are issued. The rate is adjusted for corrected errors in property assessments for tax purposes and for changes in assessments made by property appraisal adjustment boards in each county. Usually, such changes are very slight and the adjusted millage sometimes does not change from the levy set by the taxing authority.

**Adopted Budget** – The financial plan of revenues and expenditures for a fiscal year as adopted by the Board of County Commissioners.

**Aggregate Millage Rate** – The sum of all property tax levies imposed by the governing body of a county excluding debt service and other voted millages, divided by the total taxable value.

**Amendment** – A change to an adopted budget, which may increase or decrease a fund total. The Board of County Commissioners must approve the change.

**Appropriation** – A specific amount of funds authorized by the Board of County Commissioners to which financial obligations and expenditures may be made.

**Approved Budget** – Board of County Commissioners budget, to be legally adopted in following fiscal year in accordance with state statutes.

**Assessed Value** – A value established by the County Property Appraiser for all real or personal property for use as a basis for levying property taxes.

**Balanced Budget** – A budget in which revenues are equal to expenditures.

**Board of County Commissioners** – The governing body of Orange County is composed of six (6) persons elected from single member districts and one (1) County Mayor elected countywide.

**Bond** – A written promise to pay a sum of money on a specific date at a specified interest rate as detailed in a bond ordinance.

**Budget** – A financial plan for a specified period of time (fiscal year) that matches anticipated revenues with proposed expenditures.

**Budget Adjustment** – A revision to the adopted budget occurring during the fiscal year as approved by the Board of County Commissioners via an amendment or a transfer.

**Budget Calendar** – The schedule of key dates involved in the process of preparing, adopting, and executing an adopted budget.

**Budget Document** – The official written statement of the annual fiscal year financial plan for the county as presented by the County Mayor.

**Budget Hearing** – The public hearing conducted by the Board of County Commissioners to consider and adopt the annual budget.

**Budget Message** – A brief written statement presented by the County Mayor to explain principal budget issues and to provide policy recommendations to the Board of County Commissioners.

**Capital Expenditures** – Funds spent for the acquisition, construction, or improvements of capital facilities and other capital assets.

**Capital Improvements** – Physical assets constructed or purchased that has a minimum useful life of 10 years and a minimum cost of \$25,000. These may include buildings, recreational facilities, road and drainage structures, water and wastewater structures, and equipment.

**Capital Improvements Budget** – A financial plan for the construction or acquisition of capital improvements adopted as part of the annual budget and approved in the first year of the five-year Capital Improvements Program.

**Capital Improvements Program** – A five-year plan for providing public physical improvements. The program provides the following information for each project: a time frame for completion, the location, description, an annual estimated expenditure, and the proposed method of financing.

**Capital Outlay** – Appropriation for the acquisition or construction of physical assets or purchase of items with a unit cost of \$1,000 or more.

**Capital Project** – Detailed information for a capital improvement to include the time frame for completion, the location, description, the estimated total expenditure, and the proposed method of financing.

**Certificates of Participation (COPs)** – Certificates issued by a Trustee pursuant to a Trust Agreement, the proceeds from the sale of which shall be used to finance the acquisition, construction, and installation of a project.

**Community Redevelopment Agency (“CRA”)** – Under Florida law (Chapter 163, Part III), local governments are able to designate areas as “Community Redevelopment Agency” to help deal with insufficient infrastructure. In a CRA, the tax revenues from increases in real property value are directed to the CRA trust fund, to be used to address the specified need. Because the tax revenues from the increase in value are dedicated, this is also referred to as “tax increment financing.”

**Contingency** – A budgetary reserve to provide for emergency or unanticipated expenditures during the fiscal year.

**County Administrator** – The Chief Executive Officer of the county appointed by the County Mayor subject to approval by the Board of County Commissioners.

**Debt Service** – The expense of retiring such debts as loans and bond issues. It includes principal and interest payments, and payments for paying agents, registrars, and escrow agents.

**Deficit** – The excess of expenditures over revenues during a fiscal year.

**Department** – An organizational unit of the county responsible for carrying out a major governmental function, such as Fire Rescue or Community and Family Services.

**Depreciation** – The periodic expiration of an asset's useful life. Depreciation is a requirement in proprietary type funds (such as enterprise and internal service funds).

**Division** – A basic organizational unit of the county which is functionally unique in its service delivery.

**Effectiveness Indicator** – Extent to which the service has been achieved or customers are satisfied with the quality of service.

**Efficiency Indicator** – Cost of labor or materials per unit of output/service or number of full-time equivalent positions (FTE's) or staff hours per output to accomplish a task.

**Encumbrance** – The commitment of appropriated funds to purchase goods or service.

**Enterprise Fund** – A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business enterprise, i.e., through user charges, such as Utilities Department.

**Exempt, Exemption, Non-exempt** – Amounts determined by state law to be deducted from the assessed value of property for tax purposes. Tax rates are applied to the balance, which is called the non-exempt portion of the assessment. A 1980 amendment to the Florida Constitution sets the exemptions for homesteads at \$25,000. In January of 2008, an additional exemption was added of up to an additional \$25,000, for assessed value between \$50,000 and \$75,000. That means that a homeowner with property assessed at \$75,000 would have to pay taxes on \$25,000 of the assessment. Eligible homeowners must apply for the exemptions by March 1 of each year. Other exemptions apply to agricultural land and property owned by widows, elderly, the blind, and permanently and totally disabled people who meet certain income criteria.

**Expenditure** – Decreases in fund financial resources for the procurement of assets or the cost of goods and/or services received.

**Fiduciary Fund** – A governmental accounting fund that is used to account for assets held in trust by the government for the benefit of individuals or other entities.

**Final Millage** – The tax rate adopted in the final public budget hearing of a taxing authority.

**Fiscal Year** – The annual budget year for the county which runs from October 1 through September 30. The abbreviation used to designate this accounting period is FY.

**Function** – A major class or grouping of tasks directed toward a common goal, such as improvements to public safety, improvement of the physical environment, etc. For the purposes utilized in budgetary analysis, the categories of functions have been established by the State of Florida and financial reports must be grouped according to those established functions.

**Fund** – A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

**Fund Balance** – The excess of fund assets over liabilities. These unspent funds can be included as revenue in the following year's budget. A negative fund balance is sometimes referred to as a deficit.

**General Fund** – Governmental accounting fund supported by ad valorem (property) taxes, licenses and permits, service charges, and other general revenues to provide countywide operating services. This may be referred to as the Operating Fund.

**Goal** – A statement that describes the purpose toward which an endeavor is directed, such as a target or target area.

**Governmental Fund** – A governmental accounting fund that does not account for profit and loss.

**Grant** – A contribution of assets (usually cash) by one governmental unit or other organization to another made for a specified purpose.

**Homestead Exemption** – Refer to definition for exempt, exemption, and non-exempt.

**Indirect Costs** – Costs associated with, but not directly attributable to, the providing of a product or service. These are usually costs incurred by other departments in the support of operating departments.

**Interfund Transfers** – Budgeted amounts transferred from one governmental accounting fund to another for services provided or for operational purposes. These represent a "double counting" of expenditures. Therefore, these amounts are deducted from the total county operating budget to calculate the "net" budget.

**Intergovernmental Revenue** – Revenue received from another government unit for a specific purpose.

**Internal Service Fund** – A governmental accounting fund used to account for the financing of goods or services provided by one county department to another on a cost reimbursement basis.

**Levy** – To impose taxes, special assessments, or service charges. Or, another term used for millage rate.

**Line-Item Budget** – A budget that lists each account category separately along with the dollar amount budgeted for each account, such as office supplies, overtime, or rolling stock purchases.

**Long-Term Debt** – Debt with a maturity of more **than** one (1) year after the date of issuance.

**Maximum Millage** – Florida Statutes 200.185 sets limits on how high the millage (tax) rate can be set. An example of the computation process appears within the “Charts and Tables” area of this section.

**Mandate** – Any responsibility, action, or procedure that is imposed by one sphere of government on another through constitutional, legislative, administrative, executive, or judicial action as a direct order, or that is required as a condition of aid.

**Mill, Millage** – 1/1000 of one dollar; used in computing taxes as the tax rate per \$1,000 of taxable value.

**Modified Accrual Basis of Accounting** – Revenues are recognized in the accounting period in which they become available and measurable. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except for immature interest on general long-term debt, which is recognized when due.

**Municipal Services Benefit Unit (MSBU)** – A specific taxing unit established by the Board of County Commissioners via an adopted ordinance, which derives a specific benefit for which a levy or a special assessment is imposed to defray part or all of the cost of providing lake cleaning, water quality improvement, maintenance, and aquatic plant control services. This unit may be referred to as an MSBU.

**Municipal Services Taxing Unit (MSTU)** – A specific taxing unit established by the Board of County Commissioners via an adopted ordinance, which derives a specific benefit for which a levy or special assessment is imposed to defray part or all of the cost of providing that benefit. This unit may be referred to as an MSTU.

**Object Code** – An account to which an expense or expenditure is recorded in order to accumulate and categorize the various types of payments that are made by governments. These are normally grouped into Personal Services, Operating Expenses, Capital Outlay, and Other categories for budgetary analysis and financial reporting purposes. The State of Florida Uniform Accounting System mandates certain object codes.

**Objective** – A defined method to accomplish an established goal.

**Operating Expenses** – Also known as Operating and Maintenance costs, these are expenses of day-to-day operations which exclude capital costs, such as office supplies, maintenance of equipment, and travel.

**Other Expenditures** – These include items of a non-expense or expenditure nature such as depreciation expense and transfers to other funds.

**Other Revenues** – These include revenues unearned in the current fiscal year, such as fund balance or prior year reimbursements.

**Performance Measures** – Specific qualitative and/or quantitative measures of work performed as an objective of a department.

**Personal Property** – Livestock, commercial equipment and furnishings, attachments to mobile homes, railroad cars, and similar possessions that are taxable under state law.

**Personal Services** – Costs related to compensating employees, including salaries and wages and fringe benefit costs.

**Policy** – A high-level overall plan embracing the general goals and acceptable procedures especially of a governmental body.

**Property Appraiser** – The elected county official responsible for setting property valuations for tax purposes and for preparing the annual tax roll.

**Property Tax** – Refer to the definition for ad valorem tax.

**Property Tax Reform** – There is no single bill or amendment. A number of legislative and constitutional initiatives relating to local government ad valorem taxes are referred to collectively as “property tax reform.”

**Proposed Millage** – The tax rate certified to a property appraiser by each taxing authority within a county. The proposed millage is to be sent to the County Property Appraiser within 35 days after a county's tax roll is certified.

**Real Property** – Land and the buildings and other structures attached to it that is taxable under state law.

**Reserve** – An account used to indicate that a portion of a fund's balance is legally restricted for a specific purpose and is, therefore, not available for general appropriation.

**Revenue** – Funds that a government receives as income. These receipts may include tax payments, interest earnings, service charges, grants, and intergovernmental payments.

**Revenue Bonds** – Bonds usually sold for constructing a capital project that will produce revenue for the governmental unit issuing the bonds. The repayment of the bond is secured solely by the revenue produced.

**Revenue Estimate** – A formal estimate of how much revenue will be earned from a specific revenue source for some future period, such as the next fiscal year.

**Rolled Back/Roll Back Rate** – That millage rate which, when multiplied times the tax roll, exclusive of new construction added to that tax roll, would yield the same amount of revenue for the taxing authority as was yielded by the millage rate levied in the previous year. In normal circumstances, as the tax roll rises by virtue of reassessment, the rolled back rate will be slightly lower than the previous year's millage levy. This reduced rate multiplied by the value of the new construction/annexations added to the roll during the year provides the only source of additional tax revenue if the rolled back rate is levied. This rolled-back rate excludes the effect of dedicated increment financing (see “CRA”). An example of the computation process appears within the “Charts and Tables” area of this section.

**Special Assessment** – A compulsory levy imposed on certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

**Special Revenue Fund** – A governmental accounting fund used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

**Tax Base** – The total property valuations on which each taxing authority levies its tax rates.

**Tax Roll** – The certification of assessed/taxable values prepared by the Property Appraiser and presented to the taxing authority by July 1 (or later if an extension is granted by the State of Florida) each year.

**Tax Year** – The calendar year in which ad valorem property taxes are levied to finance the ensuing fiscal year budget. For example, the tax roll for the 2023 calendar year would be used to compute the ad valorem taxes levied for the FY 2023-24 budget.

**Tentative Millage** – The tax rate adopted in the first public budget hearing of a taxing agency. Under state law, the agency may reduce, but not increase, the tentative millage during the final budget hearing.

**Truth in Millage Law** – Also called the TRIM bill. A 1980 law enacted by the Florida legislature, which changed the budget process for local taxing agencies; it was designed to keep the public informed about the taxing intentions of the various taxing authorities.

**Uniform Accounting System** – The chart of accounts prescribed by the Office of the State Comptroller designed to standardize financial information to facilitate comparison and evaluation of reports.

**User Fees** – The fees charged for direct receipt of public services.

**Unencumbered Balance** – The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount of funds still available for future needs.

**Voted Millage** – Property tax levies authorized by voters within a taxing authority. Bond issues that are backed by property taxes are a common form of voted millage in the State of Florida. Such issues are called general obligation bonds.

**Workload Indicator** – A measurement of the amount of work that affects a division or service. It is indicative of workload, but does not necessarily measure effectiveness or efficiency. It is used to quantify levels of service.

## REVENUE CATEGORIES

---

Revenues in this section have been categorized according to the Uniform Accounting System structured by the State of Florida Department of Financial Services. Categories include:

### **Taxes**

Charges levied by a local unit against the income or wealth of a person or corporation, or based on consumption of specific products and services. Examples are: ad valorem (property) taxes, local option gas taxes, and local option resort taxes.

### **Permits, Fees, Special Assessments**

Revenues derived from local permits and fees. Examples include: building permits and certain kinds of impact fees.

### **Intergovernmental Revenue**

Revenues received from federal, state and other local government sources in the form of grants, shared revenues, and payments in lieu of taxes. Half-Cent Sales Tax, State Revenue Sharing, and state grants are examples.

### **Charges for Services**

All revenues stemming from charges for current services, excluding revenues of internal service funds. Examples are refuse collection fees, water and wastewater fees, park entrance fees, and court fees. This category also includes fees collected on behalf of the county by the Tax Collector and certain other Constitutional Officers.

### **Fines and Forfeitures**

Revenues received from fines and penalties imposed for the commission of statutory offenses, violation of lawful administrative rules and regulations, and for neglect of official duty. Examples include: parking violations and code enforcement violations.

### **Miscellaneous Revenue**

Revenue from sources not otherwise provided in the above categories. Interest earnings, contributions, rents, and impact fees are examples of miscellaneous revenues.

### **Statutory Deduction**

Florida Statutes Chapter 129.01 requires counties to budget 95% of anticipated revenues. The calculated reduction therefore amounts to 5%. This deduction is applied against operating revenues in all funds except grant and internal service funds.

### **Interfund Transfers**

Transfers between individual funds of a governmental unit that are not repayable and are not considered charges for goods or services. An example is an interfund transfer from the Sales Tax Trust Fund (sales tax revenue) to the General Fund to support general county operations.

**Debt and Lease Proceeds**

Revenue derived from the issuance of long-term debt, such as bonds or commercial paper. Proceeds are deposited into capital project funds and/or debt service funds. This category also includes the accounting entries used to record the initiation of lease liabilities

**Fund Balance**

Funds collected but not expended from the previous year. This balance carries forward to support current year activities. Refer to the Budget in Brief Section of this document for additional information.

**Other Non-Revenues**

Includes non-operating revenues such as repayment of a loan from the General Fund by a separate operating fund. This category also includes non-itemized transfers from the Constitutional Officers, such as the return of unspent funds.

**Internal Service Charges**

Revenues derived from goods and services furnished by central service agencies of the governmental unit to other departments of the same governmental unit. The three (3) current Internal Service Funds in Orange County are Fleet Management, Risk Management, and Medical Benefits.

## **EXPENDITURE CATEGORIES**

---

### **Personal Services**

The costs related to compensating employees, including salaries and wages and fringe benefit costs.

### **Operating Expenses**

The costs of day-to-day operations that include office supplies, equipment, maintenance of equipment, utilities, and insurance.

### **Capital Outlay**

The appropriation for the acquisition or construction of physical assets or items with a unit cost of \$1,000 or more.

### **Capital Improvements**

Physical assets constructed or purchased that have a minimum useful life of 10 years and a minimum cost of \$25,000. These may include buildings, recreational facilities, road and drainage structures, water and wastewater structures, and equipment.

### **Debt Service**

The expense of retiring such debts as loans and bond issues that includes principal and interest payments, payments for paying agents, registrars, and escrow agents.

### **Grants**

A contribution of assets by the county to another organization for a specific purpose.

### **Reserves**

An account used to indicate that a portion of a fund's balance is set aside because of legal requirements or to provide a safety net for unexpected expenses, such as a natural disaster. Reserves are also used for debt service to ensure no interruption in bond payments as required by bond covenants.

### **Interfund Transfers**

Budgeted amounts transferred from one governmental accounting fund to another for services provided or for operational purposes.

### **Other**

Other expenses include items such as depreciation expense and transfers to other funds.

## Summary of Revenues and Expenditures by Fund

	FY 2021-22 Actual	FY 2022-23 Budget as of 03/31/2023	FY 2023-24 Adopted Budget

## REVENUE FUNDS DESCRIPTIONS

---

### FUND 000X – GENERAL FUND AND SUBFUNDS:

**FUND 023X - DONATIONS** This group of funds accounts for donations that Orange County receives from private individuals or organizations, and primarily consists of the Children and Family Services Board Fund – Fund 0235 and the Sheriff Donations Fund – Fund 0234. These are sub-funds of the general fund.

**FUND 0231 – AFFORDABLE HOUSING TRUST FUND** On March 24, 2020, the BCC approved Ordinance No. 2020-09 pertaining to Affordable Housing due to the county experiencing rapid population growth and the need for affordable housing. The Board approved \$10 million a year in general revenue fund monies for the program and each fiscal year thereafter (fiscal years 2 -10) such amount shall increase by 10% over the immediately preceding fiscal year budgeted amount; provided, however the Board in its discretion may decide to change the amount of any such annual budget amounts. This funding is to be deposited into an affordable housing trust fund.

**FUND 1019 - PINE RIDGE TRAFFIC CONTROL** On January 15, 2008, the BCC approved a request from Waste Management, Inc., of Florida for a solid waste management facility permit construction and demolition debris landfill. The request was approved at the public hearing with revisions to condition 5 of the Board of Zoning Adjustment conditions and proposed condition 45 of the Environmental Protection Division conditions. Waste Management, Inc. shall deposit \$1,000 each month (indexed to the Consumer Price Index) into a fund, to be managed by Orange County, to be used for additional law enforcement services for traffic control at the landfill. Since December 2008, Orange County has established Fund 1019 for collection of this revenue and must establish an annual budget to pay for expenses related to traffic control at the Pine Ridge landfill. This is a sub-fund of the general fund.

**FUND 1002 - TRANSPORTATION TRUST FUND** A two cent tax per gallon of motor fuel was authorized by the Florida Constitution in 1941 and adopted by voters in 1943. This tax is a transportation revenue source for counties only and is allocated based on a county's proportion of statewide area, population, and gas tax receipts. Twenty percent (20%) of the tax is received and recorded into the Transportation Trust Fund; the remaining portion is recorded in the Constitutional Gas Tax Fund. Proceeds must be used for the acquisition, construction, or maintenance of roads.

**FUND 1003 - CONSTITUTIONAL GAS TAX FUND** A two cent tax per gallon of motor fuel was authorized by the Florida Constitution in 1941 and adopted by voters in 1943. This tax is a transportation revenue source for counties only and is allocated based on a county's proportion of statewide area, population, and gas tax receipts. Twenty percent (20%) of the tax is received and recorded into the Transportation Trust Fund; the remaining portion is recorded in the Constitutional Gas Tax Fund. Proceeds must be used to meet transportation related debt service requirements, if applicable, for bonds administered by the State Board of Administration. Any remaining revenues are returned to the Board of County Commissioners (BCC) and must be used for the acquisition, construction, or maintenance of roads.

**FUND 1004 - LOCAL OPTION GAS TAX** Revenue is received from a six cent tax per gallon of motor and diesel fuel sold in Orange County; up to four cents authorized by the State Legislature in 1983 and up to an additional two cents authorized in 1985. Beginning in FY 2001-02, this tax is distributed according to population estimates presented by the Bureau of Economic and Business Research. Local governments must meet State Revenue Sharing and Half-Cent Sales Tax Programs eligibility requirements in order to levy Local Option Gas Tax. Revenues are used mainly to finance right-of-way activities and construction expenditures.

**FUND 1005 - SPECIAL TAX EQUALIZATION MSTU** The Special Tax Equalization budget reflects the costs of county services charged to the Municipal Service Taxing Unit (MSTU), which encompasses the unincorporated area of Orange County. The formula for calculating these costs is outlined in the Budget in Brief section of this document. Revenue is derived from ad valorem taxes and the public services tax. Revenue is recorded in this fund and transferred to the General Fund. The millage rate for FY 2023-24 is 1.8043 mills.

**FUND 1006 - MANDATORY REFUSE FUND** Fees are collected to cover the cost of the residential waste and recycling program whereby household waste and recyclables are collected and disposed of by haulers covering five (5) districts within Orange County. Fees are collected by the Tax Collector as a non-ad valorem assessment on tax bills. Funds are received by the County Comptroller for the BCC from the Tax Collector along with ad valorem tax collections.

**FUND 1009 - ORANGE COUNTY FIRE PROTECTION & EMS/MSTU** This fund accounts for revenue generated from an ad valorem tax levy on all property in unincorporated Orange County. Revenue is used to provide fire protection and emergency medical services in unincorporated areas or in cities with which Orange County has interlocal agreements. The millage rate for FY 2023-24 is 2.2437 mills.

**FUND 1010 - AIR POLLUTION CONTROL** A non-refundable fee of \$1.00 is charged on every vehicle license registration sold, transferred or replaced. According to Florida Statute 320.03, \$0.50 of each dollar collected is returned to Orange County. Revenues are deposited into an air pollution control trust fund and may only be expended for air pollution control programs relating to the control of emissions from mobile sources, toxic and odor emissions, air quality monitoring, and facility inspections.

**FUND 1011 - BUILDING SAFETY FUND** Fees for building, electrical, mechanical, and plumbing permits issued by the Orange County Division of Building Safety are recorded in this account. Charges are based on the actual cost of plans reviewed and sites inspected plus an allowance for overhead expenses. Funds are restricted for building safety operating expenses.

**FUND 1013 - AIR QUALITY IMPROVEMENT** On December 19, 2008, the Board of County Commissioners (BCC) approved resolution 2008-M-63, which established the Air Quality Improvement Fund. The Air Quality Improvement Fund shall be used to finance air pollution control programs such as permitting, asbestos compliance and enforcement personnel, associated training and may include air related special projects such as school bus retrofits, federal grant matches for the reduction of harmful air emissions, and anti-idling projects. Funding is obtained from the collection of air permitting fees, enforcement penalty settlements, and asbestos fees.

**FUND 1014 - LAW ENFORCEMENT TRUST FUND** The Law Enforcement Trust Fund records funds collected by the Orange County Sheriff under the Florida Contraband Forfeiture Act (Florida Statutes 932.704). This act enables the Sheriff, with concurrence of the BCC, to spend funds forfeited from illegal activities.

**FUNDS 1015 & 1016 - LAW ENFORCEMENT EDUCATION FUNDS** These funds provide training funds for Sheriff's deputies and correctional officers in such areas as seminars, firearms, etc. Revenue is generated from court costs assessed against individuals convicted for the violation of a state penal or criminal statute, or convicted of violation of a municipal or county ordinance (Florida Statutes 943.25).

**FUND 1017 – TREASURY FEDERAL FORFEITURE FUNDING** These funds are an equitable portion, or share, of proceeds awarded based on an agency's direct participation in an investigation that results in the forfeiture of a federally seized asset per 21 U.S.C. §881(e)(3). The county finance office must administer program funds in same manner as state forfeiture (law enforcement trust fund) and other county funds. This allows the Sheriff, with the concurrence of the BCC, to spend funds forfeited.

**FUND 1018 – JUSTICE FEDERAL FORFEITURE FUNDING** These funds are an equitable portion, or share, of proceeds awarded based on an agency's direct participation in an investigation that results in the forfeiture of a federally seized asset per 21 U.S.C. §881(e)(3). The county finance office must administer program funds in same manner as state forfeiture (law enforcement trust fund) and other county funds. This allows the Sheriff, with the concurrence of the BCC, to spend funds forfeited.

**FUND 1023 - CAPITAL PROJECTS FUND** The Capital Projects Fund provides major infrastructure improvements throughout Orange County, as determined by the BCC and by approval of the Capital Improvement Program. In FY 1985-86, the BCC approved up to one-half mill of ad valorem tax as the revenue source for this fund. The millage rate has been modified over the years as other funding sources fluctuate. A millage rate of 0.2250 mills is budgeted in FY 2023-24. Specific projects are identified in the Capital Improvements Program (Fund 1023) in this document.

**FUND 1025 - ORANGE COUNTY/ORANGE BLOSSOM TRAIL (OBT) COMMUNITY REDEVELOPMENT AGENCY (CRA)** This agency was established by Orange County for the purpose of planning and implementing projects to revitalize the community along Orange Blossom Trail. Funds are generated from ad valorem tax increment financing in the OBT-CRA area. Both Orange County and the City of Orlando remit incremental ad valorem tax revenue to the CRA.

**FUND 1027 - DRUG ABUSE TRUST** This fund accounts for portions of DUI (Driving Under the Influence) fines and drug-related misdemeanor fines collected by the Clerk of Courts and remitted to Orange County. Revenue is used for drug abuse treatment or education programs according to the provisions of Orange County Ordinance No.'s 89-5, 89-6, and 90-4. Approved budgets normally include a provision for payments to drug abuse and related program providers.

**FUND 1029 - TREE REPLACEMENT TRUST** This fund was created to receive all funds collected for tree replacement and mitigation fees. These funds will primarily be used for the purchase of trees for planting at a publicly owned and operated site or other community enhancement project. These funds can also be used for the purchase of landscape materials or equipment, or the funding of educational programs that promote, enhance or implement tree replacement goals.

**FUND 102X - CONSERVATION TRUST AND SUBFUNDS:**

**FUND 1026 - CONSERVATION TRUST** This fund accounts for revenue received as compensation for development determined to cause an adverse impact upon conservation areas. The fund may be used only for purchase, improvement, creation, restoration, and replacement of natural habitat within Orange County.

**FUND 1263 - CONSERVATION TRUST – MITIGATION** This fund is similar in usage to Fund 1026 (Conservation Trust), but is accounted for in a separate fund in order to comply with legal and accounting restrictions. This fund is used to keep track of mitigation payments from the Orange County Convention Center. This fund is a sub-fund of the Conservation Trust Funds – Fund 102X.

**FUNDS 1274 - DRAINAGE BASIN** This fund is established to provide a mechanism to allow permit applicants to contribute funds towards mitigation requirements for projects that require a state or federal permit in a specific drainage basin. The drainage basin fund is 1274; revenue received into this fund will be used for the purchase and maintenance of environmentally sensitive lands. This fund is a sub-fund of the Conservation Trust Funds – Fund 102X.

**FUND 1035 – LAW ENFORCEMENT IMPACT FEES** Law enforcement impact fees have been assessed on construction occurring in unincorporated Orange County since Board of County Commissioners' approval in November 1983. They were established to require new development to bear a portion of the overall capital costs related to the additional law enforcement services made necessary by such new development and to avoid paying those costs from the county's general fund. Fee amount varies according to the use and size of each structure and the resulting demand for law enforcement services. Through FY 1997-98, fees were recorded into four (4) area or sector funds. As of FY 1998-99, however, these revenues were consolidated into a single area/fund.

**FUND 103T – TRANSPORTATION IMPACT FEES** Transportation impact fees have been assessed on construction occurring in unincorporated Orange County since January 1986 based on Board of County Commissioners’ approval in December 1985. They were implemented to cause new development to pay a pro rata share of the anticipated expansion costs of new roads needed to serve new growth. Fee amount varies according to the use and size of each structure and the resulting demand for new roadway capacity. If an applicant believes the cost of off-site roadway improvements needed to serve his proposed development is less than the fee established in the ordinance, he may, at his own expense submit an alternative fee calculation. A developer may also receive credits in the amount of off-site improvements or other payments made prior to application for a building permit.

**FUND 1040 - SCHOOL IMPACT FEES** School impact fees are collected by Orange County and remitted to the Orange County School Board for capital improvement costs of school buildings and other structures related to public education.

**FUND 1046 – FIRE IMPACT FEES** Fire impact fees have been assessed on construction occurring in unincorporated Orange County since approved by the Board of County Commissioners in January 1985. The fees were established to allocate a fair share of the costs of new facilities for fire protection and emergency services to new users of such facilities and services. Fees vary according to the use and size of each structure. Through FY 1998-99, fees were recorded into five (5) area or battalion funds. As of FY 1999-00, however, these revenues were consolidated into a single area/fund.

**FUND 1050 - PARKS FUND** - As of FY 1997-98, the BCC established a separate ad valorem tax millage to assist in funding the requirements of county parks. Revenues are received into the Parks Fund where they are appropriated to finance park lands, park operations, parks administration, and other parks expenditures. The Fund 1050 millage rate for FY 2023-24 is 0.1656 mills.

**FUND 1054 - 911 FEES** Fee revenue is received from a monthly charge applicable to wireless, prepaid wireless and non-wireless phones countywide. The rate of the fee may not exceed \$0.50 per month per phone, to be paid by local subscribers served by the Enhanced 911 (E911) emergency telephone system. As of January 1, 2015, the state E911 Board imposed a uniform statewide \$0.40 monthly E911 fee upon each service subscriber, with some exceptions. Initially, wireless and non-wireless revenues were separate revenue sources received into separate funds. As of FY 2009, however, due to changes in governing statutes, the revenue sources were combined into a single fund. A majority of expenses are payments to other entities in the county operating 911 Public Service Answering Points (PSAPs).

**FUND 1059 - POLLUTANT STORAGE TANK** This fund was established for the purpose of collecting fees associated with violation of state and county laws and regulations regarding the use and maintenance of above and below ground storage tanks. All fees assessed and collected shall be used for staffing, education, program development, and program implementation of the Pollutant Storage Tank Program.

**FUND 1060 - ENERGY, EFFICIENCY, RENEWABLE ENERGY & CONSERVATION FUND** This fund is used to finance carbon offsets such as energy efficiency, renewable energy, and energy conservation projects within Orange County.

**FUND 109W - WATER AND NAVIGATION FUNDS 1095 LAKE CONWAY AND 1096 LAKE WINDERMERE** These funds were established by a special act of the legislature, and millages within the districts are limited. Funds may be used to regulate and control the alteration of lakes by dredging, filling, pumping or otherwise changing the shoreline and contour. Funds can also be used to build, construct, erect, or maintain drainage facilities, and to regulate watercraft using the lake. Capital outlay includes funds for continuing stormwater projects.

**FUND 10NT - AQUATIC WEED (NON-TAX) DISTRICTS - FUNDS 1074, 1090, 1093, 1094, and 1097 to 1099** These budgets represent those aquatic weed control districts that are funded by contributions for Miscellaneous Orange County Lakes:

Lake Marilyn	Lake Pearl
Lake Odell	Miscellaneous OC Lakes
Lake Martha/Burkett	Ruby Lake

**FUND 10TA - AQUATIC WEED (TAX) DISTRICTS - FUNDS 1061 to 1082, 1092, 1100** Orange County levies a tax millage to cover weed control on special taxing districts surrounding the following lakes:

Bass Lake	Lake Jessamine	Lake Price
Big Sand Lake	Lake Killarney	Lake Rose
Lake Holden	Lake Mary	Little Lake Fairview
Lake Irma	Lake Ola	Lake Sue
Lake Jean	Lake Pickett	South Lake Fairview

Specific millage rates are shown in the Budget in Brief section of this document.

**FUND 110M - MUNICIPAL SERVICE DISTRICTS - FUNDS 1101-1173, and 1184-1217** Municipal Service Taxing Units have been established to generate funding for the following purposes:

Common Area Maintenance	Maintenance of Retention Ponds
Water Management	Plaza International
Maintenance of Non-Paved Roads	Street Lights
Sewage System	Maintenance of Drainage Improvements

Fund 1169 provides funding for improvements and maintenance to the South Orange Blossom Trail (OBT) between U.S. Interstate Highway 4 and the Martin Anderson Beachline Expressway. Fund 1170 provides funding to partially defray capital and maintenance costs for improvements within the South OBT geographical area. Fund 1172 provides funding for drainage control structures within the Orlando Central Park Development.

#### **FUND 117M - I-DRIVE MSTU FUNDS:**

**FUND 1177 - INTERNATIONAL PLANNING/ADMIN MSTU** This fund accounts for revenue generated from an ad valorem tax on tangible and real property within the MSTU. Proceeds may be used for planning and designing public transit services, paying expenses of the improvement district, promotion activities, and funding other facilities and services to benefit residents and taxpayers of the MSTU. The millage rate for FY 2023-24 is 0.2334 mills.

**FUND 1178 - INTERNATIONAL DRIVE BUS SERVICE** This fund accounts for revenue generated from an ad valorem tax levied on properties along International Drive. The MSTU was initiated by the private sector to improve transportation services. The millage rate for FY 2023-24 is 0.7523 mills.

**FUND 1179 - NORTH INTERNATIONAL DRIVE IMPROVEMENT** This fund accounts for revenue generated from an ad valorem tax levy on properties along the northern section of International Drive. Funds will be used to improve internal circulation of traffic, streetscape design, and pedestrian movement. The millage rate for FY 2023-24 is 0.1601 mills.

**FUND 1180 - LOCAL PROVIDER PARTICIPATION FUND (LPPF)** Ordinance 2021-35 authorizes the county to impose a non-ad valorem special assessment on for-profit and not-for-profit hospitals to fund then on-federal share of Medicaid payments benefiting hospitals providing healthcare services to Medicaid, indigent, and uninsured members of the Orange County Community.

**FUND 122R - INTERGOVERNMENTAL RADIO COMMUNICATIONS FUND** An ordinance assessing a \$12.50 surcharge per moving traffic violation was enacted by the Board of County Commissioners in April 1993. Because they have an intergovernmental radio communication program approved by the State of Division of Communications, Orange County and participating municipalities may assess this surcharge to fund that program. The Clerk of Courts retains \$0.50 from each surcharge to cover administrative processing expense. Orange County retains all remaining surcharge revenue to fund its participation in the state approved Intergovernmental Communications Program in accordance with Florida Statute 318.21(9).

**FUND 1232 - LOCAL HOUSING ASSISTANCE** The State Housing Initiatives Partnership (SHIP) program funds established a dedicated source to be used by state and local governments to stimulate the construction of affordable housing. Funding was provided from a portion of documentary stamps. Revenue consists of carryover funds and anticipated grant monies.

**FUND 1241 - TEEN COURT** This fund accounts for fines collected by the Clerk of Courts and remitted to Orange County from persons convicted of violating a criminal statute or an ordinance, or by persons paying a fine for any criminal violation. Revenue is used for the operation and maintenance of Teen Court. Monies may not be used for those amenities, which are ancillary to the Teen Court program (e.g., judges, clerk, courthouse facilities, and staff). Pursuant to and in accordance with Section 938.19, Florida Statutes, Orange County has adopted the "Orange County Teen Court Ordinance" to be effective on October 1, 2009. The ordinance imposes a \$3 court cost per case, in addition to all other fines, civil penalties, or other court costs, assessed against any person who pleads guilty or nolo contendere to, or is convicted of, regardless of adjudication, or adjudicated delinquent for a violation of criminal law, a delinquent act, or a violation of state criminal statute or a municipal or county ordinance, or any person who pays a fine or civil penalty for any violation as set forth in Florida Statutes Chapter 316.

**FUND 1242 - CRIME PREVENTION** The Orange County Safe Neighborhood Crime Prevention Fund was created on January 13, 1999 by Orange County Ordinance No. 98-01. This fund generates revenue from the imposition of fines collected from area arrests. Section 7 of the ordinance allocates the first \$125,000 to the Orange Blossom Trail Local Government Neighborhood Improvement District (OBTNID). The remainder of the fund is to be used by other designated neighborhood improvement districts, under the control of the Neighborhood Services Division, for crime prevention programs in Orange County.

**FUND 1243 - ORANGE BLOSSOM TRAIL NEIGHBORHOOD IMPROVEMENT DISTRICT** This district is permitted to assess ad valorem and special assessments as approved through referendum. From inception in FY 1997-98, the district's only source of revenue is a periodic journal voucher from the Crime Prevention Fund (Fund 1242), as available up to \$125,000 per year.

**FUND 1246 - INTERNATIONAL DRIVE COMMUNITY REDEVELOPMENT AREA TRUST FUND** This fund accounts for revenue generated from the creation of a Community Redevelopment Area (CRA) surrounding International Drive. The CRA was initiated to finance the improvement of certain blighted conditions identified in the area, including transportation issues. The Citizens I-Drive CRA Taskforce identifies projects eligible for CRA funding and presents them to the BCC for approval.

**FUNDS 1247, 1248, 1251-1254 - COURT FEE FUNDS** These funds have been established following the implementation of Revision 7 to Article V of the State's constitution, effective July 1, 2004. Fund 1247 created under the Glitch Bill (Senate Bill 2962) established a \$4 per page increase in recording fees to fund the court-related information technology (IT) needs of the state attorneys, public defenders, and clerk of the courts. The \$2 Court Technology Fee is Orange County's portion of the \$4 fee increase. Fund 1248 is a \$30 surcharge for any civil or criminal traffic infractions to fund state court facilities. Fund 1251-1254 is an additional court cost of \$65 for any felony, misdemeanor, or criminal traffic offense to be allocated as follows: 25% to fund innovations to supplement state funding for the elements of the state court system identified and county funding for local requirements; 25% to assist counties in providing legal aid programs; 25% to fund personnel and legal materials for the public as part of a law library; and, 25% to support juvenile programs.

**FUND 1249 - PINE HILLS NEIGHBORHOOD IMPROVEMENT DISTRICT** This district is permitted to assess ad valorem and special assessments as approved through referendum. The district's source of revenue is a periodic journal voucher from the Crime Prevention Fund (Fund 1242), as available up to \$125,000 per year.

**FUND 1250 - BOATING IMPROVEMENT PROGRAM** This improvement program fund accounts for monies that the Orange County Parks and Recreation Division receives from the State Department of Environmental Protection. Funds allocated for this program are to support municipalities, as well as Orange County in recreational boating needs as set forth in Florida Statutes Chapter 96- 321.

**FUND 1255 – CYBER SECURITY** This fund provides funding through civil penalties received from the juvenile court and remitted to the county to provide training on cyber-safety for minors.

**FUND 1256 & 1257 - REGIONAL AND COUNTY/CITY PHARMACY SETTLEMENT** This fund provides funding through various pharmaceuticals received from Opioid settlements.

**FUND 1265 - PARKS AND RECREATION IMPACT FEES** Parks and Recreation Impact Fees have been assessed on new residential development in unincorporated Orange County, as approved by the Board of County Commissioners on February 7, 2006. The fees were established to allocate a portion of the overall capital costs related to the additional parks and recreational facilities needed to accommodate new development.

**FUND 1272 - DRIVER EDUCATION SAFETY TRUST FUND** This fund is authorized by Section 318.1215 of the Florida Statutes, known as the Dori Slosberg Driver Education Safety Act. The fund accounts for revenue generated from a \$3 fee added to civil traffic penalties. Fees are collected by Orange County and remitted to Florida Virtual Schools for use in funding direct educational expenses of driver education programs.

**FUND 129X - ANIMAL SERVICES TRUST FUND** This revenue source consists of contributions received from private donors for deposits into the Animal Services Trust Fund. This fund was created for the purpose of accepting contributions and disbursing funds to Animal Services for the care and treatment of animals. Any funds received subject to a condition shall be expended strictly in accordance with such condition.

**FUNDS 130X - FUNDS include 1300-1344 - DEFICIENT SEGMENT (PROPORTIONATE FAIR SHARE)** This group of funds was established to account for payments received under Orange County's Proportionate Fair Share program (previously the Pay-As-You- Go system). Per the guidelines of this program, entities wishing to develop land in areas that have no current room for capacity expansion, due to roadway deficiencies, may gain Concurrency Management approval by paying a fee that will be used in future projects to correct the deficiencies. The fees are determined on an individual basis according to the formula outlined in Orange County Ordinance No. 30-622 or separate agreement. Revenues received in these funds must be used for the improvement of the roadway segments that they were specifically designated. Each individual fund within this grouping represents a specific roadway segment.

**FUND 1450 - LAKESIDE VILLAGE ADEQUATE PUBLIC FACILITY** This fund account is established for the Lakeside Village to be used exclusively for the acquisition, construction, and maintenance of adequate public facilities in the village according to the village specific area plan (SAP). Developers may pay a fee equal to the value of the ratio of required adequate public facilities lands established by the SAP if land requirements cannot be met within a particular development plan or the development does not contain adequate public facilities lands.

**FUND 1451 – HORIZONS WEST VILLAGE H ADEQUATE PUBLIC FACILITY** This fund account is established for the Horizons West Village H to be used exclusively for the acquisition, construction, and maintenance of adequate public facilities in the village according to the village specific area plan (SAP). Developers may pay a fee equal to the value of the ratio of required adequate public facilities lands established by the SAP if land requirements cannot be met within a particular development plan or the development does not contain adequate public facilities lands.

**FUND 1660 - INMATE COMMISSARY FUND** This fund is authorized by Florida Statutes Section 951.23. It is funded by profits earned in the operation of an inmate canteen or commissary. Profits shall be used for overall inmate welfare. Purchases from the fund are recommended by the Inmate Commissary Fund Committee and are reviewed by the officer-in-charge (Corrections Department Director), who shall have final authority on expenditures. This fund is operated as a budgeted, expendable trust fund.

**FUND 2314 - SALES TAX TRUST FUND** Sales Tax revenues are received through the Local Government Half-Cent Sales Tax Program, administered by the Department of Revenue. Established in 1982, the program originally allocated 9.697% of collections back to municipalities and counties. This allocation, referred to as the "ordinary" distribution, changes periodically and currently stands at 8.9744% (effective July 1, 2015). Eligibility to receive Half-Cent Sales Tax revenues is reserved for entities that qualify to receive revenue sharing program funds.

**FUND 2315 - ORANGE COUNTY PROMISSORY NOTE SERIES 2010** Sales Tax revenues are received through the Local Government Half-Cent Sales Tax Program, administered by the Department of Revenue. Established in 1982, the program originally allocated 9.697% of collections back to municipalities and counties. This allocation referred to as the "ordinary" distribution, changes periodically and currently stands at 8.9744% (effective July 1, 2015). Eligibility to receive Half-Cent Sales Tax revenues is reserved for entities that qualify to receive revenue sharing program funds. As of FY 2022-23, this revenue is being captured under fund 122R (1220).

**FUND 2317 - CAPITAL IMPROVEMENT BONDS** Orange County receives this revenue, as a result of the Florida Revenue Sharing Act of 1972. According to the original statute, the State would distribute 2.9% of the net cigarette tax collections and 33.5% of the net intangibles tax collections to counties. As of FY 1999-2000, the State of Florida began phasing-out the intangibles tax. Then, effective July 1, 2000, the state eliminated the intangibles tax portion of the county revenue sharing program and replaced it with 2.25% of state sales tax collections. This sales tax distribution percentage changes periodically and currently stands at 2.0810% (effective July 1, 2015). As of FY 2023-24, this fund has been dissolved as there is no more debt financing.

**FUND 2319 - PUBLIC SERVICE TAX BONDS** In 1991, a Public Service Tax (PST) on water, electricity, gas, fuel oil and telecommunication services became effective in unincorporated Orange County. Municipalities are empowered by Florida Statute to collect the utility tax, and the Florida Supreme Court has ruled that this statute is applicable to counties, as well. (The PST for telecommunication later became the Communications Services Tax (CST) in FY 2001 and continued to be collected in this fund up until FY 2011. As of fiscal year 2011, CST is no longer collected in this fund but became a direct revenue source for other funds.)

**FUND 41XX – MUNICIPAL Proprietary FUNDS** Proprietary funds are used to account for activities that receive significant support from fees and charges. There are two (2) types of proprietary funds: enterprise funds and internal service funds.

**FUND 4410 - SOLID WASTE SYSTEM** Charges to property owners are assessed by the Solid Waste Division for collection and depositing of waste at the landfill and various transfer stations throughout Orange County. Tipping fees are assessed for solid waste delivery to each tipping site and are collected either on-site at the landfill or transfer station or by means of a monthly invoice covering all activity for a particular entity. Rates are determined with the assistance of outside consultants and are designed to cover the operating and maintenance cost of the landfill and transfer stations.

**FUND 4420 - WATER UTILITIES SYSTEM** Routine payments of water, sewer, and reclaimed water bills are recorded in this fund, which consist of series of revenue accounts that identify classification of customer. Included in these charges are water conservation rates and charges assessed to residential accounts in excess of 11,000 gallons per month. Monthly minimum water charges include a fixed rate to cover water availability and water meter operation. Residential accounts pay a sewer usage fee for up to 14,000 gallons per month; commercial accounts pay for all actual monthly usage. Rates are established with the assistance of an outside consultant and are designed to cover operating and debt service expenses.

**FUND 442W – WATER UTILITIES SYSTEM MSTU** This fund collections fees is for wastewater service provided to the Holden Heights community.

**FUND 443X - CONVENTION CENTER FUNDS** Revenue results from collection of the first 4 percent, the 5th percent and the 6th percent of the Local Option Tourist Development Tax (TDT). Orange County levies a tax on most rents, leases, lets or living accommodations, which have been contracted for periods of six (6) months or less. Up to 2% was enacted by the Florida Legislature in 1977, and then increased by 1% in 1979 and 1989. Additional increases to fund professional sports franchise facilities were allowed by statute in 1988 and 1994. In December 1994, the Orange County Board of County Commissioners (BCC) approved an increase from 4% to 5%, which became effective February 1, 1995. Prior to FY 1999-00, the 5th percent was accounted for separately in Fund 1053. In August 2000, the 5th cent of TDT was dedicated to the Convention Center's debt service. In July 2006, the BCC approved an increase from 5% to 6%, which became effective September 1, 2006. The 6th percent was levied to increase funding for the promotion of tourism and to provide funding for the new events center.

**FUND 49EE - OTHER ENTERPRISE FUND** The purpose of this fund is to collect fees from designated areas to pay for water service for businesses in that area.

**FUND 5510 - RISK MANAGEMENT PROGRAM** This is an internal services fund that accounts for workers compensation, liability, and property coverage for the Board of County Commissioners and all constitutional officers, except the Sheriff. Revenues are generated through user fees and charges.

**FUND 5530 - FLEET MANAGEMENT FUND** This is an internal service fund that accounts for services related to a scheduled preventive maintenance program and repair of vehicles. Revenues are generated from user fees and charges.

**FUND 5540 - EMPLOYEES BENEFIT FUND** This is an internal service fund that accounts for medical, life, and disability insurance for employees and qualified retirees of the Board of County Commissioners, and other small local governmental agencies, and all constitutional officers, except the Sheriff. The cost of group insurance is jointly paid by employees, employers, and retirees. Health insurance claims incurred since January 1, 2007 are on a self-insurance basis.

**FUND 58XX – RECOVERY AND PROGRAMS GRANTS** This funding is the American Rescue Plan Act of 2021 (ARPA) that President Biden signed on March 11, 2021, to provide direct relief to Americans, contain the COVID-19 virus, and rescue the economy.

**FUND 66XX – SPECIAL TRUST AND AGENCY** The purpose of this fund is to collect and hold funds in escrow for outside entities the county serves as a pass through and has fiduciary responsibility.

**FUND 7000-8000 - LEVEL GRANT FUNDS** The 7000 level grant funds are received from the Federal Government. The 8000 level grants are funded by the State of Florida. Federal grants are awarded from various agencies to support programs such as Head Start, Community Services Block Grant (CSBG), Ryan White/HIV, Community Development Block Grant (CDBG), the Emergency Shelter, and the Section 8 Voucher programs. In addition, the Federal Government provides funding for the Justice Assistance Grant (JAG) programs. JAG replaced the Ed Byrne Formula Grant and the Local Law Enforcement Grant Program. The state grants support programs for children and families, parks, environmental programs and the improvements of roads, among other programs.

## Constitutional Officers

### Purpose Statement:

Constitutional Officers are elected officials whose duties and responsibilities are established by the Constitution of the State of Florida. Other Constitutional Officers such as the Clerk of Courts, Court Administration, Public Defender, and the State Attorney are primarily funded by the state effective July 1, 2004. Orange County will continue to be responsible for technology and facility budgets for court agencies represented in this document.

### Program Descriptions:

- The **Board of County Commissioners (BCC)** serves as the legislative, policy-making, and governing body of Orange County, and operates under the guidelines set forth in the Orange County Charter originally adopted in November 1986 and subsequently amended. The Board consists of the County Mayor, elected county-wide, and six (6) County Commissioners, elected in single member districts.
- The **Comptroller** is a Constitutional Officer elected to serve as the Chief Financial Officer of the BCC, recorder, auditor, and custodian of all county funds and all official records.
- The **County Mayor**, a position approved by the voters in 1990, serves as the Chief Executive Officer of Orange County. The Office of County Mayor provides direct staff support, community outreach, constituent, and administrative services to the County Mayor.
- The **Court Administration** program assists the Chief Judge in the performance of supervisory and administrative duties by assuming responsibility for general court management and the management of court personnel and financial affairs. The Court Administrator's Office supervises court-sponsored programs including court reporting, witness management, court information, and the Sanctioned to Read Program.
- The **Property Appraiser** is an elected Constitutional Officer charged with the responsibilities as outlined in Chapter 192, Florida Statutes. In general, the Property Appraiser is responsible for identifying, locating, and fairly valuing all property, both real and personal, within the county for tax purposes.
- The **Sheriff** is a Constitutional Officer elected by the people to act as the Chief Law Enforcement Officer of Orange County in accordance with Chapter 30, Florida Statutes.
- The **Supervisor of Elections** is a Constitutional Officer elected to act as the official custodian of voter registration records and to conduct federal, state, and local elections within Orange County.

- The **Tax Collector** is an elected Constitutional Officer charged with the responsibilities of collection and distribution of taxes and fees for county government, municipalities, fire districts, drainage districts, state agencies, and the School Board, pursuant to Chapter 192, Florida Statutes.

### FY 2022-23 Major Accomplishments:

#### Comptroller

- Administered \$336 million in Tourist Development Tax (TDT) collections for fiscal year 2022. Also, enhanced TDT collection procedures ensuring delinquent taxes are collected promptly.
- Implemented a major upgrade of the Advantage Financial Management System, which included enhanced functionality, Robotic Process Automation (BOTS), electronic data interface technology, and a data warehouse solution to enhance efficiency and allow for greater utilization of attachments system-wide.
- Implemented GASB Statement No. 96, "Subscription Based IT Arrangements."
- Awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada.
- Awarded the Outstanding Achievement in Popular Annual Financial Reporting by the Government Finance Officers Association of the United States and Canada.
- Won the Triple Crown designation from the Government Finance Officers Association of the United States and Canada. The prestigious Triple Crown award recognizes governments that have received GFOA's awards for Financial Reporting, Popular Annual Financial Reporting and Distinguished Budget Presentation in a fiscal year.
- Successfully completed an Association of Local Government Auditors (ALGA) peer review of the Performance Audit Section with no issues identified. This ensures audits performed over the last three years complied with GAO Yellow Book Standards.
- Performed a comprehensive audit of Fleet maintenance to ensure vehicles are maintained according to Fleet's preventative maintenance policy.
- Implemented an increase of threshold for recording of equipment from \$1,000 to \$5,000 for property inventory.

## Constitutional Officers

---

- Provided staff support for the newly established 2024 Charter Review Commission. Also, designed and hosted the CRC webpage providing an online repository of meeting materials, research and reports.
- Implemented a Self-Service Portal as the primary search tool for Official Records. This new web search replaces the online search tool used since 2008.
- Implemented a system for online purchasing of Official Records certified copies, reducing call center phone calls by 30% and over the phone credit card transactions by 68%.
- Increased Property Fraud Alert subscription base by 30% in one-year through public outreach; nearing 50,000 subscriptions.
- Enhanced the Comptroller's Fraud Resource webpage to better support the public when fraud is suspected.
- Surpassed the \$5 million dollar mark of revenue for the county after the fifth year of online surplus property auctions.

### *County Mayor*

- Mayor Demings Housing for All Task Force 10-year action plan continues to address affordable and attainable housing. Accomplishments to date include:
  - The county has allocated an additional \$10 million in FY 2022-23 to create and preserve affordable housing and mixed-income housing developments, commonly known as "workforce housing" with a goal of 30,000 units by 2030. To date, the Board has allocated \$43 million for affordable and workforce housing.
  - Approximately 800 affordable housing projects are under development in Orange County. These projects include The Mira, located at Plymouth Sorrento Road, which will produce 312 affordable units; Barnett Villas located on West Colonial and North Pine Hills, an investment of \$5 million will produce 156 low-income multi-family units; Emerald Villas Phase 3, an investment of \$4.5 million will produce 90 multi-family low income units; and at E. Seventh Street, Apopka City Center, an investment of \$2 million will produce 195 multi-family low income units and 35 very low-income units. In addition, Mayor Demings attended a groundbreaking ceremony with Hannibal Square to build 24 new affordable town homes in Apopka, called Cornerstone at Sixth. The county invested \$1.5 million in the community land trust, which ensures that homes remain owner-occupied and prevents them from becoming rentals.
- We continue to work with Habitat for Humanity to build affordable homes for Orange County residents. Mayor Demings attended the Habitat for Humanity of Seminole County and Greater Apopka Homebuyer's Closing and presented a family with the keys to their house. This is one of five county surplus lots that Habitat for Humanity will build affordable homes in Orange County.
- Orange County Housing and Community Development Division celebrated 20 years of the Down Payment Assistance Program, helping residents realize the dream of home ownership. To date, the program has provided over \$73 million to assist qualified residents with down payments.
- Universal Orlando Resort CatchLight Crossings is moving forward with their proposed 1,000 multi-family, mixed-used affordable and workforce development, including a transportation center, on-site medical offices, Bezos Academy preschool, pool, bike, and walking paths and much more.
- Walt Disney World has brought on a developer to build more than 1300 high-quality workforce housing units on 80 acres of designated land.
- Hurricane Ian, one of the most powerful storms to hit Florida in decades made landfall on September 28, 2023. The Mayor, Commissioners, Office of Emergency Management, and county staff helped the community prepare for the storm and provided recovery and relief efforts to residents.
  - Orange County Health Services, Florida Department of Health in Orange County and County staff set up 12 shelters to include people with special needs at Orange County Public Schools and Parks & Recreation locations which provided 1,600 evacuees with a safe place to ride out the storm.
  - Residents filled 170,000 sandbags at 10 Orange County Parks & Recreation locations.
  - Orange County Fire Rescue visited 80 mobile home communities and more than 100 nursing homes to check readiness and evacuate vulnerable communities.
  - Orange County Convention Center provided space for emergency personnel and equipment to ride out the storm so they could rapidly deploy to the hardest hit areas.
  - Orange County Fire Rescue responded to flooded areas and rescued 1,700 residents and their pets.
  - The U.S. Housing and Urban Development Secretary Marcia Fudge and FEMA provided Orange County with more than \$243 million for Federal Disaster Recovery Funding, Orlo Vista Flood Mitigation, and a Rapid Unsheltered Survivor Housing program.

## Constitutional Officers

---

- Orange County Public Works Department executed contracts on the Orlo Vista Flood Mitigation project. The project includes adding a new pump station, deepening ponds to control water levels, and adding new pipe to stabilize water levels between three retention ponds in the Orlo Vista and West Manor neighborhoods. The project is funded through HUD, FEMA, and County general revenue at \$26.5 million.
- Orange County staff worked closely with FEMA to set up the County's Disaster Recovery Center at Barnett Park. The Center helped disaster survivors and businesses obtain assistance.
- FEMA teams canvassed affected areas of the community to assist with disaster claims. Transitional shelter assistance was provided to displaced residents.
- Orange County partnered with the Department of Children and Families to set up a food assistance program for families and individuals.
- Orange County Public Works Department activated debris removal teams for cleanup. Debris removal teams collected almost 8,000 truckloads of debris.
- Orange County Commissioners and the Community and Family Services Department worked with community partners including the Salvation Army, the American Red Cross, Second Harvest Food Bank of Central Florida, and others to distribute meals, water, bus passes, grocery cards, and social service assistance for those impacted by the storm. In fact, over ten days, Second Harvest distributed over 900,000 meals in Orange County to those in need.
- Orange County dedicates nearly \$89 million annually to ensure accessible and comprehensive programs are available to support the well-being of our children and families. The resources include expanding and improving services for early childhood development, youth empowerment, family support and career development. In addition, Orange County launched a new pilot program to support domestic violence survivors by providing free childcare services for those leaving abusive situations. Overall, Orange County provides more than 500 programs and services for individuals and families across the county.
- U.S. Congressman Darren Soto announced federal funding for Central Florida projects aimed at improving water infrastructure and the restoration of ecosystems in Orange, Osceola, and Polk counties. Orange County will receive \$50 million for wastewater and water infrastructure improvements to equip our community for future natural disasters and flooding.
- Vision 2050 – County Commissioners and the Planning Division staff hosted a series of town hall meetings to receive feedback and input from residents on the County's Vision 2050 plan. The Board of County Commissioners (BCC) approved the transmittal of the comprehensive Vision 2050 plan that will reorganize our policies focusing on resiliency, placemaking, affordability, context-driven planning, and performance-based development for the next 30 years.
- The BCC approved a \$100 million plan to acquire 23,000 acres of environmentally sensitive lands called Green PLACE. In August, the Board approved the purchase of 21 acres of land along Reams Road for conservation at a cost of \$2.7 million. To date, Orange County staff has acquired over 60 acres of environmentally sensitive land and is evaluating hundreds of additional properties for acquisition.
- Orange County marked the 53rd International Earth Day with a Board proclamation and participated in a week of Earth Day activities. The Mayor, Commissioners and the Environmental Protection Division visited the Orange County Convention Center's solar farm and participated in a site visit on the recently purchased Jean Dell property. The property was strategically acquired for its potential to expand the trail system on the adjacent Savage Christmas Creek Preserve to help close wildlife corridor gaps, protect water resources, and add to Green PLACE's inventory of mesic and wet flatwoods communities.
- Orange County experienced record-breaking Tourist Development Tax revenues over the last three years, which steadily grew to a healthy \$300 million annually. When we reached that pinnacle, Mayor Demings empaneled the first Orange County Tourist Development Tax (TDT) Citizen Advisory Task Force in March 2023. The task force was charged to review and provide input to the Board of County Commissioners and the Tourist Development Council on potential uses of future, unallocated Tourist Development Tax revenues that meet current guidelines in Florida Statutes. The diverse body was comprised of 31 members who participated in over 20 hours of meetings over four months. The TDT is a complex topic, and members navigated through this process receiving extensive education and information on the TDT, Florida Statutes covering its uses, the economic impact of previous projects, and numerous presentations from hospitality and arts organizations seeking funding.
- The Task Force concluded its work and approved four recommendations:
  - Advance the requests of the top three granting organizations as presented to the Board of County Commissioners and will include the survey results for the board to make the final decision on the level of funding.

## Constitutional Officers

---

- Advance groups with a weighted score of 60 or higher for consideration by the Board of County Commissioners.
- Recommend the Mayor and the Board of County Commissioners strongly lobby the legislature to change the Tourist Impact Tax, so it applies to all counties in Florida.
- County update its criteria for assessing TDT project funding to better evaluate the project's contribution to community and workforce needs and jobs.
- The Board of County Commissioners accepted the Orange County TDT Citizen Advisory Task Force report on July 18, 2023. A full copy of the report can be found on the TDT Citizen Advisory Task Force webpage at [www.ocfl.net/tdt](http://www.ocfl.net/tdt).
- On February 23, 2023, Mayor Demings announced the reconvening of the Orange County Citizens Safety Task Force after a senseless shooting by a lone gunman claiming three innocent lives, a nine-year-old girl, a news journalist, and an adult female. The task force's charge was to review the 2021 Orange County Citizens Safety Task Force recommendations and make modifications that strengthen our roadmap to prevent and reduce gun violence and violent crime. The Task Force comprised 33 diverse members and met from March 2023 through June 2023, attending over 20 meetings. The task force developed 16 recommendations including 21 short-term and six long-term recommendations. The Board of County Commissioners accepted the Citizens Safety Task Force Report on August 22, 2023. The report can be found at [www.ocfl.net/citizensafety](http://www.ocfl.net/citizensafety).
- Orange County staff continues the implementation of the 2021 Citizens Safety Task Force report to prevent and reduce gun violence and violent crime in the community. Staff's progress report highlights approximately \$1.7 million in funding for ten prevention and intervention programs implemented by small and diverse grassroots organizations and large non-profits, as well as marketing and promotion of services, training for non-profits, and neighborhood improvements. In addition, the report includes an update on Enforcement and Prosecution recommendations focused on the Community Ambassador, Mental Health Response Units, and the Adult Civil Citation Pilot Programs. The update can be found on the Orange County Citizens Safety Task Force webpage at [www.ocfl.net/citizensafety](http://www.ocfl.net/citizensafety).
- In early 2023, the Orange County Behavioral Health System of Care Community Analysis Implementation Committee began its work. The committee is comprised of 29 community stakeholders, hospital partners, government agencies, and healthcare providers to develop strategies to address mid and long-term task force recommendations. During the last fiscal year budget, the county allocated \$10 million in general revenue funding to address the short-term recommendations. Federal ARPA funding is being utilized to address the needs in the task force report.
- The Orange County Mental Health and Homelessness Division implemented the Youth and Mental Health Breakthrough pilot program. The program is a robust navigation and care coordination model rooted in sound assessment, which links families to evidence-based support, and augmented by trusting relationships between families. The Breakthrough program recently added family navigators to work with youth and families. In addition, the Board authorized a more than \$900,000 grant to expand mobile mental health services for young people in crisis. The Mobile Crisis Unit is a 24/7, 365-day operation that prevents youth from being removed from their home due to a behavioral health crisis. Orange County is also adding a licensed clinician at the Orange County Sheriff's Office 911 Communications Center to help de-escalate a crisis that would otherwise require law enforcement contact. This initiative was recommended by the United Way Behavioral Health System of Care Community Analysis.
- Orange County received \$270 million in American Rescue Plan Act funding to address the urgent needs of residents, families, and neighborhoods hardest hit by the COVID-19 public health emergency and to assist with economic recovery and rebuilding efforts. The following initiatives and programs were implemented to provide relief and assistance to businesses, individuals, and families affected by the pandemic.
  - Orange County provided CareerSource of Central Florida with \$15 million in federal funding to continue Level Up Orange. The program aims to overcome employment challenges, enhance workforce training, connect people to careers, and develop skill talent for in-demand jobs. CareerSource staff also works with hard-to-hire residents, criminal justice-involved, and Veterans. In addition, the new Neighborhood Navigator Program is going strong. The street team connects daily with residents at their neighborhood libraries, community centers, churches, schools, community service organizations, and local events. Level Up Orange is getting results to include reaching 36,000 residents through career awareness and outreach, employment training for 1,939 residents, job placement for 746 residents, with most individuals earning wages at or above \$15 per hour.

## Constitutional Officers

---

- The Orange County Human Resources Department in partnership with CareerSource launched the Mayor's Careers Showcase, which provided a paid summer experience for 30 high school students to learn about Orange County departments, working in the public sector and job opportunities.
- Through ARPA funding, the Orange County Mental Health and Homelessness Division is collaborating with community partners to provide services to people experiencing homelessness.
- Orange County launched a Small Business BOOST program to provide grants to local small businesses, home-based businesses, and gig workers that have experienced a 25 percent decline in revenue due to the pandemic. Grant funds could be utilized for business expenses, including wages, mortgages, rent, utilities, payroll and other costs. The Small Business BOOST program is funded through ARPA and over 2,700 eligible businesses received grant funding.
- Orange County partnered with the Edyth Bush Institute for Philanthropy & Nonprofit Leadership to equip small and diverse nonprofit organizations with the tools necessary to succeed in the post-pandemic environment. Funded through ARPA, 70 non-profit organizations have participated in the Empowering Good Program and have received customized training, organizational coaching, and practical strategic planning to build their capacity to serve others.
- Orange County committed \$4.4 million in federal ARPA funding to ensure households in our rural residential areas have access to affordable high-speed internet. The county's public-private partnership with Charter Communications has made significant investments in the broadband infrastructure to expand access in underserved areas. The county's Chief Innovation and Emerging Technology Officer has identified approximately 1,400 households in un-served areas of Bithlo/Christmas and areas of South Apopka. Charter Communications will complete fiber infrastructure in the above mentioned areas located in County Commission Districts 2 and 5 by the end of 2023.
- The county's Community and Family Services Department distributed \$40 million from the Federal Emergency Rental Assistance Program, helping over 15,000 eligible residents stay in their homes. The income-based program provides one-time assistance to tenants experiencing financial hardships caused by the COVID-19 pandemic. Assistance is provided to landlords on behalf of qualifying tenants.
- Mayor Demings proposed the Accelerated Transportation Program of \$100 million to incrementally move the County forward over five years toward improving our transportation system. The plan provides \$55 million, inclusive of \$15 million to install 131 miles of new lighting to functionally classified roads, \$25 million for 26 miles of new county sidewalks, and \$15 million for roadway safety improvements. In addition, the \$45 million invested in transit will provide \$6 million a year over the next five years to enhance frequency of the LYNX bus service, and \$15 million will be used to provide new bus shelters and passenger amenities.
- In April, Orange County launched EPIC, a program that teaches English to workers in the International Drive Corridor. This innovative and first-of-its-kind partnership between Orange County, UCF Global, and the Aeras Foundation is removing language barriers for these life-long learners. The pilot, with Rosen Hotels & Resorts as the sponsoring employer, was extended to include Paramount Hotel Group and IMA Medical Group, both employers within the Community Redevelopment Agency (CRA). Nearly 170 employees participated in the pilot program funded from the I-Drive CRA. In June, the I-Drive CRA recommended, and the Board of County Commissioners subsequently approved investing \$450,000 to extend the program within the I-Drive CRA.
- The Financial Empowerment Center initiative in partnership with community financial institutions is underway. The initiative provides professional, one-on-one financial counseling as a no-cost public service for all residents. This initiative will emphasize the building blocks of financial stability.
- On September 19, 2023, Mayor Demings, County Commissioners, community stakeholders and staff participated in the grand opening of the Orange County Multicultural Center in District 6. Approximately \$8 million was allocated for the renovation and exterior improvements, including \$1.8 million from the Community Development Block Grant through our Housing and Community Development Division. The Multicultural Center is located in West Orange County and encompasses 17,688 square feet of new interior space with a ballroom that can accommodate over 100 people banquet style. The Community Center includes a Lobby & Art Exhibition Area, Café, Ballroom with Stage, Warming Kitchen, Classrooms, Computer Lab, Meeting and Event Space, Offices, along with a multitude of services and resources. Special thanks to Orange County Community and Family Services Department, Capital Projects Division, Housing and Community Development Division, Facilities Management Division, Building Safety Division, and the Fire Marshal's Office for their hard work and dedication on the center.

## Constitutional Officers

---

- The Orange County Convention Center (OCCC) celebrated its 40th anniversary. This year, the Convention Center hosted 160 events with an economic impact of \$2.8 billion. The Convention Center continues to be a major driver for our economy and supports the more than 29,300 individuals employed in the I-Drive area.
- The need to preserve green spaces and provide residents with areas to enjoy nature is fundamental to a growing and sustainable community. This year, the Parks & Recreation Division has held a record number of park groundbreakings and ribbon cuttings in the county. These include the opening of the Magnolia Eco Education Center in Apopka, Barnett Park's new state-of-the-art Skate Park as well as groundbreakings at Summerlake Park, Tabor Field Park and Dr. Phillips Little League Complex.
- The Mayor's Dr. Martin Luther King, Jr. (MLK), Initiative involves 31 diverse members from the community focused on commemorating Dr. King's legacy of non-violence while promoting unity. This fiscal year, the Initiative engaged in the following year-round activities in unincorporated areas of Orange County.
  - MLK members participated in MLK Day celebrations and a day of giving, Black History Month on the Lawn at the Orange County Administration Building, and the Zora Neale Hurston Festival.
  - The MLK Initiative launched Phase 2 of the Mayor's Book Club in partnership with the Orange County Library System. The book club expanded to 16 libraries located throughout Orange County to increase reading among youth.
  - The MLK Initiative launched the first Authentic, Remarkable & Talented Art Contest. Over sixty elementary and high school students participated in the art competition and 14 students were recognized along with the artwork. The contest was held in partnership with Orange County Public Schools.
  - The MLK Initiative also hosted Orange County Government's second Juneteenth and Greek Day Community Celebration at the Orange County Administration Building. The free event included a community resource and job fair featuring several Orange County departments along with entertainment, art displays, and delicious cuisine.
- Mayor Demings held the first Women's History Month Forum and brought together more than 200 Central Florida female leaders and Orange County staff for insightful and meaningful discussions around stories of strength, struggle, and success. This half-day event featured two panel discussions, a professional development workshop along with a host of vendors and exhibits.
- The Orange County Mayor's Veterans Advisory Council held several events to commemorate our armed service members, Veterans, and their families. These include:
  - Memorial Day War Commemoration Ceremony, Vietnam Veterans 50th Anniversary Pinning Ceremony, Purple Heart Day Proclamation, the Gold Star Mothers and Family's Ceremony, Veterans Day Ceremony, and Pearl Harbor Remembrance Day.
  - The Council launched the first Orange TV program, Operation Outreach, to highlight services offered to veterans and their families.
  - The Council launched Orange County's first Veteran of the Year recognition program and award.
  - In addition, the Council continues to engage the community in the benefits available to our Veterans and their families.
- Nearly 300 residents participated in the Mayor's second annual Orange County Open House at the Orange County Administration Building. Residents participated in tours of the Mayor's Office, talked with County Commissioners, explored county job opportunities, and connected with county staff to learn more about programs, services, and resources.
- The National Association of Counties (NACo) awarded Orange County Government seven (7) national achievement awards. The awards recognize the hard work of our employees, our innovative programs, and our community collaboration. The NACo awards received:
  - Emily Tells All: An interview program with Commissioner Emily Bonilla, informing constituents of aid available, and encouraging community involvement and collaboration in Orange County
  - Hurricane Ian Response: Public Service Through Social Media
  - Medication Assisted Treatment Program
  - Orange County COVID-19 Eviction Diversion Program
  - Orange County Employee Curbside Service Award Ceremonies
  - Orange County Utilities' H2O Pipeline Classroom to Career Program
  - Two Unusual Late Fall Storms Wreak Havoc on Florida County and Threaten Mayor's Toy Drive
- Mayor Demings continued the Executive Leadership program with management from 11 county departments participating in 10 weekly sessions.

## **Constitutional Officers**

---

### ***Property Appraiser***

- Provided transparent, fair, just, and equitable ad-valorem assessments of properties in Orange County on time.
- Received approval from the Department of Revenue regarding the 2023 Preliminary Tax Roll.
- Obtained voluntary dismissals in 12 cases without reductions in original assessments totaling over \$562 million.
- Settled nine (9) cases with minimal reductions.
- Processed over 22,551 tangible personal property tax returns and added \$2.1 billion in new asset value for the 2023 tax roll.
- Expanded educational and developmental opportunities to employees, including tuition reimbursement
- Continued to strengthen and develop multi-agency and intergovernmental relationships.
- Enhanced constituent-focused services by offering online applications, new constituent-friendly tools, and features on the website and appointment system.
- Disseminated over 250,000 documents via traditional mail channels to effectively communicate with our constituents.
- Produced over 350 digital publications aimed at effectively engaging with taxpayers.
- Continued the in-depth review of agency policies, procedures, and best practices.
- Continued the agency-wide paperless initiative.
- Continued the partnership with the Orange County Comptroller's office fraud alert program.
- Completed a performance audit from the Orange County Comptroller's office.
- Started the process of converting to the Computer-Assisted Mass Appraisal system.
- Initiated the process of reconfiguring the cloud environment and migrating to the cloud.
- Fleet vehicles that were previously leased were returned without any extra fees.
- Introduced an e-fleet application and trained fleet operators on best practices.
- Implemented internal educational campaigns aimed at raising awareness on the topics of phishing and information security.
- Completed over 67,805 field inspections.
- Processed 166 agricultural classification applications.
- Created 5,381 parcel mappings.
- Completed 4,302 drawing projects.
- Completed the review of 45,372 permits.

### ***Sheriff***

- Expanded the Behavioral Response Unit, which pairs a mental health clinician with a deputy to respond as a team to calls for service involving a mental health crisis.
- Implemented new video management software to utilize network cameras more effectively in the real-time crime center.
- Hosted several community events throughout the year to include distributing nearly 600 Thanksgiving meals to those in need and providing more than 1,000 backpacks filled with school supplies to residents in need for the 2023-2024 school year.
- Increased the Community Crime Prevention grant program to \$150,000 distributed to nonprofit organizations, neighborhood groups and others engaged in projects to support violence reduction, safety and drug abuse education and prevention programs.
- Created a Women's Self-Defense course and held two sessions – which were both filled immediately following social media announcement.
- Conducted multi-agency Active Shooter training drills – including one at the Fairgrounds with more than 600 participants.
- Actively recruited and hired more female deputies aligning with the 30 x 30 initiative.
- Expanded recruiting initiatives to include a trip to Puerto Rico to recruit both sworn and civilian personnel.
- Began design and construction process for the new Evidence building.

### ***Supervisor of Elections***

- Conducted the Florida General Election on November 8, 2022.
- The office increased its voter list maintenance activity to monthly as required by the legislation and the public.
- Continued to make great strides in updating the protection of all databases from potential outside intrusions.

### ***Tax Collector***

- Successfully collected 97% or \$2.8 billion of the real estate and tangible tax roll before delinquency, including \$490 million collected in person.
- Continued efforts to educate and assist churches and non-profits in removing delinquent non-ad-valorem property taxes and protect them from tax deed sales.
- Conducted \$145 million of in-person transactions in six (6) Tax Collector offices and more than 987,000 online transactions.
- Collected over \$15 million from driver's license transactions.

## Constitutional Officers

- Continued to upgrade our website (octaxcol.com), which receives more than 2.2 million annual visitors, and improve our appointment application to create a better user experience.
- Enhanced our MyEasyGov online tag renewal application to allow for user profiles as well as text and email notifications.
- Continued the partnership with IDignity, a local non-profit, which provides ID services for the homeless and underserved populations.
- Launched a new online appointment (queuing) system to serve customers more efficiently and provide a better customer experience.
- Successfully switched to a new payment provider which, for the first time, will allow us to take mobile payments such as Apple Pay.
- Began renovations to expand our Downtown Orlando motor vehicle office to meet the needs of our growing community, and successfully opened a temporary downtown location at our Tax Department.
- Worked with our private partners to open two private tag agencies in underserved parts of the county that will allow customers more choice and flexibility.
- Signed a no-cost contract with Revenue Recovery Solutions Inc to increase our collection of unpaid tangible taxes and delinquencies..

### **FY 2023-24 Department Objectives:**

#### **Comptroller**

- Complete the paperless workflow, imaging, and approval process for accounts payable to include all county departments.
- Continue to expand the accounts payable EFT payment process to include vendor payments, retiree insurance subsidy payments and select Section 8 landlord payments.
- Assist the county with implementation of the BOOST program with the distribution of up to \$23 million for small businesses, micro businesses and Gig workers.
- Develop, in coordination with the county, a revenue collection system for new camera programs for speeding through school zones and illegally passing school buses.
- Develop informational publications to raise awareness for employees and the public about Government Watch used to report instances of fraud, waste, and abuse.
- Provide continued staff support for the 2024 Charter Review Commission.
- Implement an online portal for Notice of Commencement recording to increase the eRecording percentage, improve efficiencies and enhance access for customers.
- Design and implement CivicPlus as the platform for the Comptroller's new website.
- Continue towards a completely paperless environment with PeopleSoft for all qualified events, electronic change notices (ECN), performance appraisals, lock boxes, advice/pay-stubs printing, etc.
- Select and procure an asset management system to automate property inventory.
- Continue to plan and perform audits that address emerging risks and concerns for the county.
- Partner with Orange County Government to implement an eAgenda (electronic agenda) using the Comptroller's Legistar application.
- Continue the implementation of ARPA funding for workforce development, social and community services, public health, infrastructure projects, and fiscal sustainability, and core county services.
- Continue to work with CareerSource of Central Florida on Level Up Orange focusing on specialized populations as well as pilot programs that provide career workshops in the community for those that have barriers to employment. In addition, CareerSource will explore emerging industries for future facing jobs opportunities and skills required through the High School Expo, career explorations and internship programs.
- Continue to work with CareerSource of Central Florida on the Mayor's Career Showcase to give youth and young adults exposure to public sector job opportunities.
- Continue to implement the Housing for All action plan to increase affordable and workforce housing through public-private partnerships and non-profit agencies.
- Continue to increase Orange County's electric fleet and charging stations.
- Continue to advance plans to construct Orange County's first Center for Innovation and Design, located in the Pine Hills Community. The Center will provide the opportunity to design, experiment, develop and test new concepts through immersive experiences, to expand existing programs and to solve community challenges for the community.
- Work with community partners to establish programs to bridge the digital divide, including access to devices, programs, and telehealth services. This includes digital literacy for seniors, working with Aeras Foundation, Incorporated on managing our Devices Loaner Program, as well as providing 1,500 tablets with cellular connectivity and 480 laptops to residents enabling them to connect with local non-profits and resources.
- Continue to invest in transportation infrastructure and leverage emerging technologies to improve safety, efficiency, and reliability.
- Pursue grant opportunities focused on emerging technology to solve real world challenges, emphasizing support for disadvantaged communities prioritizing safety, reliability, resiliency, equity, and access.

#### **County Mayor**

## Constitutional Officers

---

- Continue to work in partnership with The Corridor to increase awareness about Cenfluen and create clusters in emerging areas that will allow us to attract, retain and grow business.
- Work with regional partners to diversify our workforce by focusing on industry and market needs such as technology, healthcare, and manufacturing job skills training.
- Orange County Convention Center continues to collaborate with Visit Orlando to promote our first-class service, and unparalleled infrastructure to host sporting events, trade shows, meetings, and conventions.
- Continue to prioritize health and public safety in Orange County, including the ongoing commitment to address the opioid epidemic and substance abuse, homelessness, mental health, and other public health-related issues.
- Continue to work toward increasing funding and community partnerships to enhance children's services. Staff will monitor the implementation of evidence-based strategies and programs to improve child outcomes.
- Work with staff to implement the Orange County TDT Citizen Advisory Task Force recommendations.
- County staff will collaborate with community partners and federal, state, and local agencies to implement the Orange County Citizens Safety Task Force recommendations.
- County staff will continue to collaborate with our criminal justice partners, commission members, and community stakeholders to implement the Domestic Violence Commission recommendations.
- Support the Mental and Behavioral Health System of Care Analysis Implementation Committee to develop strategies for the short, mid and long-term recommendations.

### ***Property Appraiser***

- Continue the agency-wide paperless initiative as part of our commitment to sustainability and efficiency.
- Initiate a content management program for the agency to streamline our content creation and distribution process.
- On-going implementation of agency-wide cloud-based systems.
- Expand the agency's wireless system.
- Expand information technology equipment and software upgrades.
- Maintain the revitalization of the agency's legacy Computer-Assisted Mass Appraisal system.
- Complete the Computer-Assisted Mass Appraisal system conversion.
- Continue to strengthen and develop multi-agency and intergovernmental relationships.

- Implement new or revised agency policies, procedures, and best practices.
- Expand cloud migration and disaster recovery solutions.
- Implement security technology tools, such as data classification, e-discovery, data loss prevention, and data governance.
- Complete Certificate of Excellence in Assessment Administration (CEAA).
- Conduct training sessions at our office to educate and inform individuals about our services
- Conduct virtual training sessions to educate and inform individuals about our services.
- Enhance our internal training program for constituent service.
- Increase the production of digital publications to optimize taxpayer engagement.
- Enhance our website performance to improve effectiveness and efficiency.
- Enhance the design systems of our public-facing applications to improve user experience.

### ***Sheriff***

- Continue to expand the Behavioral Response Unit to six deputy/clinician teams. The Unit pairs a mental health clinician with a deputy to respond as a team to calls for service involving a mental health crisis.
- Continue hosting community events throughout the year and bring back Community Barbecues, which were halted during the pandemic.
- Conduct multi-agency Active Shooter training drills and table top exercises to ensure readiness among all parts of the agency.
- Expand the Women's Self-Defense course to include several more sessions in the 2023-2024 budget year.
- Continue to provide Crisis Intervention Training for sworn personnel and move closer to the goal of training every sworn deputy. Since 2000, 1,220 deputies have been trained in Crisis Intervention.
- Provide updated Single Deputy Response to Active Shooter training to all SROs in preparation for the 2024-2025 school year.
- Continue design and construction process for the new Evidence building.
- Aggressively recruit to fill openings in the Communications Center, where pay and other incentives have been substantially increased.

### ***Supervisor of Elections***

- Conducting both the Florida Presidential Primary, March 19, 2024, and the Florida Primary Election, on August 20, 2024.

## **Constitutional Officers**

---

- Expecting voter registration total to be over 950,000 by November 5, 2024, Presidential General Election Day.
- Take necessary steps to handle increase in voter list maintenance requirement demands by the legislature and the public.
- Protecting election data and election results remains a top priority.
- Continue to evaluate and upgrade the protection of all databases from potential outside cyberattacks.

### ***Tax Collector***

- Leverage methods of collecting unpaid local business tax receipts and delinquent tangible accounts, including garnishments, seizures, auctions, and levy notices as necessary.
- Continue partnership with a private entity to conduct driving tests at five (5) locations.
- Work with our government partners to complete the renovation and upgrade of our Downtown Orlando motor vehicle office.
- Begin meeting with tax software company to develop a plan for conversion from a 20-year-old system to a new state of the art system.

## Constitutional Officers

### EXPENDITURE HIGHLIGHTS

#### *Personal, Operating, Capital Outlay, and Other Expenses –*

The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases.

**Board of County Commissioners (BCC)** – The FY 2023-24 BCC total expenditure budget increased by 5.6% or \$182,526 from the FY 2022-23 budget primarily due to the personal services changes mentioned above. The chart below is a budget breakout of each BCC District that includes personal services and operating expenses.

<b>BCC Budget by District</b>	<b>FY 2023-24</b>
BCC District 1	\$ 504,523
BCC District 2	529,047
BCC District 3	528,072
BCC District 4	561,497
BCC District 5	572,464
BCC District 6	572,464
BCC General Office	194,323
Total of All Districts & General Office	\$ 3,462,390

**Clerk of Courts** – The FY 2023-24 operating budget of \$210,000 includes funding for state mandated costs associated with Article V, Revision 7 for communication services, courier messenger, subpoena services, and the county's allocation for payment of filing fees and copy charges for ordinance violation cases.

**Comptroller** – The FY 2023-24 budget of \$27.9 million increased by 10.3% or \$2.6 million from the FY 2022-23 budget. The budget reflects the amount charged as commissions and fees to Orange County departments and divisions for financial services provided by the Comptroller's Office. The amount to be paid by the General Fund is \$10,020,618 for FY 2023-24. Additional revenue from non-county departments is received via charges for services from various fees and commissions, as well as interest earnings and other miscellaneous income. The budget includes funding for four (4) new positions which are a TDT Revenue Auditor Supervisor, Accountant, Senior Payroll Systems Coordinator, and a Finance Systems Lead.

**County Mayor's Office** – The FY 2023-24 budget increased by 9.9% or \$109,474 from the FY 2022-23 budget primarily due to increases in personal services, as noted above, and fleet charges.

**Court Administration** – The FY 2023-24 budget, which includes funding for General Court Administration, Grants, Teen Court, Juvenile Alternative Sanctions, and Jury Services, increased by 6.9% or \$129,870 from the FY 2022-23 budget. Included are the state mandated costs associated with Article V, Revision 7 for communication services, courier messenger, and subpoena services. Court Administration also includes one (1) new General Magistrate position to support Baker Act hearings, certain Guardianship hearings, and Probate hearings within the circuit. Also included is a Program Specialist position transferred from Health Services as part of the Opioid Pharmaceutical Settle program.

**Property Appraiser** – The FY 2023-24 budget reflects a 7.4% or \$1.9 million increase compared to the FY 2022-23 budget. The estimated amount to be paid by the General Fund is \$24,591,470 for FY 2023-24. The budget includes an increase of five (5) employees. The budget for the Property Appraiser is approved by the Florida Department of Revenue (FDOR). The BCC may provide comments on this budget to FDOR. The General Fund pays only its pro-rata share of the Property Appraiser’s total operating budget in accordance with billings received from the Property Appraiser.

**Public Defender** – The FY 2023-24 operating budget of \$75,586 remained status quo from the FY 2022-23 budget and includes funding for state mandated costs associated with Article V, Revision 7 for communication services, courier messenger, and subpoena services.

**Sheriff** – The FY 2023-24 General Fund/Special Tax MSTU contribution of \$344.7 million increased by 7.7% or \$24.5 million from the FY 2022-23 budget of \$320.1 million. The Sheriff General Fund/Special Tax MSTU budget is divided into two (2) major functional areas: 1) Law Enforcement funding of \$326.4 million and 2) Court Security funding of \$18.3 million. The budget includes 54 new positions of which 34 are sworn office positions and 20 civilian positions. At this time all new positions are unfunded until more of the current vacancies are filled. The 34 sworn positions include: one (1) Behavioral Response Unit Officer, one (1) School Resource Officer, two (2) HRIC/SWAT Operator, one (1) FTEP Training Coordinator, two (2) Enforceable Writs Officers, two (2) Police Athletic League (PAL) Deputies, twenty-five (25) Uniform Patrol Officers. The 20 civilian positions include: twelve (12) Field Service Officers, one (1) Crime Scene Investigator, one (1) Forensic Firearms Specialist, one (1) Parking Enforcement Officer, one (1) Assistant Squad Leader, one (1) I.T. Supervisor-IMS Section, two (2) I.T. Exchange Administrator - IMS Section, and one (1) Assistant General Counsel. Operating costs include funding for body camera/taser contracts, fuel, patrol vehicle leases, helicopter lease, radio replacements, and other operating supplies.

<b>General Fund/Spec. Tax MSTU Expenditures:</b>	<b>FY 2023-24</b>
Personal Services	\$282,576,110
Operating Expenses	50,695,353
Capital Outlay	8,938,342
Debt Service	2,450,000
Other Uses	0
Total	<u>\$344,659,805</u>
<b>Sheriff Funding Source Summary:</b>	
Gen'l/Spec. Tax MSTU: Law Enforcement and Court Security	<u>\$344,659,805</u>

<b>Special Revenues:</b>	<b>FY 2023-24</b>
Law Enforcement Trust State Forfeiture	3,214,250
Law Enforcement Trust Treasury Federal Forfeiture	2,821,750
Law Enforcement Trust Justice Federal Forfeiture	2,546,250
State Law Enforcement Education Trust	790,350
Misc. Capital Construction Fund	3,500,000
Law Enforcement Impact Fees	13,850,000
Subtotal Special Revenues	\$ 26,722,600
 TOTAL	 <u>\$371,382,405</u>

**State Attorney** – The FY 2023-24 budget, which includes state mandated costs associated with Article V, Revision 7 for communications service, courier messenger, and subpoena services, remained status quo at \$75,000 from the FY 2022-23 budget.

**Supervisor of Elections** – The FY 2023-24 budget of \$21.9 million increased by 47.7% or \$7.1 million from the FY 2022-23 budget. The core budget of \$8.3 million contains the basic costs of operating the office year-round. The \$13.6 million elections budget contains those expenses associated with conducting the two (2) elections within this fiscal year. This fiscal year focuses on conducting the Florida Presidential Preference Primary on March 19, 2024, and the Florida Primary Election on August 20, 2024. With the the Presidential General Election on November 5, 2024, a portion of this budget includes advance preparations. Voter registration is anticipated to reach 950,000 for the Presidential Election. There are two (2) new positions included in the budget to meet outreach and programming needs.

**Tax Collector** – The operating budget is required by state statute to be submitted to Orange County by August 1 of each year. The operating budget for the Tax Collector is approved by Florida Department of Revenue.

The Orange County BCC has no control or authority over the Tax Collector’s operating budget. The FY 2023-24 operating budget submitted to FDOR is summarized below.

	<b>FY 2023-24</b>
Personal Services	\$ 25,768,129
Operating Expenses	7,999,230
Capital Outlay	2,044,305
Total	<u>\$ 35,811,664</u>

The commissions to be paid by the General Fund to the Tax Collector are budgeted at \$51.7 million for FY 2023-24, which is a 12.7% or \$5,812,088 increase due to higher property values. The charge is in accordance with a formula outlined in Florida Statute 192 whereby taxing entities pay commissions to the Tax Collector for services provided. The Tax Collector has no control over the amount charged for commissions, and the amount of commissions paid to the Tax Collector does not reflect their operating budget. The General Fund pays commissions to the Tax Collector for tax collections made for the following taxing entities: General Fund, Capital Projects Fund, Parks Fund, Orange County Public Schools, and Unincorporated Orange County(Sheriff).

**Capital Improvements** – The FY 2023-24 capital improvements budget decreased by 74.7% or \$35.6 million from the FY 2022-23 budget. Unspent budget from FY 2022-23 for BCC Districts CIP Projects will be re-budgeted to FY 2023-24 after the budget is adopted. Included in the budget is funding for Clerk of Courts Winter Park facility, Clerk of Courts Renovations, and Clerk of Courts Ceremony Room Improvements, which is a new project under Clerk of Courts. Also, included in the capital projects is funding for Sheriff Evidence Facility completion, Criminal Division Renovation, and Sheriff Sector V Substation. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects for Constitutional Offices.

**Reserves** – The reserves budget of \$8,508,382 is for the Teen Court Fund in the amount of \$8,382 and Sheriff Impact Fee Fund for future capital expenses in the amount of \$8,500,000.

---

## FUNDING SOURCE HIGHLIGHTS

The majority of the funding for the Constitutional Officers comes from the General Fund.

**Comptroller** – The list below identifies estimates of all sources of funding for the Comptroller’s FY 2023-24 budget:

<b>Commission &amp; Fees:</b>	<b><u>FY 2023-24</u></b>	<b>Charges for Services:</b>	<b><u>FY 2023-24</u></b>
General Fund	\$ 10,020,618	Records Fees	\$ 5,250,000
Building	483,896	Certification & Copy Fees	180,000

**CAPITAL IMPROVEMENTS PROGRAM**

Projects under  
**Constitutional Officers**

The Clerk of Courts projects consist of funding for the Winter Park/Goldenrod Clerk of Courts branch office and two (2) new projects, Clerk of Courts Renovation and Clerk of Courts Ceremony Rooms Improvements/Renovations.

The Sheriff's Office has 10 projects in the capital improvement plan that are being evaluated, under design, or in construction.

	<b>Adopted FY 2023-24</b>
Clerk of Courts	\$ 5,580,000
Sheriff	6,500,000
Total	\$ 12,080,000

**Funding Mechanism:**

The BCC Districts, Clerk of Courts and Public Defender capital projects are funded from the Capital Projects Fund (1023).

The Sheriff's Office projects are funded from the Law Enforcement Impact Fee Fund (1035) and the Capital Projects Fund (1023).

The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/23 to accurately reflect Total Project Costs approved by the Board of County Commissioners.

## Administrative Services

### Purpose Statement:

The Administrative Services Department provides essential support to the operating divisions and constitutional offices of Orange County to enable them to deliver services that meet the demands of the customers they serve. The support services include building design and construction, maintenance services, building security, property leasing and acquisition, fleet management, procurement, fiscal and operational support, and business development.

### Program Descriptions:

- The **Business Development Division** provides resources that stimulate economic growth for minority, women, and registered service disabled businesses. This includes processing certification and re-certification applications, registering Service Disabled Veterans, conducting site visits, conducting numerous contract compliance reviews, reviewing payment applications, serving as an advocate for Minority/Women Business Enterprise (M/WBE) firms, providing educational entrepreneur workshops, maintaining M/WBE, collaborate with members of the M/WBE Advisory committee and registered Service Disabled Veterans directories for usage by prime firms, and acting as a catalyst for engaging M/WBE firms with outreach and networking opportunities.
- The **Capital Projects Division** effectively manages and delivers Capital Improvement Projects (CIPs) for numerous departments and divisions within the county. All projects start with an assessment. After the project scope and budget are established the projects, including new buildings, the renovation of existing county properties, and major building systems replacements are designed, bid, and constructed. With an emphasis on Sustainability and Resilience the design and construction for these projects focus on energy efficiency, ease of maintenance, durability, and functionality to meet both the end user and citizen's needs.
- The **Facilities Management Division** provides a safe and healthful work environment for employees and the general public in a cost effective, sustainable and energy efficient manner. This mission is accomplished by performing routine, preventive, and emergency maintenance to county facilities. Facilities maintenance also provides security guard and custodial services for all county buildings ensuring the facilities are safe, clean, and attractive; as well as, protecting a significant public investment.
- The **Fiscal & Operational Support Division** provides fiscal oversight and management of Administrative Service's budget, as well as operational support for all of the divisions within the department.

- The **Fleet Management Division** ensures in-shop and road repair services are available for scheduled (preventative maintenance) and unscheduled maintenance of over 3,900 county-owned vehicles and off-road equipment. Service is provided by fleet mechanics, support personnel, and/or contracted vendors.
- The **Procurement Division** manages the county's procurement program by contracting for goods and services, including professional services and construction. This program consists of all the steps leading to determination of appropriate solicitation and contract type, selection of contractor/vendor, negotiation and award of contract, and numerous other administrative actions.
- The **Real Estate Management Division** acquires real estate and various easements to provide land needed for all Orange County infrastructure projects including, but not limited to, road-widening, drainage and utility improvements, preservation of environmentally sensitive lands, parks, fire stations, and maintenance facilities. Real Estate also provides direction on space needs for county departments and agencies. The program provides leasing services, coordinates abatement and demolition of buildings and structures, performs surplus property sales in compliance with Florida Statutes 125.35, and provides information to the public and other Orange County agencies regarding real property interests held by Orange County.

### FY 2022-23 Major Accomplishments:

#### *Business Development*

- Increased the number of new certifications processed using the on-line certification B2GNOW system.
- Assisted in creating various M/WBE forms for the e-procurement System. A bidder clarification portal was created to allow bidders to submit on-line clarification documents, if necessary.
- Continued to enhance the contract compliance review for Construction, Goods & Services and Professional Services contracts. Creation of on-line portal for Consultants/Contractors to submit monthly or quarterly M/WBE Utilization reports.

## Administrative Services

- Processed over 1,300 Procurement related tasks (M/WBE goal analysis, M/WBE RFI/Addendum questions, Evaluation of bids/proposal and task authorizations)

### **Capital Projects**

- Managed 339 projects with total project costs of \$571 million.
- Added processes and forms to the Construction Project Management software to improve all aspects of monitoring and tracking county construction projects including a new daily project inspection report for site visits that automatically populates in the project files. This software monitors and reports on all aspects of the projects including budgets that are linked to the county's accounting software, Critical Path Method (CPM) schedules, and document management.

### **Facilities Management**

- Maintained over 535 heating and air-conditioned buildings and 300+ non conditioned structures totaling 5.8+ million square feet of space.
- Completed over 48,000 maintenance work orders.
- Completed multiple sustainability measures e.g., white roofs, LED (light-emitting diode) retrofits, natural gas generators, etc.
- Received EnergyStar certification for the Mental Health & Homeless Office.

### **Fleet Management**

- Selected as the #7 Leading Fleet in North America by a leading industry publication and trade group.
- Implemented a new Fleet Management Software (Assetworks) after two (2) years of planning and coordination.
- Technician productivity was over 82%, despite staffing challenges. Even with this, Orange County Fleet continues to be one of the highest among cities and counties in the state.
- Assisted other departments in purchasing or ordering additional electric vehicles for deployment.

### **Procurement**

- Managed over \$750 million in commodity, service, construction, and engineering procurement volume.
- Obtained the Achievement of Excellence in Procurement Award from the National Procurement Institute for the 28th consecutive year. This award recognizes procurement practices that exceed national standards.
- Issued the first Request for Proposals for a Public-Private Partnership.
- Held the first Contracting Academy resulting in over 200 new vendor registrations.

- Enhanced Vendor Services web page to provide additional guidance and resources to the business community.

### **Real Estate Management**

- Acquired 346.02 acres of land for Green PLACE Program; 82.89 acres are under contract and 834.49 acres are in active negotiations under the Green PLACE program.
- Completed acquisition of lands for new Fire Station 32 and 38 acres for the new Fire Rescue Training Facility.
- Completed acquisition of the following roadway improvement projects: Bates Road Bridge (100%), Buck Road Bridge Replacement (100%), East Bay Street (100%), University Blvd and Dean Road (50%), and Texas Avenue RCA (30%).
- Procured new project management software: Aurigo Masterworks.

### **FY 2023-24 Department Objectives:**

#### **Business Development**

- Continue with finalizing the M/WBE Disparity Study and begin implementing recommendations including policies and procedures to enhance the effectiveness of the M/WBE program.
- Continue with finalizing the implementation of the Contract Compliance B2GNOW system.
- Continue to increase visibility in the Central Florida area to provide awareness of the M/WBE program.
- Update M/WBE Ordinance to include M/WBE Disparity Study recommendations and applicable legislative changes to create policies & procedures.

## Administrative Services

### ***Capital Projects***

- Continue to add processes and forms within the new Construction Project Management software to improve the automation of all aspects of construction management which includes sharing folders with the Procurement and Business Development Divisions. To assist with implementing and tracking the Mayor's sustainability initiative, the County Design Guidelines will be reviewed quarterly, and a new process is being developed with a sustainability checklist and continue to monitor National Pollutant Discharge Elimination System (NPDES) requirements across the county projects.
- Complete construction of Horizon West Phase 1A park, Fire Station 32, Multicultural Center Mosquito Control, and Fire Training Center.
- Continue with the planning, design, and construction major projects including the Medical Examiner's Expansion, Barber Park Recreation Center, Animal Services Facility, Corrections MEP (Mechanical, Electrical and Plumbing) Package and Security Package projects, and Corrections Horizons Dormitory Improvements.

### ***Facilities Management***

- Continue to pursue energy improvement projects with rebates to reduce utility consumption in county buildings.
- Implement sustainability efforts in county facilities to meet the county's sustainability objectives.
- Implement a proactive maintenance strategy that uses real time data to detect and prevent mechanical failure before they occur.
- Continue with implementing software for Capital Planning and benchmarking of labor rates, utilities, maintenance task costs, and square footage costs.

### ***Fleet Management***

- Continue to explore and implement short-term and long-term sustainability options to meet the county's goal of reduced petroleum fuel usage by 2030 including increased deployment of EV/plug-in hybrid electric vehicle (PHEV)/Hybrid vehicles.
- Begin replacement of eight (8) underground fuel tanks (15,000 gallons each) and 10 underground oil/lubricant tanks (500-1,000 gallons each) at Vineland Road location.
- Begin implementation and installation of replacement fuel system hardware and software.

### ***Procurement***

- Continue progress of implementing processes and practices for alternate project delivery methods such as Construction Manager at Risk (30% and 100%), and Design-Build.

- Continue progress of updating policies and procedures to ensure full compliance with all applicable standards and updated legislation.
- Continue progress toward achieving increased efficiencies in contract management, automation, and e-procurement applications.
- Continue to coordinate with the County Attorney's Office to develop enhancements to the Procurement Ordinance to ensure the county is operationally efficient, cost effective and business friendly.
- Expand outreach and educational opportunities to the business community.

### ***Real Estate Management***

- To acquire at least 1,000 acres of conservation lands under the Green PLACE program.
- Implement processes to assist with county-wide initiatives to advance affordable housing inventory.
- Implement new project management software in collaboration with Public Works and Environmental Protection Division.
- Complete the acquisition of lands for the new Fire Station 31 and the Sheriff's Office Sector V Substation.
- Complete acquisition of real estate parcels for multiple county road projects, including the Richard Crotty Parkway, Texas Avenue RCA, Kennedy Boulevard (Forest City and Wymore Road), West Sand Lake Road, Taft-Vineland Road, and Ficquette Road, Avalon Road, Innovation Way, International Drive Pedestrian Bridge, and Reams Road.

## Administrative Services

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases. The department’s net position change is an increase of four (4); one (1) Building Security Coordinator for overseeing the large guard service operations at the outer Court and other County buildings, for example, the Administration Center, IOC I and IOC II, as well as resolve performance issues and verify weekly invoices; two (2) Contracting Agents to support the high workload for commodities, services and consulting services as well as improve meeting performance timelines for county departments; and, one (1) Program Coordinator to provide additional support for lease management with landlord communication, tenant calls, market studies, schedules, and legal reviews of new leases and renewals.

#### **Four (4) New Positions FY 2023-24**

- 1 – Building Security Coordinator, Facilities Management
- 2 – Contracting Agent, Procurement
- 1 – Program Coordinator, Real Estate Management

**Operating Expenses** – The FY 2023-24 operating expenses budget decreased by 2.8% or \$1.7 million from the FY 2022-23 budget mainly due to rollover encumbrances in maintenance of equipment and contractual services. Significant adjustments include Facilities Management Utilities cost increased by \$1.0 million to cover electric utility increases in both Orlando Utilities Commission and Duke Energy, total budget is at \$12.3 million. Maintenance of buildings, improvements & grounds increased by \$700,000, and is budgeted at \$13.9 million, due to maintenance and repair costs that are impacted by term contract increases and material cost increases as well as the addition of three (3) new facilities, Metric Drive, the CARES Act Warehouse, and a Cultural Community Center. There is additional funding of approximately \$500,000 for maintenance of buildings to cover increases for leased space. Beginning in FY 2023-24, Facilities Management will oversee the janitorial and landscaping services at the Corrections Complex the annual budget impact is \$237,841, total budget is at \$4.9 million.

In the Fleet Management Division, budgeted fuel costs are \$4.7 million for unleaded and \$2.5 million for diesel. This equates to an increase purchase cost of \$3.50 per gallon for unleaded and diesel compared to \$3.00 per gallon in the FY 2022-23 budget, respectively. Sublet services are budgeted at \$3.6 million.

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 41.6% or \$479,299 from the FY 2022-23 budget due to rollover encumbrances and one-time purchase of computer equipment and rolling stock in the current fiscal year. Funding is included for three (3) replacement vehicles.

**Capital Improvements** – The FY 2023-24 capital improvements budget decreased by 52.0% or \$86.2 million from the FY 2022-23 budget primarily due to the timing of projects schedule. The budget includes new funding for the Courthouse Window Improvements project. In addition, continuation of funding is included for the Cultural Community Center, Courthouse Build-out, Fleet Building Renovations, Corrections and Courthouse HVAC and building improvements, as well as on-going capital improvement projects to maintain existing facilities. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects for the department.

**Debt Service** – The FY 2023-24 debt services decreased by 6.9% or \$483,533 due to one-time expenses for capital leases principal and interest payments. In addition, Real Estate Management’s leases budget includes funding for scheduled annual lease increases and the addition of one (1) new lease at the Fire Marshal Warehouse. Also, two (2) relocations, Parkway Center VI and Cypress Park Warehouse and one (1) expansion, Fire Marshal Warehouse

**Grants** – The FY 2023-24 grants budget includes a payment of \$300,000 to the University of Central Florida for co-sponsorship of the lease for the National Entrepreneur Center located at the Fashion Square Mall, as per the agreement approved by the Board of County Commissioners on March 19, 2011.

**Reserves** – The FY 2023-24 reserves budget of \$2.6 million is for the Fleet Management Fund, which is a 9.7% reserve level for the fund.

---

## FUNDING SOURCE HIGHLIGHTS

The General Fund supplies the majority of the Administrative Services funding. Additional funding comes from the Capital Projects Fund and Special Revenue Fund (grant funding), which is used to pay for various capital improvement projects; and from the Fleet Management Fund, which is an internal services fund that derives its revenue from usage fees. Budgeted Fleet Management customer charges decreased by 3.4% or \$932,709 due to a labor rate increase as well as fuel, parts and sublet mark ups.

	<b>Adopted FY 2023-24</b>
Capital Projects	\$ 2,500,000
Facilities Management	73,270,882
Fleet Management	3,889,750
Department Total	<u>\$ 79,660,632</u>

**Funding Mechanism:**

Projects within the Administrative Services Department are budgeted in the Capital Projects, Facilities Management, Fleet Management, and Real Estate Management divisions and are primarily related to the construction, improvement, and maintenance of facilities. Funding is provided by the Capital Projects Fund (1023) and Fleet Management Fund (5530).

The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/2023 to accurately reflect Total Project Cost approved by the Board of County Commissioners.

## Community and Family Services

### Purpose Statement:

The Community and Family Services Department provides services that preserve and enhance the quality of life in the community by protecting and promoting the stability of families and welfare of citizens through the effective planning, implementation and management of human services, and by providing cultural, recreational services, and historical opportunities. Focusing on children and family services, community partnerships, education and culture, and seniors, this multi-disciplinary, diverse department serves to meet the challenges of life present in a rapidly changing metropolitan area

### Program Descriptions:

- The **Citizen Resource & Outreach Division** promotes self-sufficiency by providing a number of services to citizens experiencing a temporary financial or medical crisis. The services include financial assistance needed to maintain housing, eviction prevention, and supportive case management needed to ensure our chronically homeless clients maintain their housing. The division also helps Veterans with benefit and claims filing assistance and provides information, educational outreach and referral services to those with disabilities. The division works with multiple internal and external organizations to provide additional referrals for citizens based on their need and eligibility.
  - The **Citizens' Commission for Children (CCC)** Division funds, evaluates, monitors, and administers contracts that specifically address the needs of children, youth, and families in Orange County. CCC funds 13 Neighborhood Centers for Families (NCFs) that consist of numerous collaborative agencies that use the one-stop shop for Human Services Family Support Model. Also, the CCC funds the After-School Zone (ASZ) program at 31 Orange County middle schools. The CCC also provides oversight and management for the Citizens' Review Panel (CRP), which facilitates a funding process for funding human service programs throughout Orange County. The division administers Orange County's Children's Services funding, a unique funding source dedicated solely to investing in the well-being of children and families in Orange County.
  - The **Community Action Division** is responsible for 13 community centers throughout Orange County. Nine (9) community centers are fully operated by Community Action, and four (4) are operated through partnerships with the CCC, Head Start, and Parks & Recreation. The community centers managed by Community Action are one-stop facilities that house necessary services to meet the needs of low-income citizens through education, recreation, social services, and financial resources.
- 
- Community Action is a recipient of a Community Services Block Grant (CSBG) used to assist families in becoming self-sufficient. The division also administers a Low-Income Home Energy Assistance Program (LIHEAP) that is used to assist low income households in paying their home energy bill, and a Low-Income Household Water Program (LIHWAP), a water assistance program that provides income-eligible Orange County households with financial assistance towards a water-utility costs. Finally, the Office on Aging is a key component of the division as an advocate for aging individuals and their caregivers.
  - The **Cooperative Extension Division** provides practical research-based education and consultation to address local needs in the areas of agriculture, horticulture, natural resources, family and consumer sciences, and 4-H youth development. Teaching sustainable agriculture, environmental and family resources management reduces the use of water and energy and increases the health and economic viability of local communities.
  - The **Fiscal and Operational Support Division** provides administrative services for the entire department. Its areas of responsibility include the administration and coordination of fiscal resources in order to increase efficiency and program coordination.
  - The **Head Start** programs promote school readiness by enhancing the social and cognitive development of children through the provision of educational, health, nutritional, social, and mental wellness services to enrolled children and families. Parents are engaged in their children's learning while participating in programs and activities that enhance their progress toward educational, financial literacy and employment goals. Significant emphasis is placed on the involvement of parents and the governing board in the administration of the Head Start programs. Head Starts are operated in communities, in collaboration with the community.
  - The **Mental Health and Homelessness Division** provides leadership and community planning for mental health, substance abuse, and homeless system issues. The division works closely with providers, stakeholders

## Community and Family Services

and other governments, and has responsibilities to work collaboratively for additional State and Federal funding for mental health and homeless services system projects. The division continues to strive through public and private partnerships to serve the most vulnerable in Orange County.

- The **Orange County Regional History Center** is a national multi-award-winning museum and community anchor in Downtown Orlando. Across multiple floors of exhibitions, both permanent and temporary, and through exciting programming for all ages and backgrounds, The History Center serves as a gateway for community engagement, education, and inspiration by preserving and sharing Central Florida's continually unfolding story.
- The **Parks and Recreation Division** seeks to improve the quality of life in Orange County. Special events build a sense of community and provide opportunities for family engagement. Sports leagues and training give youth and adults a chance to achieve and excel. Historical properties and preservation maintain local heritage and anchor the community. The division manages preserves, open spaces and protects the natural environment for present and future generations. Trails, gymnasiums, classes, and fitness facilities increase community health and wellness. Parks builds the citizens of tomorrow through enrichment programs.
- The **Youth and Family Services (YFS) Division** provides a safety net for children and families that are in crisis in Orange County. Services include a foster care group home, youth shelter, family counseling services, parent education, family stabilization services, juvenile probation services, mental health counseling, diversion services, and a human trafficking residential program. The Juvenile Assessment Center also provides an array of social service programs that link services amongst the division.

### **FY 2022-23 Major Accomplishments:**

#### ***Citizen Resource and Outreach Division***

- Managed the federal Emergency Rental Assistance (ERA 1) program. The program has distributed over \$30 million in rental assistance to more than 4,500 households that were financially impacted by the COVID-19 pandemic.
- The Veterans Services Program assisted veterans with filing more than 1,500 new claims for veterans benefits.

#### ***Citizens' Commission for Children (CCC) Division***

- The Citizens' Commission for Children, in partnership with the University of Central Florida graduated 35 grassroots non-profit organizations from its annual Capacity Building Workshop. All aspects of nonprofit management are taught including effective accounting, performance measures and outreach strategies. This course equips participants to compete for Orange County funding and once funded they can maintain contract compliance.
- The Citizens' Commission for Children enlisted the University of the Central Florida to facilitate The Financial Management for Nonprofits Series and Workshop. The Series consists of eight (8) weeks of sessions that encompass topics such as performance accountability, budgeting, cost efficiency, grants, risk management and audits. Ultimately participants will better manage the financial trusts awarded to them, and finally be audit-ready upon completion of sponsored award requirements. Sixty (60) participants from 30 different agencies were enrolled. The Financial Workshop orients funded nonprofits about financial management practices and finance administration using a mixed-mode delivery format to include in person and web-based training.
- In support of the Mayor's Citizens' Safety Task Force, the Citizens' Commission for Children implemented a Mini-Grant funding process to fund agencies that teach violence prevention strategies. This first-ever opportunity allowed grassroots nonprofits with innovative proposals to aid in the effort to reduce violence among Orange County residents with particular emphasis on youth.

#### ***Community Action Division***

- The division met 100% of its required organizational standards established by the federal government for community action agencies.
- Community Services Block Grant (CSBG) funding helped 8870 individuals obtain work skills and competency to increase their employability.
- There were over 84,752 visitors to community centers. Citizens received services to help stabilize their income, improve their employability and participated in programs that helped to relieve the stresses of socio-economic poverty.
- The LIHEAP Program continued to assist families with utility payments. Nearly 3,659 overdue utility bills were paid for qualified households using the regular LIHEAP Crisis funding and 3,742 were paid with the regular LIHEAP Home Energy Credit funding. An additional 61 units were paid using the American Rescue Plan Act (ARPA) funding. The total units/bills paid for 2022 was 7,401.

## Community and Family Services

### *Cooperative Extension Division*

- Received a continuation from the Center for Disease Control's (CDC) of being nationally recognized for the Diabetes Prevention Program until 2028. This office is the only Cooperative Extension office in Florida that holds this honor. In 2022, graduates of this program lowered A1C, decreased the risk of being diagnosed with Type 2 Diabetes by over 51% and each participant saved around \$22,000/year.
- Through the Family Nutrition Program, 18 school gardens were planted impacting nearly 2,000 youth.
- Trained 33 Orange County Public Schools' teachers in classroom hydroponics resulting in 371 hydroponic systems in classrooms throughout the county.
- Assisted Orange County homeowners with identification diagnostics for over 2,000 plant, insects, problems, and diseases.
- Orange County 4-H hosted a Florida Public Speaking contest which had 6,262 students participate.
- Collected 663 jars of peanut butter, which equated to 1,244 pounds (19,898 ounces) which were divided up and distributed to six food pantries in Orange County by 4-H Clubs.

### *Head Start*

- Orange County Head Start implemented Professional Development Day on the last Wednesday of the month and invested over \$156,870. The program offered over 50 staff trainings, for over 4,000 documented hours of training.
- Orange County Head Start invested American Rescue Plan (ARP) and Quality Improvement funds to implement staff retention strategies. Key positions now receive the county sign-on bonus recruitment strategy. Strategies are focused on compensation, mental health, and well-being.
- Orange County Head Start invested \$4,164 dollars for 13 parents to attend the Child Development Accreditation Program course. Eight (8) parents completed the course and five (5) were offered temporary positions while completing Child Development Associate (CDA) on-site requirements. Three (3) have completed all requirements and received the CDA and accepted full-time positions with Orange County Head Start. This investment helped Orange County Head Start to address the work shortage issue.
- Orange County Head Start invested \$27,500 for two (2) Head Start parents to participate in the Second Harvest Culinary Program, and both are employed in the field.
- Orange County Head Start is 100% Trauma informed, and 80% of the staff gained skills to support challenging behaviors and 77% of staff increased their ability to support the social and emotional development of the children.

### *Mental Health and Homelessness Division*

- With the Orange County Board of County Commissioners approval of all the recommendations included in the Orange County Mental and Behavioral Health System of Care Community Analysis, which was completed in February 2022, the division has worked to initiate all short-term recommendations.
- One of the recommendations of the above-mentioned report was to develop an Implementation Team, consisting of stakeholders and community subject experts; the Team started meeting in May of 2023. The Team will continue to work on the mid and long-term recommendations.
- The division, in partnership with Pediatric Associates, successfully launched the first integrated care model in a pediatric setting that includes the evidence-based practice, Modular Approach to Therapy for Children.
- In August of 2022, the division was awarded a four-year SAMHSA System of Care expansion grant to improve services and supports for children from prenatal through age eight (8). With additional county general revenue, the division has expanded the early childhood services supported with this grant funding.
- One of the division's federal one (1) year congressional awards was to complete a planning phase for implementation of the Upstream Model with Chapin Hall. This work is underway with Orange County Public Schools to identify and prevent homeless students and families while reducing school dropout rates.

### *Orange County Regional History Center*

- Launched Figurehead: *Music & Mayhem in Orlando's Underground* exhibition to great success. For this exhibition and its related programming, History Center Staff was honored with a major national award for Leadership in History from the American Association for State and Local History.
- Booked maximum possible school tours in Fall 2022 and Spring 2023.

## Community and Family Services

---

- Launched new and successful series of programming for celebrating heritage, arts, and culture in Central Florida during African American History Month, Asian American & Pacific Islander Month, Indigenous Peoples Month, and continued our Hispanic Heritage Month celebrations.
- The History Center raised 193% of its goal during the United Arts Collaborative Campaign and 212% more than the previous year.

### ***Parks and Recreation Division***

- Completed Phase II and began construction of Phase III of the Shingle Creek Trail.
- Opened the new Covered Arena at Clarcona Horse Park.
- Completed construction and opened the Magnolia Park Eco Education Center on Lake Apopka.
- Completed installation of generators at Recreation Center Gymnasiums for community emergency shelters serving persons with special needs.
- Completed the new restroom and shower building at Moss Park group camping.
- Constructed and opened the new dog park at Wedgefield.
- Bid construction for Horizon West Park, Phase I.
- Constructed and opened Barnett Park Skate Park.
- Conducted initial community design meetings for Skate Park at Barber Park.
- Began construction on new playground for Rose Place Park.
- Completed LED lighting upgrade at Bithlo Park and Bear Creek baseball fields.
- Began Phase II of the Lightening detection network at sport fields.
- Completed construction of covered basketball court at Capehart Park.
- Began construction on dedicated pickleball facility at Downey Park.
- Began construction on new playground at East Orange District Park.
- Prepared 75 athletic fields for community athletics on over 120 acres of sport turf.
- Partnered with 15 non-profit youth sport organizations to provide recreational athletics.
- Allocated field space to an additional 25 private sport clubs and travel ball organizations who service youth and adults.
- Issued 4,123 free youth memberships to the six (6) county gymnasiums.
- Issued 4,369 fitness and gymnasium memberships to local community customers.

### ***Youth and Family Services Division***

- Great Oaks Village Independent Living Program has partnered with Public Works to discuss with our Residents 16-18 years about the roles/opportunity within Public Works division. Public Works will intern Great Oaks Village (GOV) residents 18 and over that have graduated high school, to become gainfully employed with Orange County.
- The Youth Shelter and Family Counseling were recognized by the Florida Network for best practices with data management, as they have been instrumental in piloting the new Nirvana and Netmis 3 upgrade.
- Stop Now and Plan Youth Justice has been taught in one Charter School and one Private School. This program started as an all-male group for middle and high school students, we then initiated a girls group this year and completed two (2) of them.

### **FY 2023-24 Department Objectives:**

#### ***Citizen Resource and Outreach Division***

- Continue managing the Federally funded Emergency Rental Assistance (ERA2) Program to distribute more than \$13 million in rental assistance to residents financially impacted due to or during the COVID-19 pandemic to prevent evictions and assist renters with maintaining their housing.
- Modify the appointment system used for the Crisis Assistance Program which will allow program to provide more residents with opportunities to apply for rental assistance.
- Work with partners to create required trainings such as financial literacy, landlord tenant and others for clients in the Eviction Prevention Program.

#### ***Citizens' Commission for Children (CCC) Division***

- Evaluate and refine the Family Support Model as implemented by the Neighborhood Centers of Families (NCFs).
- Continue to engage community-based organizations in applying for Citizens' Resource Panel (CRP) funding.
- The Citizens' Commission for Children will continue to enhance the use of data and evaluation among contracted human service providers.

#### ***Community Action Division***

- Enroll clients in a variety of occupational skills training courses offered through local vocational technical schools.
- Implement skills programs to assist clients with obtaining and retaining successful employment.

## Community and Family Services

- The LIHEAP Program will continue to provide utility payment assistance to low-income clients across the county utilizing funding from Federal grant dollars from the State of Florida Department of Economic Opportunity.
- Continue to advocate and provide educational resources in support of healthy living for our senior citizens.
- Continue with the implementation of the Senior Climate Efficiency Program, which repairs and replaces air conditioning units for low-income senior citizens.
- Continue to enhance community engagement and community participation through our community centers.

### *Cooperative Extension Division*

- Continue to provide commercial and residential classes and develop more virtual opportunities for learning about care of landscapes and gardens and conservation of water. This will improve the economic well-being of the agricultural/horticultural industry and the citizens of Orange County.
- Continue to provide environmental education information on sustainable living practices and natural resource conservation and continue to develop the Extension Education Center's Exploration Gardens to bolster the nine (9) principles of the Florida-Friendly™ Landscaping Program.
- Expand programs and networks through increased virtual programs to promote local economic development through the support of local food systems and promote healthy nutrition and lifestyles to reduce individual and community health care costs.
- Continue to provide timely programs and increase virtual programming to cover the myriad of topics that aid in 4-H Youth Development and family activities throughout the county.

### *Head Start*

- Institute a professional development program that will ensure staff training needs are addressed and ensure compliance with regulatory and programmatic requirements.
- Expand on the current employee wellness program to include mental health and wellness activities and resources throughout the year.
- Increase the capacity of the program to become a trauma-informed workforce.
- Increase access for students, educators, parents, and other community members to information technology resources that can enhance children's learning.

### *Mental Health and Homelessness Division*

- Continue to Facilitate Strategic Planning and Implementation Process for the Orange County Mental and Behavioral Health System of Care Community Analysis comprised of the sixteen recommendations.
- Continue to expand and diversify the Youth Mental Health Commission preferred provider network that is family driven, youth guided, culturally and linguistically competent, comprehensive, community based and outcome based.
- Improve the well-coordinated criminal justice diversion system for children, youth and adults with a focus on expanding early intervention and mobile crisis services to adult populations and broadening access for Crisis Intervention Team Training for Law Enforcement.
- Continue to promote the use of Evidence Based Practices across the community that result in positive, long-term outcomes.

### *Orange County Regional History Center*

- Continue to work closely with schools and general visitors to bridge between safety needs and quality engagement and programming opportunities for the remainder of the pandemic.
- Seek supplemental funding and grant opportunities to enhance the museum's ability to serve the Central Florida community.
- Continue to develop and decolonize our Central Florida historical collection, ensuring that it is reflective of our entire community's experience.
- Continue planning and having conversations with the County and Society donors and grantors to move forward with our current capital improvements while planning for greater, more sustainable, long-term growth of the institution in service to the community.

## Community and Family Services

---

### ***Parks and Recreation Division***

- Complete Taborfield Neighborhood Park.
- Complete renovations at Downey Park skate park and playground.
- Complete construction of expansion for Bithlo Park Recreation Center.
- Upgrade ballfield sport lighting to LED for increased efficiencies and superior safety.
- Design Phase 1B of Horizons West Park.
- Open Dr. Phillips Ballfield complex.
- Complete design phase of new recreation center/gymnasium at Barber Park.
- Begin construction of Phase III of the Shingle Creek Trail.
- Complete design for renovations and reuse of Lake Ellenor Park.
- Host the Mayor's Jazz Festival at Cypress Grove Park.
- Begin restorative construction of the historic Christmas Post office.
- Complete construction of Summerlake park.
- Begin upgrade construction of Barnett Park and Turnbull Park playgrounds.
- Open the new dedicated pickleball court facility at Downey Park.
- Complete construction of Rose Place playground.

### ***Youth and Family Services Division***

- CINS/FINS and DJJ programs will continue to work closely with our community partners by increasing awareness of the services available, through outreach and monthly meetings.
- Continue to work closely with Orange County Public schools so that we can assist in being part of the continuum of services. These services include counseling, Stop Now and Plan and parenting education and support.
- Continue to grow Stop Now and Plan Youth Justice by adding more public schools and more groups.
- Great Oaks Village program continue to seek ways to encourage youth to be more responsible and productive, by implementing the "Good Citizenship Award". Youth who exhibit good citizenship skills in school and in the program, will be acknowledged.

## Community and Family Services

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases. The department’s net position change is a decrease of seven (7); four (4) Recreation Specialist positions in Parks & Recreation Division to assist with workload in Deputy Scott Pine Park, Dr. Phillips Baseball Fields, Clarcona Park, and Magnolia Park; and, 11 Cooperative Extension Agents positions will no longer be on Orange County’s payroll as they will now be paid by contract with the University of Florida in order to provide same benefits across the state for all Extension Agents. These positions will continue to provide the same services for Orange County as contracted employees, as this change is only administrative.

#### **Four (4) New Position FY 2023-24**

4 - Recreation Specialist, Parks & Recreation

**Operating Expenses** – The FY 2023-24 operating expenses budget decreased by 44.8% or \$45.8 million from the FY 2022-23 budget. The FY 2023-24 budget does not reflect carryover grant funds or new grant awards, which were recognized after the budget was adopted and is the primary reason for the reduction. The Senior Climate Efficiency Program to help low income seniors (60+) with air conditioner replacement, service, or system upgrades increased from \$420,000 to \$500,000. The required Department of Juvenile Justice (DJJ) payments were budgeted at \$5.2 million, which is unchanged from the FY 2022-23 budget. Also included in the budget is \$1.5 million to continue implementing the Citizens Safety Task Force recommendations. The other half a million is budgeted in Neighborhood Services and the Non-Departmental budget.

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 62.5% or \$4.8 million from the FY 2022-23 budget. The reduction was primarily due to one-time purchases of buildings, structures and facilities other than buildings, and equipment in Head Start, Regional History Center, and Parks and Recreation divisions. The rolling stock budget includes funding for one (1) new vehicle for the Citizens’ Commissioner for Children Division, one (1) replacement vehicle for the Cooperative Extension Division, and one (1) new vehicle and six (6) replacement vehicles for the Parks and Recreation Division.

**Capital Improvements** – The FY 2023-24 capital improvement budget decreased by 66.0% or \$67.1 million from the FY 2022-23 budget. The majority of the decrease was due to the timing of re-budgets for capital projects from the FY 2022-23 budget. The budget includes funding for the John Bridges Community Center, Tangelo Park Community Center, Community Center Security Upgrades, Multi-Cultural Community Center Phase IV (Senior Center), Emergency Generators for Great Oaks Village, Horizon West Regional Park, Horizon West Trail, Pine Hills Trail and other parks construction, maintenance, renovations and additional amenities. Please refer to the detailed Capital Improvement Program section of this document for a complete listing of projects for the department.

**Debt Service** – The FY 2023-24 debt service budget increased by 10.8% or \$11,052 from the FY 2022-23 budget for capital leases principal and interest payments in the Regional History Center division.

**Grants** – The FY 2023-24 grants budget decreased by 33.6% or \$31.1 million from the FY 2022-23 budget. The FY 2023-24 budget does not reflect carryover grant funds, which were recognized after the budget was adopted. Grants are awarded to outside agencies to provide services that help meet the needs of Orange County citizens and their families.

Citizens Review Panel (CRP): The CRP is responsible for making funding recommendations for the allocation of Orange County human services dollars. The CRP board consists of 20 county volunteers. The CRP volunteers attend agency site visits, which include program and budget reviews. Once this process is complete, the CRP funding recommendations are submitted to the Board of County Commissioners for final action. The budget for FY 2023-24 is \$4.2 million, which includes \$236,078 for contractual services and \$3.96 million in grants.

CRP Small Grants: The CRP Small Grants Program helps bring critically-needed services to the citizens of the community by providing funding to small non-profit human service agencies that have operated in Orange County for at least one (1) year and have total budgets of no more than \$300,000. The CRP Small Grants Program budget for FY 2023-24 is \$257,500.

	<b>FY 2023-24</b>
Stand Up Survivor	40,000
TBD	217,500
Total	<u>\$ 257,500</u>

Neighborhood Center for Families (NCFs): A collaborative effort with partners providing holistic, family-focused services to children within the context of the family. Programs and services are directed toward measurable outcomes and utilize best practices. This system of support emphasizes prevention and early intervention. The NCF budget for FY 2023-24 is \$7.2 million.

	<b>FY 2023-24</b>
Aspire Health Partners, Inc.	\$ 1,411,223

Volunteer for Community Impact, Inc.	13,135
TBD	282,030
Total	<u>\$ 7,161,908</u>

After School/Summer Programs: Provides Orange County school children with a safe haven that includes educational and recreational alternatives in their daily lives. The After School/Summer Program budget for FY 2023-24 is \$3.6 million.

	<b>FY 2023-24</b>
Boys & Girls Clubs of Central Florida	\$ 1,824,669
YMCA	1,821,579
Total	<u>\$ 3,646,248</u>

Healthy Start Initiative: The state's most comprehensive maternal and infant health care program. Its mission is to improve maternal and child health in Orange County through community partnerships. Services for new mothers and infants include: breastfeeding support, family planning counseling, nutrition education, baby care instructions, and parenting classes. The FY 2023-24 budget is \$43,924.

Compact Orlando/Orange: Provides Jones High School students with mentoring and tutoring services to raise reading and test-taking abilities in regards to the Florida Standards Assessment (FSA). The FY 2023-24 budget is \$48,983.

Harbor House: Provides shelter nights for victims of domestic violence and their children. The FY 2023-24 budget is \$305,960.

Victim Service Center: Provides information and assistance to victims of crime and enhances community awareness of the impact of crimes on victims. The FY 2023-24 budget is \$309,195.

Embrace Families: Provides residential group care pass-through under the terms of a contract with the Department of Children and Families. The FY 2023-24 budget is \$60,000.

Children Services Program: Provides additional \$26.4 million for children services in the area of Early Childhood Education & Care, Homeless Prevention, Youth Mental & Physical Health, and Juvenile Prevention/Diversion. The FY 2023-24 grants budget is \$23.0 million, which includes \$2.8 million of rollover projections from FY 2023-24. The remaining \$3.4 million is included in the Community and Family Services personal services and operating expenses budget to provide internal funding for some of the children services programs that will be performed directly by Orange County Government.

Homeless Initiative: Provides day drop in services at Samaritan Resources Center located in East Orange County, diversion resources from shelter, permanent supportive housing, bridge housing and rapid re-housing for Orange County families, and supportive services for permanent supportive housing for Orange County chronically homeless individuals. The FY 2023-24 budget is \$5.4 million.

Behavioral and Mental Health Issues: Provides additional \$10.0 million for Mental and Behavior Health to help bridge the \$49 million gap funding identified by the Heart of Florida United Way report presented to the Board of County Commissioner on February 22, 2022. Funding will go toward implementing the recommendations presented under the focus areas in the report that include: integrated and coordinated mental and behavioral health care delivery; mental health promotion; qualified and available workforce; and, mental and behavioral health finances.

Mental Health Issues: Provides mental health services for adults, children, adolescents, and young adults, as well as substance abuse services through a network of providers/partners. The FY 2023-24 budget is \$9.2 million, which includes \$1.3 million for Wraparound Orange services; \$933,340 for Mobile Crisis, which includes an additional \$33,750 for United Way staff to answer 211 calls due to increased calls (the state currently covers 1/3 of the cost); \$5.9 million for adult public mental health substance abuse crisis services and residential services; \$389,007 for the Youth Mental Health Commission breakthrough project such as Embrace Families Solutions; \$648,720 for Functional Family Therapy; and, \$76,500 for Mental Health Association of Central Florida. In addition, \$59,500 is budgeted for the Orlando United Assistance Center to continue the agreement that is in place to support the LGBT-Center's continued operation.

**Reserves** – The FY 2023-24 reserves budget of \$37.3 million includes funding for the Parks and Recreation Division, which includes \$12.2 million in the Parks Fund and \$25.1 million in the Parks and Recreation Impact Fees Fund.

**Other** – The FY 2023-24 other budget includes an interfund transfer of \$2.3 million from the Emergency Shelter grant to the General Fund for costs related to Great Oaks Village.

---

## FUNDING SOURCE HIGHLIGHTS

The FY 2023-24 budget for the Community & Family Services Department includes funds from the General Fund, various grants, Special Revenue Funds, and the Children and Family Services Board. The Special Revenue Funds decreased by 46.2% or \$94.4 million due to the timing in which grants are awarded. Most state grants are received on July 1. Remaining balances in these grants are rolled over to the following fiscal year after the budget is adopted.

Beginning in FY 1997-98, the Orange County Board of County Commissioners (BCC) earmarked a portion of the countywide ad valorem tax millage to provide dedicated funding for county parks and recreation programs. Other funding sources for Orange County parks include public service tax, park entrance fees, park user fees, park concession revenues, and other park charges.

**Parks Impact Fee** – Effective March 10, 2006, the BCC approved the Parks & Recreation Impact Fee. The BCC determined that impact fees provide a reasonable method of regulating new residential development in the unincorporated area to ensure that such new development pays a portion of the capital cost of parks and recreation facilities necessary to accommodate such new development. The capital improvements funded by parks impact fees shall provide parks and recreation facilities to new residential development within the unincorporated area. Impact fees are assessed on new residential housing and the number of building permits for new homes has increased in the past year. It is anticipated that collections for FY 2023-24 will be approximately \$7.6 million compared to \$7.1 million budgeted in FY 2022-23.

Executive Office

## Convention Center

### Purpose Statement:

The award winning Orange County Convention Center (OCCC) is an economic engine for Central Florida. The campus is spread on a 400-acre eco-friendly campus consisting of two facilities with 7.1 million square feet, of which 2.1 million square feet is exhibition space.

The mission of the OCCC, the Center of Hospitality, is economic development. The OCCC infuses the local economy with new money and expanding business opportunities.

### Program Descriptions:

- The **Capital Planning Division** is responsible for capital projects with emphasis placed on life-safety projects, energy management, upgrading signage and wayfinding to improve the guest experience, interior and exterior building improvements, and security enhancements.
- The **Event Operations Division** is comprised of three (3) sections: Event Utilities, Rigging and Event Set-Up. This division provides a variety of client and user services such as electrical, water, rigging, theatrical services, and set-up. These unique in-house services bring an advanced customer experience to clients. The activities of the Event Operations Division account for a significant portion of the OCCC's operating revenue. As one of the few remaining climbing facilities, the rigging team efficiently installs overhead equipment for event branding, convention exhibitors and productions.
- The **Facility Operations Division** is responsible for providing direct building maintenance, repairs, environmental services, water, electrical and chill water utilities; and sustainability, recycling and waste diversion support for 7.3 million square feet of conditioned building space and 400 acres of real estate; including a fire station, a, seven-story 900 vehicle parking garage, and a 95,000-square-foot warehouse distribution center. The services include fire alarm and fire sprinkler systems, lighting & sound programming and controls, integrated TV systems, electrical, plumbing, heating, ventilation, and air conditioning; potable and reclaimed water systems, as well as environmental services, waste removal and management, recycling programs, solar renewable energy systems, warehouse operations, building automation systems, ground and landscaping, elevator, escalator, moving sidewalk systems, generator systems and leading safety and sustainability efforts. The division is also responsible for managing and maintaining the Global Biorisk Advisory Council (GBAC) STAR<sup>TM</sup> Accreditation, the Leadership in Energy and Environmental Design (LEED) Gold, ISO 14001 and the OCCC Sustainability Action Plan (SAP).
- The **Fiscal and Operational Support Division** includes the executive office, which provides overall leadership and management support for the various OCCC divisions. This office also networks with current and potential clients and fosters partnerships with Orange County, Visit Orlando, the Central Florida Hotel and Lodging Association, area business leaders and other organizations. Other sections in the division provide administrative and financial support. The division is responsible for budgeting, creating and monitoring lease agreements, billing, inventory, procurement, and managing service contracts. Strategic planning and development are also a focus of this division and is inclusive of all phases of strategic management including planning, transportation initiatives, and research into innovation and improvement of the Center.
- The **Sales and Marketing Division** sells and promotes the OCCC's space and services to the convention and trade show market. The Sales Team incorporates several strategies to ensure success throughout the sales cycle. Through active solicitation and research, the team identifies prospective customers to solicit through use of available research tools. The sales and marketing team also promotes the OCCC and the region through participation and networking in local, regional and national convention and trade show industry associations. Additionally, the sales and marketing team partners with sales teams from Visit Orlando, Convention Center District Hotels, as well as other partners to develop promotional events and strategies that support the OCCC's mission of being a catalyst to economic development for the region. The Sales Team also negotiates rental rates, concessions, and services used to create lease agreements with clients whose events have progressed through the sales cycle.

*The OCCC North-South Building*

## Convention Center

- The Marketing and Communications section manages integrated communication efforts and promotes the OCCC to existing and future clients, partners and stakeholders through national advertising campaigns and public relations to enhance brand equity. The team fosters client relations, employee, stakeholder and partner communications to support internal, external and crisis communications for reputation and brand management, through strategic action plans, social media, e-newsletters, bid books, the website and media relations with national, local, trade and TV media, in coordination with the Office of the Mayor.
- The Event Services team, which consists of Event Management and Exhibitor Services, is responsible for event planning, coordination, and processing exhibitor orders. The primary customers are show managers, exhibitors, and attendees.
- **The Security and Transportation Division** is responsible for the safety and security of the facility and is the liaison with local, state, and federal law enforcement agencies. This division is also responsible for life safety, fire operations, electronic surveillance, and loading dock operations in addition to providing staff as a liaison for clients and their event security, as well as the planning and implementation of transportation initiatives and parking operations

### FY 2022-23 Major Accomplishments:

- The OCCC hosted 167 events with an estimated 1.59 million attendees, which provided an estimated economic impact of \$2.9 billion.
- Major first-time events at the OCCC included the following:
  - AACR Annual Meeting had 21,600 attendees and \$55,447,200 in economic impact..
  - AACR Annual Meeting had 21,600 attendees and \$55,447,200 in economic impact.
  - Ohio Basketball had 24,300 attendees and economic impact of \$31,189,050.
  - Sherwin Williams had 10,000 attendees and an economic impact of \$24, 386,500.
  - IEEE APEC had 4,750 attendees with an economic impact of \$12,295,930
- Major returning events at the OCCC included the following:
  - Amateur Athletic Union (AAU) Jr. National Volleyball Championships had 200,000 attendees and \$256,700,000 in economic impact.
  - MegaCon Orlando had 160,000 attendees and \$205,360,000 in economic impact.
  - Premiere Orlando had 57,000 attendees and \$146,319,000 in economic impact.
  - Sunshine Volleyball Classic had 42,095 attendees and \$54,028,933 in economic impact.
  - Coverings had 26,800 attendees and 68,795,600 in economic impact
  - International Association of Amusement Parks and Attractions (IAAPA) Expo had 37,000 attendees and \$94,979,000 in economic impact.
  - Florida Volleyball Challenge 2024 had 25,000 attendees and \$32,974,398 in economic impact.
  - Coverings 2024 had 26,800 attendees and \$30,914,381 in economic impact.
  - InfoComm had 36,639 attendees and an economic impact of \$94,052,313.
  - PGA Merchandise show had 30,000 attendees and an economic impact of \$77,010,000. Recertification of the North-South Building LEED v4.1 O+M. Existing Buildings Gold, with a score of 67. This is a very important and significant accomplishment as it identifies the OCCC's North-South Recertification as a "showcase example of sustainability" and demonstrates the OCCC's Leadership and Commitment in transforming the building industry. Recertification of the North-South Building LEED v4.1 O+M: Existing Buildings Gold, with a score of 67. This is a very important and significant accomplishment as it identifies the OCCC's North-South Recertification as a "showcase example of sustainability" and demonstrates the OCCC's Leadership and Commitment in transforming the building industry.
- Renewed the GBAC STAR™ Accreditation on outbreak prevention, response, and recovery. Recognized as the gold standard of safe venues, the OCCC was one of the largest venues in the nation to receive the GBAC STAR™ accreditation and reaccreditation. Renewed the GBAC STAR™ Accreditation on outbreak prevention, response, and recovery. Recognized as the gold standard of safe venues, the OCCC was one of the largest venues in the nation to receive the GBAC STAR™ accreditation and reaccreditation.
- Registered the Convention Center Butterfly Garden with the Monarch Project, as an official way-stop for migrating monarch butterflies. In addition, the butterfly garden was expanded for the 2nd time as part of the Orange County Earth Week Celebrations.
- Started the replacement of all metal halide bulbs with LED on the concourses, meeting rooms, conference rooms, offices, and loading docks at the North-South Building.
- Due to the Convention Center's dynamic venue donation program, the Convention Center was awarded the 2023 Rosen Philanthropic Award at the Annual I-Drive Chamber "Heart of I-Drive Luncheon."

## Convention Center

- To improve emergency response to the North-South Building an automatic isolation valve project is in-progress to provide the ability to shut-off the chill water supply and return lines and isolate the three mechanical Pent-houses in the event of emergency or service needs.
- Fully implemented the Title VI requirements under the Civil Acts Rights of 1964 at the Convention Center and deployed the I-Speak and Title VI signage at the reception desks. In addition, conducted Title VI training at the July 2023 full-building employee Hospitality Huddle.
- Executed the repairs of the pedestrian bridges that connect the Convention Center with the adjacent hotels.
- Implemented a pro-active flying insect control process to keep gnats, mosquitoes and flies from entering the building and affecting events. The multi-layered protection includes electronic bug-zappers at the loading docks, and Dynatrap devices indoor that are deployed as needed. These devices have UV light that attracts the insects, CO2 emitted to lure the insect and a fan pushes the insect into a screened space that traps and dries the insect.
- Hosted the Orange County Government Emergency Operations Center (EOC) for over six (6) months at the Alternate EOC while the main EOC in Winter Park is undergoing renovations. The Alternate EOC is located at the South Concourse.
- Enhanced physical security through the implementation of an K5 autonomous security robot allowing OCCC Security to have 24/7 365 surveillance.
- Implemented cashless parking and modernized the parking payment and management system.
- Industry accolades, national awards and recognition:
  - Convention South honored the OCCC with a 2022 readers' choice award, signifying its status as a premier southern meeting venue.
  - Exhibitor Magazine recognized the OCCC as a Center of Excellence in its 2023 list of the nation's best convention centers for trade shows and events.
  - Smart Meetings honored the OCCC as a 2023 Smart Stars Best Convention Center winner.
  - Orlando Magazine recognized OCCC Executive Director Mark Tester as one of Orlando's 50 Most Powerful People in tourism and transportation.
  - Public Relations Society of America (PRSA) Sunshine District Radiane Awards honored the OCCC's Marketing and Communications team with the 2023 Award of Commendation for its Event Manager Spotlight social media series.
  - I-Drive Chamber of Commerce Board of Directors awarded the OCCC with the Harris Rosen Philanthropic Award in recognition of its charitable donations and sustainable practices.
- Completed significant capital improvement projects:
  - Upgraded the entire North-South Building access control system.
  - Updated remote digital messaging signs along roadways for improved graphics and wayfinding.
  - Completed fire alarm system upgrades in Hall A/ Phase IV of the West Building.
  - Completed improvements on Pedestrian Bridges.
  - Completed diesel tank replacements ranging from 300 gallons to 10,000 gallons campus wide.
  - Upgraded and replaced mechanical equipment servicing West Building meeting rooms and concourses.
- Launched the new Transformational Experiences campaign and various related communications efforts highlighting OCCC's 40th anniversary.
- Fully implement the Exhibitor Services' Mobile Connect system for major shows to provide multiple means of communication that connect exhibitors with services remotely.
- Implemented a new scheduling software for our Rigging On-call staff to help fill upcoming event needs.
- Developed a new method of tracking last-minute online exhibitor orders, to help ensure our Utilities team is getting the proper information to install the services on time.

### **FY 2023-24 Department Objectives:**

- Seek and implement opportunities to increase positive economic impact in Orange County.
- Continue to service legacy clients while soliciting new businesses.
- Develop new businesses to maximize space utilization to align with short-term and long-term strategies.
- Continue to manage revenues and expenditures in an efficient manner.
- Continue to recruit and train talent in order to provide the best customer experience for clients.
- Host live events and exhibitions with a focus on flexibility. As live events continue to transform, the Center remains focused on bringing a client's vision to life through strategic planning, logistics, budget, technology, and safety at the forefront.
- Continue collaboration between all OCCC divisions to ensure maximum efficiency of services across the department.
- Continue to enhance the synergy between Transportation and Parking to more efficiently direct vehicles in and out of the parking lots.

## Convention Center

---

- Research and procure new Set-up equipment that has passed its lifetime to help make the job safer and more efficient.
- Implement a method of tracking work order progress in the Rigging department to help get live updates as well as provide important historical data for shows.
- Create a utility infrastructure in the West building catwalk to help mirror the N/S building allowing us to be more efficient on large show move-ins.

## Convention Center

Key Performance Measures	Notes	FY 2021-22 Actual	FY 2022-23 Target	FY 2023-24 Target
<b><i>Fiscal &amp; Operational Support</i></b>				
– Total Number of Events Held		161	160	159
– Total Number of Attendees for Events Held		1,342,859	1,600,000	1,687,098
– Total Number of Conventions and Trade Shows		107	116	128
– Number of Convention Delegates		1,207,412	1,330,562	1,524,398
– % of Occupancy		59%	56%	67%
<i>Per PricewaterhouseCoopers, it has been recognized industry-wide that the "practical" maximum exhibit hall occupancy rate is approximately 70%; however, an "efficient" range is approximately 50% to 60%. Generally speaking, occupancy levels less than 50% suggest the existence of marketable opportunities or open dates, while an occupancy rate of 60% or greater increases the potential for significant lost business or "turn-aways."</i>				
– Operating Expense Per Delegate		\$ 67.84	\$ 67.49	\$ 74.09
– Economic Impact of the Convention Center (in billions)		\$ 2.73	\$ 3.00	\$ 3.44

## Convention Center

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases. The department’s authorized position count remained unchanged.

**Operating Expenses** – The FY 2023-24 operating expenses budget increased by 12.2% or \$5.6 million from the FY 2022-23 budget due to an increase in anticipated event activity in FY 2023-24 and certain maintenance activities that resumed with increased usage of the complex.

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 84.5% or \$3.0 million from the FY 2022-23 budget mainly due to one-time purchases of utility vehicles to transport people and equipment around the campus. The capital outlay budget includes funding for the addition and replacement of bulk equipment, computer equipment, and rolling stock necessary to efficiently manage operations at the Convention Center.

**Capital Improvements** – The FY 2023-24 capital improvements budget increased by 5.7% or \$3.6 million from the FY 2022-23 budget, with a number of renovation projects that are delayed in order to reduce the strain on reserves. The proposed five (5) year plan of \$451.2 million (2024-2028) provides for continuing renovations and improvements that will assist the Convention Center in remaining competitive in the marketplace. Additionally, Tourist Development Tax (TDT) funding has been included in the budget, in the amount of \$3.0 million for capital projects, as recommended by the Tourist Development Tax Application Review Committee (ARC) and approved by the Board of County Commissioners for the Winter Park Library and Events Center. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects for the department.

**Debt Service** – The FY 2023-24 debt service budget decreased by 0.1% or \$57,751 from the FY 2022-23 budget and is based on the debt service schedule for projects funded with TDT financing.

**Grants** – The FY 2023-24 grants budget decreased by 10.4% or \$1.2 million from the FY 2022-23 budget. The decrease is mainly due to the timing of payments to Cultural Tourism grant recipients. The FY 2023-24 budget includes expenditures for grants approved in prior fiscal years, but not yet paid due to the timing of the contractual obligations. Grants for Cultural Tourism and Cultural Facilities are budgeted based on the formula funding amount of 3.0% of the first four cents of the TDT and subject to the terms and limitations set forth in an agreement with United Arts of Central Florida, Inc., up to an additional two million dollars for: 1) arts and cultural activities, venues, services and events when one (1) of the main purposes of such activities, venues, services and events is to attract tourists; and 2) the acquisition, construction, extension, enlargement, remodeling, repair, improvement, maintenance, operation or promotion of auditoriums or museums to be used primarily for arts and culture.

**Reserves** – The FY 2023-24 reserves budget increased by 19.0% or \$59.0 million from the FY 2022-23 budget. The reserves amount of \$369.8 million includes restricted reserves to meet bond covenant requirements, reserves for future capital outlay, reserves for debt service, and reserves for contingency.

**Other** – The FY 2023-24 other category budget increased by 9.7% or \$11.5 million from the FY 2022-23 budget. The payments to Visit Orlando and the City of Orlando increased, based on the TDT revenue projection. Funds are included for Visit Orlando in the amount of \$99.0 million for tourism promotion, which is funded from the first four cents (\$71.5 million) and the sixth cent (\$27.5 million) of the TDT. Funds are budgeted for payments to the City of Orlando for the Venues projects from a portion of the sixth cent of the TDT (\$27.5 million). Finally, funds are budgeted for the Orange County Regional History Center in the amount of \$3.1 million for operating and capital.

#### TDT Expenditure Budget Summary

Budget Summary (in millions)	FY 2023-24 Adopted Budget
Debt Service	\$ 79.2
Convention Center Operations	21.4
Convention Center Capital	67.8
Visit Orlando (O/ OCCVB) Funding (first four cents)	71.5
Visit Orlando (O/ OCCVB) Funding (sixth cent)	27.5
Contract TDT Payment for Venues	27.5
Arts	8.0
History Center	3.1
TDT Collection Services Fees	0.7
Grants	3.0
<b>TOTAL</b>	<b>\$ 309.7</b>

#### FUNDING SOURCE HIGHLIGHTS

Funding for Convention Center operations primarily consists of revenues from facility rentals, services, food and beverage, parking, supplements from the Tourist Development Tax (TDT), interest, and reserves. The Convention Center's anticipated revenues from operations increased in several areas based on projected show activity with anticipated changes detailed in the table below. Additionally, TDT revenues are projected to increase from the FY 2022-23 budget based on projections for hotel occupancy and room rates.

Major Revenues	FY 2022-23 Budget as of 03/31/2023	FY 2023-24 Adopted Budget	\$ Change	% Change

**Fiscal Year  
2023-24**

**CAPITAL IMPROVEMENTS PROGRAM**

Projects under the direction of the  
**Orange County Convention Center**

Capital projects include Convention Center Improvements (energy conservation upgrades and enhanced security improvements, etc.), renovations of the North/South and West Concourses, and Tourist Development Tax Application Review Committee (ARC) Funding.

	<b>Adopted FY 2023-24</b>
Convention Center Improvements	\$ 27,748,400
North/South Concourse Renovations	26,051,339
West Concourse Renovations	10,410,684
ARC Funding	3,000,000
Department Total	\$ 67,210,423

**Funding Mechanism:**

Funding for Convention Center projects comes from Orange County's Tourist Development Tax.

The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/2023 to accurately reflect Total Project Costs approved by the Board of County Commissioners.

## Corrections

### Purpose Statement:

The Orange County Corrections Department (OCCD) serves and protects the citizens of Orange County by providing for the care, custody, and control of legally incarcerated inmates in a safe and secure environment, and provides programs for those individuals supervised. Primary services include booking, classification, inmate records management, detention, release, transportation, and enforcement of court ordered sanctions for offenders supervised in the community. In addition, several units provide administrative support, including fiscal operations, training, investigations, and accreditation and compliance unit.

### Program Descriptions:

- The **Corrections Admin/Command** is comprised of the Office of the Chief, Deputy Chiefs, Internal Affairs, Risk Management, Information System and Services and Research Unit. This program also provides command services for all six (6) of the department's divisions.
- The **Community Corrections Division (CCD)** provides supervision to pretrial and sentenced offenders as an alternative to incarceration. The operational units include Pretrial Release Supervision, Central Intake, Alternative Community Service, Probation, and Pretrial Diversion. The Inmate Programs Units and the Reentry and Transitional Services Unit are also managed within CCD. Inmates are assisted in transitioning back into the community through intervention programs, employment, and support services.
- The **Fiscal and Operational Support Division** provides fiscal and administrative services for the department. The operational units include Fiscal Services, Inmate Fiscal Operations, and Warehouse/Uniform Supply. The division also provides financial services in the Community Corrections Division Cost of Supervision area and oversees/monitor all department contracts and agreements.
- The **In-Custody Security Operations Division** is comprised of the following facilities: Main Detention, Genesis, Horizon, Phoenix, Whitcomb, and the Female Detention Center. This division also encompasses the Recreation, Special Response Team, and the Security Intelligence Unit, which consists of a K-9 Unit and Inmate Drug Testing.
- The **In-Custody Support Operations Division** provides security and support for the daily needs/care of inmates. The division is responsible for booking and release, detention, Booking & Release Center (BRC) courts, courthouse detention, hospital security, video visitation, transportation, medical security, and perimeter security.

- The **Inmate Administrative Services Division** provides support services through the operations of Inmate Records Management, Pretrial Release Services and Judicial Processing, Inmate Classification, and Inmate Affairs. The responsibilities include (but are not limited to): ensuring appropriate documentation is received to correctly intake and release inmates, assessing and interviewing inmates for pretrial release in accordance with the administrative order, ensuring inmates are appropriately interviewed and housed in accordance with accreditation standards, ensuring requests for special housing and response to negative behavior are promptly addressed, and providing timely response to requests for law library research and materials.
- The **Support Services Division** is responsible for training, policy, accreditation and compliance, fire, safety, security and sanitation, emergency management, mail room, maintenance, laundry services, food services, armory, road crew, and capital projects.

### FY 2022-23 Major Accomplishments:

#### *Corrections Admin/Command*

- Orange County Corrections served as the host agency for the American Correctional Association's national conference in January 2023.
- Achieved state reaccreditation with the Florida Correctional Accreditation Commission and the national reaccreditation with the American Correctional Association.
- Expanded ongoing recruitment efforts to decrease vacancy levels throughout the department and increased efficiency of the hiring process from 16-20 weeks to 5-7 weeks.
- Implemented Staff Wellness programs and opportunities to improve staff's mental, physical and financial well-being to live a healthier lifestyle.
- The Public Information Office fulfilled more than 1,100 public records requests.

## Corrections

- The Internal Affairs Unit (IAU) completed 223 employment background investigations, as well as opening and closing 544 investigations, inquiries, and complaints
- Received recognition by the State Special Olympics Law Enforcement Torch Run Director for being the number one agency in the Central Florida area during the 2022 Publix Special Olympics Campaign.

### *Community Corrections*

- Coordinated and assigned Alternative Community Service (ACS) workers to perform 71,879 community labor-hours of work, valued at \$718,796. In response to worksites being closed, ACS collected \$99,705 for local not-for-profit agencies in lieu of performing work hours.
- The Inmate Programs introduced the MRT –Thinking for Good curriculum to address the need for a CBC (Cognitive Behavior Change) course to serve the Spanish Population. The probation unit facilitated two (2) Spanish speaking CBC classes, graduating 10 Offenders.
- The Inmate Programs Unit, Reentry and Transitional Services team assisted 288 offenders and inmates through collaborations with community partners that provided food assistance, health and hygiene items, employment, clothing, and shelter. The Reentry Clothing Closet and the Job Readiness program served 144 offenders.
- The Pre-Trial Release Supervision Unit's goal of 90% of offenders not having any new law violations, was exceeded to 98.2 % and the goal of 85% successful closure rate was exceeded to 97.5%.

### *Fiscal and Operational Support*

- Collected more than \$1.6 million for the housing of federal inmates from the U.S. Marshall Service, Customs and Border Protection, and Immigrations and Customs Enforcement.
- Processed more than 18,000 Community Corrections Division offender transactions and collected \$1.3 million in offender fees.
- Collected over \$749,000 in one-time booking and daily subsistence fees for inmates housed at the jail.

- Processed more than 63,000 inmate deposit transactions at the jail, valued at more than \$3.6 million

### *In-Custody Security Operations*

- Special Response Team (SRT) conducted 105 “high risk” transports to area courts, hospitals, and other correctional agencies without incident and provided security during tactical search operations and increased SRT presence in facilities to deter and reduce response to resistance incidences.
- The Security Intelligence Unit (SIU) conducted 2,802 inmate drug tests. SIU also effectively managed gang and security threat group activities by conducting more than 362 gang related investigations to reduce potential security threats and assist local law enforcement. Additionally, the SIU K-9 unit, with four (4) drug detection K-9s, completed 3,040 K-9 searches that had a great effect on discovering and reducing contraband.

### *In-Custody Support Operations*

- Processed 30,376 inmate bookings and completed 29,860 inmate releases during the 2022 calendar year.
- Transported 26,399 inmates, a total of 112,245 miles safely and securely to the Orange County Courthouses and various locations throughout Orange County.
- Coordinated 51,936 video visitation visits with family members for inmates.

### *Inmate Administrative Services*

- Pretrial Services (PTS) Unit screened 28,989 inmates, interviewed 18,838 inmates, and released 140 inmates prior to First Appearance and 2,688 inmates onto Pretrial Release Supervision Program.
- Classification Unit conducted 15,790 initial classifications of inmates to include assignment of custody level and appropriate housing. Information obtained from classification assessments and interviews assists in ensuring the safety of staff and inmates
- Inmate Records completed 30,377 bookings into the Orange County jail and processed an additional 29,885 releases from the jail.
- Inmate Affairs Law Library Specialists completed 10,669 online legal searches in response to 3,799 inmate legal requests and fulfilled 463 inmate notary requests.
- Enhance recruitment and retention efforts throughout the division by developing detailed onboarding and training tools (e.g. welcome brochure, focused training outlines, optimal shift selections, etc.)

### *Support Services Division*

- Processed approximately 1.9 million pounds of inmate laundry ensuring the inmate population has clean and sanitized clothing and bedding promoting good health and eliminating the spread of disease.

## Corrections

---

- The Policy, Accreditation and Compliance Unit (PACU) planned and coordinated the FY 2022-23 audits and inspections with multiple local, state, and national level professional organizations to help facilitate the department's goal of maintaining compliance with laws and accreditation standards. PACU enhanced the Internal Inspection Process, which includes planned and coordinated comprehensive quarterly inspections, revised policies, and procedures as appropriate, and expanded the inspection process to include all divisions utilizing certified and non-certified staff.

### ***FY 2023-24 Department Objectives:***

#### ***Corrections Admin/Command***

- Enhance the priority on public safety through Capital Improvement Projects and Jail Master Plan.
- Continue to develop recruitment and retention strategies to minimize staff turnover and decrease position vacancies.
- Continue to explore and expand the use of technology and industry strategies to enhance security and maximize administrative and operational efficiencies.
- Begin the initial steps of Safety Net, a holistic staff wellness accreditation program to ensure the department's wellness program is designed, delivered and maintained in accordance with recognized best practices.
- Internal Affairs Unit will continue to support the Department through active research and participation in the Florida and American Jail Association legislative process on key correctional-related legislation.

#### ***Community Corrections***

- Introduce a new evidence-based program to assist offenders and inmates with financial literacy training, to teach effective money management skills.
- Continue to implement a paperless system which will further advance Orange County's Sustainability Plan and ensure case files are accessible in the event of staff absence.
- The Inmate Programs Unit will continue to work with Community Supervision units to continue to facilitate a Community Resource Fair. The fair will provide access to employment, housing, identification and other basic needs to enhance efforts to reduce recidivism.
- Implement a mindfulness component through a Yoga program for inmates in the New Start and female dorms.

#### ***Fiscal & Operational Support***

- Continue to diligently manage the department's fiscal operations to include contract and budget oversight, efficient purchasing and payment processing, secure handling of inmate property and funds, courteous uniform supply and warehouse services, miscellaneous revenue processing, etc.

- Continue to research new technology to streamline daily processes within the division, such as a digital environment for inventory.
- Implement an automated solution to collect fee payments from offenders on community supervision via a web and/or phone-based system.

#### ***In-Custody Security Operations***

- Continue to provide safe and humane incarceration to pre-sentenced and sentenced offenders, thereby reducing the number undesirable behaviors while in custody.
- Continue to provide an exceptional level of customer service to the citizens of Orange County, Florida.
- Continue staying abreast of current trends that affect the corrections profession at the local and national level.

#### ***In-Custody Support Operations***

- Redesign and expansion of the Booking and Release sally port, scanner, and triage area to improve the safety, security and efficiency of the initial takeover of arrestees from law enforcement agencies.
- Continue the update and redesign of the intake-booking floor to improve the overall safety, security and efficiency of the booking process for the arrestee and staff.
- Complete the construction of Remote Video Visitation room designed specifically to coordinate and monitor all remote visits live within the Video Visitation Center.
- Continue to enhance the quality and level of service provided at the BRC for local, state, and federal law enforcement agencies and the community.
- Continue to evaluate and enhance operational processes throughout the facility with the integration of the most updated technology that will improve safety and security while enhancing workforce production.

#### ***Inmate Administrative Services***

- Collaborate with the Clerk of Courts, and Information Services to implement a paperless process for the delivery of court documents
- Implement the use of electronic signatures in Pretrial Services for use with inmate processes eliminating a large amount of paper.
- Build a knowledgeable and skilled workforce by developing continuing education training for specific work assignments, with focus on job functions and agency needs.
- Certify a minimum of two (2) Classification Officers as Victim Advocates to assist in Prison Rape Elimination Act (PREA) related job functions.
- Enhance inmate reintegration into the general population post separation by creating a step-down matrix for inmates in protective custody to safely reintegrate into the general population.

## Corrections

---

### *Support Services Division*

- PACU will continue to partner with other agencies in order to gain outside perspectives on accreditation compliance and cooperate with internal divisions to provide systematic evaluation of all areas of agency administration and operations.
- Emergency Management to maintain proactive operational posture to appropriately respond to all emergencies with the potential to impact operational safety and readiness.
- Training and Staff Development continue partnering with professional training organizations to create and provide new training opportunities for the department's employees, such as scenario-based training and First Aid Mental Health training.

## Corrections

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees and 4.0% for union employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases. The department authorized position count remained unchanged.

**Operating Expenses** – The FY 2023-24 operating expense budget decreased by 6.1% or \$1.8 million from the FY 2022-23 budget primarily due to a decrease in self-insurance of \$1.1 million, and rollover encumbrances in miscellaneous operating supplies and Non-Indigent Psych Services. Additional adjustments include food service contract increasing by 8% or \$442,247 for a total budget amount of \$6.0 million due to the recent contract extension, which keeps status quo the county labor obligations of 10-15 inmates, and contractual services is increasing by 19.5% or \$538,822 for a total budget amount of \$3.3 million due to the amendment increase for GS4 security guard services contract for various Corrections facilities.

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 51.0% or \$980,236 from the FY 2022-23 budget due to rollover encumbrances and one-time purchases of equipment in FY 2022-23. The budget includes funding for two (2) electronic key boxes for the Main and Horizon buildings at \$58,000, and the continuation of taser replacements at \$152,000. In addition, the rolling stock budget includes funding for four (4) replacement vehicles.

**Capital Improvements** – The FY 2023-24 capital improvements budget decreased by 30.6% or \$12.1 million from the FY 2022-23 budget. The majority of the decrease is due to the timing of re-budgets for capital projects from the FY 2022-23 budget. The continuation of funding is included for the following projects: Recreation Yard/Perimeter Fence, North & South Perimeter Security Buildings, Campus Security Upgrades, Horizon Renovations, Female Detention Center Renovations, Campus-wide Wi-Fi, Jail Management System, Corrections Video Visitation Enclosure, Corrections Training Center, and Corrections Improvement to Facilities. Please refer to the detailed Capital Improvements section of this document for a complete listing of projects for the department.

**Other** – The FY 2023-24 budget does not reflect the State Criminal Alien Assistance Program (SCAAP) grant reimbursement, which was not known when the budget was adopted. The SCAAP grant reimbursement is based on the amount of available funding, number of applications submitted and then based on facilities' size, inmate population, and budget.

### FUNDING SOURCE HIGHLIGHTS

The majority of the funding for Corrections comes from the General Fund. The department also receives funding for staff training from the Corrections-Law Enforcement Education Fund and for inmate programs from the Inmate Welfare Fund. Funding for Corrections capital projects comes from the Capital Projects Fund.

The Corrections-Law Enforcement Education and Sheriff-Law Enforcement Education Funds are funded by a \$2.50 and \$2.00 additional court cost for each violation of a state penal or criminal statute, an Orange County ordinance, or citation for a non- criminal traffic infraction. These funds are equally divided and disbursed, one-half to the Sheriff for training and education of county law enforcement officers and one-half to Corrections for training and education of county corrections staff. The FY 2023-24 estimated revenue from fees for the Corrections-Law Enforcement Education portion is \$275,000.

The Inmate Welfare Fund receives revenue from the sale of commissary and personal items to inmates and a portion of booking and subsistence fees collected from inmates. The revenue is remitted from the private commissary provider in the form of sales commissions. This revenue is used to fund various programs for the overall benefit of inmates. Programs include faith-based programs and inmate community re-entry programs. Commissions from commissary sales for FY 2023-24 are estimated at \$1.9 million. Additional revenue is received through the collection of inmates booking and subsistence fees. These fees are collected to off-set jail costs and to supplement funding of inmate programs. The one-time booking fee is \$6.00 and the daily subsistence fee is \$2.25 for FY 2023-24.

**Fiscal Year  
2023-24**

**CAPITAL IMPROVEMENTS PROGRAM**

Projects under the direction of the  
**Corrections Department**

The Board of County Commissioners is charged with the responsibility of providing and maintaining correctional facilities for Orange County and for systems that support the facilities and their operations.

	<b>Adopted FY 2023-24</b>
North & South Perimeter Security Bldgs	\$ 1,000,000
Rec Yards/Perimeter Fencing Maintenance	334,000
Campus Security Upgrades	6,097,815
Horizon Renovations	10,800,000
FDC Renovations	1,000,000
Campus-wide Wi-Fi Project	800,000
Jail Management System	4,500,000
Corrections Training Facility	1,500,000
Corrections Video Visitation Enclosure	1,300,000
OCCD Impr. to Facilities	150,000
Department Total	\$ 27,631,815

**Funding Mechanism:**

Corrections projects are funded in the Miscellaneous Capital Projects fund.

The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/2023 to accurately reflect Total Project Cost approved by the Board of County Commissioners.

CAPITAL IMPROVEMENTS PROGRAM .....	8-17

## Fire Rescue

### Purpose Statement:

The Fire Rescue Department protects the public health and safety of Orange County citizens and visitors by providing fire prevention and control, emergency medical response, and post-fire services to save lives while reducing property loss and interruption of private and public services. The department coordinates with all emergency response agencies (local, state, and federal) to fulfill its mission through mitigation, planning, response, and recovery. Countywide fire protection is also provided for all forest and wetlands within Orange County through an agreement with the Florida Forest Service.

### Program Descriptions:

- The **Communications Division** provides public safety dispatch services for the Orange County Fire Rescue Department (OCFRD) and four (4) municipalities through contractual arrangements. Services include processing of emergency and non-emergency calls; providing lifesaving medical instructions over the phone to callers in need; coordinating the dispatch and assignment of field apparatus; managing hospital emergency room and Emergency Medical Services (EMS) Medical Director availability for the entire county; coordinating patient flow in the event of any mass casualty incidents in the county; and, functioning as the liaison between Orange County and the State Warning Point for all major incidents. The Telecommunications section provides agency wide support for Land Mobile Radios, Dispatch consoles, Fire Station Alerting, dial tone service, and cell phones.
- The **Fiscal & Operational Support Division** is comprised of the administration functions, which oversees the fiscal element and has the overall financial responsibility for all divisions within the department. This division also manages all promotional processes within the department, including career planning, recruitment, and the funding for IT equipment. The department's safety and wellness programs and public information services are also managed by this workgroup.
- The **Logistics Division** is the sustainable supply arm responsible for the procurement of equipment, medications and contract management that ensures the objective of station and fire fleet readiness. In addition, the division is accountable for the strategic programming of managing capital investments, researching industry products, vehicle specification and maintenance, building construction, building renovation, and all materials needs for the effective operations of the entire department.

- The **Office of Emergency Management (OEM) Division**, by federal, state, and local laws, is responsible for the protection of life and property through a comprehensive emergency management program. This program consists of actions and activities that help prevent, prepare for, respond to, recover from, and mitigate the effects of disasters and/or emergencies in an all-hazards (natural, technological and human-caused) approach within Orange County.
- The **Operations Division** responds to emergency calls with personnel who are trained both as firefighters and Paramedics/Emergency Medical Technicians (EMT's). The division provides primary patient care/transportation and fire suppression throughout Orange County. The division has mutual aid agreements and/or first response arrangements with other municipalities. Operations is also responsible for conducting both certified and non-certified recruit training and is responsible for the training of all field personnel - from orientation through probationary status to ongoing career training and officer development. In addition to providing emergency services, the Operations Division actively participates daily in community service through public education, distribution of smoke alarms, pre-incident planning, blood pressure screenings, and positively interacting with the citizens and visitors of Orange County Florida at every opportunity.

## Fire Rescue

- The **Planning and Technical Services Division** delivers strategic planning, data intelligence, life safety code review and inspections, and technical support services to the department and community. Strategic Planning is responsible for data collection, analysis, distribution, and presentation. Through data analysis, information is transformed, so the department can make informed decisions on managing its resources through a consistent and reliable method that guides policy development. Additionally, Strategic Planning functions to ensure continuity of professional credentialing of its Accreditation and Insurance Services Office (ISO) Rating. The division also oversees the Office of the Fire Marshal, which centers its oversight authority through the Florida Fire Prevention Code (NFPA 1 & 101) and Chapter 633 of the Florida Statutes. Life safety code administration ensures a continuous risk analysis of building safety features that protect the overall welfare of our citizens and guests. The divisional arm of technical services provides technology support to systems and its analysts.

### **FY 2022-23 Major Accomplishments:**

#### ***Communications***

- Met the requirements to maintain continued recognition as an Accredited Center of Excellence (ACE) by the International Academies of Emergency Dispatch (IAED) in Emergency Medical Dispatch (EMD) and in Emergency Fire Dispatch (EFD).
- Implemented the Spanish language version of ProQA protocols software for our Spanish-speaking call takers.
- Transitioned from the manual backup protocol card sets to tablet devices for Emergency Medical and Fire protocols.
- On-boarded 15 Fire Dispatcher Trainees and two (2) Training Specialists.
- Completed the installation of Motorola radio consoles at the Disaster Recovery Site.
- Completed four (4) Dispatch Academies for new hires, two (2) Dispatcher AIP Academies, and one (1) FF AIP Academy.
- All Communications personnel certified in Online Universal Telecommunication Essentials Course.
- Installed the Verint Recording software into our AQUA Quality Assurance application.
- Enhanced ability to re-contact callers utilizing Text-2-911 via the Viper upgrade. Enhancements also include language translation via text.
- Replaced remaining Motorola XTS 5000 portable radios currently assigned to field personnel and apparatus with Motorola APX 6000XE model.
- Obtained re-accreditation as an ACE by IAED in EMD.
- Made additional enhancements to the Dispatch Training Program and curriculum.

- Implemented software that provides critically important interactive communication capabilities. These capabilities include live video, enhanced instant messaging, image sharing, real-time closed-captioning, and more.
- Implemented Power FTO (formerly Agency 360). Public Safety software that helps agencies with onboarding, training, and performance evaluation tools.
- Participated in multiple recruitment events.

#### ***Fiscal & Operational Support***

- Processed over 75,000 EMS transports for billing and collected over \$28 million in EMS Revenue.
- Provided strong fiscal management and operational support while maintaining a high level of service to the citizens and visitors of Orange County.

#### ***Logistics***

- Began construction of the new Fire Training Center.
- Completed the design for Fire Station 32.
- Received 40 new LifePak-15 devices.
- Completed a forklift replacement of all self-contained breathing apparatus.
- Put into service (6) new Fire Engines.
- Finalized Fire Station 40's bathroom renovation.
- Provided a donation of two (2) end of life fire engines to Valencia.
- Oversaw the Preventative Maintenance service on over 400 pieces of Stryker EMS equipment.
- Finalize the order for a new mobile command unit.
- Completed the second set of bunker gear ensemble.

#### ***Office of Emergency Management***

- Received and managed \$1,124,538 in emergency management grant funding for planning, organization, training, exercises, and equipment in order to continue preparing for threats and hazards to our community.
- Participated in ten (10) large-scale community exercises covering a variety of hazards including tornadoes, pandemics, hurricanes, protests and mass violence such as responding to active shooter events.
- Conducted 38 training sessions and 23 outreach presentations providing disaster preparedness information to community groups, leadership, businesses, and partners while maintaining the Emergency Operations Center readiness.
- Reviewed comprehensive emergency plans for 232 health care facilities, including hospitals, stand-alone emergency departments, surgery centers, nursing homes, and assisted living facilities to maintain compliance in preparation for any major emergency that could affect their facility.

## Fire Rescue

---

- Provided two (2) health care facility workshop sessions for executive directors/administrators to facilitate continued education and partnership.
- Hosted the 2023 Orange County Hurricane Expo with over 1,100 attendees and 45 vendors where OEM distributed weather radios, preparedness guides and first aid kits to citizens.
- Partnered with Duke Energy for a \$20,000 Grant to purchase Weather Monitoring Systems for each fire station in order to serve our community during severe weather events.
- Managing the 2021 Edward Byrne Memorial Justice Grant for Public Safety in the amount of \$382,076.
- Managing the 2022 Edward Byrne Memorial Justice Grant for Public Safety in the amount of \$397,070.
- Managing the Public Assistance Grant reimbursement process related to Hurricane Ian with all projects estimated around thirty (30) million dollars. This process is managed by Orange County Office of Emergency Management in conjunction with The Federal Emergency Management Agency (FEMA) and the State of Florida Division of Emergency Management (FDEM).
- Delivered two (2) Basic Community Emergency Response Team (CERT) nine-week training courses that trained 318 residents in basic disaster response skills.
- Conducted four (4) CERT continuing education training sessions that consisted of various lengths.
- Coordinated all activities of The Local Mitigation Strategy (LMS) Working Group. Developed and submitted a list of high priority mitigation project requests to be funded under \$31 million-dollar HMGP Grant Program.
- Implemented the \$4.0 million renovation of primary Emergency Operations Center (EOC). Significant upgrades will provide the needed space for Essential Staff to work during a disaster. Major upgrades were added to the information sharing technology to enhance capabilities into the extended future. Significant changes were added to the OCFRD Headquarters lobby and building to provide a high level of security at the entrance to the critical infrastructure that houses 911 Sheriff and Fire Communications, the Emergency Operations Center, and key staff.
- Prepared and expanded Alternate EOC facility at Orange County Convention Center to act as primary EOC during renovations and all future alternate EOC needs.
- Reviewed and updated the four-year Comprehensive Emergency Management Plan (CEMP) according to FDEM.
- Trained 151 new personnel in the Recruit Firefighter Orientation Academy.
- Expansion of dive rescue units by adding 14 up/down dive capable when a rescue diver is assigned to the unit. This is in addition to our 13 full-time dive units.
- Continue to train and certify rescue divers and rescue swimmers. Currently at 197 rescue divers and 566 rescue swimmers.
- Expanded the rescue climber program from 60 to 90 members.
- Conducted numerous training exercises with external partners in technical rescue and hazmat.
- Added multiple advanced hazmat monitors to our cache funded by UASI/SHSGP programs.
- Continued participation with local partners in Active Shooter Large Scale Drills (ASHER) at Orange County Schools and local businesses.
- Enhanced the personnel that provide around-the-clock coverage for the Unmanned Aerial Vehicle Program, providing incident commanders with enhance reconnaissance during complex operations.
- Trained over 1,200 field personnel on the use of the new grant-funded Firefighter Personal Escape System.
- Trained over 93 Firefighters to become state certified Paramedics to enhance life-saving service delivery to the community. Increasing the number of Paramedics to over 640.
- Conducted EMS Quality Assurance review on over 53,000 patient care reports resulting in over 500 EMS Quality Improvement reports. Conducted over 100 in-person meetings with crews to improve patient care standards.
- Completed the bi-annual EMT/Paramedic license renewals for all Paramedics and Emergency Medical Technicians.
- Completed the renewal certification for over 150 state ALS vehicle permits.
- Completed 11,800 hours of training to Paramedic Preceptors to enhance the paramedic development program.
- Increased our number of paramedic preceptors to 161 personnel.
- Completed over 68,000 hours preceptor supervised training to paramedic students and provisional paramedics.
- Coordinated EMS Stand by and supervision for the national special Olympic event at multiple locations throughout Orange County.
- Continue to work with hospital partners to reduce the off-load delays for transport units to over 43 local emergency rooms.

### Operations

- Completed over 531,918 hours of training throughout the Fire Rescue Department.

## Fire Rescue

- Continue to train Paramedics and Emergency Medical Technicians on High Performance CPR to increase the chance of survivability for patients in cardiac arrest. Currently 651 employees have attended the first training program.
- Conduct compliance review of over 2,000 incidents using a controlled narcotic medication to ensure compliance with local policies and procedures, as well as state and federal laws are followed.
- Trained over 1,200 field personnel on the use of a new patient care reporting system.
- Trained over 1,200 field personnel on the use of a new advanced airway device to improve the survivability outcome for patients.
- Reviewed over 1,600 radio interactions with the Office of the Medical Director from field crews requesting medical authority for incidents.
- Reviewed the completion of over 720 transport unit inspections to ensure compliance with local and state mandates and requirements.
- Provide on-going educational preparation classes to employees who are taking the national paramedic testing process to increase the first-time pass success rate.
- Continue to work with the Office of the Medical Director to improve the preparation and prepare response for large gathering events.

### ***Planning & Technical Services***

- Conducted over 18,000 Fire Safety Inspections:
  - 11,100 New Construction Inspections
  - 7,600 Existing Building Inspections
- Completed 17,200 new construction plans reviews and 19,700 permits.
- Completed 1,200 Hydrant Inspections.
- Completed over 800 Fire Protection System Inspections.
- Completed over 3,200 Trade Show and Special Event Inspections.
- Partnered with the ISO to evaluate commercial building stock fire prevention systems.
- Expanded hydrant program to maintain and continually update water supplier information, status, and hydrant readiness throughout the county.
- Opened a remote service center for Office of the Fire Marshall and Building Safety near the Universal Epic Theme Park construction project.
- Earned reaccreditation through the Commission on Fire Accreditation International (CFAI).
- Renewed the department's ISO Public Protection Classification (PPC) rating of 1.

### **FY 2023-24 Department Objectives:**

#### ***Communications***

- The deployment of AED carrying drones to sudden cardiac arrest (SCA) calls upon initial dispatch.
- Implement software that provides critically important interactive communication capabilities. These capabilities include live video, enhanced instant messaging, image sharing, real-time closed-captioning, and more.
- Launch PulsePoint Verified Responder. The program alerts off-duty first responders of a SCA in private locations.
- Implementation of Genesis PULSE software. Genesis PULSE is an all-in-one software tool that features live vehicle tracking, weather, recording/replay capabilities, reporting with analytics, partnerships, a mobile app with Waze integration, and much more.
- Remodel the Dispatch Training room.
- Conduct a Dispatcher Supervisor Academy, and an Assistant Dispatcher Supervisor Academy.
- Create a CTO Development program.
- Develop a Mentorship program.
- Purchase and transition to the newly enhanced back up card sets from IAED.
- Procure and upgrade mobile repeaters in the Battalion Chief's vehicles.
- Obtain re-accreditation as an ACE by IAED in EMD.

#### ***Fiscal & Operational Support***

- Continue to provide strong fiscal management and operational support while maintaining a high level of service to the citizens and visitors of Orange County.

#### ***Logistics***

- Begin construction of Fire Stations 32 & 48.
- Finalize the design for Fire Station 31's new station.
- Finalize the Emergency Operations Center renovation.
- Install security cameras at 15 Fire Stations.
- Obtain nine (9) additional marine rescues.
- Place Rescues 142 & 151 into service.
- Place 11 new Heavy Rolling Stock apparatus – six (6) Aerials and five (5) Fire Engines into service.
- Put into service four (4) new Medic Transport Units.
- Complete the replacement of 30-year fuel tanks at Fire Stations 30, 36, 40, 72, 50, & 42.
- Add EJ Ward fuel automation to seven (7) Fire Rescue sites.
- Abandon two (2) septic tanks at Fire Stations and tie into sanitary sewer.

## **Fire Rescue**

---

- Begin bathroom renovations at Fire Station 52 and 71.
- Trial and acceptance of PFAS free bunker gear.
- Evaluate a formal analysis on fire station locations and resources to meet service delivery needs.

### ***Office of Emergency Management***

- Successful in obtaining accreditation through The Emergency Management Accreditation Program (EMAP).
- Participating in the EMAP Pilot Program that breaks the accreditation process into four specific time frames for completing specific standards during each year of the reaccreditation process.
- Continue to provide basic and advanced training opportunities in All-Hazards Incident Management to stakeholders.
- Conduct exercises to practice Orange County Government and partner agencies' ability to respond to and recover from a wide variety of hazards.
- Continuously educate the community on disaster preparedness at local area events, training classes, workshops, conferences and speaking engagements.
- Research and apply for all applicable grant funding to support Orange County Government, our citizens and our partners.

### ***Operations***

- Academy to further train and develop newly promoted Engineers for suppression units and rescue supervisors.
- Expand the Woods Truck Driver Academy to train additional personnel to operate off-road firefighting vehicles during wildfires.
- Continue to train and certify additional Firefighters to become state certified Paramedics to enhance life-saving service delivery to the community.
- Continue to purchase additional dive equipment to implement additional up/down dive capable units.
- Increase marine rescue fleet to include an additional 7-Urban Search & Rescue style double-decker boats and 2- 22' center console dive rescue boats.
- Increase Diver safety with the purchase of wired communications systems.
- Expand on developing partnerships with business, school's and churches for future ASHER Training.
- Expand on leadership training for Company officers.

### ***Planning & Technical Services***

- Expand Community Risk Reduction Services programming in alignment with the Strategic Plan.
- Expand Existing Occupancy inspection services to align with Florida Fire Prevention Code requirements.
- Conduct an analysis to establish a support staffing factor in alignment with service delivery demands.

## Fire Rescue

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees and 4.0% for union employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,00 to \$17,850 per employee to cover medical cost increases.

Included in the budget are 56 new positions for Fire Rescue to promote operational efficiencies, and to maintain the current level of services. Overall personal services increased by 11.4% or \$23.1 million.

#### **56 New Positions FY 2023-24**

- 16 – Firefighter Paramedic 56 (Rescue 142 and 151), Fire Operations Division
- 4 – Engineer Paramedic 56 (Truck 48), Fire Operations Division
- 8 – Firefighter Paramedic 56 (Truck 48), Fire Operations Division
- 4 – Lieutenant Paramedic 56 (Truck 48), Fire Operations Division
- 3 – Lieutenant Paramedic 40, Fire Operations Division
- 1 – Assistant Fire Marshall, Fire Planning & Technical Services Division
- 15 – Fire Inspector III, Fire Planning & Technical Services Division
- 1 – Fire Plans Examiner III, Fire Planning & Technical Services Division
- 3 – Permit Analyst, Fire Planning & Technical Services Division
- 1 – Battalion Chief, Fire Logistics Division

**Operating Expenses** – The FY 2023-24 operating expenses budget decreased by 0.9% or \$522,505 from the FY 2022-23 budget. Funding is included in the operating expenses budget for the replacement of aging equipment necessary for the front-line units, and maintenance of facilities in the amount of \$2.4 million, as well as funding for training and education cost increased by 11.7% or \$173,081, for a total budget of \$1.7 million, to continue to sponsored paramedic classes in order to keep increasing the number of firefighter paramedics. Internal fleet charges increased by 8.5% or \$290,697, for a total budget of \$ 3.7 million, as well as fleet maintenance sublet services increased by 28.8% or \$435,326, for a total budget of \$2.0 million, for the maintenance of fire apparatus and rescues. Diesel fuel costs increased by 5.6% or \$111,391, for a total budget of \$2.1 million, due to the volatility of fuel costs.

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 14.0% or \$2.4 million from the FY 2022-23 budget due to rollover encumbrances and one-time purchases of heavy equipment and rolling stock. The budget of \$14.8 million funds items such as the Marine Rescue Program and the replacement of equipment, heavy equipment, computer, software, and rolling stock. It also includes the replacement of nine (9) vehicles and the addition of 18 new vehicles, and \$1.4 million in funding to replace 39 Lifepak-15 Cardiac Monitors.

**Capital Improvements** – The FY 2023-24 capital improvements budget decreased by 93.6% or \$96.4 million from the FY 2022-23 budget. The majority of the decrease is due to the timing of re-budgets for capital projects from the FY 2022-23 budget. Funding is included for Fire Station 48 in Horizons West Avalon Road and Lake Ingram, and current facility repairs and renovations. Please refer to the detail Capital Improvements Program section of this document for a complete listing of projects for the department.

**Debt Service** - The FY 2023-24 debt services is budgeted at \$538,019 for capital leases principal and interest payments.

**Reserves** – The FY 2023-24 reserves budget includes an MSTU reserve level of \$25.3 million. The Fire Impact Fee fund reserves are budgeted at \$9.7 million for FY 2023-24.

---

## **FUNDING SOURCE HIGHLIGHTS**

The majority of the funding for Fire Rescue is derived from Special Revenue Funds. Ad valorem revenue is the largest revenue source for the department and is budgeted to increase by \$24.1 million or 11.1% to \$240.3 million in FY 2023-24. Fees provide supplemental funding to operate the Fire Rescue Department. These fees include Emergency Medical Services (EMS) transport service fees, false alarm fees, hazardous material recovery fees, and Fire Marshal fees. The FY 2023-24 revenue budget includes EMS Transport fees with a budget of \$28.8 million, which is an increase of 9.5% or \$2.5 million over the FY 2022-23 budget. All fees for services including the Office of the Fire Marshal increased by 5.6% and EMS Transport fees increased by 2.6%, as dictated by the Consumer Price Index (CPI).

The General Fund and various grants provide funding for the Office of Emergency Management under the Fire Rescue Department.

Capital Construction Funds are supported by sales tax, and commercial and residential Fire Impact fees, which are budgeted at \$4.6 million to fund Fire Rescue capital expenses.

**Fiscal Year  
2023-24**

**CAPITAL IMPROVEMENTS PROGRAM**

Projects under the direction of the  
**Fire Rescue Department**

The Fire Rescue Department annually evaluates equipment and facility needs, and recommends funding for projects to provide for the public safety of the citizens of Orange County.

	<b>Adopted FY 2023-24</b>
Facilities Management	\$ 4,000,000
Fire Station #48 (Hamlin Groves Trail-Porter Rd)	2,540,812
Department Total	\$ 6,540,812

**Funding Mechanism:**

Funding for projects that are not specifically growth-related is derived from the Orange County Fire MSTU. Projects that can be identified as providing for growth-related needs may use funding from Fire Impact Fees collected from building permits issued for new construction.

Operating expenses associated with Fire Rescue capital projects consist of personnel to staff new fire stations, vehicle maintenance on new rescue units, maintenance on equipment, and general facility maintenance.

The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/23 to accurately reflect Total Project Costs approved by the Board of County Commissioners.

Adopted CIP - by Department / Division

## Health Services

### Purpose Statement:

The Health Services Department provides services that promote the health and welfare of Orange County citizens. Through effective planning, management, and delivery of health and human services, quality of life in our community is enhanced. The Corrections Health Services (CHS) Division provides medical and mental health services to inmates housed at the jail. Although CHS is a component of Corrections, the division reports to the Health Services Department.

### Program Descriptions:

- The **Animal Services Division** provides critical services for the protection of the health and safety of Orange County citizens and its pet population. Services include enforcing state statutes and county codes, providing a low-cost spay/neuter program, promoting pet adoptions, and offering extensive community education and outreach initiatives.
- The **Corrections Health Services (CHS) Division** provides medical, dental, and mental health services to inmates. This includes provision of medications, maintenance of health, and the control of pre-existing illness. Specialty and necessary hospital care are arranged when clinically necessary.
- The **Drug Free Community Office** works in collaboration with local and state prevention, enforcement, and treatment agencies throughout Orange County to implement a comprehensive strategic plan that strives to engage, advocate, and bring awareness about alcohol and other substance abuse issues in the community. The Orange County Drug Free Coalition has over 100 volunteers with each member providing their time and expertise in prevention, enforcement, and treatment to build a safe, healthy and drug free community.
- The **Emergency Medical Services (EMS)** program facilitates the delivery of out-of-hospital emergency medical care by all providers in Orange County. In addition, EMS coordinates disaster health services during disasters.
- The **Fiscal and Operational Support Division** provides administrative services for the entire Orange County department, as well as coordinating projects with the Florida Department of Health. The areas of responsibility include the administration and coordination of fiscal resources and technology functions in order to increase efficiency and program coordination. The division is also responsible for administering federal grants, including the Ryan White Part A grant. This grant addresses the health needs of persons living with Human Immunodeficiency Virus (HIV) by funding primary health care and support services for qualified individuals residing in Orange,

Seminole, Osceola, and Lake Counties through a network of not-for-profit organizations.

- The **Medical Clinic Division** provides a full array of healthcare services in partnership with the Primary Care Access Network (PCAN). This partnership represents our community's safety-net providers and other organizations dedicated to improving access to healthcare for uninsured residents of Orange County. In addition to contract oversight to support PCAN's health care clinics, the Orange County Medical Clinic (OCMC) offers a full array of specialty medical services through a paid and volunteer network of providers, including burial program services, nursing case management, Orlando Regional Healthcare's Internal Medicine Residency program, Florida Hospital's Heart Failure Clinic, and Shepherd's Hope after hours clinics on Monday, Tuesday, and Wednesday evenings. In addition, the Outlook Clinic for Anxiety and Depression is co-located at OCMC and provides mental health services for the uninsured. The OCMC also offers onsite X-Ray and pharmacy services to its patients.
- The **Medical Examiner's Office** performs quality and efficient medico-legal investigations to determine the cause and manner of specified deaths. The office also performs investigations when a body is brought into the state without proper medical certification, or when a body is to be cremated, dissected, or buried at sea. Florida Statute, Chapter 406, mandates all of the above functions.
- The **Mosquito Control Division** provides control of disease transmitting and nuisance mosquitoes in Orange County. The principles of Integrated Mosquito Management (IMM) are utilized to control mosquito populations. IMM incorporates all available technologies and methodologies to control mosquitoes while attempting to reduce dependence on traditional chemical control. This includes eliminating mosquito breeding sites and using safe, environmentally-sound bio-control agents. Surveillance for mosquito-borne diseases, such as Eastern Equine Encephalitis, St. Louis Encephalitis, West Nile Encephalitis are conducted year-round with an increased focus on Zika virus monitoring and education for the public.

## Health Services

### **FY 2022-23 Major Accomplishments:**

#### ***Animal Services Division***

- In fiscal year 2022, achieved a live release rate (adoption, rescue placement, owner reclaim) for 95% of dogs and 88% for cats, a combined live release rate of 91%.
- Conducted 7,827 spay/neuter surgeries.
- Secured rescue placement for 1,528 pets, the majority of which were experiencing moderate to severe medical and/or temperament challenges.
- Responded to 27,339 requests for citizen assistance on animal related matters.

#### ***Corrections Health Services Division***

- Implemented improved processes in the jail setting to provide additional referrals to the medication assisted treatment clinic on site and in the community.
- Continued to monitor health trends and outbreaks in the community with the addition of an epidemiologist.
- Successfully completed American Correctional Association and Florida Corrections Accreditation Commission audits.

#### ***Drug Free Community Office***

- Implemented the Recovery Enhancement Project; a pilot initiative to provide intensive case management for clients who are former inmates of the Orange County Jail's medication-assisted treatment program.
- Received grant funding to implement the Recovery Enhancement Project; a pilot initiative to provide intensive case management for clients referred by Emergency Departments or EMS.
- Received grant funding to hire a behavioral health clinician to work in the Orange County Medical Clinic.
- Launched the One Pill Can Kill media campaign.
- Coordinated the Orange County Regional Opioid Settlement Fund Committee.

#### ***Emergency Medical Services***

- Successfully completed system-wide EMS provider training with a focus on High Performance Cardiopulmonary Resuscitation (CPR).
- Provided response and logistical support for Hurricane Ian response and recovery efforts locally and in Southwest Florida with Central Florida Task Force 4.
- Completed the first ever countywide EMS system survey.
- Implemented a new process for awarding Certificate of Public Convenience and Necessity for ambulance transport.

#### ***Fiscal and Operational Support Division - Ryan White Office***

- Provided core and support services to approximately 5,846 clients living with HIV in order to improve health outcomes. Maintained viral load suppression for clients enrolled in the program to 91%.
- Expanded housing assistance services to clients living with HIV in order to address the needs of the community.
- Enhanced HIV service coordination for clients at Orange County Jail in order to ensure linkage to care once released from jail.

#### ***Medical Clinic***

- \$1,240,653 reported to the Department of Health in donated specialty care services.
- Received \$1.6 million in free medications year to date from the drug manufacturers' Patient Assistance Programs.
- Participated in 21 community outreach events and over 237 individuals were screened for cardiovascular disease and received education regarding reduction of risk factors and healthy lifestyles.
- Provided Internal Medicine services to 530 patients and x-ray services to 485 patients referred from community partners. 5,500 referrals to specialists were coordinated by the medical clinic case management department.

#### ***Medical Examiner's Office***

- Maintained Full Accreditation by the National Association of Medical Examiners, October 2022.
- Identified six (6) previously unidentified decedents spanning from 1993 – 2020 using DNA, Genealogy DNA, Dental, and Fingerprint methodology comparisons and/or leads.
- Continued to provide the public with weekly updated GIS dashboard of workload statistics of medical examiner deaths in Orange and Osceola County, Florida.

#### ***Mosquito Control Division***

- Increased hands-on training events for field staff in an effort to improve efficiency and increased safety with use of equipment.
- Conducted insecticide resistance testing of Culex mosquitoes, the main vector of West Nile Virus.
- Worked with KMF Architects and CIC Construction Group to complete the design and permitting phase and begin construction of the new building that will serve as the division's new headquarters.

## Health Services

### **FY 2023-24 Department Objectives:**

#### ***Animal Services Division***

- Increase awareness for Animal Services and its mission through community outreach.
- Continue the “Spay it Forward” spay/neuter voucher program, which provides free spay/neuter services for qualifying low-income Orange County residents.
- Conduct free or low-cost events for pet owners in the community offering rabies vaccinations and/or microchipping in an effort to promote responsible ownership.
- Bolster existing programs and develop targeted initiatives to decrease intake and further increase the live release rate for pets in Orange County’s shelter.

#### ***Corrections Health Services***

- Input supplies and inventory into computerized inventory tracking system for better accountability.
- Improve Women’s Health Care in the Jail Setting by working with the Health Department.
- Improve coordination and collaboration with community clinics and resources to provide discharge planning and increase community referrals to bridge gaps in care.
- Complete implementation of the sound system in acute mental health housing areas to utilize music therapy for those suffering with mental illness, in both acute and chronic states.

#### ***Drug Free Community Office***

- Implement the Treatment, Recovery, Prevention & Data Collection recommendations of the Regional Opioid Settlement Fund Committee.
- Monitor and evaluate the Department of Justice Comprehensive Opioid and Stimulant Use Prevention Award.
- Expand the Drug Free Office Professional Development training series.

#### ***Emergency Medical Services***

- Develop and support the transition to a new system-wide quality management data platform.
- Develop and support the transition to a system-wide Electronic Patient Care reporting program.
- Continue to support agencies requesting EMS support for mass gathering events such as Presidential visits, the Electric Daisy Carnival, the National Football League (NFL) Pro Bowl, Walt Disney World (WDW) marathons and community exercises.

#### ***Fiscal and Operational Support Division***

- Continue to provide strong fiscal management and operational support to all internal and external stakeholders.

#### ***Ryan White Office***

- Improve coordination and collaboration with other Ryan White Programs and community organizations in the area in order to decrease service gaps, increase consumer engagement, and improve health outcomes along the HIV care continuum.
- Increase number of consumers linked and retained in care.

#### ***Medical Clinic Division***

- Increase participation in pharmacy managed-physician directed Diabetes Clinic and expand education to Orlando Health Internal Medicine Residency (IMRC) Program.
- Continue to implement a marketing strategy that promotes the services provided by OCMC.
- Continue to monitor and increase the new patient referrals to the Orlando Health IMRC Program.

#### ***Medical Examiner’s Office***

- Maintain Full Accreditation by the National Association of Medical Examiners for the next annual inspection cycle.
- Continue to train and exercise with community partners to prepare for any mass casualty/fatality incident.
- Partner in the publishing of the Medical Examiners Commission, Florida Medical Examiners, interim and annual reports of Drugs Identified in Deceased Persons and the annual Workload report.
- Continue to partner with local, state, and federal agencies monitor drug deaths to identify any new or unexpected drugs especially targeting Novel Designer Drugs.

## Health Services

---

### *Mosquito Control Division*

- Increase the total number of acres sprayed at night to control adult mosquitoes by hiring and training for two new positions approved for the upcoming fiscal year
- Conduct an evaluation and enhancement to our adult mosquito surveillance operations in an effort to improve the efficiency of monitoring of mosquito populations within the County.
- Continue to work with KMF Architects and CIC Construction Group to complete construction of the building that will serve as the division's new headquarters and finalize the process of moving the entire division into our new building.

## Health Services

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increase. The department’s net position change was an increase of three (3); one (1) Public Relations and Outreach Specialist to coordinate all division interaction with all forms of media requests as well as follow ups across the department; and two (2) Mosquito Control Specialists to meet the increased demand for mosquito control support.

#### **Three (3) New Positions FY 2023-24**

- 1 – Public Relations and Outreach Specialist, Fiscal and Operational Support Division
- 2 – Mosquito Control Specialist, Mosquito Control Division

**Operating Expenses** – The FY 2023-24 operating expenses budget increased by 8.2% or \$17.8 million from the FY 2022-23 budget mainly due to the anticipated increase in payments to other governmental agencies for the Local Provider Participation Fund. The FY 2023-24 budget does not reflect carryover grant funds or new grant awards. Medicaid is funded for \$24.4 million, as mandated by the state. The Primary Care Access Network (PCAN) budget remained status quo at a total budget of \$10.9 million (\$4.9 million in grants category). Also, included is \$17.5 million for Corrections Health hospitalization costs to pay for inmates that are required to be admitted to a hospital for treatment.

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 56.5% or \$633,824 from the FY 2022-23 budget. The decrease is primarily due to an reduction of one-time purchases in rolling stock, equipment, computer equipment, and software. The FY 2023-24 budget included funding for one (1) replacement vehicle in the Mosquito Control Division.

**Capital Improvements** – The FY 2023-24 capital improvements budget decreased by 82.3% or \$17.4 million from the FY 2022-23 budget. The majority of the decrease is due to the timing of re-budgets for capital projects from the FY 2022-23 budget. Funding is included for the Animal Service Facility, Spay/Neuter Clinics, and Medical Examiner Office Expansion projects. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects for the department.

**Debt Service** – The FY 2023-24 debt service budget decreased by 29.0% or \$240,104 from the FY 2022-23 budget and is for the principal and interest expenses for office equipment capital leases within the Medical Clinic division.

**Grants** – The FY 2023-24 grants budget decreased by 13.5% or \$3.4 million from the FY 2022-23 budget. The FY 2023-24 budget does not reflect carryover grant funds, which are recognized after the budget is adopted. Grants are awarded to outside agencies to provide services that help meet the needs of Orange County citizens and their families.

The Animal Services Division grant budget decreased 13.3% or \$44,136, which includes funding for heartworm protection, adoption, rescues, and spay and neuter projects.

The Medical Clinic Division grant budget is \$4.9 million, which included \$4.4 million for payments to PCAN providers, including Community Health Center, Health Care Center for the Homeless, Shepard's Hope and True Health.

Ryan White HIV prevention and treatment services includes medical care, case management, food preparation, mental health counseling, housing assistance, transportation, and substance abuse counseling. The budget for FY 2023-24 is \$7.2 million, which includes carry over grant funds from the FY 2022-23 budget.

---

## **FUNDING SOURCE HIGHLIGHTS**

The FY 2023-24 budget for the Health Services Department receives funding from various sources. For FY 2023-24 the department receive funds from the General Fund, Special Revenue Funds (grant funding), and Capital Construction Funds. Special Revenue Funds include such funds as the Animal Services Trust Fund (1048), Local Provider Participation Fund (1180), Regional Pharmaceutical Settlement (1256), County/City Pharmaceutical Settlement (1257), and Animal Services Trust-General Donations (1295).

Mosquito Control is funded by the General Fund, but through an interfund transfer in order to track expenses as required by Florida Statue 388.311.

The Special Revenue Funds increased by 5.6% or \$10.7 million due to the anticipated increase in the Local Provider Participation Fund for special assessment on for-profit and not-for-profit hospitals to fund the non-federal share of Medicaid payments benefiting hospitals providing healthcare services to Medicaid, indigent, and uninsured members of the Orange County Community. In addition, this funding does not include some carryforward grants revenues due to the result of the timing in which grants are awarded. The balance of these grants is rolled over to the following fiscal year after the budget is adopted.

**Fiscal Year  
2023-24**

**CAPITAL IMPROVEMENTS PROGRAM**

Projects under the direction of the  
**Health Services Department**

Capital improvements include funding for a future new Animal Services facility, construction of spay/neuter clinic, and construction of a new Mosquito Control Facility. Unspent budget in FY 2022-23 for these projects will be rebudgeted to FY 2023-24 during the Annual Budget Amendment in January 2024.

	<b>Adopted FY 2023-24</b>
Animal Services Facility	\$ 1,750,000
Spay/Neuter Clinics	1,000,000
Medical Examiner Office Expansion	1,000,000
Department Total	<hr/> \$ 3,750,000

**Funding Mechanism:**

Funding for the Health Services Department projects is provided from the Capital Projects Fund 1023. The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/2023 to accurately reflect Total Project Cost approved by the Board of County Commissioners.

# PLANNING, ENVIRONMENTAL AND DEVELOPMENT SERVICES

Administration

## Planning, Environmental and Development Services

### Purpose Statement:

The Planning, Environmental and Development Services Department (PEDS) is responsible for promoting, coordinating, and implementing programs and services that maintain and enhance the quality of life in Orange County. These programs and services help guide development and transportation initiatives, monitor construction, protect the environment, maintain and improve the character and quality of existing neighborhoods by encouraging the development of neighborhood organizations, and encourage the preservation of open space.

### Program Descriptions:

- The **Division of Building Safety** ensures public health, safety, and welfare through the enforcement of federal, state, and local codes and ordinances governing construction. Plan reviews, permit issuances, and inspections are performed for structural, electrical, plumbing, gas, heating, air conditioning, refrigeration, solar, and ventilation systems for all residential and commercial construction projects to ensure compliance with these codes.
- The **Environmental Protection Division (EPD)** seeks to conserve, protect, and enhance the quality of the natural environment for the use and enjoyment of current and future generations of Orange County citizens and visitors by providing educational and conservation programs; implementing programs to prevent or mitigate the impacts of pollution on air, water, and land resources; monitoring environmental quality; permitting and inspecting regulated facilities and activities; enforcing regulations governing the environment; reviewing potential environmental impacts of proposed development projects; and, engaging volunteers in environmental stewardship.
- The **Fiscal and Operational Support Division** is responsible for the administration and coordination of financial operations, development information and processes, impact fees and concurrency management, and Geographic Information Systems (GIS), which foster creative and innovative solutions to improve operational efficiency, promote collaboration and resource-sharing among divisions, and improve each division's ability to focus on customer service.

- The **Office of Tenant Services** was created on January 24, 2023, and officially opened to the residents of Orange County on March 1, 2023. The office provides information, referrals, outreach, and education to the residents of Orange County through educational seminars and workshops to produce awareness of laws that pertain to Chapter 83 of the Florida Statutes. Outreach and Education is provided to both tenants and landlords of Orange County.
- The **Housing and Community Development (HCD) Division** creates and maintains a viable urban community by providing affordable housing opportunities, infrastructure improvements, human services, and expanded economic opportunities principally for low to moderate income residents of Orange County.
- The **Neighborhood Services Division** strives to engage and strengthen neighborhoods through neighborhood planning, community outreach, consumer protection, neighborhood improvement grants, and gaining compliance with county codes and ordinances.
- The **Planning Division** serves the public through implementing Orange County's Comprehensive Plan (CP) to ensure the successful balance of economic development with environmental protection, with continued growth in a manner that enhances communities, provides choices in where to live and how to get around, and participates in the implementation of the Orange County Sustainability Plan.
- The **Zoning Division** supports the successful development of business and residential communities in Orange County through the adoption of progressive zoning regulations that benefit and protect the citizens of Orange County. The division supports the centralized permitting services initiative to enhance customer service.

## Planning, Environmental & Development Services

### **FY 2022-23 Major Accomplishments:**

#### ***Division of Building Safety***

- Conducted nearly 20,000 commercial and residential plan reviews and more than 320,000 inspections.
- Implemented Fee Reductions for Residential and Commercial Permit Fees, saving customers an estimated \$6.0 million and set aside \$3.0 million to offset Building permitting fees for Orange County Certified Affordable Housing.
- Continued enhancements of Fast Track Online Services as the Customer First Initiatives are implemented. Currently 99% of services are provided online.
- Developed a new project management team of assistant project managers to focus on communication, collaboration, and problem solving to further enhance customer service.

#### ***Environmental Protection***

- The Green PLACE Program has evaluated 1,053 environmentally sensitive land (ESL) parcels for potential acquisition and coordinated with Real Estate Management Division to appraise 53 parcels. The Board of County Commissioners (BCC) approved and executed purchase of an additional 400 acres of ESL to the county's inventory.
- Completed Groundwater Vulnerability Assessment (GAVA) study, which identified priority vulnerable areas and will assist in the evaluation of solutions to septic system nutrient loading to water bodies. The GAVA study will help Orange County staff focus its efforts and is fundamental to the work of each of the Septic Tank Workgroup Subgroups for FY 2024.
- Completed the State of the Wetlands and Regulatory Framework study, which identified the current and historic extent of wetlands within the county and assessed the efficacy of the county ordinance to protect wetlands by analyzing change in extent and wetland function over time. A map that identifies the most important wetlands for preservation was developed for incorporation into Vision 2050 and for integration with the Wetlands Protection Ordinance.

#### ***Fiscal & Operational Support***

- Completed upgrade of the countywide addressing system. Configured and support of new emergency field collection applications. Implemented initial phase of web enabled GIS.
- Conducted an independent assessment of our service delivery for Countywide permitting and development functions.
- The Fiscal & Operation Support and the Housing & Community Development Divisions successfully completed the Financial Certification required to qualify for the Community Development Block Grant (CDBG) Disaster Recovery Funding.

#### ***Office of Tenant Services***

- Opened the office and provided services to the public to over 4,500 landlord/tenants since its inception.

#### ***Housing and Community Development***

- Received \$7,278,950 in federal CDBG funds and awarded \$1,016,716 to 18 nonprofit agencies for public services including childcare subsidies, after school care for low-income children, job training and placement for adults with disabilities, home delivered meals to homebound low-income seniors, case management and mental health services.
- Awarded \$1,250,000 in CDBG for capital improvement projects including the expansion of the Ivey Lane Health Clinic and site development for the construction of the IDignity public facility.
- Awarded \$3,556,444 in CDBG for housing projects including single-family rehabilitation, rental rehabilitation, and infrastructure improvements for housing construction.
- Awarded \$638,241 in Emergency Solutions Grants (ESG) federal funds for homeless activities to eight (8) nonprofit homeless agencies.
- Received \$3,145,072 in HOME Investment Partnerships Program fund for affordable rental housing and single-family home rehabilitation activities.
- Received a \$10,554,916 allocation of HOME American Rescue Plan (ARP) funding.
- Investments in 1,894 affordable units in 11 developments under construction or in the review process.

#### ***Neighborhood Services***

- Despite operating with several vacancies in the Code Compliance Section, staff managed to conduct 80% of inspections for possible code violations reported to 311 within a 48-hour window.
- Eradicated blight from the priority zip codes identified in the Orange County Citizen Safety Task Force Report by removing trash, junk, and debris from 103 properties and demolishing 34 dilapidated unsafe structures.
- Awarded \$410,000 or 100% of the neighborhood beautification grant, surpassing the previous year's awards by almost \$200,000. The grants were awarded to 38 neighborhood associations for improvement projects to beautify and enhance entryways and common areas.
- Attended over 350 community meetings and events, surpassing the previous year's total by 60%.
- Assisted more than 900 Orange County residents with consumer affairs matters, which yielded \$135,000 in refunds.

## Planning, Environmental & Development Services

### Planning

- Advanced Vision 2050 initiative by completing the Vision 2050 Transmittal Proceeding, facilitating 22 In-Person Vision 2050 / Orange Code Town Hall Meetings, and coordinating the launch of an online Vision 2050 Interactive Mapping Public Interface.
- Completed Final Tangelo Park Beautification Plan Beautification & Aesthetics Construction Plans.
- Promoted focus on the “Missing Middle” by preparing and completing a “Missing Middle” Pattern Book as well as completing Pre-Approved ADU & Alternative Missing Middle Housing Construction Plans.
- Development Review Committee (DRC) Office processed approximately 425 Cases.

### Zoning

- Presented over 136 variance and/or special exception requests to the Board of Zoning Adjustment (BZA) and the Board of County Commissioners (BCC), which included five (5) board called public hearings and seven (7) appeals.
- Developed “Gridics” the County’s New Land Use & Zoning Ordinance Management Platform which will be released to the public once the development programs for the County’s over 600 planned developments are populated.
- Conducted nearly 44,000 commercial and residential plan reviews and over 2,300 reviews for projects processed through the Development Review Committee (DRC).
- Processed 16,791 requests for new or modified addresses.

### FY 2023-24 Department Objectives:

#### Division of Building Safety

- Continue Fee Reductions for Residential and Commercial Permit Fees.
- Continue implementation of the Mayor’s Customer-First initiatives to enhance customer service.

- Launch additional customer outreach to homeowners with trainings for all aspects of plan submittal, permitting and inspection processes.
- Strive to maintain current levels of service with over 320,000 annual inspections projected and respond within specified times as scheduled.

### Environmental Protection

- Significantly decrease the nutrient pollution contributed by septic systems to the county’s surface waters and springs by continuing to participate with the Septic Working Group.
- Revise the Wetlands Protection Code with findings from the Wetlands and Regulatory Framework study.
- Update the Boats & Water Safety ordinance to ensure it is consistent with Florida Statutes and Florida Fish and Wildlife Conservation Commission (FWC) rules and regulations and to implement additional boating safety zones where needed.
- Draft Noise Ordinance code revisions based on evaluation results with input from stakeholders and in collaboration with the OC Sheriff’s Office.
- Continue Fertilizer Management Code Education and Outreach regarding the revised Fertilizer Management Ordinance that was approved by the BCC in February 2022.
- Update the tree inventory and i-Tree Eco analysis created in 2017 and provide an up-to-date evaluation of the health, composition, and value of the county’s urban forest within the USA to evaluate progress in preserving and enhancing the urban forest within Orange County.

### Fiscal & Operational Support

- Continue to provide outstanding support services for all our department Fiscal needs, Development Services, Fast Track team coordination and Countywide GIS Services.
- Planning and Implementation of all Financial aspects and internal controls for the CDBG Disaster Recovery Grant programs with an award of \$219.0 millions.
- Upgrade GIS Databases to support Web GIS.

### Office of Tenant Services

- Comprehensive marketing campaign directed towards underserved areas to make the public aware of the office and be the one-stop shop to those that need services and how to access those services.

### Housing & Community Development

- Investments in new affordable housing construction through the Housing Trust Fund Revolving Loan Fund and other state and federal entitlement programs.

## **Planning, Environmental & Development Services**

---

- Continue to increase the number of affordable housing rental and homeownership units.
- Continue the implementation of the HOME Investment Partnership Program (HOME) funding under the American Rescue Plan Act.
- Continue implementing federal entitlement programs to eliminate homelessness and assist low to moderate-income households and neighborhoods under the new 2022-2026 Consolidated Plan.

### ***Neighborhood Services***

- Continue implementing outreach and marketing strategies to promote community events, grant programs, and increase awareness of county codes and ordinances that impact neighborhoods to promote voluntary compliance.
- Continue to explore and expand the use of technology to maximize productivity, accountability, and quality of service.
- Establish new term contracts to expedite the procurement of essential services, including Title Searches to abate various violations, and Wall Repair Services to efficiently handle neighborhood wall repairs.

### ***Planning***

- Complete a “Housing for All” Nexus and Feasibility Study.
- Activate “Gridics” Phase 2 for Vision 2050 and Orange Code Framework & Maps.
- Complete a Series of Development Industry Stakeholder Orange Code Workshops.
- Complete Vision 2050 & Orange Code Adoption Public Hearings.

### ***Zoning***

- Continue to provide first class customer service virtually using the WebEx Event platform, email and telephone, as well as in-person and on-site investigation and implementation of the Mayor’s Customer First Initiatives to enhance customer service.
- Streamline services by integrating more processes into the Land Development Management System (LDMS) and providing opportunities for customers to submit applications electronically through the Fast Track Online Permitting System and via email.
- Promote progressive zoning regulations that serve economic development, protect the environment, promote sustainability, and protect residential areas.

## Planning, Environmental & Development Services

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases.

The department's net position change was an increase of 11 new positions to accommodate growth and increased workloads in specific areas. The Building Division positions are a part of the Mayor's Customer-First Development Services Initiative in providing quality and timely service delivery. The Environmental Protection Division (EPD) positions are a part of state and county code compliance with the National Pollution Discharge Elimination System Program (NPDES), Environmental, Permitting & Compliance (EP&C) Enforcement, and with Pollutant Storage Tanks. The Fiscal and Operational Support Division position will be providing countywide internal and external communication efforts relating to development services, in connection with the Office of Communications, as part of the Mayor's Customer-First Development Services Initiative. The Housing and Community Development Division position is to support the Subsidized Rental Assistance section with entry level intake duties, due to increased applications and workload. The Planning Division positions will work within the Research & Economic Development Section, providing coordination, research and public engagement for planning initiatives.

#### **11 New Positions FY 2023-24**

- 2 – Inspector II, Building Safety Division
- 1 – Plans Examiner, Building Safety Division
- 1 – Building Coordinator, Building Safety Division
- 3 – Senior Environmental Specialist, Environmental Protection Division
- 1 – Public Relations & Outreach Specialist, Fiscal & Operational Support Division
- 1 – Assistance Interviewer, Housing and Community Development Division
- 1 – Chief Planner, Planning Division
- 1 – Planner III, Planning Division

**Operating Expenses** – The FY 2023-24 operating expenses budget decreased by 19.8% or \$23.7 million from the FY 2022-23 budget. The majority of the decrease is due to grant rollovers in the Housing and Community Development Division, which do not occur until after the fiscal year begins and are not included in the budget at that time. The Neighborhood Services Division budget includes \$1.4 million for the following Neighborhood Pride Grants: Price Sustainability, Youth Sports Enhancement, Neighborhood Pride Miscellaneous, Neighborhood Planning, Business Assistance Neighborhood Coordinator, Neighborhood Community and Youth Leadership Conference, Neighborhood Beautification, Fixing up the Neighborhood, Street Art Something, Community Cleanup, and Non Profit Housing Repair. Also, the Neighborhood Services Division under the Code Enforcement Section budget includes \$1.7 million for cleaning and mowing of overgrown lots and the demolition of various buildings that have been identified as unsafe structures throughout the county. The Environmental Protection Division budget includes \$1.9 million to support the ongoing water quality monitoring contracts. The Building Safety Division operating budget will continue to provide the ability to conduct virtual inspections and other operational needs, as part of the Mayor's Customer-First Development Services Initiative.

**Capital Outlay** – The FY 2023-24 capital outlay budget increased by 7.0% or \$199,098 from the FY 2022-23 budget. Included in the capital outlay budget is funding for the addition and replacement of 14 vehicles; one (1) replacement and one (1) new vehicles in EPD, 10 replacement vehicles in Neighborhood Services, one (1) replacement vehicle in Planning, and one (1) new vehicle in Zoning divisions, as well as equipment, computer equipment and other capital materials.

**Capital Improvements** – The FY 2023-24 capital improvements budget decreased by 30.8% or \$23.6 million from the FY 2022-23 budget. The majority of the decrease is due to the timing of re-budgets for capital projects from the FY 2022-23 budget. The budget includes funding for Water Quality Improvement and Green PLACE Projects, Environmental Sensitive Land Acquisitions, I-Drive Catalytic Site, and the Cassady Building Atrium Infill project. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects for the department.

**Debt Services** – The FY 2023-24 debt services budget decreased by 35.8% or \$102,350 and is for the principal and interest expenses for office equipment capital leases within the Housing and Community Development division.

**Grants** – The FY 2023-24 grants budget decreased by 4.7% or \$3.0 million from the FY 2022-23 budget. The FY 2023-24 budget does not reflect carryover grant funds, which are recognized after the budget is adopted. The budget includes a total of \$58.1 million under the Affordable Housing Trust Fund. The Board approved \$10 million a year with a 10% annual increase to be deposited in a trust fund to be used for affordable housing in Orange County. For FY 2023-24, the calculated contribution to the Affordable Housing Trust Fund is \$14.6 million. In addition, some not-for-profit organizations will receive Community Development Block Grant (CDBG) funding as determined through a competitive process. The amounts for FY 2023-24 are estimates of funding for projects; actual amounts will not be awarded until later in fiscal year 2023 and during this fiscal year 2024.

**Reserves** – The FY 2023-24 reserves budget decreased by 11.9% or \$7.0 million from the FY 2022-23 budget. The Building Safety Fund reserve budget is \$35.1 million. Environmental Protection Division's reserve budget is \$16.1 million, which includes Lake MSTUs and land conservation funds. Neighborhood Services Division's reserve budget is \$297,782, which includes the Pine Hills Neighborhood Improvement Fund. A significant amount of these funds has been committed for planned CIPs.

---

## FUNDING SOURCE HIGHLIGHTS

The Planning, Environmental and Development Services Department receives funding from various sources. For FY 2023-24 the department receive funds from the General Fund, Special Revenue Funds (grant funding), and Capital Construction Funds. Special Revenue Funds include such funds as the Building Fund (1011), the Conservation Trust Fund (1026), Housing Trust Fund (0231), MSTU Lake Funds (1061–1099), and I-Drive CRA Fund (1246).

**Building Permits** – Permit fees are charged for plans review and inspection services encompassing building, electrical, mechanical, and plumbing trades. Staff reviews construction plans and performs construction inspections to ensure compliance with Orange County Code. Fees are based on the actual cost of plans reviewed and site inspections, plus an allowance for overhead expenses. The FY 2023-24 building permit fees are budgeted at \$19.5 million compared to \$19.0 million budgeted in FY 2022-23.

**Lake MSTU Funds** - The Environmental Protection Division uses Lake MSTU funds to defray the cost of herbicides in cleaning lakes and to implement various lake-enhancement projects. Revenues, expenditures, and fund balances are recorded by each MSTU.

**Air Pollution Control Fund** – Revenue is collected by a non-refundable fee of \$1.00 that is charged on every vehicle license registration sold, transferred, or replaced in Orange County. These charges are collected by the Tax Collector and remitted to the State Department of Environmental Regulation. Because Orange County has previously established an Air Pollution Control Fund, according to statutes, \$0.50 of each dollar collected is returned to Orange County to fund air pollution control programs.

***Miscellaneous Contractor Permits*** – Revenue is collected for various permits issued by the Division of Building Safety that are not for new building construction and include permits for tents, trailers, house-moving, structure demolition, signs, re-inspection fees, and other items. The FY 2023-24 miscellaneous contractor permits revenue is budgeted at \$1.4 million.

***Planning Fees*** – Fee revenue is collected for land use and Comprehensive Plan amendments, Preliminary Subdivision Plan submissions, Planning & Zoning applications, final plat applications, and other miscellaneous revenues. Charges are designed to cover actual staff time plus an allowance for overhead costs.

***Zoning Fees*** – Fee revenue is collected for re-zoning requests, development reviews, street addressing, recreational vehicle storage, and Board of Zoning Adjustment Appeals. Charges are designed to cover actual staff time plus an allowance for overhead costs.

***Concurrency Fees*** – Fee revenue is collected for processing requests for concurrency applications. Services include the handling of capacity encumbrance letters, capacity reservation accounts, county-wide coordination, and other agency credit accounts. Charges are designed to cover actual staff time plus an allowance for overhead costs.

***Impact Fee Administration*** – Orange County receives a portion of School Impact Fee revenues for managing the fee collection. F.S. 163.31801 limits administrative charges for the collection of impact fees to actual costs.

***I-Drive Community Redevelopment Agency*** - This fund accounts for revenue generated from the creation of a Community Redevelopment Area (CRA) surrounding International Drive. The CRA was initiated to finance the improvement of certain blighted conditions identified in the area.

**Fiscal Year  
2023-24**

**CAPITAL IMPROVEMENTS PROGRAM**

Projects under the direction of the  
**Planning, Environmental and Development Services Department**

The Planning, Environmental and Development Services Department is responsible for capital projects related to Building Safety, Environmental Protection, Housing and Community Development, and Planning division projects. Responsibilities include the satellite office building, environmentally sensitive lands acquisitions and maintenance of environmentally sensitive lands, improvements to water quality in county lakes, I-Drive catalytic site, and Cassady building renovation.

	<b>Adopted FY 2023-24</b>
Building Safety	\$ 55,000
Environmental Protection	51,956,327
Housing and Community Development	250,000
Neighborhood Services	900,000
Department Total	\$ 53,161,327

**Funding Mechanism:**

Projects within the Planning, Environmental and Development Services Department are budgeted in the Building Safety Fund (1011), Econ River Drainage Basin Fund (1274), Conservation Trust Fund (1026), the Capital Projects Fund (1023), and I-Drive CRA Fund (1246).

The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/2023 to accurately reflect Total Project Cost approved by the Board of County Commissioners.

PERFORMANCE MEASUREMENT SYSTEM .....	11-9
DEPARTMENT BUDGET AND HIGHLIGHTS .....	11-10
CAPITAL IMPROVEMENTS PROGRAM .....	11-19

## Public Works

### Purpose Statement:

The Public Works Department provides for the design, construction, and maintenance of roadways, pedestrian walks, and traffic control devices for the safe, efficient, and effective travel of the residents of Orange County and the general public. In addition, the Department collaborates with community and industry groups and related agencies in determining infrastructure needs. The Department also identifies, provides, and maintains the county's stormwater infrastructure to control and manage stormwater runoff to prevent localized flooding of properties due to storms.

### Program Descriptions:

- The **Development Engineering Division** provides regulatory responsibilities for platting, review of development plans, and permitting for development to ensure compliance with all applicable state regulations and county codes.
- The **Fiscal & Operational Support Division** is responsible for the support of the Public Works Department's fiscal operations, inventory control, public records, emergency response, customer service, and geographical information and mapping functions.
- The **Highway Construction Division** provides construction, inspection, and contract administration services for roadway, sidewalks, drainage projects, recreational trails and intersection improvements throughout unincorporated Orange County.
- The **Public Works Engineering Division** manages the roadway capital improvement program. In addition to major road projects, this includes programs such as intersection improvements, pedestrian safety, new sidewalks, median tree, roadway lighting and bridge replacement. The division also manages water quality projects for the Environmental Protection Division and recreational trail projects for Parks and Recreation Division.
- The **Roads & Drainage Division** provides for the maintenance of roads in the unincorporated areas of Orange County. Services include resurfacing of residential streets, maintenance of unpaved roads and bridges, right-of-way mowing, sidewalk repair, concrete work, and roadway underdrain maintenance.
- The **Stormwater Management Division** is responsible for the planning, engineering design, operation and maintenance of the primary drainage systems within unincorporated Orange County. This includes stormwater ponds, canals, pump stations, major control structures, drainwells, and dams. In addition, the Division administers the Federal Emergency Management Agency's (FEMA) National Flood Insurance (NFIP) and Community Rating System (CRS) Programs.

- The **Traffic Engineering Division** provides for the transportation needs of the county through a series of successful programs, projects and maintenance services including 311 customer service, traffic studies, traffic calming, speed management, intersection improvements, signal installation/coordination, red light cameras, signing and pavement markings, and maintenance of traffic review and permit approval.
- The **Transportation Planning Division** provides overall support for transportation initiatives through policy development in the Comprehensive Plan to ensure that transportation projects address the needs of the community. The division is also responsible for coordinating transportation related issues with other departments, as well as federal and state agencies, in addition to administering the development of transportation infrastructure studies, transportation impact fees, code amendments and transportation concurrency evaluations.

### FY 2022-23 Major Accomplishments:

#### Highway Construction Division

- Initiated construction of Econlockhatchee Trail (South of Lake Underhill Road to North SR 408), Pine Hills Road Safety Improvements – Phases I and II, Shingle Creek Regional Trail Phase 3, Sunbridge Parkway – Segment 1, Avalon Road (CR 545) & Porter Road Intersection Improvements, Lake Gandy Water Quality Improvement Phase II, and Alafaya Trail Sidewalk Improvements.
- Continued construction of the following projects: Kirkman Road Extension (from Universal Boulevard to Carrier Drive), Boggy Creek Road South (from Orange/Osceola Line to South of SR 417), and Oak Ridge Road Safety Improvements.
- Completed construction of Avalon Road Segment 1, Summer Woods Pond Improvements, Shingle Creek Regional Trail Phase 2, Lake Gandy Water Quality Improvement Phase I, Oakland Roundabout, University Boulevard at Rouse Road Intersection Improvements, Overland Sidewalk Safety Improvements.

## Public Works

- Constructed approximately four and a half (4.5) miles of new sidewalks throughout Orange County and 1,150 curb ramps.

### ***Public Works Engineering Division***

- Managed over 190 projects with a combined value of approximately \$1.4 billion, including design, engineering and permitting of major roadway improvements and programs such as intersection improvements, bridge replacements, new sidewalks, median tree landscaping and pedestrian safety. These projects include coordination with Florida Department of Transportation (FDOT) on Local Agency Program (LAP) funded projects, private developers on public/private partnership projects and municipalities on interlocal projects.
- Bid several projects, including three (3) major pedestrian safety improvement projects - Pine Hills Road Safety Improvements Phases 2 and 3, and UCF Alafaya Trail Pedestrian Safety Project.
- Managed the process for acquiring right-of-way for major roadway improvements, intersections improvements and bridge replacement projects, including the use of eminent domain.
- Lighted 6.5 miles of roads across the county in coordination with utility companies.
- Supported Environmental Protection Division, Housing and Community Development Division, and Parks and Recreation Division by providing project management, eminent domain/right-of-way acquisition and survey services for water quality, community development and recreational trail projects.

### ***Roads & Drainage Division***

- Retrofitted more than 25 miles of sidewalk.
- Repaired over 85,000 linear feet of curb.
- Responded to over 9,000 citizen inquiries, and over 400 emergency call outs.
- Trimmed/removed over 30,000 trees.
- Swept over 25,000 curb miles of roadway.
- Repaired about 4,200 potholes.
- Mowed over 44,500 acres of right-of-way and maintained over 20,000 acres of landscaped areas.
- Cleaned over 50 miles of stormwater pipes, and over 6,700 drainage inlets.
- Cleaned and reshaped three (3) miles of roadside ditches, and three (3) miles of secondary canals
- Resurfaced over 130 lane miles of arterial, collector, and subdivisions roads.
- Repaired over 4,500 linear feet of stormwater conveyance pipes.
- Installed over 70,000 linear feet of underdrain.
- Repaired over 2,800 linear feet of guardrail.

- Removed over 3.6 pounds of trash and debris from the right-of-way.

### ***Stormwater Management Division***

- Mowed approximately 27,768 acres of county right-of-way/easements for ponds and primary canals.
- Trimmed or removed over 6,594 trees.
- Chemically sprayed approximately 658 miles of fences, curbs, and edges; and 7,408 acres of county right-of-way/easements for ponds and primary canals.
- Repaired over 11,110 linear feet of fencing along ponds and right-of-way.
- Processed 420 floodplain permits and reviewed 75 determinations and inquiries.
- Capital Improvement Projects:
  - Orlo Vista/Westside Manor Stormwater Improvements and Big Sand Lake Outfall Improvements (by FDOT) are under construction.
  - B-14 Boggy Creek Pipeline – Segments C and D are under design.
  - 18th Street Drainwell Improvements (DW-060A), Little Wekiva River – Sheet Pile Restoration, and Long Lake Outfall pipe are advertised or scheduled for construction.

### ***Traffic Engineering Division***

- The traffic studies section performed a total of 17 signal warrants, 11 speed studies and 31 multi-way stop control studies. It also reviewed 1,368 development applications and processed 4,604 maintenance of traffic permits.
- The traffic calming section installed 59 speed radar signs, 109 speed humps, converted 77 speed humps to speed cushions, six (6) raised crosswalks, and 931 intersection/midblock ADA pedestrian curb ramps.
- The safety section conducted 19 crosswalk studies, developed two (2) safe walking routes to schools, upgraded 11 school zones and designed eight (8) traffic signals. The red-light running camera section issued 80,112 notice of violations and 24,251 uniform traffic citations.

## Public Works

- The maintenance and operations section constructed 11 traffic signals, fabricated 7,871 signs, and refreshed 66 lane-miles of striping.
- The Traffic Management Center coordinated 122 traffic signals and resolved 889 signal-timing concerns.

### ***Transportation Planning***

- Dual development role with Public Works Department in receiving approval for the \$100 million Accelerated Transportation Safety Program.
- Processed three (3) Local Agency Program (LAP) agreements that secured federal funding for improvements to roads and trails.
- Completed the corridor studies for Avalon Road (Town Center), Avalon Road (South Segment), NEOCATS Area Study, Holden Avenue\Gatlin Avenue\Orange Avenue Study, Innovation Way, New Independence Parkway and the Williamsburg Area Study.
- Assisted Planning Division with the transmittal of the 2030 Transportation Element Comprehensive Plan Amendment to the State of Florida.

### **FY 2023-24 Department Objectives:**

#### ***Highway Construction Division***

- Initiate construction of Shingle Creek Bike Trail - Phase 1 Segments 2 & 3, Lake Lawne Weir Retrofit, Shingle Creek Pond Retrofit, Little Wekiva River Sheet Pile Wall Repairs, and Barber Park Drainage Well Replacement.
- Complete the construction of Boggy Creek Road South (from Orange/Osceola Line to South of SR 417), Oak Ridge Road Safety Improvements, Pine Hills Road Safety Improvements – Phase I, Avalon Road (CR 545) & Porter Road Intersection Improvements, and Lake Gandy Water Quality Improvement Phase II.
- Continue installation of new sidewalks and curb ramps throughout the County.
- Begin delivery of the sidewalk/ADA components of the upcoming Accelerated Transportation Safety Program.

#### ***Public Works Engineering Division***

- Continue to manage intersection and pedestrian safety and roadway projects in our Capital Improvement Program (CIP).
- Continue to administer the sidewalk program and install approximately 12 miles of pedestrian sidewalks throughout Orange County.
- Continue to manage the acquisition of rights-of-way including eminent domain for our CIP Program.
- Complete the installation of all remaining lights under the previous roadway lighting program.
- Continue to manage and implement the median tree landscaping and bridge replacement programs.

- Manage and implement the Accelerated Transportation Safety Program, which will include lighting, sidewalks, and safety projects.
- Implement Aurigo project management software in coordination with ISS, Real Estate Management, Environmental Protection Division, Highway Construction, and Transportation Planning.
- Continue to support Environmental Protection Division, Housing and Community Services Division, and Parks and Recreation Division by providing project management services, right-of-way acquisition services, and survey services for water quality projects, community development projects, and recreational trails.
- Continue to implement the Countywide Vertical Benchmark Network Project, which will assist meeting the current FEMA and National Geodetic Survey (NGS) standards for vertical control, which will be included in the County's Geographic Information System (GIS) Database.

#### ***Roads & Drainage Division***

- Implement asset management system (iWorQ) as a tool for enhanced operational efficiencies.
- Complete land acquisition and initiate design for a new Horizon West Maintenance Unit.
- Continue to promote the health, safety, and welfare of Orange County residents through the maintenance of roadway and secondary drainage facilities.
- Provide leadership and support activities for recovery operations to open roads and minimize secondary flooding issues during emergencies and adverse weather events.

#### ***Stormwater Management Division***

- Continue to improve stormwater management in Orange County by completing updated Watershed Master Plans for each of the county's basins.
- Continue the Comprehensive Structural Inventory Plan for Stormwater Infrastructure (CSIP).
- Continue the inventory and creation of fact sheets for County maintained ponds.
- Continue to participate in FEMA's Community Rating System (CRS) Program to improve flood protection and increase monetary savings to residents.

#### ***Traffic Engineering Division***

- Work with community groups and organizations on traffic calming, pedestrian safety, and school-related issues. Conduct traffic studies at critical intersections and roadways to install pedestrian crosswalks, signs, and signals.
- Manage the County's Red-Light Safety Program and implement speed limit recommendations to improve safety.
- Construct several traffic signals, install overhead flashing beacons at school zones, and lead corridor signal re-timing projects to improve level of service on designated roads.

## Public Works

---

- Expand the fiber optic network and install intelligent transportation systems (ITS) technology such as signal cabinet & controller upgrades closed circuit television (CCTV) cameras, wireless communication devices, and Bluetooth travel time detectors.

### *Transportation Planning*

- Complete road studies for Chuluota Road, McCulloch Road, Tiny Road, I-Drive Pedestrian Bridge, University Boulevard, Hiawasse Road, Edgewater Drive and Hancock Lone Palm Road.
- Complete the division study on electric vehicle charging and mobility hub sites.
- Promote and consider alternative modes of transportation during Comprehensive Plan Amendments and land development reviews that support a future land use pattern to facilitate safe, convenient, and efficient transportation.
- Continue to apply for state and federal grants associated with transportation improvements.

## Public Works

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases. The department’s authorized position count remained unchanged.

**Operating Expenses** – The FY 2023-24 operating expenses budget decreased by 16.2% or \$19.9 million from the FY 2022-23 primarily due to the one-time emergency funding for Hurricane Ian debris cleanup within the 2023 fiscal year. A total of \$44.7 million is included under Roads and Drainage Division for maintenance of roadway systems, which contained funding for maintenance of new roadways, street sweeping, landscape maintenance, right-of-way mowing maintenance, curb repairs, and other roadway costs to maintain a total of 5,940 road lane miles in Orange County. Public Works Engineering budgeted \$3.1 million to conduct four (4) roadway studies, which include Dean Road (University Boulevard to McCulloch Road) for 1.4 miles, Lake Pickett (Percival Road to Chuluota Road) for 1.8 miles, North-West Orange County Areawide Transportation Study, and Econlockhatchee Trail Roadway (Curry Ford Road to Lake Underhill Road) for 2.8 miles. The total operating budget of \$103.1 million will allow Public Works to maintain its current level of service.

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 40.5% or \$4.4 million from the FY 2022-23 budget. The budget fluctuates each year based upon equipment needs, primarily to replace heavy equipment and rolling stock under the Roads and Drainage Division and Stormwater Management Division. Items included in this budget are a 10-wheel dump, excavator, bobcat, transport trailer, skid steer, a tractor, and mowers. The FY 2023-24 budget includes funding for 24 vehicles; four (4) replacement and one (1) new vehicle in Development Engineering, three (3) replacement vehicles in Highway Construction, three (3) replacement and one (1) new vehicles for Traffic Engineering, and 10 replacement and two (2) new vehicles for Roads and Drainage.

**Capital Improvements** – The FY 2023-24 capital improvements budget decreased by 33.1% or \$107.8 million from the FY 2022-23 budget primarily due to the timing of project schedules. Included in the budget is funding for three (3) new projects; Vision Zero-Roadway/INTXNS/Pedestrian & Bike Safety and Intersections/Corridor Roadway Sustainability Improvements for SORAP, which will enhance infrastructure resilience, technology readiness, and vehicle/bicycle/pedestrian safety; and, Transport-Roadway Safety Traffic for the \$100 million Accelerated Transportation Safety Program, which includes funding over a five-year period for transit, street lighting, sidewalks, and transportation safety expansions. Additionally included is funding for the continuation of repaving existing roadways, stormwater, drainage, traffic improvements, and several roadway improvement and intersection safety projects. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects for the department.

**Debt Service** – The FY 2023-24 debt service budget decreased by 100.0% or \$2.4 million, due to changes in the GASB-87 threshold requirements for amortizing capital lease payments.

**Grant** – The FY 2023-24 grant budget increased by 3,015.0% or \$3.0 million, which includes \$75,000 to the Bike Walk Central Florida for pedestrian safety initiatives, \$40,000 to the Walk-Ride-Thrive Children’s Safety Village of Central Florida and \$3.0 million to LYNX Shelters and Transit Centers, as part of the \$100 million Accelerated Transportation Safety Program.

**Reserves** – The FY 2023-24 reserves budget increased by 30.3% or \$35.6 million from the FY 2022-23 levels. The majority of the Public Works reserves reside in the Transportation Impact Fee funds. Public Works continues to draw down these reserves to construct new and widened roadways.

**Other** – The FY 2023-24 other category increased by 83.3% or \$100,000 from the FY 2022-23 levels. This budget includes a \$220,000 interfund transfer from the Transportation Trust Fund to the Apopka Vineland Landscaping MSTU to fund maintenance activities.

---

## **FUNDING SOURCE HIGHLIGHTS**

The majority of the funding for the Public Works operating budget comes from Orange County’s sales tax revenue and several gas tax revenue sources. On the capital side, the department funds its projects with impact fees, gas taxes, ad valorem capital projects funds, I-Drive CRA (community redevelopment agency), and various state and federal grants.

**Fiscal Year  
2023-24**

**CAPITAL IMPROVEMENTS PROGRAM**

Projects under the direction of the  
**Public Works Department**

This department is responsible for the provision of transportation and drainage facilities in Orange County. Projects may include the upgrade of existing facilities or the acquisition/construction of new facilities. Specifically, projects include road construction, signal installations, drainage structure improvements, purchase of soils, lab and engineering services, and construction of sidewalks and bike paths.

	<b>Adopted FY 2023-24</b>
Public Works Engineering	\$ 142,719,960
Public Works Stormwater Mgt.	12,800,000
Roads & Drainage	43,700,086
Traffic Engineering	18,485,000
Department Total	\$ 217,705,046

**Funding Mechanism:**

Funding for these projects is derived from a variety of gas tax revenues, such as the Local Option Gas Tax, Constitutional Gas Tax, and County Gas Tax. Funds for Stormwater Management and some roadway projects are also available from ad valorem taxes dedicated to infrastructure needs (Capital Projects Fund). Growth related transportation needs are funded from impact fees collected from building permits issued on new construction. Funding for the Roadway Median Tree Program is coming from the Tree Replacement Trust Fund and the Transportation Trust Fund. In addition, funding from the International Drive Community Agency (I-Drive CRA) is included for engineering and traffic projects.

The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/2023 to accurately reflect Total Project Costs approved by the Board of County Commissioners.

## Utilities

### Purpose Statement:

Orange County Utilities (OCU) provides water, wastewater, and solid waste recovery services to protect and enrich the lives of the citizens and guests of Orange County, Florida.

### Program Descriptions:

- The **Customer Service Division** is responsible for assisting utility customers 24 hours a day, 7 days a week through an automated system, and Monday- Friday during regular business hours in the Utilities Administration Building and the County Administration Building. The division is also responsible for monthly meter readings, ensuring the accuracy of more than two million annual billing events, the expeditious collection of all utility revenues, as well as the monitoring of system capacity and dispatching services.
- The **Engineering Division** manages the Capital Improvement Program (CIP) for water, wastewater, and reclaimed water projects. The division also reviews the plans and agreements of proposed infrastructure by the development community to conform to the Orange County Utilities Standards and Construction Specifications Manual.
- The **Field Services Division** is responsible for the inspection, testing, regulatory compliance, operation, and maintenance of Orange County Utilities water transmission and distribution, wastewater collections, and reclaimed water transmission systems, including all associated pump stations.
- The **Fiscal & Operational Support Division** provides support services to the Director's office and all Utilities divisions. These services include financial management of the department's two enterprise funds and the special revenue fund, accounting, information technology, procurement, warehouse management, facilities maintenance and management, safety administration, and communications.
- The **Solid Waste Division** provides residential curbside collection of garbage, yard waste, and recyclable materials for unincorporated Orange County. The division is also responsible for the operation of the Orange County landfill, two solid waste transfer stations, one recycling transfer station and recycling processing operations, including several special programs such as the Household Hazardous Waste and Waste Tire programs.

- The **Water Division** ensures a safe and reliable water supply for all of Orange County Utilities' customers. The division is responsible for the administration, operation, and maintenance of the water supply facilities. The division promotes water conservation, ensures the sustainability of the water resources of the Floridan Aquifer, protects the water system from potentially hazardous conditions in the distribution system through the cross-connection control program, and oversees the Utilities laboratory, which provides services to the entire department.
- The **Water Reclamation Division** provides reliable and environmentally safe treatment of the wastewater collected from our customers. The division is responsible for the administration, operation, and maintenance of the wastewater treatment plants and the production of reclaimed water for irrigation and industrial use.

### FY 2022-23 Major Accomplishments:

#### *Customer Service Division*

- Implemented Phase II of our bill print vendor contract, increasing our bill design functionality and gaining additional flexibility for the bill, and insert presentment options for our customers.

#### *Engineering Division*

- Selected and contracted with a consultant for preliminary design, final design, and construction administrations services for our Western Regional Water Supply Facility ozonation sulfide removal system.
- Completed construction of the Northwest Water Reclamation Facility (NWRf) Solar Panel Facility and the Southern Regional Water Supply Facility (SRWSF) Floating Solar Panel Facility.
- Integrated ArcGIS Pressure Sensor Dashboard with SCADA data, flow, water quality, and chlorine probe data.

## Utilities

### Field Services Division

- Performed unidirectional flushing of 211 miles of water main.
- Exercised 3,000 blow off valves.
- Exercised and maintain all OCU fire hydrants (approximately 11,800) supporting the County's International Organization for Standardization certification.
- Inspected 140 miles of gravity main.

### Fiscal & Operational Support Division

- Upgraded the Maximo Asset Management & Work Order system to version 7.6.1.2.
- Completed the revenue sufficiency analysis update for the Solid Waste System.
- Coordinated a mayoral ribbon cutting event for the opening of the Hamlin Water Reclamation Facility.

### Solid Waste Division

- Completed construction and began operation of Class I Landfill Cell 11 phase 1.
- Reached more than 200,000 households with the Recycling Quality Improvement Program (RQIP) that provides residents direct curbside feedback on how to recycle right. This program won the award for Outstanding Public Awareness Campaign from the Solid Waste Association of North America.

### Water Division

- Finalized the compliance strategy with the Environmental Protection Agency (EPA) Lead & Copper program, including the outreach plan and the sampling plan for schools and daycare facilities.
- Deployed and fully utilized the Power Business Intelligence tool to better visualize Maximo data and make better informed decisions.

### Water Reclamation Division

- Completed cleaning and rehabilitation of the South Water Reclamation Facility (SWRF) southwest treatment basin.
- Seeded and placed into operation the Hamlin Water Reclamation Facility.
- Placed the new SWRF influent pump station into operation.
- Completed the 1st year H2O Pipeline Program and graduated 10 students.
- Implemented a Plant Specialist apprenticeship program at Eastern Water Reclamation Facility (EWRF).

### FY 2023-24 Department Objectives:

#### Customer Service Division

- Replace aging drive-thru system with self-service kiosks to provide more customer-driven options, allowing our customers to review their accounts and make payments at any time while saving resources and expediting services.
- Implement Phase I of our Customer Care and Billing (CC&B) application upgrade, from version 2.5 to Oracle's Customer to Meter (C2M) solution. The new C2M solution combines our Customer Information System with a Meter Data Management (MDM) system, eliminating future integration needs and facilitating the deployment of Automated Meter Infrastructure (AMI) technologies.

## Utilities

### ***Engineering Division***

- Start construction of the Utilities Operation Center East project.
- Complete issuance of the SWRF Advanced Wastewater Treatment (AWT) Request for Proposal (RFP).
- Start construction of the Storey Park Master Pump Station.
- Complete piloting of treatment process improvements for sulfide and total organic carbon (TOC) removal at Hidden Springs Water Supply Facility.
- Continue pursuit of funding assistance for septic-to-sewer program from state agencies and complete Mandatory Refuse and Recycling Program balloting for communities that have been identified for funding in the Wekiwa Springs Septic Tank Retrofit Program.

### ***Field Services Division***

- Perform unidirectional flushing on 350 miles of water main.
- Exercise 1,200 wastewater air release valves.
- Exercise and maintain all OCU fire hydrants (approximately 11,800) supporting the county's International Organization for Standardization certification.
- Inspect 200 miles of gravity main.

### ***Fiscal & Operational Support Division***

- Complete the Water and Wastewater Capital Charge Study and bring results to the Board for consideration.
- Upgrade the audio, visual, and virtual conferencing technology in the Public Meeting Room, most of which was installed in 2005.
- Update the Utilities Health and Safety Plan.

### ***Solid Waste Division***

- Complete solicitation for a new materials recovery facility (MRF) and award a contract for the development of this innovative public-private partnership.
- Continue the Recycling Quality Improvement Program and provide direct education to the remaining residential solid waste collection & recycling customers.

### ***Water Division***

- Complete the Lead & Copper service line inventory.
- Create a plan for addressing the new Per- and Polyfluoroalkyl Substances (PFAS) regulation for drinking water.

### ***Water Reclamation Division***

- Complete the request for proposal to develop advanced wastewater treatment for SWRF.
- Evaluate Florida Department of Environmental Protection (FDEP) approved reduced staffing levels at NWRF.

## Utilities

Key Performance Measures	Notes	FY 2021-22 Actual	FY 2022-23 Target	FY 2023-24 Target
<b>Solid Waste</b>				
– Tonnage of Solid Waste Delivered to the Landfill		1,224,418	1,148,812	1,272,545

## Utilities

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions is increasing from \$16,500 to \$17,850 per employee to cover medical cost increases. The department’s authorized position count remains unchanged.

**Operating Expenses** – The FY 2023-24 operating expenses budget decreased by 3.1% or \$6.9 million from the FY 2022-23 budget. The decrease is primarily due to the carry forward encumbrances in the FY 2022-23 budget for contractual services, consultant services, research and studies, maintenance of buildings, maintenance of equipment and maintenance of system infrastructure for projects and programs that began or continued in the prior fiscal year and will continue into FY 2023-24. Disposal costs in the Mandatory Refuse and Recycling Program increased by \$1.5 million as a result of increases in the amount of waste the households in the program are producing, growth in the number of households in the program, and a proposed increase in tipping fees for the Solid Waste System, total budget amount of \$14.5 million. In addition, payments to the franchise haulers increased by \$2.3 million due to the annual calculation of compensation to the haulers based on contract methodology that adjusts for the haulers’ operational and fuel expenses, total budget amount of \$37.9 million.

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 38.2% or \$7.6 million from the FY 2022-23 budget. The majority of capital outlay items are purchased based on replacement schedules that include length of service, age, and maintenance cost. The budget for heavy and other equipment is \$10.2 million and includes funding for the purchase of pressure and water quality monitoring equipment, trailer replacements, compactors, large lab equipment, process control monitoring units, samplers, process mixers and utility carts, in the Water and Wastewater System. The budget also includes replacing a tarp machine, dump truck replacement, yard dog replacement, loader replacement, skid steer replacement, road tractor replacements, trailer replacements, powertrain rebuilds, and a skid steer rebuild, in the Solid Waste System. The rolling stock budget is \$1.9 million and includes 19 replacement vehicles and five (5) new vehicles.

**Capital Improvements** – The FY 2023-24 capital improvements budget increased by 6.8% or \$15.8 million from the FY 2022-23 budget. The projects include improvements to the water, wastewater, and solid waste facilities as well as construction of pipelines for the water, wastewater, and reclaimed water systems, and to address the renewal and replacement of aging infrastructure. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects for the department.

**Debt Service** – The FY 2023-24 debt service budget decreased by 1.9% or \$616,396 from the FY 2022-23 budget. Debt service payments are based on the principal and interest payments for existing bonds, anticipated debt financing, state revolving fund loans, and other minor debt related expenses.

**Reserves** – The FY 2023-24 reserves decreased by 22.4% or \$59.9 million from the FY 2022-23 budget. The department maintains restricted reserves for debt service, customer deposits, and for financing future closure and long-term care costs of landfill cells. Reserves are also in place to fund future capital improvements and to serve as a contingency in the event of emergencies. Reserves fluctuate due to the flow of program revenues, expenses, and the issuance of debt.

**Other** – The FY 2023-24 other category budget increased by 5.4% or \$600,000 from the FY 2022-23 budget and includes the General Fund interfund transfer, which is budgeted at \$10.8 million based on a payment in lieu of taxes calculation. Also included in this category is \$1.0 million for Connection Fee refunds.

---

## FUNDING SOURCE HIGHLIGHTS

The Utilities Department receives revenue from the operations of the Water & Wastewater System and the Solid Waste System enterprise funds. The enterprise funds decreased by 4.8% or \$36.8 million primarily due to a decrease in cash brought forward. The Mandatory Refuse and Recycling Program decreased by 12.6% or \$14.5 million due to a decrease in cash brought forward.

**Water and Wastewater Fund** – Monthly water and wastewater charges include a fixed component and a volume charge to cover actual usage. Rates are established by the Board of County Commissioners (BCC) and are designed to cover the operating and maintenance costs, debt service expense, and other requirements of the Water & Wastewater System. In May of 2022 the Board approved a 5-year plan for water and wastewater rates to achieve parity between residential and commercial effective rates beginning in FY 2023-24. Additionally, to meet operational requirements and debt service expenditures, the Utilities Department recommended a 3.0% increase to all other system rates for FY 2023-24.

**Solid Waste Fund** – The Solid Waste System assesses charges to users for the disposal of waste at Orange County's landfill and transfer stations. Tipping fees are charged according to the amount of tonnage that is received at each site. Rates are established by the BCC and are designed to cover the operating and maintenance costs, cell construction expenditures, closure and long-term care expenses, and other requirements of the Solid Waste System. The Utilities Department recommended a 12.0% increase in tipping fees for FY 2023-24.

**Mandatory Refuse Fund** – The Mandatory Refuse Fund collects fees to cover the cost of the Mandatory Refuse and Recycling Program that provides for the collection of household garbage, yard waste, bulk items, and recyclables in unincorporated Orange County. Orange County contracts with three (3) haulers to collect these materials from households in five (5) geographic zones within Orange County. Commercial establishments do not participate in this program and must contract separately with waste haulers. The Orange County Tax Collector collects a non-ad valorem assessment on the annual tax bills as payment of fees for residential customers. The Utilities Department is recommending an increase of \$30.00 to the annual MSBU rate charged to customers for residential refuse and recycling collection and disposal services for FY 2023-24. The new annual rate is \$290.00 per household.

**Fiscal Year  
2023-24**

**CAPITAL IMPROVEMENTS PROGRAM**

Projects under the direction of the  
**Utilities Department**

The Utilities Department is responsible for the collection and disposal of solid waste, the collection and treatment of wastewater, and the treatment and disbursement of potable water. A variety of capital projects are planned for the next five (5) years including upgrading and expanding Solid Waste, Water, and Water Reclamation facilities.

	<b>Adopted FY 2023-24</b>
Solid Waste	\$ 26,126,593
Water	53,200,356
Water Reclamation	131,449,138
Other	38,653,486
Department Total	\$ 249,429,573

**Funding Mechanism:**

Funding for Solid Waste projects is provided from system revenues.

Funding for Water and Water Reclamation System projects in FY 2023-24 is provided from system revenues and external financing.

The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/2023 to accurately reflect Total Project Cost approved by the Board of County Commissioners.

## Administration & Fiscal Services

### Purpose Statement:

The Administration and Fiscal Services ensures that the best administrative and financial management practices are followed by providing an effective, cost-efficient operation with an excellent return on investment to the residents and visitors to Orange County.

### Program Descriptions:

- The **Fiscal and Business Services Office (FBS)** is responsible for administering Orange County's debt management program and fostering creative and innovative initiatives that assist Orange County in meeting its management efficiency and improvement objectives by providing the highest quality financial analysis, transactional performance, and business leadership.
- The **Human Resources (HR) Division** is responsible for assisting all operating departments under the Board of County Commissioners (BCC) and other local public agencies in delivering personnel services by providing a stable and qualified workforce in compliance with state and federal regulations. HR is also responsible for planning, organizing, and directing negotiations with union representatives pursuant to laws and ordinances governing work, working conditions, and employee pay. HR strives to manage and strengthen the employer-employee relationship and engage in good faith bargaining with labor union representatives. In collaboration with all operating departments, the division is responsible for identifying and establishing processes to resolve organizational and employee issues. HR provides organizational development initiatives, employee training and development, and establishes a competitive pay system for all categories of employees. Additionally, HR manages official employee records and administers the employee benefits program including medical, dental, vision, short and long-term disability, life insurance, spending accounts and the employee assistance program.
- The **Information Systems and Services (ISS) Division** provides an effective, cost-efficient operation with an excellent return on investment by delivering new technologies and a state-of-the-art network server infrastructure. ISS is the single point of contact for reporting related problems through the Service Center. The Service Center immediately handles the more common problems and refers those problems beyond its area of expertise to technical experts in ISS and to vendors.
- The **Office of Management and Budget (OMB)** is responsible for preparing and monitoring Orange County's annual operating budget and capital improvements program in accordance with applicable laws, statutes, and policies of the BCC. In addition, OMB forecasts multi-year revenues and expenditures and provides management analysis assistance on special projects requested by the County Mayor and County Administrator's Office. OMB provides centralized coordination of operational and strategic performance measurement activities, assists departments in the development and revision of fees for service, and provides assistance in coordinating the development of Orange County's Full Cost Allocation Plan. Grants coordination services are also provided to assist departments in the consolidation and coordination of grant related activities according to an established grants process.
- The **Office of Professional Standards** is tasked with maintaining the integrity of Orange County Government and its employees through conducting full, fair, and objective investigations related to employee misconduct and Equal Employment Opportunity Commission (EEOC) complaints. In addition to investigations, Professional Standards tracks the arrests of Orange County employees, performs pre-employment background screening of new employees, and provides trained mediation support to employee workplace issues, as well as specialized training and program evaluation activities to help protect Orange County from potential liability.

## Administration & Fiscal Services

- The **Risk Management Division** is responsible for the administration of the self-insurance program for the BCC and Constitutional Officers (except the Sheriff's Office). In addition to monitoring all workers' compensation, liability, and property claims, this program is also responsible for reducing the cost of workers' compensation and liability claims through aggressive claims/case management in conjunction with the county's third-party administrator. The program also reviews and analyzes the appropriate mix of risk retention and transfer and oversees the underwriting and purchase of the county's commercial insurance program. A comprehensive safety program is provided that includes training, technical support, inspections, investigations, and an occupational medicine program. The program also provides project management for remediation projects, conducts/reviews environmental site assessments for all county-owned and leased real property, performs asbestos and lead-based paint inspections, and manages the petroleum storage tank compliance program for all county-owned underground and above ground storage tanks.
- Launched remote assessment administration for administrative support positions to allow for greater accessibility.
- Launched countywide recognition and incentive program, Orange You Amazing to influence a culture of appreciation and drive retention.
- Successfully negotiated multi-year bargaining unit agreements with three (3) of the county's unionized workforces, which include the American Federation of State, County and Municipal Employees (AFSME); Fraternal Order of Police (FOP) Lodge #86; and Laborers' International Union of North America (LIUNA). These agreements establish the terms and conditions of employment for all employees covered under these agreements for fiscal years 2022/23 through 2024/25.
- Successfully facilitated the 3rd Annual Mayor's Executive Leadership Program to groom future leaders of the organization including a Servant Leadership interview with philanthropist Harris Rosen. To take it a step further, implemented an Executive Leadership Extended Learning Series to drive professional development and continual learning for senior leaders.

### **FY 2022-23 Major Accomplishments:**

#### ***Fiscal and Business Services***

- Maintained the county's general credit ratings at the highest level of AAA.
- Lead the reimbursement effort for 79 FEMA claims following Hurricane Irma. Received over \$22 million in Federal Emergency Management Agency (FEMA) reimbursements to date.
- Acted as county lead in planning the development of a program to provide financial coaching to Orange County residents through the establishment of a Financial Empowerment Center (FEC).
- Performed research to determine impacts to Orange County regarding the ongoing review of the uses of Tourist Development Tax (TDT). Provided financial modeling to address future capital planning.

#### ***Human Resources Division***

- Implemented online performance management process across all county departments, allowing for more enhanced tracking and reviewing of employee's professional development and work performance, resulting in significant cost savings due to the elimination of paper, ink, copier and other maintenance and productivity costs.
- Designed and implemented effective recruitment strategies to attract diverse groups of candidates to fill countywide vacancies and retention strategies to reduce employee turnover. Screened 50,163 applicants which resulted in hiring 1,388 employees.

- Human Resources was recognized with a National Association of Counties Achievement Award for their service award program. This program also received a high employee satisfaction rate for honorees. In a post-event survey, 100% of respondents said they felt the event was excellent or good in a survey with a 69% response rate.
- Launched the new myOCHR Human Resources branding which aligns with the naming convention used for many of our employee-focused services. myOCHR is focused on providing access to HR via phone, email, online webpage where employees can submit important documents, or in-person at three locations.
- Facilitated compliance trainings focused on Ethics, the Health Insurance Portability and Accountability Act (HIPAA) and Workplace Violence to raise awareness and instill best practices to ensure a safe work environment which outlines behavior expectations and accountability for employees.

#### ***Information Systems and Services (ISS)***

- Continued expanding the Orange County wireless (WiFi) network and functions throughout the county.
- Migrated Orange County on-premises email to cloud based Microsoft 365 solution.
- Implemented MFA (Multi-Factor Authentication) to allow for enhanced security on email and remote access systems.
- Enabled connectivity between the Reedy Creek Improvement District and Orange County public safety radio systems. This project was completed this past year and allows 1st responders the ability to roam back and forth on each system.

## Administration & Fiscal Services

---

### ***Office of Management and Budget***

- Successfully developed the \$6.8 billion FY 2023-24 budget that was adopted by the BCC.
- Received the Government Finance Officers Association (GFOA) of the United States and Canada distinguished budget award for the 37th consecutive year.
- Successfully completed all of the required statutory regulations related to the budget for FY 2022-23.
- Received Truth in Millage (TRIM) compliance certification from the State for FY 2022-23.
- Continued to successfully monitor and manage the American Rescue Plan Act of 2021 (ARPA) Local Recovery funding in the amount of \$270 million.
- Analyzed the impact of current economic conditions on Orange County's financials to ensure the viability of current and future budgets.
- Reviewed and monitored legislation and determined impacts to Orange County.

### ***Office of Professional Standards***

- Completed 36 misconduct investigations.
- Completed 13 Equal Employment Opportunity Commission (EEOC) position papers.
- Completed 1,450 background investigations.

### ***Risk Management***

- Negotiated insurance renewals with 2.5% increase when similar renewals for other entities were 10-20% increases.

### **FY 2023-24 Department Objectives:**

#### ***Fiscal and Business Services***

- Monitor changing financial markets to identify potential costs savings for bonds issued by Orange County.
- Continue to work with county departments to provide creative financial alternatives and smart recommendations for financing decisions.
- Continue to monitor Tourist Development Tax (TDT) collections.
- Continue to provide investor relations and work with national credit rating agencies.

#### ***Human Resources Division***

- Successfully negotiate multi-year bargaining unit agreements with the International Association of Firefighters supervisory and non-supervisory bargaining units for the fiscal year beginning October 1, 2024.
- Implement effective HR Systems and processes which enhance applicant's experiences when seeking employment with Orange County.

### ***Information Systems and Services (ISS)***

- Continue working with county and local agencies to enhance 311 systems focusing on critical call taking and regional support.
- Implement a new fleet management system that will enhance our ability to track vehicle maintenance, inventory, and cost.
- Begin transition of 911 telephone system to next generation platform that will include the ability to send data such as text messages, photos, and videos to better assist emergency responders.

### ***Office of Management and Budget***

- Develop a FY 2024-25 budget that is fiscally sound and meets the expectations of the citizens of Orange County.
- Continue to monitor and analyze legislation and economic developments.
- Monitor revenues and expenditures for the entire county to ensure long-term financial health.
- Continue to monitor and track capital improvement projects that are in the five (5) year capital improvements plan.
- Continuously track, analyze, and report on the performance of key county revenues.
- Continue to assist Orange County departments in obtaining new grant funding.
- Continue to monitor and report on ARPA funding.

### ***Risk Management***

- Continue Risk Management's loss prevention training to include the completion of violence in the workplace and liability courses for all employees of the BCC and Constitutional Officers.
- Continue to evaluate risk retention levels to optimize risk transfer levels.

## Administration & Fiscal Services

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases.

Included in the budget are seven (7) new positions for Human Resources (HR). The positions will oversee recruitment efforts, support new HR systems implementations and initiatives, and analyze HR data and statistics for trends and patterns and present findings.

#### Seven (7) New Positions FY 2023-24

- 1 – Human Resources Analyst, Human Resources
- 1 – Human Resources Advisor, Human Resources
- 3 – Senior Human Resources Analyst, Human Resources
- 2 – Recruiter, Human Resources

**Operating Expenses** – The FY 2023-24 operating expenses budget decreased by 0.1% or \$306,489 from the FY 2022-23 budget due primarily to a reduction in Risk Management of approximately \$3.7 million in the general liability loss reserves, which is mandated by the most recent actuarial study. Other significant adjustments are as follows: \$4.4 million increase in the Medical Benefits Fund, and \$2.5 million increase to technology software renewals and new technology implementations in Information Systems and Services (ISS). The table below summarizes all changes to the Risk Management Program.

	FY 2022-23 Budget as of 03/31/2023	FY 2023-24 Adopted Budget	Change from FY 2022-23 Budget	% Change from FY 2022-23
<b>Risk Management</b>				
Personal Services - Operations	\$ 2,427,227	\$ 2,630,919	\$ 203,692	8.4 %
Workers' Comp	\$ 48,805,896	\$ 50,860,160	\$ 2,054,264	4.2 %
Claims Administration	\$ 3,936,540	\$ 3,900,000	\$ (36,540)	(0.9)%
General, Auto & Property Liability	\$ 34,340,636	\$ 30,667,168	\$ (3,673,468)	(10.7)%
Occupational Medicine	\$ 2,950,658	\$ 2,600,000	\$ (350,658)	(11.9)%
Other Insurance & Bonds	\$ 6,861,724	\$ 9,436,956	\$ 2,575,232	37.5 %
Payments to Other Gov. Agencies	\$ 244,000	\$ 237,977	\$ (6,023)	(2.5)%
Other Operating Expenditures	\$ 1,842,926	\$ 1,245,685	\$ (597,241)	(32.4)%
Reserve for Contingency	\$ 4,828,309	\$ 0	\$ (4,828,309)	(100.0)%
<b>Total Budget</b>	<b>\$ 106,237,916</b>	<b>\$ 101,578,865</b>	<b>\$ (4,659,051)</b>	<b>(4.4)%</b>

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 9.4% or \$601,065 from the FY 2022-23 budget. The decrease is primarily due to a reduction of one-time purchases in rolling stock, computer equipment, and software. Included in this budget is funding in the amount of \$862,100 for ISS software requirements including enterprise storage solution expansion to protect county data and computer equipment in the amount of \$2.1 million.

**Capital Improvements** – The FY 2023-24 capital improvements budget decreased by 46.3% or \$18.5 million from the FY 2022-23 budget primarily due to the completion of projects by ISS. The budget includes funding for ongoing technology hardware/software replacement, network infrastructure, telecommunications, 911 technology upgrades, and radio tower power improvements. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects.

**Debt Service** – The FY 2023-24 debt service budget decreased by 7.0% or \$16,475 from the FY 2022-23 budget and is for the principal and interest expenses for office equipment capital leases within ISS and Risk Management Operations.

**Reserves** – The FY 2023-24 reserves budget decreased by 14.6% or \$10.7 million from the prior year level and includes reserves in the Medical Benefits Fund of \$63.0 million.

---

## FUNDING SOURCE HIGHLIGHTS

The majority of the funding for the Administration and Fiscal Services Department is derived from Internal Services Funds – the Medical Benefits Fund and Risk Management Fund account for 74.9% of funding. Medical Benefits Fund revenue is largely derived from insurance premiums paid by Orange County, other government agency participants, and employees covered by the plan. Risk Management Fund revenue is derived from charges to county departments and participating Constitutional Offices for insurance coverage for workers' compensation, property and auto liability, as well as general liability coverage.

Additional revenue sources include 911 fees. Orange County is empowered to levy a fee of up to \$0.40 per month per phone line (up to a maximum of 25 access lines per account bill rendered) to be paid by local subscribers within Orange County served by the "911" emergency telephone system. Additionally, in 2014, the State reduced the monthly "E911" fee on wireless subscribers in the state from \$0.50 to \$0.40 and, for the first time, established a collection procedure relating to this fee for prepaid wireless users. The revenue received is restricted and is used for allowable operating costs directly associated with the 911 programs and for allowable expenditure reimbursement to the Public Safety Answering Points (PSAPs) call centers throughout Orange County, under Florida Statute 365.172.

Also received are revenues from a traffic violation surcharge, which is assessed at a rate of \$12.50 per moving violation. Of that amount, Orange County receives \$12.00 (the Clerk of Courts receives \$0.50 per violation for processing expenses). The traffic violation surcharge funds equipments for the Orange County's intergovernmental radio system.

**Fiscal Year  
2023-24**

**CAPITAL IMPROVEMENTS PROGRAM**

Projects under the direction of  
**Administration & Fiscal Services**

The Administration and Fiscal Services is responsible for the direction of projects falling under the Information Systems & Services Division. These projects pay for the maintenance and upgrade of the 911 system, the radio communications system, and network and telecommunications infrastructure.

	<b>Adopted FY 2023-24</b>
Information Systems and Services	\$ 21,369,097

**Funding Mechanism:**

Funding for 911 projects is provided by the 911/E911 Fee Fund (1054). All other funding is derived from the Capital Projects Fund (1023).

The 5-Year Adopted CIP – by Department/Division report following this page utilizes figures as of 8/29/2023 for the FY 2023-24 budget rather than as of 3/31/2023 to accurately reflect Total Project Costs approved by the Board of County Commissioners.

## Other Offices

### Purpose Statement:

Other Offices is comprised of smaller offices performing manage a variety of functions ranging from senior management meetings to establishing legislative priorities. This group provides management support, legal representation, and organizes and coordinates the delegation function.

### Program Descriptions:

- The **Agenda Development Office** compiles and distributes agendas for the Board of County Commissioners (BCC) meetings. It also provides support to the citizen advisory boards and serves as staff to the Membership and Mission Review Board (MMRB).
- The **Office of Arts & Cultural Affairs** supports and encourages the development of the arts and cultural community and promotes cultural tourism, as well as activities for county employees. This office serves as the staff for the Arts & Cultural Affairs Advisory Council, along with its committees (including the Public Art Review Board). The Council allocates funding, with BCC approval, of Tourist Development Tax (TDT) dollars for cultural tourism, cultural facilities and promotion of the arts.
- The **County Administrator's Office** provides management support to the County Mayor, BCC, and other agencies of Orange County Government. The management support function includes: direction and coordination of the nine (9) functional departments of Orange County; implementation of the policies of the County Mayor and BCC; and, exercising leadership to encourage the employees of Orange County to achieve the highest standards of efficiency, effectiveness, ethics, and community involvement.
- The **County Attorney's Office** is the Chief Legal Counsel to Orange County. The County Attorney and assistants represent Orange County Government, the County Mayor, the BCC, the County Administrator, all departments and divisions, and Orange County Officers. Additionally, the County Attorney represents Constitutional Officers upon their request. Some areas of concentration include, but are not limited to, the preparation of ordinances to ensure legal sufficiency; preparation of all administrative regulations and executive orders, which are approved by the BCC or signed by the County Mayor, respectively; and, litigation of most cases that are not under the purview of Risk Management, although attorneys from this office attend Risk Management Committee meetings and keep current with all ongoing litigated cases. Additionally, this office works closely with all Orange County departments and divisions concerning legal matters.
- The **Economic Trade and Tourism Development Office** funds programs and services aimed at diversifying the local economy, attracting and growing high value companies, and promoting job growth that results in an overall increase in the average salary of Orange County citizens. In addition to the traditional focus on attracting new businesses, business retention, and marketing ("outside in" economic development), there is a strong focus on entrepreneurship ("inside-out" economic development).
- The **Innovation and Emerging Technologies Office** is responsible for the improvement and technology advancements throughout the county.
- The **Legislative Affairs Office** is responsible for organizing, coordinating, and advancing Orange County's state and federal legislative agenda. The office develops priorities for legislative and administrative issue.
- The **Office of Communications Division** distributes messages and information generated by Orange County Government to its employees and the public. The Communications Division organizes press conferences and special events for the County Mayor and the BCC, including the County Mayor's annual State of the County Address. The Graphics section is responsible for printing, duplicating, and related services for all operating departments, elected officials, and affiliated agencies. The division also includes Orange TV (OTV), which operates two (2) government TV channels: 1) *Orange TV* concentrates on live public meetings, special events, and informational programs on Orange County services; and, 2) *Vision TV* concentrates on regularly scheduled education and government information programming organized in viewing blocks. Division personnel are also responsible for operating and maintaining the electronic equipment in the BCC Chambers and the adjacent media room; internal and external publications; and, news and community alert content on the Orange County website and manages our social media channels. OTV personnel also maintain and provide television communications at the Orange County Emergency Operations Center (EOC) during all emergencies.

- The **Sustainability and Resilience Office** is responsible for advancing environmental sustainability and resilience throughout Orange County's operations, such as energy and water conservation, waste diversion and recycling improvements, and fleet efficiency.

## Other Offices

### EXPENDITURE HIGHLIGHTS

#### *Personal, Operating, Capital Outlay, Capital Improvements, Debt Service, & Grants Expenses –*

The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases.

One (1) Administrative Specialist position has been added for the Graphics section under the Office of Communications to assist with customer intake and one (1) Senior Monitoring & Evaluation Coordinator under Innovation and Emerging Technologies to monitor and manage contracts within this office and Economic, Trade, and Tourism Development.

#### **Two (2) New Position FY 2023-24**

1 – Administrative Specialist, Office of Communications

1 – Senior Monitoring & Evaluation Coordinator, Innovation and Emerging Technologies

The **Agenda Development** FY 2023-24 budget increased by 6.3% or \$19,997 from the FY 2022-23 budget primarily due to increases in personal services as noted above.

The **Arts and Cultural Affairs** FY 2023-24 budget increased by 1.7% or \$15,132 from the FY 2022-23 budget primarily due to increases in personal services as noted above and capital outlay to purchase laptops and compute equipments. Also, included is \$200,000 in grant funding for Fusion Fest, which remains status quo from the FY 2022-23 budget.

The **County Administrator's Office** FY 2023-24 budget increased by 10.2% or \$254,757 from the FY 2022-23 budget primarily due to increases in personal services as noted above.

The **County Attorney's Office** FY 2023-24 budget increased by 8.6% or \$480,789 from the FY 2022-23 budget primarily due to increases to personal services as noted above.

The **Economic, Trade and Tourism Development Office** FY 2023-24 Grants budget increased by 1.7% or \$76,493 from the FY 2022-23 budget mainly due to a 3.0% increase for all contracts under the Economic Partnership program. Please see the grants agreement and program support table on page 14-10 for a listing of recipient organizations and grant amounts.

The **Innovation and Emerging Technologies Office** FY 2023-24 Grants budget increased by 6.8% or \$17,250 from the FY 2022-23 budget. The Science, Technology, Engineering, and Mathematics (STEM) grant is budgeted at \$272,250 and will provide support to community organizations who provide STEM career training and promotion to local students. Please see the grants agreements and program support table on page 14-11 for a listing of recipient organizations and grant amounts.

The **Innovation Lab Office** FY 2023-24 is budgeted at \$393,580. The Orange County Innovation Lab will provide training and support for employees to utilize problem solving, iterative methodology, and allow employees as well as community partners to learn aspects of the curriculum and run projects through the Lab. The budget includes funding for one (1) position and operating costs to support the program. In addition, the capital improvements budget of \$1.0 million is for the OC Innovation Lab Building project. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects.

The **Legislative Affairs Office** FY 2023-24 budget increased by 3.7% or \$29,476 from the FY 2022-23 budget primarily due to increases to personal services as noted above.

The **Office of Communications** FY 2023-24 budget increased by 11.1% or \$632,837 from the FY 2022-23 budget mainly due to license and software renewal increases, along with the reallocation of capital lease copiers budget being moved into the operating budgets. In addition, the capital outlay expense budget includes funding for the replacement of 10 new equipment items, such as, LED Video Wall for Studio Production, Cameras for the BCC Chambers, a Latex Plotter and Storage System and Servers for Graphics and OrangeTV.

The **Sustainability and Resilience Officer** FY 2023-24 budget increased by 11.1% or \$57,020 from the FY 2022-23 budget primarily due to increases to personal services as noted above.

---

## **FUNDING SOURCE HIGHLIGHTS**

The funding for Other Offices comes from the General Fund, Capital Projects Fund, which is used to pay for a capital improvement project, and I-Drive CRA Fund (1246).

## Other Offices

### Purpose Statement:

Other Appropriations is comprised of a variety of outside agencies and non-departmental budgets benefiting Orange County.

### Program Descriptions:

- The **Arts and Science Agencies** budget provides financial support to United Arts of Central Florida and the Orlando Science Center.
- Orange County's charter, adopted in 1988, provides for a **Charter Review Commission (CRC)** to be appointed every four (4) years. Without a charter most of Orange County's powers and responsibilities would be governed by provisions in the Florida Statutes, which apply to all non-charter counties in the state. The charter gives Orange County the ability to respond to a changing environment and meet local needs without legislative changes at the state level. The CRC is responsible for recommending revisions to Orange County's home rule charter, which are then approved by the citizens through voter referendum.
- **East Central Florida Regional Planning Council** promotes cooperation among local units of government, and provides for comprehensive planning in the East Central Florida region.
- **Interfund Transfers** are budgeted amounts transferred from one governmental accounting fund to another for services provided or for operational purposes.
- **LYNX** is the mobility services agency of Central Florida and provides public transportation services to the general public in Orlando, Florida metropolitan area of Orange County. LYNX provides an array of transportation services in the form of fixed-route bus services, door-to-door para-transit services in compliance with the American with Disabilities Act (ADA), carpool/vanpool services, school pool matching services, and community shuttle services to special events.
- **Metropolitan Planning Organization (MetroPlan)** assists local governments in the tri-county area with transportation planning. MetroPlan also sets priorities and determines how federal and state transportation dollars are spent in the region.
- **Non-Departmental – General Fund** represents a collection of centralized accounts for expenses that are of a countywide nature and do not relate to any one operating department. A summary of budgeted items for the Non-Departmental budget is included in this section.

- **Orange Blossom Trail (OBT) Crime Prevention District** was created during the 1998-99 fiscal year for the purpose of providing crime prevention programs and services in the South Orange Blossom Trail corridor area. Programs include the Citizens' Volunteer Patrol, Neighborhood Watch initiatives, and "area clean-ups" throughout the district that include claw truck and remote dumpsters, graffiti sign removal program, and demolition of dilapidated structures.
- **SunRail** is a Central Florida passenger commuter rail system serving the tri-county area along with Volusia county. SunRail is funded by state and federal governments and counties it services.
- **Reserves – General Fund** provides reserves for contingencies, catastrophic loss, and other undetermined needs as approved by the Orange County Board of County Commissioners.

## Other Appropriations

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The personal services budget within Non-Departmental includes \$12.1 million for other post employment benefits (OPEB) that, under Government Accounting Standards Board (GASB) Statement No. 45, requires the accrual of liabilities of other post employment benefits to occur over the working career of plan members rather than on a pay-as-you-go basis. Also, \$1.1 million has been included for estimated Health Saving Account costs for the medical benefits fund.

#### **Operating & Grants Expenses –**

**American Rescue Plan Act Funds** - On March 11, 2021, President Biden signed the \$1.9 trillion American Rescue Plan Act of 2021 (ARPA) to provide direct relief to Americans, contain the COVID-19 virus, and rescue the economy. Within ARPA contained an allocation of \$362 billion in state and local fiscal recovery funds to assist state and local governments in the recovery. Orange County's direct allocation based on population was \$270.7 million. All of the ARPA funding has been received from the US Treasury. Orange County's plan continues to focused on bringing the COVID-19 pandemic under control; addressing the urgent needs of residents, families and neighborhoods hardest hit by the COVID-19 public health emergency; and making investments to provide economic recovery and rebuilding. Funding has been allocated into five (5) area of focus to include small business assistance, social and community services, health and public safety, infrastructure projects, and revenue recovery that will be used to invest in areas that were heavily impacted by the pandemic. Some of the ARPA funding is shown under department budgets that are using it for capital projects.

The **Arts and Science Agencies** FY 2023-24 grant budget is \$1,581,321, a 1.7% increase from the FY 2022-23 budget. The United Arts of Central Florida is budgeted at \$1,481,321, which is based on a \$1.00 per capita formula. The Orlando Science Center is budgeted at \$99,999 to provide operational and maintenance support, which is a 3% increase over FY 2022-23.

**CARES Act Funds** - This was one-time federal funding to help provide services during the COVID-19 pandemic. This funding was fully expended and the program has ended.

The **Charter Review Commission** FY 2023-24 operating expense budget is \$503,962 to cover the costs of the committee. The committee is operational every four (4) years.

The **East Central Florida Regional Planning Council (ECFRPC)** FY 2023-24 assessment of \$309,448 for Orange County is based on a \$0.2089 per capita formula. The funding level increased due to an increase in Orange County population from 1,457,940 in 2021 to 1,481,321 in 2022, based on the most recent Orange County estimated population.

**Interfund Transfers** are non-operating expenditures and are described under the "Other" category.

The **LYNX** FY 2023-24 contribution is budgeted at \$77,891,284, which is an increase of 25.4% or \$15,777,684 from the FY 2022-23 budget. A total of \$6 million of this increase is attributed to operational service enhancements LYNX will be implementing as part of the Orange County's \$100 million accelerated transportation funding initiative. The remaining increases are for normal inflationary cost increases and covering costs where one-time American Rescue Plan Act federal funding was being used that is being exhausted. Over the next several years, the funding partners operational contributions will increase as the one-time federal funding is depleted. LYNX allocates costs to its funding partners according to its regional transportation model that distributes system costs by service hours to each of the participating counties.

The **MetroPlan** FY 2023-24 funding contribution is budgeted at \$551,014, which increased by 1.4% or \$7,660 from the FY 2022-23 funding level. The funding amount is calculated by formula using the most recent Orange County estimated population (less the cities of Apopka and Orlando) of 1,102,027 and applying an assessment of \$0.50 per capita.

The **Non-Departmental** operating expense and grants budget are described in detail on page 15-7.

The **OBT Crime Prevention Fund** FY 2023-24 operating expense budget decreased by 19.2% or \$56,796 from the FY 2022-23 budget. The OBT Neighborhood Improvement District receives funding from fines resulting from area arrests. The budget allows for more diverse crime prevention programs in the OBT area of Orange County.

The **SunRail** FY 2023-24 budget is increasing by 600% or \$6.0 million from the FY 2022-23 budget. The Florida Department of Transportation is currently working to transition SunRail operations to the local government funding partners. The transition date has not been finalized, but funding has been included in the budget in anticipation of Orange County's contribution for FY 2024. Funding is also included for a Sunshine Corridor study.

**Reserves** – The FY 2023-24 Reserves-General Fund budget provides for the following reserves:

<u>General Fund</u>	<u>FY 2023-24</u>
Reserve for Contingency	\$ 79,811,094
Reserve - Catastrophic Loss	5,000,000
Restricted Reserves	20,000,000
<b>Total</b>	<b>\$104,811,094</b>

The General Fund reserves are budgeted at 7.5% of the General Fund budget for FY 2023-24. The following is a three-year comparison of the General Fund reserves as a percent of budget.

<u>Fiscal Year</u>	<u>Reserves as a Percentage of the General Fund Budget</u>	<u>Reserves Amount</u>
FY 2021-22 (Budget)	7.3 %	\$ 96,296,920
FY 2022-23 (Current)	7.6 %	\$102,982,370
FY 2023-24 (Adopted)	7.5 %	\$104,811,094

**Other – Interfund Transfer** – The FY 2023-24 budget provides for the following transfers to other funds:

<u>Fund</u>	<u>FY 2023-24</u>	<u>Purpose</u>
International Drive CRA	\$26,727,300	Tax increment payments related directly to the taxable value of constituent properties.
Affordable Housing Trust	14,641,000	To provide direct funding for operations of the Affordable Housing Trust Fund.
Court Technology	4,978,064	To supplement recording fee revenue as the proposed budget for this program is greater than the amount of fees being collected.
Mosquito Control	3,430,779	To provide direct funding to the Mosquito Control Division for operations as required by Florida Statute 388.311.
Grants	3,640,000	To supplement grant funded salary positions, such as CINS/FINS (Children in Need of Services/Families in Need of Services), the Oaks Treatment Program and Head Start grants.
Local Court Programs	1,540,968	To supplement court fee revenue as the proposed budget for this program is greater than the amount of fees being collected.
Legal Aid Programs	1,310,767	To supplement court fee revenue as the proposed budget for this program is greater than the amount of fees being collected.
Orange County CRA (OBT)	1,023,811	Tax increment payments related directly to the taxable value of constituent properties.
Drug Abuse Trust Fund	120,900	To supplement the trust fund that provides payments for drug treatment programs at the Center for Drug Free Living.
Juvenile Court Programs	113,366	To supplement court fee revenue as the proposed budget for this program is greater than the amount of fees being collected.
Children and Family Svcs (CFS) Board Donations	25,000	To provide funding collected from the cell tower at the Michigan Street facility to support Great Oaks Village.
<b>Total</b>	<b>\$57,551,955</b>	

**Community Redevelopment Agency (CRA) Payments** – Florida Statutes Section 163.387(1) provides for the creation of redevelopment trust funds for individual communities. Monies allocated in these funds shall be used to finance or refinance any community redevelopment undertaken pursuant to the approved community redevelopment plan. There is \$47,630,648 budgeted for 12 CRAs under Non-Departmental (see page 15-7) for FY 2023-24. In addition, there are two (2) Orange County CRAs funded at \$27,751,111 for the International Drive CRA and the Orange County CRA (OBT). The total of the 14 CRA payments for FY 2023-24 is \$75,381,759. Payments are based on estimated incremental tax revenue related directly to the taxable value of constituent properties.

---

## FUNDING SOURCE HIGHLIGHTS

Funding for Other Appropriations is provided by the General Fund, Crime Prevention Fund (1243), and CARES Act Coronavirus Relief Fund (5895), and American Rescue Plan Act of 2021 (5896).

## Non-Departmental

## Other Court Funds

### Purpose Statement:

Other Court Funds are budgets that fund programs and services that required by Article V, Revision 7. The budgets for Court Facilities and Court Technology programs help fund the facilities and technology needs of the courts. The Law Library, Juvenile Court, Legal Aid, and Local Court Programs help fund local court functions.

### Program Descriptions:

- The **Court Facilities Fund** program pays for court parking leases, courthouse facility maintenance, and capital facility improvements for the courts. It was originally established on June 15, 2004, when the Board of County Commissioners (BCC) passed an ordinance to impose a \$15 charge on civil and criminal traffic infractions in order to fund court facilities. Effective October 1, 2009, the ordinance was amended to increase the fee to \$30.
- The **Court Technology Fund** established on June 1, 2004, by Senate Bill 2962 pays for court-related information technology. The bill created a \$4 per page increase in recording fees to fund the technology needs of the State Attorneys, Public Defenders, Clerks, and the Circuit Courts. From the \$4 fee, \$2 is directed to the BCC to fund information technology for the court agencies. Of the remaining \$2.00, \$1.90 is directed to the Clerk's office for their court-related information technology needs and \$0.10 is set aside for a statewide case information system.

Courtroom 23 – Hi-Tech Courtroom

- The **Additional Court Costs Fund** was established on June 15, 2004, when the BCC passed an ordinance to impose a \$65 court fee when a person pleads guilty or nolo contendere to, or is found guilty of, any felony, misdemeanor, or criminal traffic offense under the laws of this state. The \$65 is divided equally between four (4) programs as follows: 1) 25% of the amount collected shall be allocated to fund innovations to supplement

state funding for the elements of the state court system identified in Section 29.004, Florida Statutes, and county funding for local requirements under Section 29.008 (2)(a)2, Florida Statutes; 2) 25% of the amount collected shall be allocated to assist counties in providing legal aid programs; 3) 25% of the amount collected shall be allocated to fund personnel and legal materials for the public as part of a law library; and, 4) 25% of the amount collected shall be used to support juvenile programs.

### Local Court Programs

- **Citizens' Dispute Resolution** – Orange County citizens may bring their disputes to the Orange County Bar Association for mediation, in an effort to reach a resolution of the dispute to which all parties agree. The program addresses matters such as landlord/tenant issues; recovery of money or property; neighborhood complaints; consumer disputes; and, some minor criminal issues.
- **Court Administration** - Court Administration serves Orange County community members and the judiciary of the Ninth Judicial Circuit Court by providing the necessary support programs for the daily operation and management of non-judicial court functions.
- **Court Care Center** - The Court Care Parenting Coordination program decreases conflict and promotes emotional stability among divorcing parents for the benefit of their children.
- **Court Resource Center** - Through the Court Resources and Information program, staff support Orange County community members and court users, as well as local media, by providing timely access to information and disseminating court information through the Ninth Judicial Circuit website, social media, and collateral materials.

- **Family Ties** - Family Ties is a court-operated program providing supervised visitation and monitored exchange of children with high conflict parents. The program provides a safe, secure, and comfortable environment for parent/child interactions and promoted proper parenting.
- **Seniors First (Guardianship Program)** - This program provides legal guardianship for elderly clients who have been legally declared unable to care for themselves. Lawyers and trained staff manage legal and medical affairs. Staff and volunteer caseworkers visit the clients on a regular basis to monitor their care and provide companionship.
- **Staff Attorney** - Staff attorneys provide integral support to the judiciary by researching legal issues and preparing memoranda on pretrial and trial issues that arise in all divisions of the court. They also assist the judges with other matters such as appeals, writs, post-conviction matters, and capital cases.
- **Neighborhood Restorative Justice** - A diversionary program primarily for first time misdemeanor juvenile offenders, the Neighborhood Restorative Justice program diverts less serious crimes from the juvenile courts while also empowering victims and community members by inviting them to play a key role in the administration of justice. Juvenile offenders are required to take responsibility for their crimes and make reparations.

Orange County Courthouse-Ninth Judicial Court of Florida

### ***Legal Aid Society***

- The primary purpose of the Legal Aid Society is to provide quality legal services for low-income residents, the working poor, children, and disadvantaged groups with special legal needs in Orange County, Florida. The program also assists in providing legal aid services to similarly situated residents of neighboring counties through an effective and fiscally sound program through the combined efforts of staff and pro bono attorneys.

### ***Law Library***

- This program funds the Florida Agricultural and Mechanical University (FAMU) law library. Specifically, these funds help house and maintain law reference materials that include digests, American Jurisprudence 2ds, legal opinions, advisory opinions, law journals, Martindale- Hubbell directories, Reporters, United States Code Annotated, Citations, Law Weeklies, Law Reviews, Rules of Court, Codes, Florida Cases, Supplements, Florida Statutes, Laws of Florida, Statutes Annotated, and Florida Jurisprudence 2ds.

### ***Juvenile Court Programs***

- **Juvenile Drug Court** - The Juvenile Intervention Services addresses drug abuse problems and mental health issues in non-violent youth offenders. The program provides identification, evaluation, case management and placement of substance abusing offenders in appropriate treatment to keep them from entering the formal criminal justice system.

## Other Court Funds

### EXPENDITURE HIGHLIGHTS

**Personal Services** – The FY 2023-24 personal services budget includes a 5.0% salary increase for non-bargaining employees. The Florida Retirement System (FRS) rates were budgeted at amounts approved by the State Legislature for employer retirement contributions. The budget for employer health insurance contributions increased from \$16,500 to \$17,850 per employee to cover medical cost increases. The authorized position count increased by one (1) position to provide a Chief Information Officer position for Court Administration to oversee their technology initiatives.

#### **One (1) New Position FY 2023-24**

1 – Chief Information Officer - Court Administration, Court Technology Fund

**Operating Expenses** – The FY 2023-24 operating expenses budget increased by 2.1% or \$202,825 from the FY 2022-23. The slight increase in operating is primarily for maintenance costs for the court facilities.

**Capital Outlay** – The FY 2023-24 capital outlay budget decreased by 21.7% or \$357,520 from the FY 2022-23 budget. The decrease is attributed mainly to funding requests for one-time purchases for software in FY 2022-23 for Court Technology.

**Capital Improvements** – The FY 2023-24 capital improvements budget decreased by 70.1% or \$1.0 million from the FY 2022-23 budget. Unspent budget in FY 2022-23 for Court Facilities and Court Technology projects will be rebudgeted to FY 2023-24 during the Annual Budget Amendment in January 2024. Please refer to the detailed Capital Improvements Program section of this document for a complete listing of projects.

**Debt Service** – The FY 2023-24 debt service budget of \$496,153 is for the annual principal and interest expenses on leases for the Winter Park Traffic Court, Clerk of Courts Records Warehouse, Mediation Court, and Courthouse Parking Garage.

**Grants/Services** – The FY 2023-24 grants/services budget increased by 0.6% or \$12,479 from the FY 2022-23 budget and includes funding that Orange County provides to the following organizations: Orange County Bar Association for the Legal Aid Society in the amount of \$1,477,397; Citizens Dispute Resolution in the amount of \$102,228; Seniors First Guardianship Program in the amount of \$95,418; and, Florida Agricultural and Mechanical University (FAMU) for the Law Library in the amount of \$261,725.

**Reserves** – The FY 2023-24 reserves budget of \$87,607 is for the Court Facilities Fund.

**Other** – The FY 2023-24 other category budget is zero and the FY 2022-23 budget is for an interfund transfer to Local Court Programs from Juvenile Court Programs of unspent funds at the close of the prior fiscal year.

---

## FUNDING SOURCE HIGHLIGHTS

The Special Revenue Funds under the court funds consist of the Court Facilities Fund, Court Technology Fund, and Additional Court Costs funds. The General Fund provides \$7.9 million through an interfund transfer to the court funds to cover expenses due to the lack of revenue generated from some of the funds.

The Court Facilities Fund was established on June 15, 2004, when the Board of County Commissioners passed an ordinance to impose a \$15 charge on civil and criminal traffic infractions in order to fund court facilities. Effective November 1, 2009, the BCC amended the ordinance and code to increase the surcharge to the maximum \$30 for non-criminal traffic infractions and criminal violations as described in the governing statutes.

The Court Technology Fund was established on June 1, 2004 by Senate Bill 2962, which created a \$4 per page increase in recording fees to fund the court-related information technology needs of the state attorneys, public defenders, clerks, and the courts. Of the \$4 fee, \$2 is directed to the Board of County Commissioners to fund information technology for the courts, state attorneys, and public defenders. Of the balance, \$1.90 is directed to the clerks for their court-related information technology needs; and, \$0.10 is set aside for a statewide case management information system.

The Additional Court Costs funds were established on June 15, 2004, when the Board of County Commissioners passed an ordinance to impose a \$65 court fee when a person pleads guilty or nolo contendere to, or is found guilty of, any felony, misdemeanor, or criminal traffic offense under the laws of this state. The \$65 is split between four (4) programs:

1. Twenty-five percent (25%) of the amount collected shall be allocated to fund innovations to supplement state funding for the elements of the state court system identified in Section 29.004, Florida Statutes, and county funding for local requirements under Section 29.008(2)(a)2, Florida Statutes.
2. Twenty-five percent (25%) of the amount collected shall be allocated to assist counties in legal aid programs.
3. Twenty-five percent (25%) of the amount collected shall be allocated to fund personnel and legal materials of the public as part of a law library.
4. Twenty-five percent (25%) of the amount collected shall be used to support juvenile programs.

## CAPITAL IMPROVEMENTS PLAN SUMMARY

---

The FY 2024-2028 Capital Improvements Plan (CIP) is presented in this section. The CIP includes funding for a diverse set of projects. Those projects touch everything from renovations of existing facilities to the construction of new roadways. Annual funding for new projects is limited and all requests are prioritized and scrutinized before being included in the CIP.

The adopted CIP contains eight (8) new projects with costs totaling an estimated \$22.8 million over the next five (5) years. Some of these new projects include:

- **Emergency Generators - \$525K (Capital Projects Fund)**  
Project will be used to install permanent generators at the Great Oaks Village and the Orange County Youth Shelter for safety and security for the children placed in the residential group to use when sheltering from emergency situations.
- **Accelerated Transportation Plan - Roadway Lighting, Roadway Safety and Sidewalk Connectivity - \$55.0 million (Transportation Trust Fund-Sales Tax)**  
Projects will be used as part of the \$100+ Million Transportation Funding Plan and will be used to complete roadway lighting and safety projects, and sidewalk connectivity and improvements across the County. Transit is also part of this plan for enhanced operational service and new or upgraded bus shelters.
- **Vision Zero-Roadway/INTXNS/Pedestrian & Bike Safety and Intersections/Corridor Roadway Sustainability Improvements for SORAP - \$2.0 million (Local Option Gas Tax)**  
Project will be used to assess, design and construct roadway departure enhancements, like rumble strips, safety edging and median barriers, and adding signals, roundabouts, directional median openings (left/right turn lanes).
- **Clerk of Courts Ceremony Room Improvements and Renovations - \$360K (Capital Projects Fund)**  
Project will be used to design, construct and furnish three (3) ceremony rooms with additional seating for public use at the Downtown, Apopka and Ocoee Service Centers.
- **Courthouse Window Improvements - \$1.5 million (Capital Projects Fund)**  
Project will be used to assess and design durable window frame and glass replacements for various windows in the courthouse as the facility is 28 years old and window seals have numerous gaps resulting in air and water intrusion.
- **Parks West Orange Trail Extension - \$160K (Parks Impact Fee Fund)**  
Project will be used to design bid documents to provide a 12-foot wide trail connection from the West Orange Trail on Rock Springs Road to the entrance of Wekiwa State Park entrance. The connection is approximately 3.0 miles in length and will connect to the Seminole County Wekiva River Blueway Trail at Wekiwa State Park.
- **Parks Riverbanks Washouts - \$3.3 million (Parks Fund)**  
Project will be used to repair river banks that are washing out slopes along the trails.

The reports that follow detail Orange County's comprehensive Capital Improvements Plan. Available funding has been identified for all project budgets falling within the plan's five-year timeframe (FY 2024-2028). Approved FY 2023-24 budgets displayed on the CIP reports are as of 08/29/2023.

---

## PURPOSE OF THE CAPITAL IMPROVEMENTS PROGRAM & BUDGET

---

The Capital Improvements Program and Budget provides the means through which Orange County Government takes a planned and programmed approach to utilizing its financial resources in the most responsive and efficient manner to meet its service and facility needs. The capital budgeting process is designed to achieve the following results:

- Consolidating and coordinating the various department requests with the goal of reducing unnecessary delays, and coordinating the individual improvement programs of the departments;
- Establishing a system of procedures and priorities by which each proposal can be evaluated in terms of the public need, the comprehensive planning of the area, the interrelationship of projects, and cost requirements;
- Scheduling the proposals over an extended period whereby the Capital Improvements Program can be achieved; and,
- Anticipating needed projects and relating them to existing and projected fiscal capacity.

---

## CAPITAL IMPROVEMENTS PROJECT DEFINITIONS AND QUESTIONS

---

### 1. What is a Capital Improvements Project (CIP)?

Any governmental expenditure for the construction, installation, and/or renovation of facilities that are expected to be in service for at least 10 years. Capital projects are relatively large scale, non-recurring projects that may require multi- year financing. Expenditures that meet these criteria and are in excess of \$25,000 should be included in Orange County's Capital Improvements Program.

### 2. What type of costs are included in a CIP?

All design and construction costs and any other costs associated with preparing a facility for use are included in the project.

### 3. What is an encumbrance?

The commitment of funds to purchase an item or service. An encumbrance is generated when a purchase order or release order is issued. Encumbered but unspent funds are rolled from one fiscal year to the next.

### 4. What is a carry-over or rebudget?

A carry-over or rebudget is unspent project funding from a fiscal year that needs to be moved to the new fiscal year or future years to maintain total project cost.

### 5. What happens if a department is not able to expend/encumber funds by year-end that were approved in the budget for that fiscal year?

Any approved CIP project funding that was not expended or encumbered in the prior fiscal year can be rebudgeted during the annual budget amendment. This annual amendment occurs in January of every fiscal year.

Some departments customarily forecast what will not be expended/encumbered during the current fiscal year and budget the unexpended funds estimate in a “reserve for future capital outlay” or “provision for rebudgets” account. This account will allow the department access to funding through a CIP Amendment executed in the new fiscal year before the actual budget reconciliation is done during the annual budget amendment in January.

### 6. How much money/funds are available for projects?

Available funds are determined annually, and are based on anticipated tax revenue and financing plans.

### 7. What is the process for amending a CIP budget?

Any change to a CIP project that impacts the total cost of the project or includes a transfer from a reserve account requires a CIP Amendment and Board of County Commissioners (BCC) approval. Changes that simply move funding from one year to another, due to timing, do not require BCC approval.

**8. How are operating expenditures associated with a CIP handled?**

When a new CIP is requested, all costs, including future operating impacts are evaluated. Once the project is completed and operational, the operating and maintenance costs must be funded with operating revenues. Departments include in their budgets the operating expenses that are needed when the capital project is completed and becomes operational.

**9. If a project won't begin for three (3) years, would it be included in the Five-Year CIP?**

Yes, all projects that will need some funding within the next five (5) years are included in the Five-Year CIP. If projects/costs are known beyond the five-year period, they should also be submitted as future cost needs. These future cost estimates can then be included in long-term funding models.

---

## **ORANGE COUNTY CAPITAL IMPROVEMENTS BUDGET POLICIES**

---

As adopted by the Board of County Commissioners in July 1991 and as subsequently amended:

- All Orange County capital improvements will be made substantially in accordance with the adopted Capital Improvements Program, and as outlined in the Comprehensive Policy Plan.
- Orange County will develop a multi-year plan for capital improvements and update it annually.
- Orange County will enact an annual Capital Improvements Budget based on the multi-year Capital Improvements Program. Future capital improvements expenditures necessitated by changes in population, changes in real estate development, or changes in economic base will be calculated and included in capital improvements budget projections.
- Orange County will coordinate development of the Capital Improvements Budget with development of the operating budget. Future operating costs associated with new capital improvements will be projected and included in operating budget forecasts.
- Orange County will use intergovernmental assistance to finance only those capital improvements that are consistent with the Capital Improvements Program and Orange County priorities, and only when operating and maintenance costs have been included in operating budget forecasts.
- Orange County will attempt to maintain all its assets at a level adequate to protect the county's capital investment, and to minimize future maintenance and replacement costs. The maintenance of existing assets is the county's primary capital expenditure consideration.
- Orange County will project its equipment replacement and maintenance needs for the next several years and will update this projection each year. From this projection, a maintenance and replacement schedule will be developed and followed.
- Orange County will identify the estimated costs and potential funding sources for each capital project proposal before it is submitted for approval.
- Orange County will determine the least costly financing method for all new projects.
- Project requests will be reviewed and department priorities analyzed by the County Mayor/County Administrator after review by Office of Management and Budget.
- The Capital Improvements Budget will be adopted and incorporated into the annual Orange County Budget.
- The Orange County Capital Improvements Program for each five-year period is approved by the Board of County Commissioners, and the annual CIP budget is adopted by resolution. Deviations from the total cost of the adopted Capital Improvements Budget will require approval by the Board of County Commissioners.

## **IDENTIFYING PROJECTS - PUBLIC PARTICIPATION/CITIZEN ASSISTANCE**

---

The preparation of a Capital Improvements Budget involves the determination of specific capital improvement projects needed to upgrade inadequate existing facilities, and the identification of facilities, which will be needed to accommodate future growth and development in the community. To accomplish this task, citizen input is solicited throughout the budget cycle. The following is a summary of the citizen input received throughout the year:

**Community Development** - A federally mandated Advisory Board meets monthly. Citizens and non-profit organizations may request funding of specific proposals. Neighborhood meetings are held throughout the year for obtaining public input. The primary responsibility of this board is to conduct studies, hold hearings, and make recommendations to the Board of County Commissioners regarding the Federal Housing and Community Development Act of 1974 and subsequent federal regulation.

**Parks and Recreation** - Citizens have access to monthly Parks Advisory Board meetings and can, through this medium, propose specific parks projects for approval.

**Public Works and Development** - Public participation at all growth management, zoning, and development review meetings is encouraged. Although these meetings may not result in specific proposals for capital improvements, they do relate to growth and development, which often trigger the requirement for capital improvements. For each major project, a community meeting is held in the affected area in order to provide citizens with a forum for expression of concerns. Projects are then reviewed by the appropriate advisory board and then submitted to the Board of County Commissioners for approval.

The public is encouraged to attend the budget public hearings of the Board of County Commissioners and other community meetings to provide input into the Capital Improvements Program.

## POTENTIAL REVENUE SOURCES

---

The following are potential sources of revenue for capital improvements. If the source of funding is restricted for particular items/departments, these restrictions are indicated. The list is not comprehensive.

Source of Funding	Restrictions
Transportation Trust Fund 1002	Restricted for use by the Public Works Department for transportation operating costs and infrastructure needs.
Constitutional (2nd) Gas Tax Fund 1003	Restricted for use by the Public Works Department, further restricted for use by F.S. 206.411, F.S. 206.47, F.S. 335.075, and F.S. 336.41.
Local Option Gas Tax Fund 1004	Restricted for use by the Public Works Department; further tax restricted for use on county roads by County Ordinances 83-26, 83-39, 85-22, 85-28, and F.S. 336.025.
Fire Rescue Services Fund 1009	Restricted for use by the Fire Rescue Department for operating costs, equipment acquisition, and infrastructure needs.
Capital Projects Fund 1023	Restricted for use for a variety of infrastructure and miscellaneous capital needs.
Tree Replacement Trust Fund 1029	Restricted for use for the purchase and/or planting of trees/landscaping for community enhancement.
Transportation Impact Funds 1031-1034	Restricted for use by the Public Works Department for growth related road construction needs.
Fire Impact Fee Fund 1046	Restricted for use by the Fire Rescue Department for growth related capital equipment and structures.
Law Enforcement Impact Fee Fund 1035	Restricted for use by the Sheriff's Office for growth related capital equipment and structures.
Parks Fund Fund 1050	Restricted for use by the Parks and Recreation Division to fund capital projects and operations related to parks.
International Drive Community Redevelopment Area (I-Drive CRA) Fund 1246	Restricted for use for certain blighted conditions identified, including transportation in the CRA surrounding International Drive.

## POTENTIAL REVENUE SOURCES (CONTINUED)

---

Source of Funding	Restrictions
Technology Fund Fund 1247	Restricted for use by the County Courts for its technology needs. Created under the provisions of Article V, revision 7.
Facilities Fund Fund 1248	Restricted for use by the County Courts for its facilities needs. Created under the provisions of Article V, revision 7.
Parks & Recreation Impact Fee Fund 1265	Restricted for use by the Parks and Recreation Division for growth related capital expenditures.
Solid Waste Fund 4410	Restricted for use by the Solid Waste Division; further restricted by bond covenants.
Water and Wastewater Fund 4420	Restricted for use by the Water and Water Reclamation Divisions; further restricted by bond covenants.
Convention Center Fund 4430	Restricted for use by the Convention Center for expansion of the existing facility and renovations and improvements to existing facilities.
Fleet Management Funds 5530	Restricted for use by the Fleet Management Division to fund capital projects and operations.
American Rescue Plan Act (ARPA) Fund 5896	Restricted for use of various response, mitigation, assistance, and recovery investments based on criteria established by the U.S. Department of Treasury, as approved by the Board of County Commissioners.
Community Development (CD Block Grant) Grant-in-Aid Fund 7702	Restricted to those projects meeting the criteria established by the Department of Housing and Urban Development, as approved by the Community Development Advisory Board and the Board of County Commissioners.

## **AMENDING THE CAPITAL IMPROVEMENTS PROGRAM & BUDGET**

---

Conditions may arise during the fiscal year, which make it necessary to amend the adopted Capital Improvements Program and Budget to meet an unforeseen need. A procedure has been established to provide for the orderly submittal and evaluation of each requested amendment.

The Capital Improvements Budget Policies, adopted by the Board of County Commissioners in July 1991, require that all capital improvements projects be in accordance with the adopted Capital Improvements Program. Amendments to the list of projects as adopted by the Board of County Commissioners in the Capital Improvements Program are approved by the Board of County Commissioners in a manner similar to the procedure now in use for approval of change orders to contracts. An amendment to the Capital Improvements Program and Budget is required if any of the following conditions arise:

- The project is not a part of the program adopted as the Capital Improvements Program and Budget;
- The project is deleted from the adopted Capital Improvements Program and Budget;
- Project costs increase from those identified in the adopted Capital Improvements Program and Budget;
- The proposed method of financing the project is different from that indicated in the Capital Improvements Program and Budget; and,
- The basic content and emphasis of the project is different from that indicated in the Capital Improvements Program and Budget.

## TOTAL PROJECT COST CALCULATION

Orange County's Capital Improvements Program is a five-year view of anticipated capital projects. As a result, the total project cost for each project in the program has been identified. The following table is the calculation of the total project cost for a specific project in the program.

Categories	Summation
Actual Expenditures Prior Years *	+
Past Modified Budget FY 2022-23	+
Adopted Budget FY 2023-24	+
Proposed Budget FY 2024-25	+
Proposed Budget FY 2025-26	+
Proposed Budget FY 2026-27	+
Proposed Budget FY 2027-28	+
Future Requirements *	+
<b>Result</b>	<b>Total Project Cost</b>

\* On-going projects, like facilities improvements, that are made up of many small projects and require continuous funding as needs assessments are updated go back only three (3) years of actual expenditures for prior years and no future requirements are included in the total project cost calculation. For all other projects only five (5) years of actual expenditures for prior years and future requirements, if provided, are included in the total project cost calculation.

## **CAPITAL IMPROVEMENTS IMPACT ON THE OPERATING BUDGET**

---

In order to meet future service needs, Orange County plans for major capital improvements well in advance. Orange County accomplishes this by preparing a five-year capital improvements plan. As part of the budget preparation process, each department is required to submit their long-term capital needs. They are also required to submit estimated operating costs for each one of the requested projects over a five-year period. This information is used to determine the aggregate impact of the program on Orange County's operating budget. New projects are not approved if sufficient operating funds are not projected to exist at the time of completion.

### **OPERATING AND CAPITAL BUDGETS - HOW ARE THEY RELATED?**

The operating and capital budgets of Orange County are intimately related to one another. Many capital projects, especially those involving new infrastructure, result in new operating costs. The costs of operating and maintaining new infrastructure are always considered in the budget approval process. It is Orange County's philosophy that new projects are only undertaken if current and future operating revenues are sufficient to fund the operating costs associated with new capital projects.

In 1997, Orange County developed a five-year financial planning model. One of the purposes of this model is to determine the amount of operating revenue available to support new capital projects. The data gathered on operating costs for approved projects is incorporated into the financial model and updated annually. Project costs identified for future years may change when they are finally included in the adopted budget. This is due to changes in priorities and updated cost information.

As a general rule, capital projects are budgeted separately from the operating budgets in various capital projects or impact fee funds. Exceptions to this are enterprise funds, such as those that fund the Utilities Department and the Convention Center. These departments budget capital projects within their funds in accordance with generally accepted accounting principles. Other capital projects are funded through long-term debt, specially designated ad-valorem taxes, and interfund transfers to capital projects funds.
